"I was so full of gas I was afraid I'd burst. Sour, bitter substance rose up in my throat from my upset stomach after meals. I got ERB-HELP, and it worked inches of gas and bloat from me. Waist line is way down now. Meals are a pleasure. I praise ERB-HELP to the sky." This is an actual signed testimonial from a man living right here in Elsmere.
ERB-HELP is the new formula containing medicinal juices from 12 Great Herbs; these herbs cleanse bowels, clear gas from stomach, act on sluggish liver and kidneys. Miserable people soon feel different all over. So don't go on suffering—Get ERB-HELP. Elsmere Pharmacy, Dixie Highway.

Returns To Camp

Egt. Ralph Nelson Montgomery has been enjoying a 14-day furlough with his wife and family of Petersburg. Sgt. Montgomery returned Saturday to Camp Crowder, Mo. Prior to being sent to Missouri he was working in the bakery at Brooks General Convalescent Hospital, Ft. Sam Houston, Texas as baker. Before entering the Army Sgt. Montgomery had been employed as a baker for thirteen years, starting in Aurora, Ind., at the Dearborn Bakery, later working at Lawrenceburg Bakery until July 1942. At the time of his induction into the Army March 3, 1944, he was employed as an officer at Old Quaker Distillery.

New Haven P. T. A. To Have Final Program

The New Haven P. T. A. will hold the final meeting of the year Friday, May 10th at the New Haven School, 7:30 p. m. There will be a business meeting and new officers will be installed by Rev. Hogan of Big Bone Baptist Church. A "pot luck" dinner will be served by the ladies. This will be followed by a program by the New Haven Glee Club under the direction of Mr. Tullis. Midnight or high noon, in winter's sleet or summer's sizzling sun, your electric service employees are on the job keeping war-vital electricity flowing.

With so many of their former co-workers in the service, they're being called upon to do more work with less help than ever before. So if occasionally it takes a little longer than in the past for a service call to be answered or storm damage to be repaired, remember that the manpower shortage is responsible.

Like the fighters in uniform, the men who man your electric system have an important war mission to perform—and they're doing their best to live up to their responsibilities, regardless of weather conditions or personal hardships involved.

JAMES SOULE POPE, Managing Editor of THE COURIER-JOURNAL, was born at Zebulon, Pike County, Georgia . . . educated at Emory University, Atlanta. He started out as cub reporter on The Atlanta Journal after varied experience as railroad clerk, glass estimator and auto distributor for the Pope Motor Co. This newspaper natural was not long in working his way from reporter to city editor and in another rapid rise, to managing editor. In 1940 he came to Louisville to join The Courier-Journal and a few months later was made managing editor.

Friendly, quick-smiling Jimmy Pope works closely with his staff of seventy-five, spotting top news for you each day. Too, he finds time for his penetrating pen to run the editorial gamut. Controversy is grist for his mill!

In 1937 he was sent abroad on a Rosenwald scholarship to study and write about the foreign press. He went to Canada in 1941 to write a series on the Dominion at war. In 1943 the Office of Censorship at Washington borrowed him in an executive capacity for six months.

Jimmy has, for the past month, been wearing a war correspondent's uniform. Invited by the Anglo-American Army to observe and write of the China-Burma-India war theater, he left his desk to see first-hand what goes on in that area. His sprightly accounts of his trip are running in The Courier-Journal. A series on conditions in India will follow.

A newsmen for nineteen years, married for twenty-four, Pope and his wife have three sons. Jimmy, Jr., is an A.A.F. Lieutenant on a Flying Fortress based in England and has just received his second Oak Leaf Cluster.

Homemakers To Make Lamp Shades in May

During the month of May the Homemaker Clubs of Boone County will make lamp shades, using old frames. This is part of the planned year's program to conserve during war time, and instructions have been given leaders from each club by Miss Vivian Currutt of the University of Kentucky.

Shades may be made out of wallpaper or pieces of material already on hand, and so are much less expensive than ready-made shades.

Anyone interested, whether or not a club member, is invited to attend any of these meetings: May

2, Constance, Mrs. Gilbert Dolwick, hostess; May 3, Burlington, court-house; May 4, Verona, Mrs. Pearl Lamb, hostess; May 5, Hebron, Mrs. Myrtle Crutcher, hostess; May 10, Petersburg, Miss Johnnie Mae Tarrill, hostess; May 11, Walton, Mrs. Levi Pennington, hostess; May 15, New Haven, Mrs. Bess Liggett, hostess; May 16, Taylorsport, Mrs. Sadie Humphrey, hostess; May 17, Bullittsville, Mrs. Earl Southern, hostess; May 18, Florence, Town Hall; May 23, Rabbit Hash, Mrs. Adah Wilson, hostess.

WAR LOAN DRIVE TO BEGIN MONDAY

\$160,000 MUST BE RAISED IN SERIES E BONDS AND \$100,000 IN OTHER ISSUES, ACCORDING TO COUNTY CHAIRMAN.

The Seventh War Loan Drive starts next Monday, May 14th, to raise \$350,000.00 in Boone County, of which amount \$160,000.00 must be in series E Bonds and \$100,000 in other issues.

Quotas have all been previously assigned and the precinct chairmen are making arrangements to put the drive over in their respective precincts. Kentucky is 46th down the line of States in per capita purchases in past drives, which means that a close canvas of every citizen has not been made in the past. In this drive every one must be urged to buy a bond even though it may be only an \$18.75 series E bond of \$25.00 maturity value, if we correct our standing as to per capita purchases. A small bond counts the same as large ones from a per capita standpoint, however it takes the large ones along with the small bonds to reach the total quota.

With the war in Europe at an end, what better tribute could we pay our soldiers on foreign battlefields and in our training camps here at home, than to raise our county quota quickly to show appreciation for all the hardships they have suffered in bringing about this great victory over Germany. We still have many battles to fight and many lives will be lost before Japan is defeated. Therefore those at home must continue to buy bonds in support of the war until every American soldier is safe at home with his family.

Let's make this the MIGHTY SEVENTH and do it QUICKLY! Go to your bank in Boone County and make your subscription as soon as possible after May 14th if you plan to subscribe for coupon bonds, but your subscription for Series E, F, and G bonds may be made in advance of this date and count in the drive.

HAROLD KIRCHOFF REPORTED KILLED

WHILE FIGHTING WITH U. S. NAVAL FORCES IN PACIFIC WAS SON OF MRS. TILLIE KIRCHOFF OF FLORENCE.

Harold G. Kirchhoff, U. S. Navy reported, missing in action some time ago, has been reported as killed in action, according to a telegram received by his family last week. The telegram follows:

"Deeply regret to inform you that a careful review of all facts available relating to the disappearance of your husband son Harold G. Kirchhoff, Electrician's M 2/c U. S. N. R. previously reported missing leads to the conclusion that there is no hope for his survival and that he lost his life as result of enemy action on 21 February 1945 while in the service of his country. Memorial service has been held for the departed. Sincere sympathy is extended to the family in your great sorrow."

Harold was born in Bellevue, Ky. where he attended high school. He later graduated from Coyne's Electrical School of Engineering, Chicago. For the past 12 years he and his family had resided on Highway 42, near Florence, during which time he had won many friends.

Before entering the navy he was employed as maintenance man at Strel's furniture factory. He is survived by his wife Katharine Kirchhoff; three daughters, Patsy Ann, Carolyn and Marilyn; one sister, Mrs. Ray Frilling and his mother, Mrs. Tillie Kirchhoff.

Farm People Invited To Farm Bureau Meeting

All farm people are invited to the countywide Farm Bureau meeting to be held at Burlington court house, Monday evening, May 14th at 8:00 p. m., according to Walter King, president. Special reports on Farm Bureau accomplishments will be given by directors and the program committee.

Roy Battles, former Ohio County Agent and Radio Station WLW Farm Program commentator will be a guest speaker. Mr. Battles is widely known as a news reporter on activities that are vital to the welfare of the farmer. The public is cordially invited to attend.

Rev. and Mrs. Rimmer, of Florence, are the proud parents of a baby boy, born Monday night, May 7th at Booth Hospital, Covington. The new arrival has been named John Thomas.

COMMITTEES NAMED FOR RALLY

DAY TO BE HELD BY FOUR-H MEMBERS AT BURLINGTON SCHOOL MAY 19—EVENTS SET FOR 10:00 A. M.

The following committees have been appointed for the 4-H Spring Rally to be held in the Burlington Schoolhouse, May 19th:

Lunch—Mrs. Walter King, Mrs. Mildred Taylor, Mrs. Vernon Pope, Mrs. Alice Kenyon, Mrs. Lillard Scott and Mrs. Ralph Lipp.

Foods Judging—Mrs. George Kobman, Mrs. Howard Acra, Mrs. Bernice Hedges and Mrs. E. C. Garrison.

Clothing Judging—Mrs. J. C. Acree, Mrs. Louis Houston and Mrs. C. W. Luchte.

Demonstrations under 13 years of age, Mrs. Hugh McArthur and Mrs. Martha Wolfe.

Demonstration over 13 years of age, Mrs. Eunice Pettit and Mrs. Roy Adams.

Flowers, Mrs. George Morith.

Style Revue—Planist, Mrs. C. D. Benson; announcer, Mrs. J. C. Acree; general chairman, Mrs. Albert Pfalzgraf; Unit I, Aprons and Pinafores, Mrs. Thomas Hensley and Mrs. Parker Hollis; Unit II, School Dress, Mrs. A. W. Rogers; Sleeping Ensemble, Mrs. Hazel White; Tailored Costume, Mrs. H. R. Forkner; Dress-up-dress, Mrs. Jake Cleek; Formal, Mrs. Roy Kenney; Day Ensemble, Mrs. Austin Gschwind.

Events are scheduled to start at 10 o'clock, and judging will be done by Miss Edith Lacy and Miss Lullie Logan, who are members of the staff of the Extension department of the University of Kentucky.

This is a "Get-Together" day for 4-H Club members, their parents and leaders. Points are given for the special events of the day.

Demonstration teams should be practicing now, and plans should be made to enter the judging contests. Every garment made this year by a Club member should be in the style revue.

If it were not for the splendid work of the 4-H leaders in the county, Rally Day would not be possible. This is a big event in the year, and a large crowd is expected. Come and see how your Club compares with the other clubs of the county.

LOCKER SIGN-UP OUTLOOK BRIGHT

ACCORDING TO D. H. NORRIS, CHAIRMAN OF SIGN-UP COMMITTEE—CINCINNATI FIRM TO CONSTRUCT PLANT.

The prospect for a completed sign-up of 180 customers for the Frozen Food Locker plant in Burlington was viewed as bright Monday night at a special meeting held in the County Agent's office, with a majority of all committeemen present.

The committee head the proposition made by the Bimel Company of Cincinnati, in which they offer to obtain the additional signers needed for the plant, and if it is not sold to private ownership by the time the plant is ready for operation, they will operate the plant and render this community the very best in Frozen Food Locker service.

This proposition has been accepted and approved by the committee in charge, and plans were completed for the sign-up to be completed this month.

It will be impossible for Mr. Hall, representative of the Bimel Company, to start his work here until May 21st. It was agreed that every committeeman would contact many prospects as possible until Mr. Hall arrives here to complete the sign-up. Any person desiring to sign for locker service or secure additional information concerning the project, can do so by contacting any of the committeemen listed below: Burlington, D. H. Norris, W. M. Smith; Florence, Val B. Dolwick, M. C. Baker, Belleview, Eddie Rogers, Courtney Pope, Waterloo, Jack Purdy, George Walton, Jr.; Petersburg, Emory Klopp; Ludlow, R. 2, Sterling Rouse, Lawrence Siegel; Hebron, Hubert Conner, H. L. Crigler; Bullittsville, C. L. Lancaster, B. C. Gaines; Constantine-Taylorport, R. Z. Ashby, Norman Herbstreit and C. Lister Hempling.

D. H. Norris, Burlington, was made chairman of the committee and all committeemen should report their signers to the chairman at least once each week.

Frank W. Michels

Requiem High Mass was sung at 9 a. m. Tuesday at St. Henry Church, Erlanger, following prayers at 8:30 a. m. at the Philip Taliaferro funeral home, Erlanger, for Frank W. Michels, 60, former resident of Boone County, who died Saturday at his home on Cameron Avenue, Green Hills, Ohio. Burial will be in St. Mary Cemetery.

Mrs. Lutressie Ginn

Funeral services were held at 1:30 p. m. Thursday at the Tharp and 8th funeral home, Florence, for Mrs. Lutressie Ginn, 83, who died Tuesday at the home of her daughter, Mrs. James Daugherty of 111 Dixie Highway, Erlanger, after a long illness. Burial was in Hillcrest Cemetery, Dry Ridge.

Mrs. Ginn leaves a sister, Mrs. Clara Parker, Portsmouth, Ohio; a brother, Marshall Harris, Portsmouth, Ohio; three grandchildren and 14 great-grandchildren.

Tharp and 8th Funeral home directors were in charge of arrangements.

Persons having relatives in the service, stationed in the European theater are requested to contact this office as soon as their relative has a permanent address and The Recorder will be forwarded to them immediately.

Only names of soldiers cleared in the New York post office were removed from the list. All papers going to the Pacific have been left in tact.

Boone County boys who will be stationed in Europe with the Army of Occupation will receive their paper if their address is forwarded to us.

We have received several notifications from the government requesting the removal of names from our list until further notice, and have taken the above measure to prevent further notification and work for government officials.

No doubt it will take several weeks, probably months for men to be classified, and regrouped for further service, and furloughs. It takes several weeks for our papers to reach the boys overseas, and if mailed at this time, many of the boys no doubt would be on their way home before the paper reached their former location.

Methodist Revival Will Begin May 14th

The Florence Methodist Church revival will begin Monday, May 14, according to Rev. E. K. Kidwell, pastor. It will continue through May 27th, with each evening service beginning at 8:00 p. m. The church will be open for morning prayer service at 10:30 a. m.

Rev. A. L. Osborne, of West Liberty, Ky., has been secured as pastor-evangelist, and this is indeed a great privilege, for Rev. Osborne is a young man with several years' experience, full of zeal and enthusiasm for the Lord and the winning of souls. Rev. C. G. Dearling, pastor of the Methodist Church, Walton, Ky., and well known here, will lead the singing each evening.

The public is invited to the services.

Mrs. Bessie Bell Taggart

Mrs. Bessie Bell Taggart, passed away at her home near Walton, late Thursday, following a long illness.

Funeral services were conducted in the Richmond, Presbyterian Church Sunday at 2 p. m., with Rev. R. F. Demolise officiating. Burial was in Richmond Cemetery.

Mrs. Taggart is survived by her husband John H. Taggart; one daughter, Helmer Taggart; two sons, John Taggart, Walton, and Elmer Taggart, Hamilton, Ohio. Chambers and Grubbs were in charge of arrangements.

NAMES REMOVED FROM MAIL LIST

WILL BE REPLACED ON LIST AS SOON AS PERMANENT ADDRESS IS GIVEN—NOTIFICATION SHOULD BE GIVEN.

This week The Recorder removed several names from its lists, which were being mailed to the European Theater of War. This measure was taken due to the announcement of the close of the war in that area.

These names are being held in our office and will be replaced on our mailing lists as rapidly as the boys are given permanent addresses. This measure was not carried out for the purpose of dropping these boys from our list, but knowing that they will be on the move for the next several months, many of them returning home, it is useless for us to attempt to keep their paper going.

Persons having relatives in the service, stationed in the European theater are requested to contact this office as soon as their relative has a permanent address and The Recorder will be forwarded to them immediately.

OFFICIAL ANNOUNCEMENT MADE BY PRESIDENT TUES.

Unconditional Capitulation of Germany to Western Allies and Russia Was Signed at 2:41 A. M. French Time, Monday

President Truman proclaimed completed victory in Europe in a broadcast to the nation Tuesday morning. Hostilities formally ceased at 6:01 p. m. Tuesday night, according to an announcement from supreme headquarters.

Germany's unconditional capitulation to the western allies and Russia, was signed at 2:41 a. m. French time, Monday (8:41 p. m. EWT, Sunday).

President Truman said, "Our victory is but half won. The west is free, but the east is still in bondage to the treacherous tyranny of the Japanese. When the last Japanese division has surrendered unconditionally, then only will our fighting job be done."

The surrender which brought the war in Europe to a formal end after five years, eight months and six days of bloodshed and destruction was signed for Germany by Gen. Gustav Jodi, chief of staff of the German army. The surrender document specified that nothing it contained limited or restricted any terms which might later be imposed on the Reich.

Allied radios ordered all German and German-controlled ships into the nearest ports.

Meanwhile the Wehrmacht, for long years the dread of Europe, crashed about in its death agonies on the bitterest die-hard Nazis, who fought on arrogantly in Czechoslovakia, had given up the ghost. The Partisan-controlled Czech radio said the Germans in Prague and Bohemia had accepted unconditional surrender.

Norwegians, enslaved for five years, saw Allied ships enter their harbors as Nazi troops walked sulkily but peacefully in barracks.

President Truman's proclamation to the American people called upon them—whatever their various faiths—to unite in offering joyful thanks to God for the victory we have won and to pray that He will support us to the end of our present struggle and guide us into the way of peace.

The President's declaration was synchronized with a victory proclamation in London by Prime Minister Churchill.

Boone Countians entered into the celebration of complete victory in Europe with churches throughout the county opening their doors for prayer and worship service to Him who made victory complete. Many churches held special services Tuesday evening, while others have set Sunday, Mothers Day for their special services.

Churches in all sections were packed with relatives and friends of our boys serving overseas, who have helped to bring freedom to the European countries. Many heads were bowed in fervent prayer for their loved ones who will not return to his home, because he made the supreme sacrifice that he at home might live in freedom. Sorrow and heartache abiding in many homes throughout the nation will be somewhat relieved by the fact that loved ones will know that their sacrifice has not been made in vain.

The President in his address to the nation called upon every American "to stick to his post until the last battle is won," and added that until that day "let no man abandon his post or slacken his efforts."

Boone County Jersey breeders are producing some of the best production bred dairy stock in the state.

Lehman Goodridge of Ludlow, R. 2, and Harold Crigler of Burlington R. 1, the past week purchased two young registered herd sires from Jess Wilson of Verona. These bulls advertised in local papers recently, are sired by Old Jerry, the high productively index proven sire owned by the Boone County Jersey Bull Association and out of good D. H. I. A. cows with records well over 400 pounds of fat.

Boone County Jersey breeders are producing some of the best production bred dairy stock in the state. Purchased anywhere, according to H. R. Forkner, County Agent. Many of our local breeders have been carrying on official Dairy Herd Improvement Association work for fifteen or more years. These breeders have clean herds that are capable of bringing much improvement to the dairy industry in Boone and adjoining counties.

Goodridge Farm Sold

Raymond Goodridge's farm of 155 acres, located near Burlington was sold one day ahead of schedule being sold on Friday, auction Saturday, May 15th, by Rel C. Wayman, Covington real estate agent.

John Hamilton, of Covington purchased the farm, it was announced.

Bellevue defeated the Bellevue Christian Church team Saturday by a score of 19 to 0.

Joe Smith pitched six innings for Burlington, being relieved by Bob Brown who received credit for the victory. Sam Huey started for Petersburg and was the losing pitcher. Burns relieved Huey in the eighth.

Thursday evening Burlington will meet Florence in a twilight game at the Burlington ball park located at the 4-H fair grounds. The game will be called at 4:40.

render was signed in a little Red schoolhouse near Rheims, headquarters of Gen. Eisenhower. Supreme headquarters announced the Germans agreed to: Order all resistance halted. Yield all ships and aircraft unscathed and undamaged. Ensure compliance with all further orders from the Allied supreme commander and the Soviet high command.

The surrender document specified that nothing it contained limited or restricted any terms which might later be imposed on the Reich.

REMEMBER WHEN

—Ice cream socials were a popular way of raising money for a good cause? Each family donated a freezer of cream and a cake or two. You were served at tables on the lawn decorated by Japanese lanterns. The event was always a success because nobody counter their calories, and that homemade ice cream was the best you ever tasted. Remember?

THE TRAGEDY OF THE
NORTHERN KINGDOMLESSON TEXT—1 Kings 12:26-30; 13:1-4; 13:18-19; 14 Kings 17:7, 8.
COLOR TEXT—O magnify the Lord with me, and let us exalt His name together.—Psalm 34:3.

Nations as well as people come to crossroads in their history, and taking the wrong road then means future disaster. Solomon had built up a great national prosperity, but at the expense of heavy taxes. He had forgotten God, and was succeeded by a son who followed in his footsteps.

Offered an opportunity to ease the burden of the people (I Kings 12-14), Rehoboam in his folly made it greater, and the nation was divided. The ten northern tribes, which were henceforth to be known as Israel, followed Jeroboam, and the two southern tribes under Rehoboam became the kingdom of Judah.

Jeroboam started with God's favor and might have led his people aright, but instead he became the king whose name stood for wickedness (see II Kings 15:18). The story of that downfall is a sad picture of unbelief and failure.

I. Religion Meets Politics (I Kings 12:26-30).

Jerusalem, now in the rival kingdom of Judah, was the center of Hebrew worship. While the people of Israel were free to go there to worship, Jeroboam saw that it might lead to their being led away from him. It was a shrewd political deduction, but it left God out of the picture.

He established new centers of worship, where calves of gold were set up. They were probably intended to be a symbol of God, but they bespeak a gross ignorance of worldly things with the things of God. They become an abomination and a snare.

The people responded to the apparent interest of the new ways in their welfare, and worshiped at the most convenient place. Religion had met politics, and had let politics take the upper hand.

Someone has suggested that when we begin to find ways to make our religion easy, we can be certain that it is the enemy of our souls who is at work. When Satan begins to be solicitous about our welfare, he suggests that it is too far to go to church, or that the weather is too cold (or too warm), etc., etc., we should be on guard.

Religious ease was a big step downward for Israel, and it is the danger for any other nation. Where does America stand in that important matter?

II. A Queen Meets a Prophet (I Kings 13:1-4, 13b-18).

Elijah, the mighty hand of God had defied the wicked king, Ahab, and his more wicked queen, Jezebel; yes, and all the prophets of Baal, and had been gloriously victorious (I Kings 18:17-41).

The queen, who was devilish in her wickedness and determination to destroy the worship of the true God, threatened the prophet. He who had met the challenge of the hundreds of prophets fled in fear before the relentless hatred of this venomous woman.

The prophet felt that all was lost, but God revealed to him that even in that dark day there were many who were still true to Him (v. 18). It is a precious and encouraging bit of light in an otherwise dark scene.

Our main interest in this lesson is not the experience of the prophet, but in seeing the cause of Israel's downfall. Here we see one great reason—every king of Israel was a wicked man. Some were better and some worse, but all of them forgot God.

A nation is on the downward path when its rulers forget God. What about our own nation? What about the elected representatives of the people? Do we choose men for public office because of their Christian faith and character, or on the basis of political expediency or affiliation?

III. A Nation Meets Its Doom (II Kings 17:7, 8).

The hour had struck when God's heavy hand of judgment had to fall on Israel, the northern kingdom of 10 tribes. Verse 8 of this chapter relates their carrying away into captivity to Assyria, and verses 7-9 tell us the reason for that judgment.

Ingratitude for God's blessing (v. 7) led to the worship of other gods (v. 8). They knew God's hatred for the sin of idolatry, and His judgment upon those who walked in that way, but they went right on.

Note in verse 9 that these things were done "secretly." "The same thing is true today of many who profess to be the people of God. The line of demarcation between the church and the world is not clearly drawn. We do well to note carefully the outcome of this course of procedure on Israel's part (vv. 6, 18). The fact that Israel did these things secretly did not hide them from the eyes of Jehovah (Ps. 139: 1, 2; Heb. 4:13) (John W. Bradbury).

Stand Up Straight

N. TULCH
Foot Comfort Specialist at—
PEOPLE'S SHOE STORE
514-516 Madison, Covington

Standing and sitting erect require less muscular effort than the slumped posture for the normal, healthy person. With the body in an erect attitude the center of gravity passes more nearly through the center of the body and places the weight on bones and ligaments that are by nature equipped to meet this demand. When the head slumps forward, the shoulders droop, the spine curves and the abdomen bulges; the muscles must be taken on more and more of this burden of weight bearing, a burden for fatigue and later actual deformity of certain of the bones and joints.

The first necessity in good posture is good feet.

Show me a person with good posture and bad feet. It's almost impossible.

But show me a person with good posture and I'll show you a person with good feet, for good posture starts with good feet. The foundation of any super structure is the most important.

Don't suffer another day with your feet.

No matter how many shoes or trial supports you have tried, try just one more and have one of our foot comfort specialists make a free foot analysis and show you how to get rid of all foot pains, leg pains, backaches and headaches. Even arthritis and rheumatism pains are often mistaken—most times when feet are corrected the pains vanish. We know we can help you to stand up straight—Adv.

GRANT 4-H CLUBS HOLDS COMMUNITY RALLY

Grant True Blue 4-H Club held a community rally at Bellevue school on April 30, 1945, with some adults present and Miss Mary Hood Gillespie and Mrs. Mary Louise Townsend.

Demonstration in Agricultural and Home Economics practices were held first and then Mrs. Joyce Rice had her program. There were five team demonstrations and three individual demonstrations. They were as follows: Tattle Painting by Janet Pope and Joy Stephens; Can Opening by Evelyn Rogers and Loretta Snelling; White Sauce, by Haze Cook; Angie McDaniel and Isabella Rogers; Grayox Coloring by Nellie Purdy and Mary Presser; and Corn Shuck Play Shoes by Janet Pope and Angie McDaniel.

The individual demonstrations were: Darning a Sock by Vera D. Scott; Putting on a Patch by Billie Jo Brown; and Stencil Cutting by Janet Pope.

Mrs. Rice had a very nice program on the summary of her year's work.

We were glad to have some of the leaders present and were glad to present to Mrs. Florence McArthur five dollars for her excellent help in club work. She has been a leader for several years. The 4-H sewing girls have well appreciated her help.

We were sorry that Mrs. Townsend and Miss Gillespie could not stay for the entire program.

The demonstrations that were picked for Burlington, May 19th, were Play Shoes, Darning, Patching, Opening Cans and White Sauce.

After the rally was over, the parents held a meeting.

BELLEVUE BAPTIST W. M. S.

The regular meeting of the W. M. S. was held at the home of Christa Kirtley on Wednesday afternoon, May 2nd, with eleven members present.

The Bible study was given by Mrs. Mae Sanford from Rev. 8th Chapter. Alline Brady arranged the program from Royal Service, the subject, "Centennial Evangelistic Crusade."

The next prayer meeting will be at the church May 17th in the evening. Everyone invited to attend.

A mission study book will be reviewed at the next meeting on June 6th at the church.

M. C. Sanford, Secy.

From cabbage grown in her garden last summer and stored in mounds, Mrs. Delmar Fentress of Grayson county had 20 heads remaining in March.

PETERSBURG 4-H MEETING

The meeting was called to order by the president April 23, 1945. We said our 4-H Club pledge. We sang "America, the Beautiful." Talks were made by Alan Berkfire on "Tobacco"; Paul Gail Leak on Labor Service; Ruth Nixon on Clothing; Alice McWethy on Home Lab or Service.

Mr. Furrner talked about tobacco plant beds and gardens. Mr. Robertson made a talk and passed out slips of paper on tobacco and gardening projects. Mrs. Townsend asked the Labor Service girls and boys if they had record sheets on that project and the foods to can. She showed us a bulletin of canned goods. Mrs. Klopp told about the sewing classes. Some things were said about Spring Rally Day at the Burlington school house. The meeting adjourned.

MAN HAD BRICK IN HIS STOMACH FOR 10 YEARS

One man recently stated that for 10 years he felt like he had a brick in his stomach. This feeling was due to the lump of undigested food he always had inside of him. He was weak, worn out, headachy, swollen with gas and terribly constipated. Recently he started taking ERB-HELP and says the feeling like a brick in his stomach disappeared the second day. Bowels are regular now, gas and headaches are gone and he feels like a new man.

ERB-HELP contains 12 Great Herbs; they cleanse bowels, clear gas from stomach, act on sluggish liver and kidneys. Miserable people soon feel different all over. So don't go on suffering! Get ERB-HELP. Elsmere Pharmacy, Dixie Highway.

Unconditional Surrender

There are the words we have been hoping to hear from Europe. At last they came.

While this is a great victory over Germany, yet a celebration is not in order until we hear these same words flashed to us from Japan.

The Seventh War Loan Drive starts Monday of next week and we can not celebrate in any better way than to go to our banks and buy all the war bonds we can, and continue to buy until every soldier boy is safely back home with his family. Some can not come back because they made the supreme sacrifice over there.

Special Services Set For Sunday

In keeping with the request of our President, Bullittville Christian Church will make Sunday, May 13th a special day of prayer and worship.

What greater tribute to Mother and her teaching can we give than an expression of gratitude to her God?

Members are expected to be present and the public is cordially invited to these services at 11 a. m. and 8:30 p. m.

Injury Reported To Tobacco Beds By Beetles

Several reports of tobacco plant bed injury from flea beetles were reported at the County Agent's office the past week. Recommended insecticides for control of flea beetles include dusting with a mixture of 1 part Paris green, 5 parts arsenate of lead and 4 parts hydrotol. Apply at the rate of three-fourths pound per bed 9 feet wide by 100 feet. One percent Rotenone (commonly used for Bean beetle control) applied at the rate of 1/2 pound per 100 feet of bed, is also effective.

Cold injury is also reported in many beds. Warm weather should remedy this trouble. If plants fail to grow afterwards a nitrogen fertilizer may be applied provided recommendations are closely followed. One pound of nitrate of soda dissolved in 10 gallons of water will treat a bed 25 feet long by 9 feet wide. This solution should be washed off with 10 more gallons of water. Some growers think nitrate grows plants too fast and makes them tender.

Four Prizes To Be Awarded In Live At Home Contests

Four prizes will be awarded this year in each of the Live at Home contests to be conducted in Boone County.

In the canning and storage contest, first prize of ten dollars is donated by the Farm Bureau, second is a membership in the Bureau, third is three dollars donated by G. W. Hill's Grocery, Covington, and fourth is two dollars, also donated by Hill's.

In the canning contest, the Walton Advertiser is giving a first prize of ten dollars and a second prize of two years subscription to the paper. Third prize of three dollars is donated by George C. Goodie's Grocery, Covington, and a fourth prize of two dollars is offered.

This year, everyone will have to do more canning and storing than ever before, to offset the quantities of food that will have to be shipped overseas to the Armed Forces and the liberated countries. Civilian demands will have to be met for the larger part, by home canners.

To enter the contest, get application blanks as soon as possible from the County Extension Office.

Contributions To Boone County Day Room

Organizations that have recently helped with the Boone County Day Room at the AAF Convalescent Hospital, Ft. Thomas, are the Bullittsburg Baptist Church, the B. T. U. of the Bullittsburg Baptist Church and the Sunday School of the Union Presbyterian Church. Names of these organizations will be added to the framed list on display in the room.

Cookies, made by the women of the various communities, have been sent in large quantities to the room every week, and enjoyed by the boys.

Funds in the treasury of the Boone County Camp and Hospital Committee are to be used to furnish the soldiers with the extra things needed to make their convalescence more pleasant. When the boys wish something, which cannot be bought from government funds, the Camp and Hospital Committee is called upon.

Play To Be Given At Hamilton School May 11

"A Pair of Country Kids" will be staged at the Hamilton School, Friday, May 11, 8:00 p. m. The pair of country kids are "Sis" Spooner and "Hi" Hawkins.

"Sis" and "Hi" invite you to come and see how they are able to outsmart Mr. Roberts into paying Mrs. Starr twice his original offer for her hotel property.

There are five screamingly funny comedy parts in this three-act play. Be there to enjoy the biggest laughs ever and those hilarious situations in which we find Lucindy Appleby, who is looking for husband number one and Susan Grimes, looking for husband number two.

J. R. Wells of Livingston county, who has about 100 acres of eroded land he plans to reforest, set more than 5,000 trees this spring.

FARM TOOLS WILL BE OFFERED AT AUCTION Having sold his farm through Reg. C. Wayman, 633 Washington St., Covington, Cliff Roell will hold a public sale on Saturday, May 12, 1 p. m. at the farm two miles east of Erlanger, on the Narrow Grove road.

A great variety of farm tools and equipment, as well as household goods, will be sold. Rel C. Wayman will conduct the sale, with Lute Bradford, auctioneer.

PFC. Ben R. Stephens In Philippine Area

Among the soldiers now fighting in Central Luzon with the American forces is Pfc. Benjamin R. Stephens, son of Mr. and Mrs. Charles H. Stephens, of near Burlington, Ky.

He landed with assault elements of the 149th Infantry, 38th Division at Zambales, near Subic Bay on January 29, 1945 and served as a rifleman, but when the going got tough and casualties started mounting during the battle of Zigzag Pass, Pfc. Stephens lent a hand to the Medics by helping evacuate his buddies from the front lines back to the Aid Station. He also participated in engagements on Bataan Peninsula and in the Zambales Mountains, always serving in his dual role.

Pfc. Stephens was inducted on April 4, 1941 at Fort Thomas, Ky. He took Infantry Man's basic training and was assigned to the 149th Infantry. He embarked for overseas duty in January 1944 and has since served in Hawaii, New Guinea, Leyte, P. I., and now in Luzon.

He holds the Combat Infantry Badge, the Pearl Harbor or American Defense Ribbon, Asiatic Pacific Theatre Ribbon with one bronze star for the New Guinea campaign and the Philippine Liberation Ribbon with one bronze star for action on Leyte and the Bronze Arrowhead for the Zambales beachhead.

All Pressure Canner Gauges Should Be Tested

Many gauges of pressure canners have been tested during the Butter and Cottage Cheese demonstration conducted by Mary Louise Townsend, War Food Assistant, in the schoolhouses of Boone County. It is important that every gauge be tested once a year and be known to be correct. An incorrect gauge is dangerous and will cause the food to spoil.

Anyone wishing a gauge tested may bring it to the butter and cottage cheese demonstration to be held in the Florence School on Thursday, May 10th, at 12:30. Bring the whole top of the canner, but have the gauge loosened for easy removal.

Gauges also will be tested at the regular monthly meeting of the Walton colored Homemakers Club, Wednesday night, May 16. The Master Gauge used in testing was bought by the Boone County Council of Homemakers' Clubs, and is available to everyone, whether or not a club member.

HAMILTON SILVER LEADERS

The Hamilton Silver Leaders held their third meeting of the year on April 30. There were nineteen members and one new member present.

The meeting was called to order by the president, Leland Sullivan. Our song leader led us in singing "In the Highway." After a short devotional service which included reading of the late President Roosevelt's favorite chapter, the 13th Chapter of first Corinthians, the group sang his favorite song, "Home On the Range." This was followed by an action song "Coming Around the Mountain."

The 4-H Club pledge was repeated by all and the reports of the project captains were given. These were the best reports we have had since the beginning of the new year. The eleven members who are taking Labor Service have av-

eraged thirty hours each. The tobacco captain, Wayne Ashcraft reported that his group has weeded their tobacco beds once and some twice.

The sewing captain reported first unit started on their work, but the other units are having difficulty in finding material. However, we hope to get started this week. Mr. Forkner gave us a very interesting pep talk. We were glad to have both Miss Gillaspie and Mr. Robertson at this meeting. We regret to lose Mr. Robertson to Ohio, but wish him much success in his new work.

ONE DOWN... ONE TO GO!

So—let's not let up until FULL Victory

Who can blame Americans for going half mad with joy as Hitler's cruel war machine is smashed into the dust! For all who have fought and worked and suffered grievous loss, this hour of triumph is deserved.

But our men are still fighting and dying out there in the Pacific. If we let down now, we'll be letting them down!

Let's stick to our war jobs until Uncle Sam says, "Well done—you can relax!"

Let's buy extra War Bonds—they will be needed now, more than ever.

Let's use transportation wisely. Greyhound would like to offer unlimited pleasure travel right away — today — but carrying war manpower is still its most urgent task. You may be sure that Greyhound will lead the field with fine new equipment, new comfort features, new carefree tours just as soon as war requirements will permit.

But now—let's finish the job!

BODY OF WALTON MAN FOUND IN BAY

SUNDAY, ACCORDING TO REPORTS—WAS FORMER OWNER OF WALTON CAFE—LISTED AS SUICIDE BY OFFICIALS.

The body of Joseph Ferris, 72, retired Walton restaurant operator, was found floating in a bay at St. Petersburg, Fla., Sunday, according to reports received here.

Ferris left home three weeks ago for an extended trip that was to take him through Florida, Texas, and Missouri. He carried a new wallet containing somewhere between \$1,000 and \$2,000. His first stop was at the Puritan Hotel in Tampa, Fla., where he wrote a postcard telling his daughter, Mrs. Charles Forer that he was having a fine time.

Florida police reported Ferris' death as a suicide because no signs of violence were found on his body and his hat and cane were found on the beach.

Raleigh Ferris, who operates the restaurant in Walton, pointed out that the billfold carried by Ferris was empty when found. The younger Ferris said the billfold originally contained many identification cards.

The elder Ferris had written that he was planning to visit his half-sister, Mrs. Malcolm Ragland, in Plainview, Texas and to go to Missouri from there. Because he was very religious, his relatives said they had ended his own life.

A possible motive for murder was provided by Police Chief Leo Livingston of Newport who said Ferris formerly was a jailer in Paris, Ky., and might have made enemies of one or more convicts.

Marshal Robert Brugh of Walton was the first to become convinced that the body in the bay was that of Ferris, who was 5 feet 11 inches tall, weighed 200 pounds and had a scar on his chin.

Because printing on the hat found on the beach indicated that it had been bought at Eisenman's store in Newport, St. Petersburg police sent their first queries to Chief Livingston.

Another identifying feature was a pair of slippers found on the body. Relatives said that Ferris had a good deal of trouble with his feet and was accustomed to wearing slippers instead of shoes.

Limaburg Farm Sold To Cincinnati Man

Rollie and Cagney Kenton sold their 100 1/2-acre farm on the Burlington-Florence Highway 18, just east of Limaburg, known as the Chester Tanner farm, to Mr. Walter L. Rybolt of Cincinnati, last week.

After making some improvements to the property, Mr. Rybolt said family plan to move to this farm and make Boone County their home.

Mr. Kenton and his son recently decided to quit farming and are advertising a sale of all personal property on the farm for May 22. This sale was made through A. B. Renaker.

GAS RATIONING RULES ANNOUNCED

BY WAR PRICE AND RATIONING BOARD—MUST FILE TEN DAYS PRIOR TO EXPIRATION OF RATIONS.

The Florence Garage, located on Dixie Highway at Shelby St., opened its doors for business Wednesday, May 16th under new management.

The new managers are Edgar Kincer and Eugene Brown. They will specialize in auto repairing, and will also operate the filling station.

FOOD PRODUCTION MOST IMPORTANT

HOME FOOD PROSPECTS FOR 1945 FAR MORE CRITICAL THAN ANY OTHER YEAR DURING WAR PERIOD.

Home food production is most important in 1945, according to the County Agent's office. Prospects for 1945 will be the best for the critical year so far, during the war period. Most farm families accumulated a surplus of canned goods the past few years but are now going into their reserve stock.

Four most important phases of home food production this year are the garden, dairy products, poultry and meat supply.

Gardens are late. Every family is urged to produce a large garden, fertilize heavy and grow an ample supply of a large number of vegetables.

The family cow or cows that are healthy and well fed are a sure guarantee the family will have a surplus from many of the nutritional diseases.

Poultry meat and eggs represent nature's finest foods. At least five laying hens per member of the family plus additional supply for meat are needed. Discouraging conditions of the past year and present high prices of birds for meat are depleting many farm flocks. Both feed and poultry prices look more favorable.

Hogs, cattle, lamb and poultry form an adequate meat supply if properly produced and preserved for home use. The present meat shortage may become more serious unless we produce enough for our needs. Modern developments in curing, canning, and locker freezer storage are adequate to handle these productions if used properly.

Prospects are not for a large fruit crop. Plenty of tomatoes and other vegetables may help carry us through.

While home food production is patriotic it is plain good economy to the better feeding the family in order that they may be more healthy and better prepared to feed the nation. Prizes will be awarded this fall to the Boone County families entering in the home food production contests and doing the best jobs of home food production work.

Mrs. Mattie Kruse

Mattie, daughter of the late John and Julia Tugate York was born January 1, 1892, passed from this life May 11, 1945, age 53 years, 4 months and 10 days.

She was united in marriage with William Kruse on February 24, 1909. To this union were born six daughters and two sons, Julia Lawson of Sarasota, Fla.; Mildred Smith of Bellevue, Ky.; Margaret Hodges of Rising Sun, Ind.; Virginia Lucas, of Erlanger, Ky.; Mary Leona Solomon, of Rising Sun, Ind. and Robert June Kruse of McVieville.

William Fredrick who is serving his country with the U. S. Navy and John Albert Kruse of McVieville.

In her twilight hours her thoughts centered as always on her family, her friends and their welfare.

The passing of Mrs. Kruse is not just a sorrow within a family, it is also a community's sorrow and loss. She is just another mother and wife who received her crown in the great Kingdom sooner than most.

Besides her children she is survived by her husband, five sons-in-law, five grandchildren and one sister, Mrs. Maud Waters, of Walton and one brother Fred York of Indianapolis, Ind., and a host of other relatives and friends.

Funeral services were held at 2:30 p. m. Thursday at the Philip Taltalero funeral home, Erlanger, for James C. Brown, 78, widely known Florence farmer, who died Tuesday at his home on Price Pike, Florence. Burial was in Hopeful Cemetery.

He is survived by his widow, Mrs. Anna Brown; sister, Mrs. Mae Tanner, Florence; a son, James F. Brown, Florence, and a brother, Robert L. Brown, also of Florence. Phil Taltalero was in charge of arrangements.

Slayback-Hodges

Harold Hodges, son of Mrs. Maud Hodges of East Bend, and Miss Dorothy M. Delph, of McVieville, were quietly married at the home of Rev. Waincoat, Saturday morning. Harold's brother Earl and Miss Mabel Slayback were their only attendants.

The bride is the daughter of Mr. and Mrs. Wm. Delph of McVieville. Congratulations are extended to the happy young couple.

Five Boone Countians At Great Lakes Center

Five Boone County men are receiving their initial Naval indoctrination at the U. S. Naval Training Center, Great Lakes, Illinois.

Their recruit training consists of instruction in seamanship, military drill and general Naval procedure. During this period a series of aptitude tests will be taken by the recruits to determine whether they will be assigned to shore station or to immediate duty at sea.

When their recruit training is completed these men will receive a period of leave. They are: Charles E. Peel, 30, husband of Mrs. Catherine J. Peel, Burlington; Robert J. Miller, 18, son of Mr. and Mrs. Woodford R. Miller, 26 Youell St., Florence; Paul F. Robinson, 28, husband of Mrs. Dorothy L. Robinson, Florence; Charles R. White, 36, husband of Mrs. Hazel G. White, Petersburg; Wilford C. Stephens, 31, husband of Mrs. Marie C. Stephens, Union, Ky.

Hebron Youth Wounded Second Time In Pacific

Mrs. Carmela Lou Ledford, of Hebron received a telegram from the War Department notifying her that her husband S. Sgt. Howard Ledford had been wounded April 22 while fighting on Negros Island. This is the second wound that Sgt. Ledford has suffered in the Pacific, being wounded in February 1945, and receiving the Purple Heart.

The telegram received by Mrs. Ledford, follows:

"The Secretary of War desires me to express his deep regret that your husband, S. Sgt. Howard Ledford S. M. was slightly wounded on Negros Island 22 April 1945."

"Continue to address mail to him as formerly or until new address is received from him.—Uilo, Adj. General."

Pfc. John M. Williams, husband of Mrs. Oma Williams of Walton, was recently wounded in action in the Pacific theater, the War Department announced Wednesday of last week.

Roy Battles Urges Farmers To Unite In Study Of Problems

Roy Battles, WLV farm program director, urged farmers to unite in the study of their farm problems and to organize for more wholesome rural life. Battles addressed Boone County Farm Bureau members at their quarterly meeting held at Burlington on Monday evening, May 14th. He presented an over all picture of the agricultural situation with important angles on its post war complications.

John Crigler presented to the members a report on County Farm Bureau activities and C. L. Hemphill on State activities with Millington. He introduced Farm Bureau insurance policies. Walter King, county president, stated the quarterly membership meetings will be continued with outstanding farm men as guest speakers.

Invitation Extended To Learn Lampshade Making

Several Homemakers' Clubs throughout the County have set special dates for the making of lampshades, and an invitation is extended to anyone interested, whether or not a club member, to attend.

These clubs have already had lessons in lamp shade making, given by the respective leaders, and these extra meetings are for the purpose of making lampshades. Anyone attending should bring the shade material and sewing equipment, and any special covering or decoration desired. Miss Mary Hood Gillaspie, Home Demonstration Agent, will have other supplies at these meetings, such as white paint, paints, brush, paste/paint, and a limited amount of parchment and fabric.

All meetings will begin at ten o'clock in the morning. Those scheduled are: Constance, May 24, at school house; Burlington, May 17, with Mrs. C. L. Cropper; Verona, May 22 with Mrs. Kitt Rouse; Hebron, June 6, with Mrs. Katherine Peel; Petersburg, May 25, with Mrs. Lucille Griedley, and Walton, June 8 with Mrs. Geraldine Harris.

USED KITCHEN FATS NEEDED

IN WAR EFFORT—HOUSEWIVES ASKED TO SALVAGE 250 MILLION POUNDS DURING THIS YEAR.

"Millions of pounds of used kitchen fats were wasted last year. We cannot allow this to happen again," said Mrs. Alan Gaines, Boone County Salvage chairman.

To help meet military and essential civilian needs, American housewives are being asked to salvage 250 million pounds of used fats in 1945. This is necessary because war conditions have reduced the amount of oil we can import, and because decreased slaughtering of animals for meat has cut down on the domestic supply of fats, formerly used.

Used fats are needed to make munitions, military medicines, opiate to ease pain, sulfa ointments, synthetic rubber, nylon for parachutes, soaps and numerous other items necessary to the war effort.

Farmers have a direct interest in the Fat Salvage program because fat helps to make insecticides, fungicides, soaps and numerous other items necessary to the war effort.

Farmers have a greater opportunity to salvage used fats than have city women. They have more home produced meats, more poultry, and the chance to render waste fat at butchering time. Animals which have died on the farm are also important sources of fat, and a render should be notified where such animals can be picked up. Scraps of fat left over from preparing meat for canning can also be rendered.

Keep a clean tin can (any type) near the cook stove, and pour into it every drop of used fat. None is too brown or smelly. As soon as the can is filled, tie a piece of waste paper over the top and take it to your grocer. He will pay you for each pound at the rate of four cents and two red ration tokens.

HOW GREEN GROW THE LILACS

The Burlington Homemakers are sponsoring a Silver Tea on Thursday, May 24, 1945 at 2 o'clock at the schoolhouse.

"How Green Grow the Lilacs" is the reading to be given by Hal Orrel. Mrs. Arthur Orrel will be remembered as having given "When Washington Slept Here," in Burlington several years ago.

"Oklahoma" is taken from "How Green Grow the Lilacs" and has the reputation of being the greatest musical of all time.

This reading promises to be very entertaining. Come out, invite your friends—An enjoyable afternoon is assured. Refreshments will be served.

Cincinnati Blood Donor Center Closes May 19th

The Cincinnati Blood donor center will be closed after May 19, according to a letter from the center received by Mrs. Lou Pope, Burlington, Monday.

The letter stated that the Cincinnati Center would be closed, as other centers stationed at more convenient locations would be able to supply the demand.

HEBRON P-T. A. REPORTS WORK FOR PAST SCHOOL YEAR

After a very successful year, the Hebron Parent-Teacher Association has adjourned until September.

With its one hundred and twenty-five members it is entitled to a gold seal certificate.

The work of the year consisted of testing the water supply, improving some class room and opening a lunch room. Free lunches were given to those children who were unable to buy hot meals. The women of the association have already canned carrots to be used next year.

The money donations of the association have been greatly appreciated. One hundred dollars was given to the Hebron Fire Department, one hundred to the Convalescent Hospital at Fort Thomas, one hundred to the Cancer Fund, ten dollars to the Infantile Paralysis Fund and twenty-five dollars to the Red Cross.

Mr. and Mrs. L. A. Turner and daughter Sue Carol of Union were dinner guests Sunday of Mr. and Mrs. H. F. Dale and son L. Charles E. Dale who is home from Germany.

Burlington Chalks Up Another Victory

Joe Smith held the East Bend nine to six hits Saturday at Burlington marked up another game in the win column by a count of 8 to 5. Smith held the East Bend team to one unearned run until the first of the ninth when they scored four runs. He struck out 15 opposing batsmen. Rev. Carl Waincoat pitched for East Bend, striking out 15 batters. Burlington collected 12 hits from Waincoat's offerings.

Joe Stephens and Bob Browland the Burlington attack with three hits each. "So" Benson, Burlington catcher collected two doubles Saturday to bring his batting average to .667. East Bend's six hits were distributed to six different players.

Burlington meets Bellevue Saturday afternoon at 2:00 at the Burlington ball park located at the fair grounds. These two teams are a very evenly matched and a good game is in store for everyone who attends.

Petersburg trimmed Bellevue 10 to 6 Saturday at Petersburg. Roland and Cason were on the hill for Bellevue, while Huey and Deck were on the mound for the winners.

SPRING RALLY TO BE HELD MAY 19

REGISTRATION SCHEDULED FOR 10:00 A. M.—E. E. FISH, FOUR-H FIELD SPECIALIST WILL BE PRESENT.

An interesting program has been arranged and a large crowd is expected to attend the annual 4-H Spring Rally to be held Saturday, May 19, in the Burlington School.

All club members, parents, leaders and friends are invited, and fifty points are awarded for each person attending, which is credited to the club he is representing. This is taken into consideration when awarding the County trophy next year.

Registration is scheduled for 10:00 a. m., followed by group singing conducted by E. E. Fish, 4-H Field Specialist. Goals and contests will be explained by Mr. D. H. Norris, chairman of County 4-H Council, Mr. H. R. Forkner, County Agent, and Miss Mary Hood Gillaspie, Home Demonstration Agent. At 11:00 there will be foods and clothing judging contests for girls under 18, and at 11:30 individual farm practice demonstrations.

Group games will be led by Mr. Fish, and a basket lunch will be served at noon. Everyone is asked to bring sandwiches, cookies and fruit. In the afternoon there will be demonstration contests in Agriculture and Home Economics, followed by a clothing style review.

The climax of the afternoon will be at 2:55, when the ribbons are awarded the participants in the contests. Judges for the contests will be Miss Lullie Logan, Assistant State Leader of Home Agents, Miss Edith Lacy and Mr. E. E. Fish, 4-H Field Specialist.

This is your opportunity to have a good time, to see what the County is doing in club work, and to gain points for your club, which will count in the County contest. Points are given for attending, entering contests, and giving demonstrations.

Omer Kite of Walton R. 1 was a business visitor in Burlington Tuesday. While here Mr. Kite called at The Recorder office. He stated that he had set one acre of tobacco and would resume setting Wednesday.

Mr. and Mrs. Juby Huey, of Cincinnati, were given a shower last Friday night at the home of his sister, Mrs. Wendell Easton. The bride and groom received many beautiful and useful gifts.

Butter And Cottage Cheese Demonstration At Hamilton

A butter and cottage cheese making demonstration will be given by Mary Louise Townsend, War Food Assistant, in the Hamilton School, May 22, at 1:30 p. m. Anyone interested is invited.

At this meeting an opportunity will be given to have gauges of pressure canners tested against the Master Gauge for accuracy. Bring the whole top of the canner, but have the gauge loosened for easy removal.

SEVENTH WAR LOAN UNDERWAY

ADVANCE SALES AMOUNT TO \$30,300—COUNTY QUOTA SET AT \$350,000—COMPLETE REPORTS TO BE PUBLISHED.

We are in the first week of the Seventh War Loan Drive to raise \$300,000 in E bonds and \$100,000 in other bonds. Advance sales from April 9th to May 10th, to count on the County quota, amount to \$30,300, according to a statement of the Federal Reserve Bank, through which all subscriptions are cleared.

Next week a complete report will be published for all sales made from April 9th through May 19th showing the number of subscribers and the amount of E bonds and other bonds sold in this period. This advance sale of bonds is a very good start when it is considered that no concerted effort has been made to sell bonds prior to the opening of the drive on May 14.

From now on everyone is expected to do his or her bit to help put the drive over in Boone County to show our gratitude to our soldiers for the victory over Germany and that we are behind them to finish the job in Japan. Go to your banks NOW and make your subscription, don't wait until the last week of the drive.

The special subscription committee composed of Mrs. W. M. Townsend and Walter D. Vest, to contact non-residents owning property in Boone County, and those living in the county and having businesses outside of the county, report quite a few subscriptions have been received as a result of the efforts of this committee.

LABOR SAVING PRACTICES Interest Boone Farmers

Farmers are much interested in finding new methods of saving labor, according to the County Agent's office. Good attendance and much interest was registered in meetings held at Burlington, Walton and New Haven the past week.

Research studies made the past year at the College of Agriculture show that sixty-six and two-thirds percent in pulling, sixty percent in machine setting and thirty-five percent of the labor in hand setting can be saved above the usual practices through the adoption of improved methods.

Efficiency in management and uses of labor represents the greatest possibilities in improved farm production and increased agricultural incomes. The average farmer is critical of being told he can improve the efficiency of his production but is quick to adopt new practices once they are proven to him. The acute labor shortage will bring decreased food and feed production locally this year unless farmers carefully analyze their individual work problems and make greatest use of the limited help that is available.

Mr. and Mrs. Carl Cason, of McVieville, were Sunday guests of Mr. and Mrs. William Rudolph and children.

FREEZE DAMAGES EARLY CROPS

INJURY REPORTED TO FRUIT, EARLY POTATOES, AND TOBACCO PLANTS—SOME TOBACCO SET IN COUNTY.

The frost and freeze of the past week damaged garden and fruits crops in many sections of the county. Early potatoes in many instances were frozen to the ground.

Tobacco plants in practically all sections of the county have suffered cold injury with the young leaves in the top turning yellow. Warm weather is expected to correct this condition.

The first tobacco was set on several farms last Friday and Saturday. The plants are small. Many growers state they prefer to wait for larger plants that will be more resistant to insect injury. Other growers state the early set plants will grow rapidly with favorable weather.

Farmers on Monday of this week were busy plowing, disking and preparing the land for tobacco planters were observed in operation.

REMEMBER WHEN

Ice cream socials were a popular way of raising money for a good cause? Each family donated a freezer of cream and a cake or two. You were served at tables on the lawn decorated by Japanese lanterns. The event was always a success because nobody counter their calories, and that homemade ice cream was the best you ever tasted. Remember?

IMPROVED

UNIFORM INTERNATIONAL

SUNDAY School Lesson

By HAROLD L. LUNDQUIST, D. D.
Of the University of Chicago, Chicago, Ill.
Released by Western Newspaper Union.

Lesson for May 20

THE DEFEAT OF THE SOUTHERN KINGDOM

LESSON TEXT—Jeremiah 18:1-10, 15a, 17a. GOLDEN TEXT—Come, and let us return into the Lord—Isaiah 51:1.

History repeats itself. Men never seem to learn from the experiences of others, whether they be personal or national. Judah, the southern part of the divided kingdom, saw the downward path of Israel and its ultimate captivity. The same process went on in Judah, although hindered now and then by good kings who brought about a partial return to God.

Ultimately the day came when Jerusalem was destroyed by Nebuchadnezzar's troops and the people carried off to their long years of captivity in Babylon.

Jeremiah ministered as God's prophet during Judah's declining years, bringing them God's word of judgment on their sin and urging them to submit. His voice was unheeded and for his faithfulness he received only their hatred and persecution. God gave him the strength and grace to be true in a very difficult mission.

Our lesson for today tells how God in a graphic object lesson taught the prophet and the people that they were in the hands of a sympathetic but at the same time a sovereign God.

I. The Potter and His Work (vv. 1-4).

The maker of pottery took the lump of clay, placed it on his wheel, and with his hand formed it into the kind of vessel he wanted. If it became misshapen or showed a defect, he could moisten and remold the clay into another vessel as it suited him. The clay was in his hand to meet his purpose, and his will.

Dr. G. Campbell Morgan fittingly suggests that there are three things to be borne in mind here: a principle, a purpose, and a person. And as we apply the truth to ourselves as God's children, we spell the Person of the Potter with a capital "P" for He is none other than God Himself.

The principle is that God is absolutely sovereign, that He does as He wills for His own glory. Until we recognize that principle, "life will be a failure." If, however, I have discovered this principle alone, then my soul will be filled with terror. I must also see the purpose.

The purpose is the working out of His will for each of us. He knows us, and He has a plan for our lives, and a purpose that plan can come to pass if we permit Him to do so.

But, as Dr. Morgan says, "If I know principle and purpose only, I shall yet tremble and wonder, and be filled with a haunting foreboding." But as "I press through the principle and beyond the purpose and discover the Person of the Potter, then the purpose will flame with light, and the principle that appears so hard and severe will become the sweetest and tenderest thing in my life."

God spoke to Jeremiah through the scene in the potter's house, and He also wants to talk to our hearts.

II. God and Judah (vv. 5-10, 15a, 17a).

The lesson is plain. God had for His people a high and glorious purpose. He wanted to bless them and use them for His glory. But they were a sinful and rebellious people, stiff-necked and stubborn in their unbelief, and the vessel of honor which God was trying to form was marred in His hand.

God did not act in anger or in disregard of their rights. He was forced to bring judgment upon them because of their own sin. That sin is stated in verse 15—they had forgotten God.

One trembles as he applies that test of God's requirement for blessing upon a nation to our own land. There is a haunting fear that while there are some who truly worship God, and a larger number who profess to worship Him, a great host of the people of America have forgotten God.

Does our nation remember Him and seek His counsel and blessing in its national affairs? Do we inquire after the ways of righteousness? Are we eager for spiritual revival and increasing grace even within the church?

Judah was to be scattered "as with an east wind"—and who does not know that it came to pass. Where are they today?

But even in the midst of judgment "the Lord speaks of mercy. The Lord who will "pluck up, break down and destroy" (v. 7) the people who forget Him, is eager and ready "to build and to plant" the nation when it turns to Him.

The sure promise of God's future blessing upon a repentant Israel and Judah is written large in the messages of all the prophets.

The same God, eternally sovereign in His purpose, is our heavenly Father. The man or woman whose vessel of life has been marred by sin and failure need only yield anew to the Potter's blessed hand.

UNION W. M. U. NOTES

The Baptist W. M. U. met Wednesday, May 10th at 2 p. m. After singing, "Lead On Oh King Eternal," watchwords were repeated in unison. A number of our members were absent on account of illness. One new member was enrolled.

A very interesting business session was held.

Mrs. J. A. Fothergill brought our devotional.

Those taking part on the program were Mesdames Myrtle Marshall, Emerson Smith, Ray Newman, Austin Schwind, J. T. Bristol, Harold Gatewood and J. Wag-

ner.

A number of our women attended an enjoyable meeting at the Baptist Church in Erlanger April 26. Our president urged us to attend the meeting at Elmore Baptist Church in Erlanger, May 24 at 10 a. m.

The meeting was dismissed by song and sentence prayers.

He's fighting for you!
Will you fight for him?

Spear-heading the Red Ball Express thru France . . . or conveying urgent material over the Stillwell Road (formerly the Lado-Burma Road) in Asia . . . the G-1 truck driver has learned, on the far-flung front, how to get there "fastest with the mostest"! He's fighting for you . . . and winning!

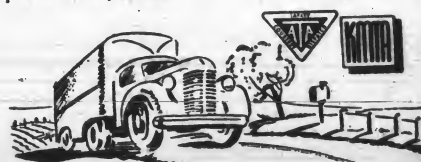

But, what's to be his job when he returns . . . particularly in Kentucky? Will we give him the chance to use his expert training and invaluable experience?

We should. He's entitled to it . . . and it's good business for Kentuckians.

With 69.6% of Kentucky's communities solely dependent on trucks and modern highways for their economical, industrial and social existence, we have a better chance than most states to supply our returning G-1's with the jobs they want!

But, Kentucky's antiquated restrictions on highway transportation have limited . . . and will limit . . . both truck-driving and fast, economical deliveries. Only by changing Kentucky laws to meet the Uniform Code of weights and limits already established by surrounding states will essential goods move freely . . . quickly . . . efficiently. Only in this way can we help our returning G-1 truck drivers (and ourselves, too!).

While he's fighting for your future, will you fight for his? Let's get busy now . . . so, when our G-1s return, their truck-driving jobs will be ready for them!

THE 7TH WAR LOAN IS ON!

Yes, the Seventh War Loan is on right now! There are new planes to be built . . . new tanks . . . new ships. All to bring the war to an earlier close.

Our fighting men will do their job. But we must do ours!

And right now, the most important job we have is to meet our personal quotas in the Seventh War Loan drive!

Those quotas are big. Uncle Sam needs \$7,000,000,000 from individuals. For this loan is really 2 in 1—there had been 2 drives in 1944, by this time. So now—we've got to do a two-loan job in one.

But Americans have never failed to meet a War Bond quota yet—and we won't fail now! So find out what your quota is—and meet it!

Will you hold a FAT SALVAGE BEE for your country?

HERE IN AMERICA, when a neighbor needs help, all the folks pitch in and give him a hand. Many a harvest would have been lost without the help of an old-fashioned husking bee. Right now, your country is calling on you, the women in towns and on the farms, to hold a fat-salvage bee and help meet a critical fat shortage.

TO MEET THE NEEDS of our country, used fats are desperately wanted. Scrape pans. Skim soups and gravies. Save meat trimmings and table scraps; once a week melt them down. Your butcher will give you 2 red points and up to 4 cents for every pound. If you have any difficulty, call your County Agent or local Salvage Committee.

Needed this year: 100,000,000 more pounds of used fats!

Approved by WFA and OPA. Paid for by Industry.

Chief of the WHAS News Room

ED FERREY—head of the newroom at Radio Station WHAS, is a Hoosier, born in Columbia City, Indiana, twenty-five years ago. Educated in the public schools there, and at Indiana University, Ed still has a strong tie with his home State. He teaches an extension course in Journalism at the Indiana University Center in Jeffersonville . . . and his wife teaches in the high school in New Albany.

As News Chief, Ed keeps an eagle eye on the re-writing of each one of the 15 daily newscasts originating at WHAS. He checks, studies and edits all releases, taking particular care to see that you get only the most important; most interesting and most complete news, coming out of the five Associated Press and United Press teletype machines that are spilling out more than 200,000 words every 24 hours.

This serious young man, with blond curly hair and penetrating blue eyes, came to WHAS in September, 1943, as news writer, from the Fort Wayne News Sentinel. He went to the News Sentinel fresh from University, and worked at every desk except the city editor's, from reporter to telegraph editor in the 2½ years he was there.

Ed was made chief of the expanding WHAS newroom last October.

When he isn't supervising five news writers at WHAS, or teaching at I.U., Ed is writing feature articles for newspaper press services and magazines. One of his articles recently appeared in Readers' Digest.

FROM SPEECH by ABRAHAM LINCOLN

March 21, 1864

Property is the fruit of labor; property is desirable; it is a positive good in the world. That some should be rich shows that others may become rich, and hence is just encouragement to industry and enterprise. Let not him who is houseless pull down the house of another, but let him work diligently and build one for himself, thus by example assuring that his own shall be safe from violence when built.

THE BOONE COUNTY RECORDER

ESTABLISHED 1875

BURLINGTON, KENTUCKY THURSDAY, MAY 24, 1945

HALF OF BOND QUOTA REACHED

THREE HUNDRED EIGHTEEN SUBSCRIBERS FOR \$84,168.75 IN E BONDS—\$42,584.38 SUBSCRIBED IN OTHER BONDS.

Almost half of the over-all quota of \$350,000.00 in the Seventh War Loan Drive in Boone County has been reported subscribed. Three hundred eighteen people have subscribed for \$84,168.75 on the quota of \$160,000.00 in E bonds and 31 people have subscribed \$46,518.50 on the quota of \$100,000.00 in other bonds, making a grand total of \$130,687.25 in E and other bonds sold up to last Saturday night.

In this Seventh War Loan Drive we must sell our quota of \$160,000.00 in E bonds as well as the quota of \$100,000.00 in other bonds before we can be counted as meeting our goal.

Anyone contemplating making subscriptions in E, F, and G bonds should make their subscription before the close of this month and have the advantage of their subscriptions date from May 1st. Coupon bonds will be dated June 1st and unless the subscription is entered by June 1st, accrued interest will have to be added and charged to the subscriber, unless the subscription is \$1,000.00 or less, in which case there is no accrued interest to be calculated against the subscriber.

Make your subscriptions as early as possible and let's be one of the first counties to report "over the top." The drive closes June 30th. The banks will appreciate early subscriptions of their customers so as to spread the work of issuing the bonds over the period of the drive and avoid the usual heavy rush the last week of the drive, which has been the case in the past.

Don't wait—subscribe NOW!

Nine Boone Counties Inducted May 18th

Nine Boone County selectees were inducted from local Board No. 9 Friday, May 18th, according to C. G. Kelly, Clerk.

Entering the Army were: William Lawrence Fools, Raymond Clarence Ross, Charles May, Jr., Edward Earl Walton, R. B. Cole, Linton John Reeves, Ray Louis Boh. Those entering the Navy were: Robert Lewis Clure, and Lloyd Huff.

Successful Revival Held At Bullittsburg

A successful revival was held at Bullittsburg Baptist Church with Rev. W. K. Wood superintendent of evangelism in Northern Kentucky as guest evangelist. Inspirational and evangelistic messages were brought each evening.

The revival closed with fourteen additions to the church, eleven by baptism and three by letter. Prior to the revival meeting we had two professions of faith, making a total of thirteen baptisms.

"Our church has been greatly helped spiritually by this man of God coming our way," said W. T. Gardner, pastor of the church.

YOUR HELP NEEDED!

Through the columns of this paper three weeks ago, the Boone County Tuberculosis Association made an appeal for funds to keep six tubercular patients in sanitariums. R. V. Lents, Executive Secretary of the organization reports that approximately \$125 has been received which will not go very far to keep six patients at more than \$16 a day.

Mr. Lents stated that unless funds are received soon the six patients will have to be taken from the sanitariums as all funds are exhausted. Send all donations to R. V. Lents, Florence, or Miss Mary Bess Cropper, treasurer, Burlington.

LOCAL BOY VIEWS ENEMY ATROCITIES

CPL. EDSON MAURER SENDS CLIPPINGS TAKEN FROM PAPER PUBLISHED BY U. S. ARMY IN GERMANY.

Cpl. Edson Maurer, son of Mrs. Josie Maurer of Burlington, writes in a letter to his brother Edgar Maurer, that he has viewed several of the German prison camps, and the German atrocities have not been exaggerated, he reports.

A part of his letter and clippings from the Stars and Stripes, an Army newspaper follows:

"Suppose you have read and heard about the way the Germans tortured, and massacred the prisoners over here. Most of them were political and war prisoners. 'I am sending you these clippings about what Americans found when they freed these camps. Don't let anyone tell you that these people didn't do it, for I went and saw it for myself and it's just like what these clippings say. 'I never saw anything as horrible and perhaps never will again. Only wish I could tell you more about it, but these clippings are actually the truth for thousands of Americans saw it with their own eyes.'

"With this Army, April 21—Lampshades, bookbindings and other ornaments made from the skin of Nazi victims who died in the notorious Buchenwald concentration camp were found near Weimar.

Capt. Danney Penick, of Montclair, N. J. and Maj. M. C. Goodwin, of Atlanta, found Germans had these hideous souvenirs. "They were sort of a fad which was started by the wife of the Prison commandant," Penick said. There was one piece of skin from a man's chest mounted on a board and covered with cellophane. Some German had seen the figure of a nude woman tattooed on a prisoner's chest. The section was mounted on a board apparently for wall decoration, Capt. Penick said.

German civilians see for themselves.

London, April 19—Allied armies are taking steps to insure that German civilians shall see something of the horrors of their concentration and PW camps.

"Germans you meet scoff unbelievably when you tell them about atrocities committed in their midst and in their name," a News Chronicle correspondent reported from Weimar.

German civilians, he wrote, are now being conducted on tours of these camps, where they see the unburied corpses and the wasted bodies of the dying but not yet dead.

172 CO. FARMERS ATTEND MEETING

LABOR SAVING DEMONSTRATIONS SHOWN—LEAFLETS ARE AVAILABLE AT OFFICE OF COUNTY AGENT.

One hundred seventy-two farmers attended four meetings the past week on pulling and setting tobacco plants. The meetings were used to demonstrate labor saving practices that have been found through research study, according to the County Agent's office.

Specific aids in saving labor in these important farm operations saved 10 hours on an average in pulling 8,500 plants used in setting an acre of tobacco. These aids included use of one-man plant bed board, use of comfortable positions, methods of pulling and placing the plants in the baskets.

College of Agriculture leaflets giving pictures of each of the labor saving practices are available at the County Agent's office on request. Our farmers do not have available labor for rush jobs. The greatest prospect for getting the job done lies in the use of labor saving practices that will enable the help to do more work with the same amount of labor. Similar meetings on other labor saving practices will be held later in the season.

Additional Dates Announced For Sugar Registration

Due to the shortage of application forms in the following communities there will be an additional registration date for canning at the following places and on the dates given below:

Petersburg—Monday and Tuesday, May 28 and 29.

Hebron—Thursday and Friday, May 31 and June 1.

Watch your paper for later dates to register for canning sugar, says the Boone County War Price and Rationing Board 8.

Mrs. Ab Oldham of Danville, visited Mrs. J. W. Goodridge and Mr. and Mrs. William Rudicill and family, recently.

BEEF PRODUCTION PAYMENT IS SET

AT FIFTY CENTS HUNDRED ON GOOD AND CHOICE CATTLE OWNED AND FED BY APPLICANT 30 DAYS PRIOR TO SALE.

The War Food Administration has announced a beef production payment of 50c per hundred weight on all sales beginning May 19, according to information received by Mr. Mark Cook, Chairman of the Boone County AAA Committee.

The payment will be on good and choice cattle owned and fed by the applicant at least 30 days prior to sale to a licensed slaughterer and which weigh 100 pounds or more. "All farmers should be advised," Mr. Cook added, "to retain evidence of sales."

It is expected that additional information will be received within a very short time.

William C. Johnson

Funeral services for William Curtis Johnson, Beaver Lick will be conducted from Hughes Chapel today (Thursday) at 2 p. m., with burial in Hughes Chapel Cemetery. Mr. Johnson died at his home early Tuesday, following a long illness. He was 91 years old. He was probably the oldest subscriber, having been a subscriber since the paper was founded.

He is survived by one son Joseph Hughes Johnson, Memphis, Tenn., who came to be with him during his last illness, four grandchildren and three great-grandchildren. His grandson and wife, Mr. and Mrs. Cloyd Johnson have lived with him and managed the farm for the past several years.

Mr. Johnson was one of Boone County's oldest citizens and was well-known throughout the county, due to having operated a sawmill in various parts from 1890 to 1920. He was the grandson of Samuel and Elizabeth Muffett Johnson, Kentucky pioneers who came to Boone County from Virginia and settled near Walton, about 1810.

Mr. Johnson often entertained his family and friends with stories of slave times and Civil War days. He was very proud of having ridden to Walton with his father to see General Morgan and his Confederate troops march through on their way to besiege Cincinnati during the Civil War.

Mr. Johnson joined the Masonic lodge of Union, Ky., in 1886 and later helped to obtain the charter for Hamilton lodge at Big Bone Springs. After this lodge closed, he returned to the Union lodge, where he held membership at his death. He was one of the oldest Masons in Northern Kentucky, by virtue of his age as well as service, which extended over 59 years.

Chambers and Grubbs are in charge of funeral arrangements.

Mrs. Emma L. Groger

Mrs. Emma L. Groger passed away Sunday at St. Elizabeth Hospital, Covington, after a long illness. She was 74. Mrs. Groger was a member of the Erlanger Christian Church. She had been a resident of Walton for many years.

She is survived by a daughter, Mrs. Romney Rider, Elsmere; two sons, Howard Groger, Covington, and Gilbert Groger, Walton; a brother, William C. Groger, Cincinnati; three sisters, Mrs. Ann Coker, Covington and Mrs. Leona Richardson, Independence, 10 grandchildren and four great-grandchildren.

Funeral services were conducted at 2:30 p. m. Wednesday at Phillips-Telford Funeral Home, Erlanger. Burial was in Independence Cemetery.

Bellevue Trims Burlington 13 To 7

Bellevue defeated the Burlington Baptist Saturday afternoon for their second successive triumph over the Baptists. Burlington held a lead to the top of the fourth when Bellevue forged ahead and maintained a substantial lead throughout the game.

Ira Cason, Bellevue's ace southpaw, held the losers to five scattered hits. Cason kept the Burlington batters guessing as he struck out twelve opposing hitters. Three Burlington pitchers were required to stop Bellevue. Joe Smith started and received credit for the win. Bellevue relieved Smith in the sixth and Brown was relieved by Stephens in the eighth.

Bob White had a field day at the plate, smashing out a triple, two doubles and a single for five trips to the plate. Leroy Stephens also collected four hits for five times as but for the winners. "Chick" Stephens led the losers at the plate with two doubles. Brown and Benson also had two hits each for the Baptists. Bellevue collected 13 hits while the Baptist had 5.

Burlington will play the Men's Class of the local Baptist church Saturday night. Bellevue meets Petersburg at Bellevue on Saturday. Both games will be called at 2:00 p. m.

Truck Operators Must Apply For Gas Not Later Than June 15

All truck owners who want gasoline for their trucks for the third quarter, beginning July 1st, must apply and sign for their gas with the Boone County War Price and Rationing Board not later than June 15 in order to receive gas by July 1st.

JUDGE WARD YAGER SEEKS RE-ELECTION

SERVED AS COMMONWEALTH ATTORNEY FOR 15 YEARS AND CIRCUIT JUDGE FOR PAST SIX YEARS.

Circuit Judge Ward Yager, of Warsaw, makes his official bow to the voters of Boone County, announcing his candidacy for re-election as Circuit Court Judge of the 15th Judicial District, composed of Boone, Grant, Gallatin, Carroll and Owen Counties.

Mr. Yager is well known throughout the district, having served as Commonwealth Attorney for twelve years, and as Circuit Judge for the past six years. He has filled the office very efficiently and is well qualified for the position.

His announcement will be found on page two of this issue. Mr. Yager makes the following statement to the people of Boone County:

"To the people of Boone County: 'I am a candidate for re-election to the office of Circuit Judge, subject to the action of the Democratic primary in August. 'In the past you have been most generous to me and I am profoundly grateful. 'I sincerely hope that my record in office will in a measure justify your further support. 'I shall greatly appreciate your help.

"WARD YAGER."

Constance Man Wounded

Pfc. Thomas W. Rogers, of near Constance, was slightly wounded April 25 in Germany while fighting with the 7th Army. It was announced this week. He is now recuperating in an Army Hospital in England.

In a letter to his parents, he stated he wished to thank all his friends for their letters and The Recorder for the paper.

AWARDED PURPLE HEART

Sgt. Alan S. Holtzworth, son of Mr. and Mrs. Andy Holtzworth, of Union has been awarded the Purple Heart for wounds received Jan 31, 1945 in Belgium.

Sgt. Holtzworth has been in the Army since October 15, 1942 and has served overseas eleven months.

SEWAGE PLANT CONTRACT LET

FOR NEW AIRPORT FRIDAY—OTHER INSTALLATION CONTRACTS HAVE BEEN LET, ACCORDING TO REPORT.

Contract to construct the sewage disposal plant at the new airport located in Boone County, was awarded to Harry W. Miller, Covington contractor.

Bids for the disposal plant were opened at a meeting of the Kentucky Airport Board Friday. The only other bid received did not follow the form set out for the submitting of bids and was not considered.

A. A. Hohnhorst, secretary of the board, said the contract for the sewage plant brings the letting of contracts up to date. He said no further bids can be let until plans for the administration building have been completed by Leslie Deglow, architect.

Contracts have been awarded for construction of water lines, loading ramp and foundations for the administration building, it was reported.

RECORDER WILL BE PUBLISHED DAY EARLY

The Recorder will go to press one day early next week due to Decoration Day falling on Wednesday, regular press day. Our paper will be printed Tuesday night and our office will be closed Wednesday.

Correspondents and advertisers are requested to have their copy in our office not later than Tuesday afternoon to insure publication.

Your cooperation will be highly appreciated by The Recorder staff.

EDWIN WALTON IS INSTRUCTOR

HELPING TEACH 1,000 SERVICEMEN AND WOMEN IN THE CITY OF SOUTH PACIFIC, CONDUCTED BY U. S. ARMY.

With U. S. Armed Forces in New Caledonia—Staff Sergeant Edwin H. Walton, former principal of Burlington, Kentucky High School, is one of 49 volunteer instructors who have a job of teaching the more than 1,000 servicemen and women enrolled in the "University of the South Pacific," first overseas college ever conducted by the United States Army.

Sergeant Walton, son of Mr. and Mrs. Phelps Walton, of Hebron, Ky., was employed in his 1938-1943 principalship by the Boone County Board of Education, Burlington. He has been educated at Transylvania College, Lexington, Ky., where he received a Bachelor of Arts degree in 1932, and at the University of Cincinnati, Cincinnati, Ohio, where he received his Master of Education degree in 1942.

A brother of Mrs. Earl McGlasson, Constance, Kentucky, sergeant entered the service in January, 1943, and was sent overseas in March, 1944. His regular duties consist of testing the Army's fuels and lubricants in a Quarter-master petroleum products laboratory. Now, in addition, he teaches the University's course in high school physics.

Classes are held three nights a week in Major General Frederick Gilbreath's South Pacific Base Command headquarters buildings, located on this semi-tropical, French-owned island 1,000 miles northeast of Australia. "Students" are offered in off-duty hours, include soldiers, sailors and Marines—both officers and enlisted men—as well as Army and Navy nurses, Red Cross girls and New Zealand civilian employees of the Army. Some of them make the trip from long distances "up-island."

Offering college and high school credits in 26 different subjects the University was established as an adjunct to correspondence courses available through the United States Armed Forces Institute, which furnishes the text books for the South Pacific classes. The University enables many to resume educations interrupted by the war, while others are studying now with a view to postwar employment in some specialized field.

In taking this step in the interest of expediting reconversion to peacetime economy, the Army has cast itself in a new role. From training civilians to become soldiers, it has branched out to the task of training soldiers to become civilians again, and the first evidence of this endeavor—the University of the South Pacific—proved so popular that more than 1,000 applicants for the first six-weeks' semester had to be rejected because of limited facilities.

Firemen Will Meet Monday, May 28th

FORMER RIVER PILOT IS CALLED

JOHN J. MAURER DIES OF HEART ATTACK MONDAY MORNING ENROUTE FROM HIS FARM NEAR BELLEVUE.

John J. Maurer, 64, lifelong resident of Bellevue died of a heart attack early Monday morning enroute from his farm to his home in Bellevue. He had visited his farm on the Petersburg-Bellevue road and was returning, when his car left the highway near the home of Allen Rogers. Mr. Rogers noticed the car and upon investigation found Mr. Maurer slumped over the wheel.

Mr. Maurer was one of the county's most prominent citizens, active in civic and church affairs and was instrumental in many improvements, which have made this county a better place in which to live.

He was a member of the Bellevue Baptist Church, holding the office of treasurer at the time of his death and was every faithful to his church. He was a member of Bellevue Masonic Lodge No. 644, having been a member for the past 43 years. He was a director of the Farmers' Mutual Fire Insurance Co., and for many years served as a member of Boone County Board of Education.

A former Ohio River pilot, Mr. Maurer never let his license expire, and had the honor of piloting the Coast Guard ship Kankakee which carried President Herbert Hoover down the Ohio River in 1928 on an inspection of the Lock and Dam system which was completed at that time. He received his license in the year 1900 and was active as pilot until the year 1914.

Mr. Maurer was married to Miss Louvinda Clure, of Grant, August 27th, 1908. To this union one daughter was born, who preceded him to the grave August 27, 1914. His wife passed away March 30, 1945, seven weeks. Two brothers, Charles Maurer and William Maurer also preceded him to the grave.

He is survived by one sister, Mrs. J. G. Smith of Burlington; one brother, Commander J. Maurer, of U. S. Coast Guard, Louisville, eight nephews and two nieces.

Funeral services will be held today (Thursday) at 10:30 a. m. at the Bellevue Baptist Church, with Rev. W. C. Guth, pastor, officiating. Masonic services were held at the home Wednesday evening. Burial will be in Bellevue Cemetery.

Pallbearers will be Willard Ryle, R. S. Hensley, Carl Cason, Leslie Ryle, Robert Kite and Bernard Rogers.

Lt. Donald L. Stevens Liberated in Germany

Second Lt. Donald M. Stevens, 24, son of Mr. and Mrs. Bert Stevens, of Florence has been liberated from Stalag 7-A, according to a letter received by his parents.

A Liberator bomber navigator, Lt. Stevens was captured by the Germans in March 1944, while on a mission over Germany March 1944.

APPLICATIONS CLOSE MAY 31

FOR DAIRY FEED SUBSIDY PAYMENT—612 APPLICANTS, ISSUED DRAFTS AS OF MAY 19—TOTAL PAID GROUP \$38,851.

May 31st is the closing date for accepting applications for the January, February, and March Dairy Feed Subsidy payment. Six hundred twelve applicants have been issued drafts as of May 19, 1945. The total paid to this group was \$38,851.22. The rate of pay for the January, February, and March period is 70c per hundredweight for milk and 11c per pound for butterfat.

The next payment period will be for April, May and June. The rate of pay for the month of April will be 60c per hundredweight for milk and 17c per pound for butterfat. The rate of pay for May and June will be 75c per hundredweight for milk and 18c per pound for butterfat. While the payment is different for April than it is for May and June the payment for these 3 months will be computed together, and only one draft issued. Applications for this period may be filed as soon as the final weights for June are received.

American Prisoners say:

"WE WANT TO GET BACK AT THE JAPS!"

MATCH THEIR SPIRIT in the MIGHTY

7TH WAR LOAN DRIVE

YES, despite their long months and years of privation and suffering, those gallant men, just released from filthy Jap Prison Camps, still have their good old fighting spirit. They're itching to get back into the fight and give the Nips a taste of their own medicine.

Let's show them that we're not quitting either! Let's match their spirit with our dollars! Let's make this MIGHTY 7th War Loan the mightiest of them all!

But to come even close to matching their sacrifices, everyone here at home must buy War Bonds until it hurts. Buy double or treble the extra War Bonds you've bought in any previous drive. Remember, this is really two drives in one. In the same period last year, you were asked to subscribe to two War Loans.

So let's go, Americans. Our hard-fighting Soldiers, Sailors and Marines are giving their ALL. The least we can do is to lend our dollars.

Everett Cress Undergoes Major Spinal Operation

Everett E. Cress SF 1/c, U. S. Naval Hospital 121-S, San Diego, 34, Cal., underwent a major spinal operation on May 9th at the above named hospital. He is a son of Mr. and Mrs. Calvin Cress of Burlington.

Everett injured his back in an accident while serving with the U. S. Seabees on Guadalcanal. He was recently moved from the Naval hospital at Long Beach, Calif., to San Diego, Calif., for the operation.

Everett's many friends in this community and throughout the county wish for him a speedy recovery.

Picture To Be Shown At Walton For Benefit Of Cancer Fund Drive

The picture "Arsenic and Old Lace" featuring Cary Grant at the James Theater, Walton, May 29 at 8:00 p. m. is for the benefit of the Cancer Fund. Admission is 35c including tax.

The citizens of Walton, anxious to do something in a big way in the Cancer Drive were unable to do this in the month of April, designated as Cancer Month.

The interest shown and effort put forth is highly commendable to this community. Very soon the committee will be able to announce Boone County's part in a financial way in this most worthy drive against the dreaded disease, cancer.

Cooked A Fine Dinner; Then Threw It To Dog

One lady recently stated that she used to throw her own dinner to the dog most of the time. It made her sick just to look at anything to eat. She was swollen with gas, full of blood, had headaches, felt worn out and was badly constipated. Finally she got ERL-HHELP and says she now eats everything in sight and digests it perfectly. Bowels are regular and normal. She is enjoying life once more and feels like "some other woman since taking this New German ERL-HHELP contains 12 Great Herbs; they cleanse bowels, clear liver and kidneys. Miserable people soon feel different all over. So don't go on suffering! Get ERL-HHELP. Elsmere Pharmacy, Dixie Highway.

Horror Victims

Gardelegen, April 21—American troops with their eyes and in their shouted commands today rode herd on 200 German male civilians who, at the order of American military authorities, were exhuming with their hands the bodies of some 700 PWs executed by Nazi troops just outside this town April 14.

Those known or believed to have been closely connected with the Nazi Party or to have profited from its operations, together with boys suspected of Hitler Jugend affiliations, were detailed to unearthing the bodies with their bare hands—the rotting, stinking, barely recognizable remains of the bodies from the long trenches at two sides of the barn.

The tank guards fingering their triggers and barely able to fight down an obvious urge, were thoroughly angered and revolted. If a worker halted for a single second, he was forcibly reminded by some of the German-speaking guardings just what the score was, and why they were there.

One man who spoke English protested that the Americans "should not punish us indiscriminately for such crimes as these, but you should find and punish those actually responsible."

"Shut up and get digging," shouted Pfc. Walter Posigian, of Detroit, a guard. "You're all responsible."

Civilians Escorted to Scene of the Crime

With the 1st Army, April 21—American commanders who organized the tours of German civilians through the horrors of the Buchenwald Prison camp, where 500 to 600 prisoners were being cremated weekly, used the same theory as that used in hosebreaking a dog. You point to what he's done and then spank him.

German civilians are led first through a small office where a dim light is thrown on the walls through the lamplight made of human skin stretched over a wire frame. They are next taken to barracks where 1,200 emaciated prisoners were found starving, but still alive by the Americans. All but eight of the 1,200 already have died.

The SS guard motto which was whispered to every prisoner as he came in is given to the German civilians: "You come in through the gates here and go out through the chimney."

SS Kills Prisoners, Right to the End

Belsen, Germany, April 23—Joseph Kramer, SS commandant of the Belsen concentration camp, was stoned by Wehrmacht soldiers as British captors hurried him off to prison.

Officers described Kramer as "brutish—a sadist of the very worst subhuman type." Captured German soldiers who threw stones at him agreed he was notorious. They said he also tortured German troops.

As the commandant was taken away, remaining SS men and women guards were put to work shoveling the bodies of thousands of their victims into burial pits.

British Tommies who witnessed the horrors perpetrated by Kramer asked anxiously: "They're not going to let him off, are they?"

Nazi Says It Was Worth It

Hans Fritzsche, a leading German radio broadcaster, admitted in a Berlin home service broadcast last night that Nazi generals have committed crimes during the Hitler regime.

According to the United Press, Fritzsche said, "Germany through out these six years has fought for justice. It is true mistakes have been made, infringements have been incurred, and even crimes were committed. But all its meaning is lost in view of what this regime has given the German people—a new order."

"No Good in Germans," Says Mrs. Luce

Buchenwald, April 23—Rep. Clare Booth Luce, accompanied by Reps. John C. Kunkel, of Pennsylvania, Leonard W. Hall, of New York, and ten members of the British Parliament, visited this Nazi death chamber Saturday. Miss Booth said, "A few years ago, there was talk about the 'good German' people. After seeing this, one wonders whether there is good in any German people."

London, April 23—Members of Parliament and the peers who visited the concentration camp at Buchenwald, Germany, Saturday at the invitation of Gen. Dwight D. Eisenhower returned yesterday afternoon to London. They will make their report later.

One of the party, Sir Henry Morris Jones, said, "There has been no exaggeration. It was beyond description."

Nazis Massacre 1,000 With Flares, Bullets

Gardelegen, Germany, April 17—Allied Military Government officials were investigating today one of the most overhauled Nazi crimes yet discovered in western Europe—the mass murder by flares and bullets of an estimated 1,000 German political and war prisoners last Friday.

Their writer of information, com-

ing from many sources, included reports of the seven known to have escaped and the accounts of German civilians who saw the flames, heard the screams of the dying, saw the smoke rising from the great stone barn where the massacre took place and heard the machine guns.

Whatever the investigation turns up, these facts, observed at first hand here this afternoon, stood out: More than 300 bodies—twisted, fire-charred and still smoking—lay on the floor of the barn and piled in heaps at the four big doors. Virtually every body heaped at the doors was holed by bullets.

Six trenches, eight feet deep and eight wide and varying in length from 15 to 65 feet, had been covered over; others were either partially covered or had not yet been wholly dug.

Capt. John Mick, an officer of the division which discovered the massacre, said civilian laborers who were ordered by the Germans to bury the bodies told him they had placed more than 700 in the trenches.

The seven prisoners who escaped, two Poles, were telling authorities this afternoon what had happened. Eugene Sczwincz, one of the pair, said he tried to escape from the barn when the Nazis set fire to the gasoline-saturated straw with incendiary bullets.

"I stumbled," he said, "and others coming behind me were mowed down and fell on top of me. Some of the Germans firing the MGs were Luftwaffe troops; I could see their uniforms. Others were SS but the SS left soon because the Americans were coming (the Americans arrived Saturday)."

"I lay under the pile of dead from Friday to Sunday morning without moving, because on Saturday the Germans came in and asked who needed medical attention. When someone moved and asked for help, the Germans shot them."

"I got out when the Germans left and the Americans arrived."

Capt. Mick learned from the survivors that they had arrived at Gardelegen from the Eastern front about two weeks ago. With the arrival of news that the Americans were about to take the town, the prisoners were herded from their barracks in town to the barn. Wounded were carried in trucks.

Then the horrible massacre began. Investigators have not yet learned the reason for the way in which the Nazis executed the prisoners.

Silver Tea To Be Held In Burlington Today

A Silver Tea will be given by the Burlington Homemakers on Thursday, May 24 (today) at 2 o'clock at the school house.

The guest of the afternoon will be Edna Orrell who will give, "How Green Grow the Lilies." The story from which the "Oklahoma" was taken.

The committee on arrangements is Mesdames Thos. Hensley, Carroll Cropper, Courtney Kelly, Alexander Yelton, Vernon Pope, Holly Forkner, Galen Kelly.

The refreshment committee is composed of Mesdames Hubert White, Grover Jarrell, Frank Maurer and Elijah Stephens.

The reception committee is composed of Mrs. Walter Brown, Mrs. Helen Snyder, Doretta Rouse, Mrs. Ty Combs and Lucile Bell.

TOO LATE TODAY--

of course—Certainly tomorrow, have "PORTRAITS BY STEVENS"

Get them in 8x10, 5x7, miniature or wallet size. Should you distribute them on Father's Day, June 17, it would be a graceful act.

Miniature and wallets are most beautiful sealed in plastic. This process gives life-long permanency to any treasured picture or document, 3 1/4 x 4 1/4 or less.

Father will like these plastics for his wallet or mantle.

Sittings from ten to six—Saturdays. No appointment needed. Appointments for special needs.

WOMAN'S SUIT MADE FROM BOYS' UNIFORM

A three-piece tailored suit of excellent quality material at a total cost of \$5, is being proudly worn by Mrs. Ted Grady of the Canner Homemakers' Club in Hart county. Mrs. Grady, like hundreds of other women in the state who have learned to sew in their homemak-ers' clubs, believes it is common sense, as well as a ones' patriotic duty, to use good materials on hand before buying garments at present high prices. Consequently, she made herself a suit, topcoat and purse from son's discarded blue-gray military academy uniform. First she ripped the garment and had the pieces cleaned and steam pressed. Then followed careful cutting, tailoring and pressing. Her only expenses were for the dry cleaning, buttons and having but-tonholes made.

FLORENCE YOUTH DIES IN GERMANY

WAR SON OF MR. AND MRS. A. T. KNOX—HAD BEEN IN SERVICE FOUR YEARS—OVERSEAS

Sgt. Aubrey E. Knox, 27, son of Mr. and Mrs. A. T. Knox, of near Florence, died in Germany, May 6th, according to an official government wire received by his parents dated May 27th. His death occurred two days prior to official announcement of VE-Day.

The official wire follows: "Secretary of War desires me to express his deep regret that your son, Sgt. Aubrey E. Knox, died in Germany 6th of May, 1945. Confirming letter follows. Signed J. Ulio, Adj. Gen."

Aubrey entered the service four years ago, receiving his basic training at Camp Hulen, Texas. He had been overseas three years.

He was a graduate of the New Haven high school in the class of 1933, and was well known throughout that section of the country. He is survived by his parents, Mr. and Mrs. A. T. Knox; two brothers, Roger and Albert Knox; three sisters, Rebecca, Catherine and Mary Knox.

Local Youths Liberated
Mr. and Mrs. Ernest Brown of Waterloo received a cablegram from their son, Milton Brown who was recently liberated from a German prison camp.

Pvt. Milton Brown, 24, son of Mr. and Mrs. Ernest Brown, Sr., of Waterloo has been liberated from a German prison camp, according to a telegram received by the family Friday of last week. The telegram stated that he had been returned to military control, April 27.

Pvt. Brown entered the service January 4, 1944, and received his basic training at Camp Croft, S. C. He had been overseas since July 1944 and had been a captive of the Germans since September 6, 1944.

Another brother Orville Brown is serving with the U. S. Army somewhere in the Philippines.

Eighth Grade Of Hamilton Will Present Play Fri.

The eighth grade class of Hamilton school will present the play "A Pair of Country Kids" at the New Haven school auditorium, on Friday, June 1st at 8:30 p. m. Proceeds from the play will go to the Cancer Fund. Admission will be 25c and 35c.

LOCKER SIGN-UP IS PROGRESSING

NICELY, ACCORDING TO COMMITTEEMAN, D. H. NORRIS—ONLY SEVENTY-FIVE MORE SIGNERS NEEDED.

The frozen food locker sign-up is making splendid progress, according to committeeman D. H. Norris. Quite a number signed up during the past week, he stated.

Seventy-five more signers are needed in order to assure the opening of the plant. When this number is obtained, application will be made for priorities to construct the Burlington plant.

Committeemen are busy at this time and it is difficult to find time for personal solicitation. However, anyone interested in the plant are requested to mail a check or telephone any one of the committeemen, and an agreement will be filled out and presented to the application.

Mr. Norris stated that if the sign-up could be completed in the near future, our locker plant could be in operation by fall of this year. This would mean that residents of this section would be able to store vegetables, chickens and other meats for their winter needs.

This project will benefit every one in the community, and should be of interest to everyone. Thousands of dollars worth of vegetables, fruits, and meats could be saved through a plant of this type.

Let's all do our part in this project by assisting the committeemen in the sign-up. Let's reduce the seventy-five needed to half that amount by next week.

Donald Faulkner Receives Medical Discharge May 19

Cpl. Donald E. Faulkner, son of Mr. and Mrs. Bruce Faulkner of near Burlington, received a medical discharge from the U. S. Army at Camp Aitahbury, Ind., May 19th. Donald served twenty-six months overseas with the Second Armored Division and was wounded in France, August 26, 1944.

He has returned to the home of his father and at present is aiding his father with farm work.

Thurman L. Wolfe Receives Discharge

M/Sgt. Thurman L. Wolfe, of Richmond was discharged from the U. S. Army Air Corps on Wednesday of this week at Camp Aitahbury with 190 points to his credit. He served with the 43rd Bomb Squadron as a gunner on a flying fortress in the Southwest Pacific for 25 months. During that time he received several decorations.

The Constance Corncracker 4-H Club has completed a paper drive. The proceeds of the sale of the paper drive will be donated toward paying of the debt on the Boone County 4-H Club fair grounds at Burlington.

J. L. JONES HOME DESTROYED WED.

FIVE-ROOM FRAME HOUSE AND MEAT HOUSE RAZED BY FIRE OF UNDETERMINED ORIGIN, NEAR BULLITTSTVILLE.

Fire, of undetermined origin destroyed the five-room residence of Mr. and Mrs. J. L. Jones on the Bullittsville-Sand Run Road Wednesday afternoon of last week.

The fire which was discovered by Mr. and Mrs. Jones, apparently started in the attic, and within a few minutes had gained such headway it could not be controlled. The Hebron fire department summoned by neighbors was unable to save the building, due to rapid spread of the flames.

A meat house nearby and practically all of the contents of the residence were destroyed in the blaze, it was reported.

The buildings and contents were insured with the Farmers' Mutual Fire Insurance Co., of Boone County.

Tobacco Production Figures Are Completed

Tobacco production figures in Boone County for 1944 have just been completed according to John E. Crigler, Secretary of the Boone County Agricultural Conservation Association.

Plant records from all warehouse sales for tobacco sold from Boone County in 1944 show 3,386,340 pounds sold for a total of \$1,533,292.28, for an average of \$45.55 per hundred pounds. There were 2551 acres grown in 1944, for an average of 1320 pounds per acre.

The 1945 tobacco allotment is 3385.1 acres.

250 ATTEND FOUR-H CLUB RALLY DAY

HELD AT BURLINGTON, SATURDAY, MAY 19—ELEVEN 4-H CLUBS REPRESENTED AT ANNUAL MEETING.

Approximately two hundred and fifty persons attended the 4-H Club Rally Day at Burlington schoolhouse, Saturday, May 19. All eleven 4-H clubs of the County were present, and many members took part in the various events of the day.

Four-H leaders of the County were responsible for the success of this event, both because of their guidance of the 4-H members in the past year and their help in acting as officials in the contests.

Everyone attending brought lunch, which was put together at noon, a delicious plate was served to each person.

Ribbons were awarded contestants in food, judging, clothing, home economics and agricultural demonstrations, clothing style revue, and seed identification. Kathleen Kenny, wearing a brown tailored suit, was chosen the grand champion of the County in the style revue and was awarded a purple ribbon. She will represent the County in the District 4-H contest.

During the general assembly at the beginning of the day, Mr. D. H. Norris, chairman of the County 4-H Council, spoke of the future of rural youth and expressed the hope that the 4-H and Utopia groups would become a recreation center for the County. Mr. H. R. Forkner outlined project goals, and Miss Mary Hood Gillespie explained how county and district champions were selected. Mrs. Mary Louise Townsend pointed out that this year civilians must supply the greater part of all canned goods they eat. She said there were now 91 4-H members in the canning project, and she urged others to sign up.

Judges for the contests were Miss Lullie Logan, assistant State leader of Home Agents, Miss Edith Lacy and E. E. Fish, 4-H field specialists.

A list of winners in the demonstrations, judging contests, style revue and seed identification follows:

Individual home economic demonstrations under 13 years of age: Crocheting edge on a towel, Vera Dean Scott, Grant, blue ribbon; cutting out an apron, Margy Masterson, Hebron, red; brining meats, Pauline Feldhaus, Burlington, white.

Home economics team demonstrations under 13 years of age: Making a bed, Carol Ann Asbury and Betty Jean Jarboe, Hebron, blue ribbon; how to set a table, Jackie Code and Sue Messmer, of Verona, blue; shortening and lengthening a dress pattern, Sarah Chipman and Eloise Arnett, Verona, red; how to care for shoes, Joan Caseldine and Janet Berry, Constance, red; opening jars, Janey Pope and Angie McDaniel, Grant, red; how to make biscuits, Judith Ann Lohre and Margie Bapp, St. Paul's, white; putting a hem in a dress, Jean Caseldine and Gladys Rudolph, Constance, white.

Demonstrations 13 years and over in home economics: Washing dishes, Barbara Norris and Florence Feldhaus, Burlington, blue ribbon; making yeast biscuits, Barbara Norris and Cordelia Kelly, Burlington, blue; how to care for woollens, Flora May Johnson and Rosie Crawley, Constance, red; dishwashing the easier way, Martha Pfalzgraf, and Helen Rogers, Hebron, red; equipping a sewing box, Gloria Scott and LaVerne Judge, St. Paul's, white; how to pack a suit case, Mary Fugate and Ruby Sprague, Constance, white; textile Stephens, Grant, white.

Fifty-six girls entered the style revue and ribbons were awarded the following:

Unit 1—Aprons and pinafiores, Janet Fields, Grant and Joan Harrison, Hebron; white, Mary Scott, Gloria Scott, Helen Knaley, St. Paul's, Gladys Rudolph and Margy Masters, Constance.

Unit 11—School dresses, blue, Carol Ann Asbury, Hebron; Peggy Kelly, Joyce View, Mary Hambley, Burlington; Alice Goodridge, Pauline Estes, Gertrude Humphrey, of Constance; Betty Jarboe, Marilyn Helms, Hebron; Nell Jo Helms, Pefsky; Vera Dean Scott, Grant; Red: Helen Brinegar, Sophia Brinegar, Burlington; LaVerne Judge, Betty Boltman, Allen Kunkel, St. Paul's; Joan Caseldine, Janet Berry of Constance; Fay McCubbin, Walton. White: Grace Souther, Dora Reinhardt, Hebron; Hazel Cook, Grant; Mary White, Burlington; and Rosy Crowley, Constance.

Miss Smith, a member of Sigma Kappa Sorority, a member of W. A. A. Y. W. A., Georgetownian staff, International Relations Club and May Queen.

4-H And Utopia Council Plan 1945 Fair-Picnic

The 4-H and Utopia Club Council met Tuesday afternoon to plan for the 1945 County Fair and Picnic.

The Council reports plans are being made to make the 1945 event the biggest and best on record. Livestock and crops breeders and others who wish to use the fair to promote better agriculture, home economics and rural living are urged to lend their support.

Work on the 1945 premium list and fair catalogue will begin this week. Those who wish to promote or sponsor special exhibits should notify the Council as soon as possible.

Loot Estimated At \$25.00 Taken From Florence Store

A thief, gained entrance to the Osborn Department Store, Thursday night by smashing the glass in the rear door, and removed approximately \$25.00 in loot, consisting of pennies from the cash register, change taken from a pay telephone, and merchandise.

The thief evidently donned a complete new outfit consisting of trousers, shirt and sweater, leaving his old clothing in the store. The clothes were identified by a Florence man as belonging to a man who begged to stay in the church building one night recently.

Deputy Sheriff Irvin Rouse was called to investigate the robbery.

REPORTS CAR STOLEN

John Maze, of Florence reported that his car, a 1940 Chevrolet was stolen from his home on Main St., May 20th. At this writing the car has not been recovered.

Florence Man Returns From Overseas Duty

Miami Beach, Fla., May 21—Pfc. Howard E. Borders, 38, son of Mr. David E. Borders, of Florence, Ky., has returned from service outside the continental United States and is now being processed through the Army Ground and Service Forces Redistribution Station in Miami Beach, where his next assignment will be determined.

Pfc. Borders served 27 months as a member of a signal corps unit in the Persian Gulf Command theater of operations.

Army Ground and Service Forces Redistribution Stations are located in various parts of the United States. Military personnel returning from overseas are processed through these stations before assignment to military organizations and installations within the United States.

During the period that returnees stay at an Army Ground and Service Forces Redistribution Station, they are given a painstaking occupational and physical classification as well as physical and dental readjustments together with various lectures designed to reorient them to civilian life.

This processing is carried on without haste in pleasant surroundings conducive to mental and physical relaxation.

Before entering the service Pfc. Borders was a farmer. He became a member of the Armed Forces on May 2, 1942.

\$210,443 RAISED IN BOND DRIVE

BY TOTAL OF 476 BOONE COUNTY CITIZENS—SOME PRECINCTS SLOW, WHILE OTHERS ARE PROGRESSING NICELY.

Sales of Series E bonds to date in the Seventh War Loan Drive amount to \$116,025.00 with sales of other bonds amount to \$94,418.50, making a total sales of classes of bonds \$210,443.50, according to a report from the County Chairman, Monday morning.

Some precincts in the county are making rapid progress in securing subscriptions, while others are a little slow in getting started.

So far only 470 people in Boone County have subscribed to make the above total, which is a very low per capita purchase when it is considered that the population of this county is approximately ten thousand people.

When one reads the eye witness accounts by Boone County soldiers now serving in Germany of the atrocities committed by our enemies in that country, it would seem that everyone in Boone County would be anxious to buy a bond and would not wait to be solicited.

Let's have a better report for next week.

Bellevue Nine Trims Petersburg

Bellevue defeated Petersburg Saturday afternoon by a count of 7 to 3. Bellevue forged ahead in the first inning with three runs and maintained the lead through the game.

Ivan Cason, Bellevue southpaw held Petersburg to eight hits, while striking out eight. He held Petersburg scoreless until the sixth when they collected two of their runs. McWetly started for the losers and was credited with the loss. Gay Burns finished the game for Petersburg.

David Clore led the attack for Bellevue with two doubles and a single. Eddie Deek knocked out a double and two singles for Petersburg and Wyman Stephens came through with three singles.

June 5th Last Day For Voters To Register

The last day to register in order to vote in the August primary is June 5th, according to C. D. Benson, County Clerk.

Persons failing to register on or before this date will not be entitled to a ballot. Persons moving from one precinct to another are also required to register.

Scholarship Won By Boone County Girl

Jane Hollis, daughter of Mr. and Mrs. Parker Hollis, Tanners Lane, won a scholarship at the Art Academy of Cincinnati. This is an outstanding honor for a student who has had only one year of work at the art school.

She was a student of William E. Hentschel, Burlington.

Auction At Fair Grounds

The Burlington Homemakers will meet Thursday, June 7th at the fair ground for their annual picnic. At the noon hour a covered dish luncheon will be served, after which an auction will be held.

It will be appreciated if members, neighbors and friends who attend will donate an article which she has lost interest in, but would be of value to someone else.

The public is cordially invited to attend.

Union Man Returns To Philadelphia

Warrant Officer Robert L. Baker has returned to Philadelphia, Pa., after enjoying a thirty-day leave with his wife and baby of Union.

Warrant Officer Baker has made several trips to England aboard a merchant ship as radio operator and upon return to Philadelphia will report for duty on the S. S. Salmon Falls.

Mr. and Mrs. Harold Kelly Clore of Lexington are the proud parents of a baby boy born at Good Samaritan Hospital, Lexington, May 8. The new arrival has been named Charles Michael.

17-Year-Old Youth Arrested On Car Theft Charge

A 17-year-old Middletown, O., youth was arrested at Williams-town last Thursday charged with stealing a car owned by Chas. Maloney, of Walton. The youth was arrested by Sheriff Louis Henderson.

The car, a new model Buick was wrecked just south of Walton near Maple Tree Tavern, when the car collided with another traveling in the opposite direction. The boy escaped after the accident, but was later apprehended at Williams-town.

Deputy Sheriff Wendell Easton returned the prisoner from Williams-town, placing him in Burlington jail.

When arraigned before Judge C. L. Cropper, Monday, the youth pleaded guilty and was held over for action of the August grand jury under \$1500 bond.

Correction

A correction in the news article announced last week regarding the payment on beef production had been made by the War Food Administration. The minimum weight of beef cattle for the payment announced last week was 100 pounds. This weight should be corrected to read 800 pounds.

WELCH STUDIES POND FAILURES

IN COUNTY WEDNESDAY—TEN FARMS VISITED BY AGRICULTURAL ENGINEER—POINTS GIVEN.

Earl Welch, Agricultural Engineer from the College of Agriculture, with the County Agent last Wednesday visited ten farms in the county studying reasons for failure of new pond reservoirs or pond dams constructed the past year. The heavy rainy season had hastened the failure of many newly constructed ponds.

The chief causes of failures according to Mr. Welch were found to be:

1. Spillway was left too small.
2. Insufficient height from level of spillway to top of dam.
3. Excessive settling of the dam.

To eliminate these causes of failure:

1. Be sure your spillway checks with sizes shown on page 12 and 13 of College of Agriculture Extension Circular No. 317, "Earth Dams for Farm Reservoirs."
2. Be sure the top of your dam is not less than two feet above the level of your spillway after the earth has settled and is at least 4 feet wide at the top.
3. Be sure the lower slope of your dam is not less than 2 to 1 (2 feet horizontal to 1 foot vertical).
4. Be sure the earth of a new dam is placed in layers and thoroughly packed. Add 10 percent to 20 percent height for settling.

Several pond failures were found due to seepage and under ground channels or sink holes. Welch recommended:

1. Treat all newly constructed ponds with Soda Ash at rates of from 1800 to 3000 pounds per acre.
2. Avoid putting dams in hollows or depressions in which there are sink holes.
3. A good farm reservoir represents about the most valuable land on the farm. The selection of the best possible site should receive first consideration.
4. Don't dig too deep if shelly rock is suspected below the pond bed. Better take the dirt further back from the dam.
5. Be sure a good and proper clay core is constructed through the center of the dam.

Welch further stated that practically any pond site already constructed can be made to hold water successfully if proper treatment is given.

Registered Hereford Purchased By S. B. Sleet

S. B. Sleet of Beaver Lick, recently purchased a registered Hereford bull from the Dr. H. L. Donovan herd of Richmond, Ky. Dr. Donovan is president of the University of Kentucky. The bull is of excellent type and of the best breeding.

Mr. Sleet has been breeding purebred Herefords for several years and has developed a good farm herd.

WATERLOO FARMER TAKES OWN LIFE

AT HIS HOME FRIDAY—HAD BEEN IN ILL HEALTH—COMING TO REPORTS—SERVICES HELD SUNDAY.

Robert Moore, 63, ended his own life Friday at his home at Waterloo, when he fired a charge from a shotgun into his body. He had been in ill health, according to reports.

Mr. Moore operated a farm near Waterloo and was well known throughout the county.

He is survived by his wife, Mrs. Emma Adams Moore; five daughters, Mrs. Noel Walton, Burlington; Mrs. Russell Hayes, Dayton; Mrs. Conner Carroll, Big Bone; Mrs. Edith Jones, Burlington; and Mrs. Lillian Ryle of Covington; three sons, Joseph N., of Akron; Clifford S., of Cincinnati and William Moore, of Dayton; one brother, George Moore, of Dayton and two sisters, Mrs. Frank Allen of Big Bone and Mrs. Charles Abdon, of Erlanger.

Funeral services were held from the Big Bone Baptist Church Sunday afternoon at 2:30 p. m., with Rev. Roy Johnson, pastor of Burlington Baptist Church officiating. Burial was in Big Bone Baptist Cemetery.

Charles and Grubbs, Walton funeral directors were in charge of arrangements.

James Parrott

Funeral services for James Parrott, who died last Monday at the home of his son, Robert Parrott, of Hebron were held at Shelbyville, Ky., at 3 p. m. Thursday. He was 88.

Mr. Parrott, a retired farmer, died Monday following a brief illness.

He is survived by two other sons, Thomas, of Lawrenceburg, Ky., and Wallace, of Philadelphia, and two daughters, Mrs. W. C. Sanders, Cincinnati, and Mrs. Mae F. Clark of Hebron; four grandchildren and one great-grandchild.

The Catherman funeral home, Ludlow, was in charge of arrangements.

Names Omitted

Due to an oversight the names of Alvin L. Holmes and Harry T. Wiloughby were omitted from the list of inductees in last week's paper. These boys were inducted through the Local Board on May 18th.

FARMERS URGED TO USE SPECIAL CARE

IN HANDLING TOBACCO PLANTS—MOSAIC OR BLACK FRENCH READILY CARRIED FROM OLD TOBACCO TO YOUNG PLANTS.

Tobacco setting began on a limited scale in all sections of the county the past week, according to the County Agent's office.

Farmers in order to control disease are urged to use special care in the handling of their plants. Mosaic or black french is readily carried from old tobacco to the young plants by the hands. Hands of plants should wash hands thoroughly before touching plants to insure that no Mosaic virus or disease is carried from old tobacco.

Several of the cleaning agents like Span and Span and others containing tri sodium phosphate are excellent for disinfecting the hands. Growers who are attempting to produce a ton or more per acre are planning to use heavy applications of fertilizer. These heavy applications include from 10 to 15 loads of manure, 500 pounds of phosphate and 1000 pounds of complete fertilizer per acre. All fertilizers except 300 to 400 pounds of complete fertilizer besides the row are turned under or broadcast.

Hamilton School Will Erect Honor Roll Board

The Hamilton P. T. A. will erect an honor roll board in the school building it was announced this week. Persons knowing of anyone who has attended Hamilton school and now serving or having served in the armed forces are requested to enter their names for the board. Please call or write Mrs. Everett Jones or Mr. Reuben Kirby.

Lesson for June 3

Lesson subjects and Scripture texts are prepared by the Committee on Bible Lessons of the Council of Religious Education, used by permission.

BETWEEN THE TESTAMENTS

LESSON TEXT—Malachi 3:1-3, 14, 17; Luke 1:8, 2, 7, 78; Galatians 4:4, 5.
GOLDEN TEXT—In the way, the truth, and the life.—John 14:6.

Four hundred silent years—such is the period between the Old and the New Testaments. There was no voice from God during those years, and spiritual darkness prevailed largely in the land. But there were those who kept their lamp of faith in God brightly shining even in the darkness.

The political history of Israel during this time is partially known from secular sources. Palestine was successively under the rule of the Gentile powers until at the time of Jesus' birth they were under Roman domination.

Spiritually that age may well be described by the words used in II Timothy 3:5, "having the form of godliness but denying the power thereof," referring to the last days. There is much here that fits our day's decadent churchness.

I. Looking for the Lord (Mal. 3:1-3).
Although they had reached the state of spiritual pride and self-sufficiency where they talked back to God (see the "whereins" of 1:6, 7; 2:14, 17, etc.) Israel still talked about looking for the Lord to come. They knew from their prophets that He would one day come to judge their enemies, and they longed for that day; but they failed to see that it would be a day of judgment for them (v. 2, 3).

How much like those of our day who like to talk about the love of God, His mercy and His long-suffering, but who minimize or forget that He hates sin and demands holiness of life from His people.

The forerunner of Christ, John the Baptist, is in mind in verse 1, but the "messenger of the covenant" is doubtless the "angel of Jehovah," one of the Old Testament messengers for Lord Jesus (see John 8:56).

Christ is coming! Such is the message to Israel, and He will come as a refiner's fire. Christ has come! That is our message to men now, and He has come as a divider of men, a cleanser and refiner of hearts, that we, too, may be ready for that day of judgment which is to come when He appears again in all His glory.

II. Living for the Lord (Mal. 3:16, 17).
When others forgot or misrepresented the Lord, when they were content with a formal worship without the power of godly living, there were a faithful group who "spoke one to another" about the Lord. How exceedingly precious!

Notice that the Lord "hearkened and heard." He knows when His people so much as talk to one another about Him, and He notes it in His book of remembrance. When men are forgetting Him, He is remembering those who are true to Him. They are His precious jewels!

How vitally important Christian fellowship is in a dark and troubled day. Do not miss the joy and strength which will come into your life as you join others in God's house to speak of Him and to think "on His name." He has said, "I will have (that was true in Israel), but He is always and eternally enough."

III. Light from the Lord (Luke 1:8, 22, 77, 78).
The silence of the 400 years was broken, and the spiritual darkness which beclouded the land was pushed back. God, who had in the past spoken through the prophets, now spoke through the coming of His Son (Heb. 1:1-3). Being the Light of the world (John 8:12; 9:5; He shone forth with the "brightness of His glory."

Little wonder that godly Zacharias, the father of the forerunner John, sings, "Blessed be the Lord God of Israel, for he hath visited and redeemed his people" (v. 68).

He of whom all the prophets give witness, to whom every one of the sacrifices pointed forward, "the Saviour and Redeemer, has come to show forth God's mercy and to give, not only to Israel, but to all men, "the knowledge of salvation" and the remission of their sins.
The "dayspring" is at hand; a Light has shined forth into the darkness of men's hearts. Jesus the Christ, the Saviour, has come!IV. Liberty in the Lord (Gal. 4:4, 5).
Men who had been servants under the law became sons of God in Jesus Christ. Redemption sets a person free from the bondage of the law and brings him into the family of God as His child (Rom. 8:14-17).How does one become a child of God? By accepting God's only way of cleansing from sin (Heb. 9:11-14, 22)—the shed blood of Christ. Believing in Him and making confession of Him before the world (Rom. 10:9, 10), we are saved and have the right to call ourselves the sons of God (John 1:12, 13).
That blessed liberty in Christ is for you who read these lines, if you will but turn to Christ now! Will you do it?

They raised
the Flag again
on Corregidor...

Let's raise the money in the MIGHTY SEVENTH

OUR FLAG flies once again over Corregidor. The cost was great in blood and pain, but our fighting men did not turn back. And on two times, four thousand men—more and more—died to take the long step forward to victory. Twenty thousand others suffered wounds. Yes, we're on the way to Tokyo!

At home, your contribution to Victory is measured in dollars. The Seventh

War Loan is the biggest in America's history because seven billion dollars must be raised from individuals alone. That means you must buy more and bigger War Bonds.

This is really two great loans in one; for this time last year you had been called upon twice to subscribe in War Loans. As our fighting men raise Old Glory all over the world—let's raise the money back home!

WITH OUR BOYS IN THE SERVICE

Kenneth S. Shinkle, Ft. C. care Fleet Post Office, San Francisco, California, writes:

"First of all I want to thank you and the rest that make it possible for me to get the good old home paper. It is indeed a great help and serves to make up for all the letters that I don't get."

"It has been quite a while since I was in the States and in all my time over there I haven't seen one white woman. I guess that is our greatest miss, along with Mom's cooking and home."

"My first land to set my feet on

after twenty-one days at sea was Florida Island in the Solomons. I think then is when I realized that I was a long ways from home. We haven't seen too much as yet, but I won't start bragging."

"I am with a swell bunch of fellows, good officers and a very good ship, so I haven't any room to complain. She is a P. T. tender and I guess everyone has heard about the part those little hard-hitting boats are playing in this great struggle for freedom."

"We fellows, with people like those of Boone County behind us will do more than hold our own in any man's war. The end is in sight and we're sure it won't be long now before you all will be saying hello to those you said good bye."

"Again I want to thank you for The Recorder and take this opportunity to say hello to everyone back there. So long, good luck and I'll be seeing you."

The following poem was written by Robert G. Williamson, 81-1/2, 988-86-71, Rec. Station, Navy 3205 care Fleet Post Office, San Francisco, Calif.:

HAVE YOU EVER?

Have you ever sat through a picture show,

While rain seeped into your trousers, Joe?

Have you ever labored in mildew-drenched clothes

Or stepped on a lizard with your naked toes?

Have you ever stood till you thought you'd choke

In line for ice cream or a glass of coke,

Only to hear the familiar shout "We're sorry boys, but we've just run out."

Have you ever been in the South Pacific?

Have you ever wakened in chilling fright

To the awesome sounds of a jungle night?

Has your skin ever turned a yellow-green

From daily doses of Atabrine?

Has sweat ever dripped on your

writing pad,

While you penned a letter to your Mom and Dad?

Have you ever been tempted to moan and sob for a while,

At the fate of a land-based job?

Have you ever wished you could strip down bare,

And roll around in the snow back there?

If you don't think that would be terrific,

You've never been in the South Pacific.

Have you ever thrilled to the symphony

Of the gentle surf of an azure sea?

Have you ever sifted the coral sand

For the ocean jewels of this torrid land?

Have you ever watched the moonlight trace

Soft patterns of gold and lace?

Then you've never tasted the joys of porridge.

Of the fabled Isles of the South Pacific.

Have you ever stood on a jungle ridge

And yearned for the sight of the Brooklyn bridge?

Have you ever slashed through the tropic rains,

And dreamed of the sweep of the Texas plains?

Would you trade any of these fancied thrills

For a Sunday hike in the Berkshire hills?

Or a berry patch in the Carolines,

Or a hunter's shack in the North-ern Pines?

Then to be just a little more specific

You belong out here in the South Pacific.

We are in receipt of the following letter from Pfc. Edward Stephens 202 Engrs C. Bn., APO 403 care Postmaster, New York, N. Y.:

"I should have written you before and thanked you for The Recorder."

"I know you are tired of excuses so I won't try to make any."

"I think I have seen all the world over here except Berlin since I last wrote you. I have pulled mines, cleaned road blocks, filled craters and built houses. I also have seen some nice girls."

"I have noticed in the letters you have printed some of the fellows have mentioned the young women they have met. Maybe they have not been lucky enough to meet any nice girls. Well, I have. I have met nice girls in France, Luxembourg and Belgium and I do mean nice. I was in Paris two days on pass and it was almost like home. I say almost, for I miss my old friends."

"I read the letter where the fellow was telling his mother what to expect when he returns home. If a fellow from the States walks up and kisses your wife, don't hit him for it is a custom over here. You should see some of the red faces when an old woman kisses a group of men, or when she tells them to kiss her baby. If you hear one say wee, wee, don't get the wrong idea. It means yes, I would tell you when they do it, but the censor wouldn't let it go through."

"I would suggest that one week you would print the addresses of the fellows in the E. T. O., another in Italy and another C. B. I. I would like to have the addresses of the fellows that are close to me. Maybe I could look them up sometime."

"Tell everyone hello and thanks again for the paper."

ED. NOTE—We regret that we cannot publish the names you request, due to government orders. We have been requested by the government not to publish any address of a soldier overseas, stating in which theater of war he is located.

Chester Tinklenberg of the U. S. Navy writes:

"It has been quite a while since I have written you, but as you can probably guess I have been quite busy. A month ago today I got back on good ground for the first time in a year, and it sure was a swell feeling."

"As you have noticed, I presume, I am now in school at Norfolk and I will be here until April 14. Then I will go back to my ship the USS Hilary P. Jones."

"Since I have been in the States I have had a short leave and was

at home for a few days. I certainly was lucky because I happened to be out home while Bill was home and it was the first time I had seen him for quite a while."

"I received The Recorder pretty regularly while I was overseas and everytime it arrived I was sure happy to get it. If you would send my copy to my address here at school until the middle of April I would be very grateful."

"You're never better than a chance to say hello personally, will you ask my friends of Boone County to take this hello."

The following letter was received from J. D. Riddle, who is in the Aleutians, by his mother:

"Hello Mother,

"I have received several letters and the package for you since I last wrote. Thanks for everything. Sorry I have not written sooner, but I guess you are used to it by now. I am in the best of health, so there is no need to worry about me."

"I received a very nice letter from Bro. Hamilton this week and will try to write him as soon as possible."

"I am glad to know we are going to get a new church. I can't say a bit too soon either. Are they going to use the same location or will it be closer to Hebron. I think it would be nice if it was built just outside of Hebron going toward Covington, but I know the old-timers would never hear to that."

"You must have really had a winter at home this year. We have had a lot of snow also. It is 10 to 12 inches on the level, but some places it's drifted 20 feet. I've been up in the mountains skiing a few times. Yes I am trying to learn to ski. It's really a lot of fun. I don't think I'll get a kick out of a sled anymore as skiing is faster and more dangerous. Guess that is why I like it."

"We hear the latest news from the States and I'm happy to say it has been good recently, especially in the European theater."

"Jimmy Gutsweilers was up a few minutes before supper and brought an arm load of Cincinnati and Ky. Reds. Man, how I enjoy getting them. Each paper is like a 30-minute furlough."

"Mother I think I am through driving the 4-ton truck for a while at least. Tomorrow I start doing some welding. I have been at it for the last couple months."

"I do not get The Recorder now as I never did write and have my address changed."

"Take good care of yourself and Truman."

Ed. Note: His address is Pfc. John D. Riddle, APO 980, Co. A, Engrs. Con. Bn., care Postmaster, Seattle, Wash."

Pfc. Robert I. Gulley, USS North Carolina, Marine Detachment Box 7, care Fleet Post Office, San Francisco, Calif., writes:

"Received five of your papers yesterday, the first ones I've had since I left the States. I really did enjoy reading them very much, even if they were a few months old."

"I've been hearing that there's been a lot of ice and snow back there this winter and I can say it's far from that out here right now. It's plenty hot tonight and I should know for I'm standing by watch clock on the third deck tonight. I think it's going to get hotter, only in another way, for us before this is over. So far we've been pretty lucky and I hope it always will be this way."

"I've found out that I have some buddies out here close to me after all. I hear that Bob Sorrell is on the battleship Washington and Bill Jarrell is on the carrier U. S. S. Cowpens and both ships have been operating with us, so maybe someday I'll get to see them, I hope."

"I hope that you and the rest back there had a swell Christmas, but I understand it wasn't a white one. I think if we would have had a little snow it would have seemed like it, for we had plenty of good eats, turkey and all the trimmings. I guess a lot of the boys overseas didn't have what I had, so I guess I can't complain."

"I finally made my first stripe the 20th of December and I'm hoping it don't take as long to make the next one as it did the first."

"Well, Pete I can't think of any more to write. Of course there's a lot I'd like to tell, but I guess it will have to wait until I get back, so I guess I'd better go for this time, and thanks a million for your paper. It really helps. Give the rest my regards."

Chester J. Tinklenberg, FC3c, Fire Control NOB, Norfolk, Va., writes:

"For the past ten weeks I have been receiving my Recorder right on time, but now I will be leaving Norfolk, so if you will kindly send my Recorder to the same address I had before, in USA Hilary P. Jones RD 427, care Fleet Post Office, New York, N. Y."

"May I thank you again for The Recorder. I have really enjoyed having it and it has really meant a lot to me. Only one thing—I have missed the past two or three weeks is your 'With Our Boys in The Service' column. I usually like it, to keep up with where some of the other boys are located."

"Take care of yourself and hope I get to see you all before long."

200 Attend Butter And Cheese Demonstrations

Approximately 200 persons attended the seven butter and cottage cheese making demonstrations given in the County this month by Mary Louise Townsend, War Food Assistant.

The newest and easiest methods were explained and it was advised that sweet cream (35%) be churned at a temperature of from 52 to 58 degrees, that churning be stopped immediately after the butter had "come" before it had gathered so that it could be washed more effectively in the churn and that the butter not be overworked.

The danger of overheating clabber in making cottage cheese was pointed out, and the method of washing cheese was shown.

Pamphlets on both butter and cottage cheese making may be obtained from Mrs. Townsend or Miss Mary Hood Gillaspie.

LADY NEARLY CHOKED WHILE LYING IN BED—DUE TO STOMACH GAS

One lady said a few days ago that she used to be afraid to go to bed at night. She was swollen with stomach gas, which always got worse when she went to bed, and the gas would rise up in her throat after she lay down, and would nearly choke her. She couldn't lie flat. Had to prop herself up on pillows. Recently this lady got ERB-HELP and now says gas is gone, stomach feels fine, bowels are regular and she can go to bed and sleep soundly.

ERB-HELP contains 12 Great Herbs they cleanse bowels, clear gas from stomach, act on sluggish liver and kidneys. Miserable people soon feel different all over. So don't go on suffering! Get ERB-HELP. Elsmere Pharmacy, Dixie Highway.

Ninety-One Enrolled In Four-H Canning

Ninety-one 4-H Club members are enrolled in the canning project this year, and an opportunity will be given each club to sponsor a canning demonstration in its particular community.

The Grant club is having a canning demonstration, led by Mary Louise Townsend, War Food Assistant, Saturday afternoon, June 6 at the schoolhouse. The public is invited to attend and present canning problems. These will be discussed, and the newest canning methods advised by the University of Kentucky will be explained.

This year is more important than ever that home canning be done. Demands from the Armed Forces and the liberated countries will consume the greater part of all commercial fruits and vegetables. Civilians will have to can for themselves.

Four-H members may still enroll in the canning project if they wish by getting in touch with Miss Mary Hood Gillaspie.

Any community or club wishing a canning demonstration should see Mrs. Townsend, and arrangements will be made.

At each of these meetings an opportunity will be given to have gauges of pressure canners checked for accuracy against a Master gauge. Bring the whole top of the canner, but have the gauge loosened for easy removal.

1029 Farmers Participate In 1944 Farm Program

A summary of the soil-building practices carried out in the 1944 Agricultural Conservation Program showed that 1029 farms participated for payment out of a total of 1363 listed in the county, according to John E. Crigler, Secretary of the Boone County Agricultural Conservation Association.

The value of the soil-building practices carried out was \$42,290.59. It is estimated that \$71,592.00 of this amount was earned as a part of the soil-building allowances. The balance was carried out in excess of the soil-building allowance. Eight thousand nine hundred seventy-three tons of limestone was reported for payment, and 510 tons of phosphate reported used on grass and clover crops. A total of 4,459 acres of small grain cover crop was reported, and 5,286 acres of grass and clover crops were reported seeded.

Two new practices were approved for payment in the 1944 program. They were the mowing of weeds in pastures and stock water development. 9,076 acres of pastures were mowed for weed control and 39 ponds were approved for payment.

COW AND CALF PLAN

Cows being used in the Kentucky cow-and-calf plan, that is for the production of heavy milk-fat calves for slaughter at weaning time, should be bred in early spring, says a statement sent out by the College of Agriculture at Lexington. Calves born in December, January and February reach heavier weights and have more finish when sold at the end of the pasture season in late October or early November.

Winter calving has another advantage, it is stated. Cows freshening then do not flood their young calves with milk. By the time the calf is old enough to take more milk, spring pasture is available to stimulate the cow's milk flow.

In Metcalfe county, 4-H club members are raising about 2,000 chicks, and have built more than 40 lantern brooders.

Mrs. Mary Humphrey, primary teacher of Walton and Verona school has accepted a position with

the Western Union Telegraph Co. in Cincinnati for the summer months and will make her home in Florence.

Miss Catherine Marie Cain, of Florence and John Boles, of Burlington surprised their many friends here when they were quietly married last week. We wish for them much happiness.

Mrs. Fannie Uts spent last Sunday with Mrs. Ella Anderson and Mrs. Clara Sorrell of Lexington. Rev. A. A. Hoffman, of Lexington, N. Y., spent the week-end with his family and mother.

Friends of Mrs. Clara Tanner regret to learn she had the misfortune to cut her hand severely. Several stitches were required to close the wound.

Mrs. R. L. Day of Francisville spent a few days with her brother, W. L. Stephens and wife.

Mrs. Carl Middendorf and son have moved into rooms at the residence of T. B. Castleman, vacated by Raymond Gross and family.

Mrs. Bessie Knox and daughter Ruby, of Walton spent the week-end with Mr. and Mrs. Lute Bradford.

A number from here attended the funeral of Robert Moore, which was held at Big Bone Church.

Ben Zimmer has purchased the property in Florence on the corner vacated by Kroger.

Mrs. Laura Vaughn left Saturday for Detroit to visit relatives.

Mrs. Clarence Fossett has for her house guest Mr. and Mrs. John Fossett, of Alabama. Mrs. Fossett is under the care of a specialist in Cincinnati, having been in poor health for several months. Her many friends wish for her a speedy recovery.

Mrs. Maggie Clarkson spent Saturday afternoon in Florence on business.

Dr. Thomas G. Lutes has removed his office to 227 Dixie Highway, Florence. Office hours by appointment.

Dad Clutterbuck remains on the sick list.

He can't ask you now!

... He's an American hero. After fighting bloody battles in the Pacific, he was home on leave two years ago.

... You may remember seeing his picture. His name is John Basilone, Marine Gunner Sergeant. He traveled all over America, urging every American to buy more bonds.

... He said: "You don't know—you can't know—how much it means to the boys out there when they hear the folks back home have just put another War Bond Drive over the top."

... They gave him the Congressional Medal of Honor and offered him a commission. He didn't want it. "I'm a plain soldier," he said. "I want to stay one."

... Well, he stayed a plain Marine—like Joe and Bill and the fellows down the street. He can't ask you to buy bigger bonds during the Seventh. He was killed a few weeks ago on Iwo, just after he had led his assault team to the edge of an airfield we needed desperately.

... We can't let him and all our other fighting heroes down. Remember, last year we had two War Loan Drives by this time.

The Seventh is our personal call to arms—two drives in one. That's why our quota is large.

... We must meet it—we will meet it—for the hero of Iwo—for Victory—for pride in America.

TOO LATE TODAY--

of course—Certainly tomorrow, have "PORTRAITS BY STEVENS". Get them in \$10, \$25, miniature or wallet size. Should you distribute them on Father's Day, June 17, it would be a graceful act.

Miniature and wallets are most beautiful sealed in plastic. This process gives life-long permanency to any treasured picture or document, 3 1/2 x 4 1/4 or less.

Father will like these plastics for his wallet or mantle.

Local Student Wins Certificate of Merit

John Day, age 17, who graduated May 2 from the Burlington High School won honorable mention a program entered into by 14,491 pupils from 3,711 schools throughout the United States, according to an announcement made by Lawrence Rodamer, principal of Burlington High School. All entrants were given a test on April 16, prepared and scored by the College Entrance Examination Board. The unique feature of the program is that before a pupil could take the test he had to be elected by his classmates as being among the top five per cent of the class most likely to succeed. In this way, the winners are selected both by the test and by their classmates. No fees, premiums or charges are made to the students or schools for entering the program or taking the test. The winners have no obligations to the Pepsi-Cola Company which financed the entire program as a public service.

Two winners were selected for each state. Runners-up for the Scholarships are being awarded certificates of merit in recognition of their distinguished performance. Miss Day, daughter of Mr. and Mrs. Dawson Day was valedictorian of Burlington class of '45, and has been an outstanding student in many activities.

The scholarships for which the students were competing cover full tuition for four years at any college of the pupils' choice, plus \$25 per month to help defray living expenses, together with the payment of certain required fees and a travel allowance.

Local Boy Graduates From Army Tank School

Fort Knox, Ky.—Another class of skilled tank mechanics, trained to keep the big General Sherman and their little brothers, the light tanks, roaring into combat, have been graduated today from the Armored School Tank Department.

Among the graduates was Fred G. Craddock, son of Mr. and Mrs. Tom Craddock, near Burlington.

During their training in the Tank Department the soldier students worked with the same tools issued to field crews and under the same conditions they are likely to encounter in the field. They studied the mechanism of the various tanks, from track to turret, tearing them down to learn how to keep them moving in combat.

The Armored School, one of the largest technical institutions in the world, is commanded by Brig. Gen. F. M. Robinson. It graduates many times more students each year than the average civilian university or college.

Union Corporal Is Battery Mechanic For Army In France

With U. S. Supply Forces in France—Corporal W. I. Craddock, of Union, Kentucky, is now serving with the 622nd Ordnance Company, Automotive Maintenance Company in Eastern France as a battery repair man.

His duties require the rebuilding of batteries that have been damaged, and recharging those that have been run down. He also does minor electrical repair jobs on vehicles.

He entered the service on April 3, 1944, and took his basic training at Camp Rucker, Alabama. He was attached with a Military Police Battalion for two months in England before arriving in France in February, 1945.

Cpl. Craddock attended the New Haven High School in Union and worked on aircraft engines in civilian life. His brother, Private Robert Craddock, is with the 5th Marine Division in the South Pacific.

His wife resides in Union.

Taylorsport Man Taking Special Course

Fort Sill, Okla.—Sergeant Ralph O. Fugate, Taylorsport, Kentucky has been selected to attend the Enlisted Sound Ranging Course of the Field Artillery School at this post.

Sergeant Fugate is the son of Mr. and Mrs. Oscar Fugate, Taylorsport.

Enlisted men and officers are constantly returning to the nation's only field artillery school for instruction in the latest artillery tactics and techniques.

The accuracy and effect with which artillery fire has been delivered on the enemy by our troops overseas reflects the value of this training.

CARD OF THANKS

We wish to take this opportunity to express our thanks and appreciation to all those who showed acts of kindness during our bereavement in the loss of our husband and father. Especially do we thank the Big Bone Church choir for the songs; Mrs. Sallie Moore, Harry Jones and Mrs. Reuben Asbury for the special music; Bro. Johnson for his consoling words; listed Chambers and Grubbs for the lovely service rendered. 1tp

FLORENCE MAN HELD ON SHOOTING CHARGE

GEORGE NEWTON ARRESTED IN CINCINNATI FRIDAY, FOLLOWING ALL-NIGHT SEARCH BY OFFICIALS.

George Newton, Florence mechanic, was arrested in Cincinnati Friday after Boone County Sheriff Irvin Rouse, and a large group of citizens had searched for him throughout the night.

Charged with shooting to kill, Newton is being held without bond in Boone County Jail, Newton is being held on a warrant signed by Irvin Rouse, who said he was in the crowd that Newton shot at Thursday night. A second warrant was signed by Edgar Kincer, father of the wounded youth, charging a similar offense.

Incidents leading to the shooting according to Edgar Kincer, Gene Brown and John Mace. They said that Newton left the garage Thursday morning to "get a part" for the auto of Melvin McManus, which the latter had left there for a checkup. It was not until early evening that Newton returned with the auto, and he had been "drinking," they related.

McManus, who had been waiting for his car, is said to have asked Brown to back it out of the garage. At this point, Newton asserted that he would drive the vehicle outside. Brown replied, "I'll back it out" and stepped into the driver's seat. Newton is said to have then drawn a knife and reached into the auto after Brown. The latter scooted out the right side. He grabbed a screwdriver as Newton came around the car.

In the fight both men went down. Brown managed to get back on his feet and flee, with Newton close behind, stabbing at him.

Melvin Ball, 17, of Baymiller St., Cincinnati, who had come before during the incident showed Newton away from young Brown, ran after him and seized him by the shoulder. At that time Newton was "really close upon me," Brown said. Ball's efforts brought Newton to the pavement. With this, Brown picked up an object, which he says was "a piece of concrete or something" and threw it at Newton. He picked up a lug wrench in event of further attack.

The enraged mechanic jumped to his feet and started toward his home remarking, "wait until I get back, I'll fix you," according to Brown.

Mr. Mace said he saw Newton returning and started toward him in an effort to persuade him against further action. But, Newton turned into nearby yards, and walked behind Conner's Drug Store to the yards of A. M. Yealey, two doors away.

Meanwhile, the elder Kincer expressed his intention to go for authorities, but he was successfully urged him not to, saying, "he might shoot you." Gene Brown also started for officials, but Mr. Kincer persuaded him not to. Mr. Mace telephoned Deputy Sheriff Rouse and was talking with him when he heard the rifle fire.

Young Kincer was walking along the sidewalk when Newton fired from about 85 to 90 yards away. Kincer collapsed to the sidewalk. Two soldiers from the new airport carried him to his father's auto, in which he was removed to the hospital.

Gene Brown said that upon learning that Newton was returning with a gun, he and Melvin Ball walked up a runway to a second floor section of the garage. When the rifle shot sounded, both men jumped from a rear window.

Mr. Kincer and Gene Brown have operated the garage since May 8. They said Newton had not given them any previous trouble. Approximately 15 Florence residents joined in the posse.

Following Newton's arrest, Mel Fernberg, operator of a cafe at Third and Sycamore streets, turned over to police a .22 caliber rifle which he said Newton left in the cafe. When arrested Newton had seventeen .22 caliber shells in his possession.

St. Elizabeth Hospital attaches described the Kincer youth's condition as remaining serious Saturday but said physicians believe he will recover. He was shot in the abdomen.

FEDERAL TAX STAMPS OFFERED

BEGINNING JUNE 9TH-AUTOMOBILE OWNERS MUST DISPLAY TAX STAMPS JULY 1-WILL BE SOLD AT POST OFFICES.

Joseph D. Nunan, Jr., Commissioner of Internal Revenue, announced today that the new \$500 Automobile Use Tax stamps will be placed on sale in all post offices and offices of collectors of internal revenue on Saturday, June 9, 1945. The law requires the owner of every motor vehicle which is used upon the highways to buy this stamp and to display it on the vehicle beginning July 1, 1945.

The law provides both cash and all penalties for failure to pay this tax. To protect themselves against unnecessary penalties, Commissioner Nunan advised owners of motor vehicles not to be misled by false rumors alleging that this tax has been repealed.

The stamps will be sold over the counter at all post offices and offices of internal revenue collectors. In addition, collectors of internal revenue will fill mail orders when accompanied by cash, money orders or certified checks. Personal checks cannot be accepted for the purchase of revenue stamps.

The law requires that the stamp be prominently displayed on the motor vehicle on and after July 1, 1945. Where possible, the stamp should be placed on the windshield as recommended by the proper officials of each state.

Motorists will find that the stamps usually stick better if they dampen the windshield instead of the stamp. They should avoid repeated dampening of the stamp. Motorists who desire to do so may reinforce the stamp with adhesive tape or similar aids.

To protect themselves against loss or theft, Commissioner Nunan advised motorists to keep a separate record of the serial number which appears on each stamp. Motorists also are asked to write on the back of the stamp the make, model, serial number and state license number of the vehicle.

Send Names To Committee

The Honor Board Committee of Union wants families with members in the service to please send the names to Mrs. Walter Ferguson, Union Ky. This includes Union proper, and surrounding communities. Any donation will be gratefully received.

SOLDIER SEEKS RE-ELECTION

NOEL WALTON, NOW IN THE ARMY OF THE UNITED STATES FILES FOR COUNTY SURVEYOR.

Noel Gaines Walton, incumbent County Surveyor, who is at present a soldier in the Corps of Engineers, Army Service Forces, has filed his notice of declaration for re-election to the office of County Surveyor. He has transmitted the following statement to us for publication:

Engineer Training Section Army Service Forces Fort Lewis, Washington May 24, 1945.

"To the People of Boone County: I have filed my declaration for reelection to the office of County Surveyor of Boone County and wish to take this opportunity to ask for your support. Being in the army of the United States I shall not have the opportunity to call upon any of you personally, but must devote my time to the duties of a soldier.

"So I am asking that you elect me in my absence to the office that I now hold, so that when the Army sees fit to release me to civilian life, I can return to my family in Boone County, and to serving you again as your County Surveyor.

"Respectfully
NOEL GAINES WALTON,
U. S. A."

Florence Youth Wins Scout Award

Eagle Scout John Martin of Troop 1, Florence, Ky., was one of 40 senior Scouts throughout the country, who was chosen by a national committee to attend the service unit at the Philmont Scout Ranch, Cimarron, N. M., Scout Executive Willard A. Friend announced. Martin, a member of the Explorer Scouts, has been a Scout for the past four and a half years, serving as camp leader at Camp Frieland and taking an active part in all community service. He will remain at the 125,000-acre national Scout camp until September 1.

He was the first boy in Boone County to be granted the rank of Eagle Scout by the National Council Boy Scouts of America. He is the son of Mr. and Mrs. John Martin, Burlington Road, Florence, Ky.

Harve Baker is the Scout Master of Troop 1 Florence, and the troop is sponsored by the Florence Rotary Club.

FLORENCE SCOUT HONORED

John Martin

TRACTOR OWNERS GIVEN WARNING

TRACTORS WITH LUGS SHOULD NOT BE DRIVEN ON BLACKTOP ROADS-MUCH DAMAGE REPORTED FROM PRACTICE.

Considerable damage has been caused to the blacktop roads of Boone County by the operation of iron wheel tractors with lugs over roads, making it necessary for the Boone County Road Department to spend much time and money in repairing this damage.

It is hereby ordered that all tractors with iron wheels and lugs be kept off the blacktop roads.

The Boone County Road Department cites Section 189-190 of the Kentucky Revised Statutes which prohibits the use of iron wheel tractors with lugs or chains on blacktop roads.

Your cooperation in this matter will be greatly appreciated, as a great deal of damage has already been caused.

Heber Becker

Heber "Doc" Becker died unexpectedly Wednesday at his home Hopeful Stock Farm, near Florence. Hubert White, Boone County Coroner, said death was due to a heart attack.

Mr. Becker, who was 64 years old, was known as a breeder of fine horses. He also was a salesman for the Becker Chemical Co., Cincinnati, and had traveled extensively over the United States.

When in Omaha, Neb., he joined the Eagle Aerie No. 38 and has always kept up his dues there.

He is survived by two daughters, Mrs. Lee Fraher, Fort Leonard, Mo., and Mrs. Annabel Shrack, Muncie, Ind., and two sisters, Miss Sarah Pearl Becker and Miss Floyd Becker, both of Florence.

Funeral services were held at the Tharp & Stith funeral home; Florence, Friday afternoon at 3 o'clock. Burial was in Hopeful Cemetery. Tharp & Stith were in charge of arrangements.

Cpl. David A. Lucas Now Stationed in Austria

Cpl. David A. Lucas is now stationed in Austria, after serving in England, France, Belgium, and Germany.

He wrote his father and mother, Rev. and Mrs. Noble Lucas a most cheerful and inspiring letter saying how that war in Europe is over and he is enjoying the wonderful scenery of the Tyrolean Alps.

FARM HELP NEEDED SAYS WILL SMITH

EMERGENCY JOBS COULD BE RELIEVED BY DAY OR WEEK HELP-TENANT JOBS AVAILABLE.

Boone County farmers need a number of men to help plant and harvest crops now, according to Will Smith, County Farm Labor Assistant. There are a few emergency jobs that day or week help is badly needed. There are also month jobs and good tenant jobs available.

All persons who may be interested in farm work are urged to contact the County Agent's office in Burlington.

Custom operators are now able to fill all requests from farmers for sheep shearing. Farmers who want sheep sheared should notify either the operators or the County office.

The Post adopted the following resolutions to be presented at the Sixth District Convention at Latonia, June 17, 1945:

"WHEREAS it will be necessary for the Federal Government to establish and construct Veterans Hospitals to care for the sick and wounded of the present World conflict, and

"WHEREAS Northern Kentucky is one of the thickly populated sections of this State and will have a large number of returned Veterans needing hospital care, and

"WHEREAS Northern Kentucky is well located with all of the necessary utilities, bus lines, railroads and air lines,

"THEREFORE BE IT RESOLVED that Boone Post No. 4, American Legion of Kentucky, does hereby recommend that the Federal Government erect a Veterans Hospital in Northern Kentucky, and that this resolution be presented at the Sixth District Convention of the American Legion of Kentucky on June 17th, 1945.

"Resolution adopted by Boone Post No. 4, American Legion of Kentucky. C. E. Anderson, Post Commander. Attested: C. G. Kelly, Adjutant. Another resolution passed by the Post follows:

"WHEREAS the Armies of the United States have taken into their possession much gold and money found hidden by the leaders of Germany, and

"WHEREAS Germany owes to the United States of America large debts existing since World War I, which the said Germany failed and refused to pay,

"THEREFORE BE IT RESOLVED by Boone Post No. 4, American Legion of Kentucky that the United States Government attach said gold and money now in their possession and apply same to the debts that Germany owes to the United States.

"Resolution adopted by Boone Post No. 4, American Legion of Kentucky this 7th day of May 1945. C. E. Anderson, Post Commander. Attested: C. G. Kelly, Adjutant.

The Post now has a membership of fifty-one. Of this number several are veterans of World War II. The Post cordially invites all honorably discharged veterans, especially those of World War II to become members of the Legion. Boone Post No. 4, which meets at Burlington courthouse, this Monday night of each month at 8:00.

The Legion is prepared to assist all veterans in every way possible in matters regarding their service records. For the better of yourself, your Post your Country—join your Legion Post!

Wool Clip Will Be Offered June 11th

The Boone County pooled wool clip will be offered for sale Monday, June 11th at the Dixie State Bank in Burlington between the hours of 1:00 p. m. and 3:00 p. m. Central Standard Time.

According to H. E. White, president of the county pool, the wool crop this year is expected to be the smallest in many years. Sheep numbers in the county and in the State have shown a marked drop the past two years. Growers expect to receive about the same price per pound for their wool as they received last year.

COCCIDIOSIS IS REPORTED

TO HAVE APPEARED IN POULTRY FLOCKS THROUGHOUT COUNTY-CONTROL OF DISEASE EXPLAINED.

Coccidiosis, the most destructive disease of growing chicks made widespread appearance in the county the past week according to the County Agent's office. The recent cloudy wet weather has been ideal for the spread of the disease.

There is no known medicine that will cure the disease, according to the College of Agriculture. The following control measures are recommended:

1. As soon as coccidiosis appears confine the chicks to the brooder house and sunporch.

2. Dry clean the brooder house each morning by scraping and sweeping. Do not use water or disinfectant. Cleaning can be done more quickly if a small amount of lye is used.

3. Keep feed and water containers clean.

4. Daily cleaning should continue until symptoms of coccidiosis disappear, usually 5 to 10 days.

5. If the chicks appear cold, supply more heat.

6. The use of milk in any form is of value as an addition to the regular feed. Keep liquid milk before the chicks instead of water for 5 to 10 days. Sweet or sour milk may be used. Do not change from one to the other. Dried milk may be used at the rate of 4 pounds to each 6 pounds of mash. Feed for two days, skip two days, and feed for two days. A commercial flushing mash may be used. No other changes in feeding are recommended.

Clean ground and houses for brooders are essential in preventing the disease to get started. Leaflet 30 on Coccidiosis is available on request at the County Agent's office.

Brother Of Mrs. Warner Carder Killed

Mrs. Warner Carder of Price Pike, Erlanger, has received word that her brother Pvt. Leslie M. Carder was reported killed in Germany May 16th. Pvt. Smith was with the 7th army in the tank battalion.

He was sent to France in January 1945 and into Germany the latter part of March.

Pvt. Smith was a Warren County boy, residing at Bowling Green, Ky. He leaves a wife, Mrs. Lattie Smith and a 3-year-old daughter Betty Sue Smith, two sisters, Mrs. Nora Nealy, Alvaton, Ky., R. 2, and Mrs. Warner Carder, Erlanger, R. 4, and his father James M. Smith, Bowling Green, Ky., to mourn his passing.

PROGRESS MADE IN LOCKER SIGN-UP

SEVERAL NAMES ADDED TO LIST DURING PAST WEEK-INTERESTED PERSONS URGED TO SIGN IMMEDIATELY.

Progress is being made in the locker plant sign-up, according to D. H. Norris, Chairman of the sign-up committee. He reports that several persons have added their names to the sign-up list during the past week.

Many sections of the Burlington territory have not been worked as yet, Mr. Norris stated. However, an effort will be made in the near future to contact every prospective subscriber in order that the list will be completed, in order that work on priorities can be started.

Persons who desire a locker in the proposed project are requested to contact some member of the committee, sign an application, and deposit their check for the amount of the locker they desire. No person can be counted as a signer until he, or she signs a contract and deposit their check.

Rental on lockers will be \$15.00 for drawer type and \$12.50 for door type. The contract does not go into effect until the plant is constructed and open for operation. This amount pays one year's rent on your box from the date of opening.

Mr. Norris stated that the sign-up is over the hump and now on the down grade. Every signer now will bring us closer to realization of having a locker plant for Burlington. Don't delay—sign up today.

115 Enrolled In Daily Vacation Bible School

The Daily Vacation Bible School now in progress at the Burlington Baptist Church, is proving to be one of the best held to date. One hundred fifteen young people are enrolled with an average attendance of 100, with fifteen workers in charge.

Friday night of this week, commencement exercises will be held at the church at 8 p. m. Everyone is cordially invited to attend and see the work that the children and young people have completed.

BLUE MOLD HITS TOBACCO BEDS

IN ALL SECTIONS OF COUNTY—GREATEST DAMAGE EVER RECORDED IN COUNTY, SAYS COUNTY AGENT.

Blue Mold hit tobacco beds in all sections of the county the past week, according to H. R. Furker, County Agent. The damage to beds is the greatest ever recorded in the county and may prove severe enough to prevent many growers getting their crops planted.

Blue Mold is a plant bed disease and plants not too badly affected should be set immediately. The disease will disappear in the field.

Three specific recommendations most practical for the farmer are given by Dr. W. D. Valleau of the College of Agriculture. They are:

1. Remove the canes to touch up the plants. Judgement must be used as to under what conditions the canes should be put back on the bed.

2. Set all plants of sufficient size at the earliest possible date.

3. Nitrate the beds where plants are too small or are left for replanting. Use 10 pounds of nitrate of soda for a 250 foot bed 2 feet wide. Dissolve the nitrate in 50 gallons of water and wash off with 50 additional gallons of water.

Warm weather greatly aids the control. Continued cloudy weather, especially if accompanied by winds favor the development and spread of the disease.

IMPROVED UNIFORM INTERNATIONAL SUNDAY SCHOOL LESSON

By HAROLD L. LUNDQUIST, D. D.
Of the Moody Bible Institute of Chicago.
Released by Western Newspaper Union.

Lesson for June 10

Lesson subjects and Scripture texts selected and copyrighted by International Bible Society. Education. Used by permission.

THE MINISTRY OF JESUS

LESSON TEXT—Mark 1:14, 15; Luke 4:18-21; Mark 8:27-31.
GOLDEN TEXT—I am come that they might have life, and that more might have it more abundantly.—John 10:10.

The dawn of a new day had come! The long-promised and expected Messiah came to break the 400 years of silence by His personal presence. We learn of His coming, His life and ministry, His death and resurrection, and find the promise of His coming again in the four Gospels. They are our complete lesson for this Sunday, but we obviously cannot review them in their entirety in our limited space.

Our Scripture references speak of His ministry in presenting the good news of the gospel to needy mankind.

I. The Good News Preached (Mark 1:14, 15).

Jesus, the honored preaching as the primary and the effective means of spreading the good news of the gospel.

The forerunner, John the Baptist, had come. Jesus had come, and as John was cast into prison, He began to preach, "Repent ye and believe the gospel." The key verse of Mark is 10:45: "For even the Son of Man came not to be ministered unto, but to minister." The characteristic words are "straightaway," "forthwith," and "immediately." The Greek word thus translated appears about forty times in the book. The Servant of God went quickly about the Father's business. Christians, can we say the same for ourselves?

II. The Good News Practiced (Luke 4:18-21).

The daily ministry of Jesus as He lived here on earth is summarized in the prophecy of His coming which was given by Isaiah the prophet. As we read these words, we realize that we who profess to follow Him need to learn more of His spirit of tender and loving service to others.

It is significant and appropriate that Jesus' declaration of Himself as the fulfillment of Isaiah 61:1, 2 was made in the synagogue on the Sabbath day. He met with the people in the house and at the time set apart for God's worship. He opposed spiritual deadness, the misinterpretation of the truth, the distortion of religious principles; but He was not, as some would have us believe, a religious free lance who despised the established worship of His people.

Having been prepared by the thirty years of privacy, and more particularly by the baptism and the temptation in the wilderness, He appeared at the synagogue in Nazareth to declare Himself as the fulfillment of prophecy.

Those who teach that Jesus was only a young Jewish teacher with a new philosophy of life have evidently not read the Scriptures. He knew Himself to be God's Son come into the world to bring the good news of salvation by His own blood to poor, sin-captive, blinded and bruised humanity. He is the Saviour.

III. The Good News Prepared (Mark 8:27a, 29, 31).

Jesus preached the gospel of the kingdom. He went about doing good, but always He knew Himself to be the Christ, the One who was to die for the sins of the world and to arise again for the justification of those who put their trust in Him. Even those who deny to our Christ the recognition of His deity, and the devotion of life which is His just due, must, if they are at all intelligent, admit that no man ever lived who has made such an impact on human history. Even now, unbelieving men speak of Him as the founder of Christianity, a mighty leader, a wonderful example, or an unequalled teacher.

It is not enough that we stand with the mass of humanity who may thus admire Him, but who do not count Him as Saviour and Lord. The question comes to us as it did to the disciples, "Whom say ye that I am?" "Thou art the Christ"—this alone suffices as the foundation for Christian testimony and conduct.

Although Jesus was not yet ready to have His Messiahship claimed to the public, He was prepared to teach His disciples concerning not only that important truth, but of His rejection and death.

**They're giving their all . . .
back them up with YOUR dollars!**

AS THE battle lines approach the
heart of the enemy's homeland, the
fighting grows fiercer . . . and more
costly in men, material, and money.
That's one reason why every red-
blooded American must back this mighty
7th War Loan with every dollar he can
lay hands on. Another reason is that
this is really two drives in one. In the
same period last year, you were asked

to invest in two war loans, as against
one this time.

No need to tell you that War Bonds
are the safest and best investment in the
world. So pour out your might, Ameri-
cans, in the MIGHTY 7th War Loan.
Let's show our valiant Fighting Men
that we're backing them to the limit of
our means . . . 100%.

VERONA

Much tobacco has been set and many tobacco plants have been secured by Mrs. Ed Thompson. Mrs. W. E. McCormick is still in Lexington with her mother. We are hoping she will soon be able to return to her home.

Mrs. Ed Thompson remains ill at the home of her daughter, Mrs. J. L. Hamilton. The following relatives and friends have visited her this past week: Mrs. Ed Thompson, Harvey Whitson and William Whitson of Detroit and her niece Kathryn Thompson. Mrs. Vernice Webster has been staying with Mrs. Hamilton to help care for her mother, Mrs. Whitson. Miss Gordon, her former nurse promises to return soon to help care for her. Mrs. Arch Noel remains in St. Elizabeth Hospital, but hopes to return home soon.

Mrs. Harvey McClure and two small daughters are spending a few days with Mrs. Gilbert Brewster and family. The Daily Vacation Bible School opens Monday, June 11. It is hoped that all children in this community will avail themselves of the opportunity to study the Bible for a few hours every morning. The opening hour has been announced as 10 o'clock.

Mrs. Price Baird was in Verona Decoration Day. Mrs. John Boyer, John C. Kandy and Hannah Chapman were in Covington, Saturday shopping.

Robt. Porter and his father, G. E. Porter were at Will Waller's Friday, shearing sheep. Rev. and Mrs. A. Childers have returned from their vacation and will be in Verona this summer. We are glad to welcome them into our community.

Returns To Camp

T. M. 2/c Robert William Grant returned May 25th to his home in California, for further assignment. He recently spent a week here visiting his parents and many friends.

Having been home on Mother's Day a family reunion was held at Mr. and Mrs. Robert E. Grant's in his honor. Those present were, Mr. and Mrs. Barrott Grant, Barrott Grant, Jr., Robert Thomas Grant, Mr. and Mrs. Howell Hendley, Nell to Hendley, Mrs. Ralph Montgomery, Billy, Wayne Robert Montgomery, Bill Rogers and Ella Jean Rogers and T. M. 2/c Robert William Grant. Callers in the afternoon were Mr. and Mrs. Kirtley McWhay and children, of Union.

Mrs. Minnie D. Hoffman

Services for Mrs. Minnie Dickson Hoffman, who died Thursday at the home of her daughter, Mrs. L. S. Frakes, Nicholson, after a short illness were conducted Saturday at 2 p. m. at the Independence Baptist Church with Rev. T. C. Crum officiating. Burial was in Independence Cemetery.

Surviving Mrs. Hoffman besides Mrs. Frakes, are her husband, Wm. T. Hoffman, 1 son, W. B. Hoffman, Covington; 4 daughters, Mrs. W. C. Foster, Lanette, Ala.; Mrs. J. H. Hogrefe, Ambridge, Pa.; Mrs. E. C. Guttridge, Morning View, and Mrs. H. W. Stephens, Covington. Chambers and Grubbs, Walton funeral directors were in charge of funeral arrangements.

Mrs. M. L. Crutcher returned home last week from a visit with Mrs. Kittie Cribb, of Brownstown, Ind.

Twilight Wedding

A very pretty twilight wedding was solemnized Saturday evening, May 10 at the Christian Union Church on Holman Ridge, when Miss Kathleen Dameron, only daughter of Mr. and Mrs. Jesse L. Dameron, Aurora, 2, and niece of Mrs. Ernest Hartman, Walton, with whom she spent much time, became the bride of Mr. Roger Harold Meyer, eldest son of Mr. and Mrs. A. P. Meyer of Moores Hill.

At seven thirty the pianist, Mrs. Lee Pastner played some bridal music and the Rev. L. R. Morlen took his place before the altar which was beautiful with twin candelabras, spring flowers and ferns. A candle was in each window of the church. Preceding the ceremony Miss Annette Griffin sang "I Love You Truly" and Mrs. Rose Marie Steele sang "O Promise Me".

As the strains of the Lohengrin were heard the groom with his attendant, Mr. Preston Bloom, a high school classmate entered and took their places before the altar. Miss Frances Baer, classmate of the bride entered and the bride entered on the arm of her father. Rev. Morlen read the double ring ceremony.

The bride was lovely in a white tulle floor-length dress with Juliet hat and shoulder veil, and carried a colonial bouquet of white roses. Her only ornament was a three-strand of pearls, gift of the groom. Her attendant wore a light blue floor-length dress and carried a pink rosebud bouquet. The groom and attendant wore dark suits, they with the ushers, Harold and Stanley Dameron, brothers of the bride wore white rosebud boutonnieres.

The happy couple received congratulations in the vestibule of the church, then the bride party went to the home of the groom's parents

where they received congratulations and many lovely and useful gifts. They spent the evening at Lake Edward and then went to their apartment at 208 Fifth St. Aurora, which had been previously furnished.

The bride is a graduate of Moores Hill High School, class of 1944 and attended Miller's Business College in Cincinnati. She is employed in the office at Old Quaker. The groom is a graduate of Moores Hill High School, class of 1937 and took a secretarial course in the Y. M. C. A. Business School in Cincinnati, and is now employed by the Aurora Branch of the Indiana State Highway Commission.

Bowel Cleaning Power Of Erb-Help Medicine

One man recently took ERB-HELP three days and said afterward that he never would have believed his body contained so much filthy substance. He says his stomach, intestines, bowels and whole system were so thoroughly cleansed that his constant headaches came to an end, several phlegmy skin eruptions on his face dried up overnight, and even the rheumatic pains in his knee disappeared. "At present he is an altogether different man, feeling fine in every way."

ERB-HELP contains 12 Great Herbs; they cleanse bowels, clear the system, and remove all poisons from stomach, act on sluggish liver and kidneys. Miserable people soon feel different all over. So don't go on suffering! Get ERB-HELP. Elsmere Pharmacy, Dixie Highway. Adv.

Receives Training At Great Lakes, Ill.

Edward Robert Osborn, 18, son of Edward and Mrs. Minnie M. Osborn, Route 44, Florence, Ky., is receiving his initial Naval indoctrination at the U. S. Naval Training Center, Great Lakes, Ill.

His recruit training consists of instruction in seamanship, military drill and general Naval procedure. During this period a series of aptitude tests will be taken by the recruit to determine whether he will be assigned to a Naval Service School, to a shore station or to immediate duty at sea.

When his recruit training is completed, the seaman will receive a period of leave.

Burlington Boy Assigned To Destroyer

William Frederick Kruse, 20, boatswain's mate, second class, USNR, of Burlington, Ky., has arrived at the Naval Training Station, Norfolk, Va., to train for duties aboard a new destroyer, of the Atlantic Fleet.

He wears ribbons for the American Area and the European-African-Middle Eastern Theater with four stars.

He is the son of Mr. and Mrs. William Kruse, of Burlington. Before enlisting, he was employed by the Blue & Grey Trucking Co., Cincinnati, Ohio. He attended Burlington High School.

Burlington To Send Cookies To Ft. Thomas

Anyone wishing to send homemade cookies to the Boone County Day Room at the AAF Convalescent Hospital, Ft. Thomas, please deliver them to Mrs. H. R. Forkner, Burlington, before noon, Thursday, June 7th.

Each community of the county has a special week when it supplies cookies for the soldiers, and this is the week assigned to Burlington. The response from all communities has been fine, and the boys have repeatedly expressed their appreciation of this friendly gesture.

Lloyd Huff is now stationed at Great Lakes Training Center, in Illinois.

Miss Wanda Miller was the overnight guest of Wilma Huff, Thursday.

Mrs. Gertrude Jones remains ill at the home of her son, Conner Carroll. We pray for her a speedy recovery.

Mrs. Dora Jones and two sons and niece Dorothy Shields attends God's Bible School, Sunday.

Miss Dorothy Shields has accepted a position with the Western Union Telegraph Co., in Cincinnati. She assumed her duties Monday.

"PORTRAITS BY STEVENS"

Get them in 8x10, 5x7, miniature or wallet size. Should you distribute them on Father's Day, June 17, it would be a graceful act.

Miniature and wallets are most beautiful sealed in plastic. This process gives life-long permanency to any treasured picture or document, 3 1/4 x 4 1/4 or less.

Mother, father, sister or brother will like these plastics for the wallet or on the mantle.

Sittings from ten to six—Saturdays. No appointment needed. Appointments for special needs.

THE BOONE COUNTY RECORDER

ESTABLISHED 1875

BURLINGTON, KENTUCKY THURSDAY, JUNE 14, 1945

DRIVE IS SHORT OF GOAL

ONLY 600 PERSONS HAVE PURCHASED BONDS TO PRESERVE TIME ACCORDING TO COUNTY CHAIRMAN.

Total subscriptions for all classes of bonds sold in Boone County to date in the Seventh War Loan Drive amount to \$369,312.25. This is \$50,000.00 less than the goal of \$419,312.25. A few large subscriptions for coupon bonds are responsible for the large total at this time.

The per capita purchases in the county is quite low, only 695 people having purchased bonds in the drive up to this time. It is hoped that more people will subscribe before the close of the drive in order to increase our individual purchases.

Frederick chairman are requested to complete their collection as soon as possible.

If you have not closely observed the SEVENTH WAR LOAN POSTER, "NOW, ALL TOGETHER," you are requested to do so, because a Kentucky boy, Marine Pfc. Franklin R. Souley, of Bowling, Ky., is one of the six Marines who planted the flag atop Mount Suribachi on Iwo Jima. This poster was made from an actual photograph of this flag raising by AP photographer, Joe Rosenthal. The first man in the picture, reading from left to right is young Souley, who graduated from Flemingsburg high school in 1943 and worked a year in Dayton, Ohio, before joining the Marines in January 1944. He was the Kentucky farm boy, whose name originally was withheld from the group identification until his mother, Mrs. J. H. Price, Rural Route, Bowling, Ky., had been notified of his death. He wrote home about the flag raising before he was killed in the mopping up operations.

Admiral Nimitz wrote to AP Photographer Joe Rosenthal, "You caught a moment in the lives of six of our valiant Marines which will live forever in the minds of their countrymen."

Young Souley's mother, Mrs. J. H. Price, wrote to New York at the beginning of the Seventh War Loan Drive, with all expenses paid and was given a \$1000.00 War Bond.

This poster, "Now All Together," was distributed to all precinct chairmen in the beginning of the drive. Take a look at this poster and then buy another bond in honor of this brave Kentucky boy who made the supreme sacrifice in losing his life after helping to plant the United States flag on Iwo Jima.

There are others from right here in Boone County who have lost their lives in this war and many are now suffering the hardships of war in the Pacific, and it is in honor of all of these boys that we should and MUST "go over the top" in this Seventh War Loan Drive. The drive closes June 30th. Call at your bank now and make your subscription. Don't wait until the last week of the drive.

Walton Nine Victors: Check Collection 5 To 1

Walton defeated Bellevue Saturday afternoon by a count of 5 to 1. The game was called in the seventh inning on account of rain. West was on the hill for Walton, striking out 13 and walking two. He allowed only three hits. Cason, Bellevue hurler was nipped for eight hits, had ten strikeouts and walked three. Errors were attributed to Bellevue's loss of the game, making six in all.

C. Woods and Maxwell led the attack for Walton with two singles each while Bellevue's three hits were divided between Dave Cline, Wendell Louden and John Rogers. Friday, June 11, Petersburg defeated Bellevue 13 to 3. Gay Burns, Petersburg hurler turned in a splendid performance. Cason and Flick were on the mound for Bellevue. Cason was credited with the loss.

POND EQUIPMENT NOW AVAILABLE

IN SOME AREAS OF COUNTY—FARMERS ADVISED TO CONTACT BULLDOZER OPERATORS DIRECT OR CALL CO. OFFICE.

Pond building equipment is available to farmers in certain areas in county during the next few weeks, according to the County Agent's office. Marshall's equipment has finished work on the D. Force farm on the Rice Pike and is heading toward Big Bone and Hathaway communities.

Farmers in the above communities are advised to contact the bulldozer operators direct or contact the County office in Burlington.

Because of limited equipment available, it is impossible for equipment to be available to all sections of the county when needed. Marshall's equipment plans to take each farm desiring service as they come along the planned route.

Two operators are working in the county according to a countywide schedule. They are Russell Taylor of Florence and John G. Exterkamp and Sons of Covington.

Farmers encountered many special problems in building successful farm reservoirs the past year. Besides poor construction in many instances, lands in the hill sections of Idlewild and nearby communities and in Beaver and in nearby communities have on many farms shelly rock that permits seepage and leaks through the sides of new ponds. Farmers expecting to build new reservoir dams for the first time, should secure and read carefully recommendations given in Extension Circular No. 317 available at the County Agent's office.

Many farmers will want to build concrete watering troughs behind their pond dams. Plans and forms for constructing these troughs are available at the Soil Conservation Service office at Burlington.

Norris-Little

At noon Saturday, June 9, a very simple, but impressive wedding took place at the home of the officiating minister, Rev. Elmer K. Kidwell of Florence, Ky., when the hearts and lives of Miss Pauline Norris, oldest daughter of Mr. and Mrs. D. H. Norris, of Burlington, Ky., and Kent E. Little, Jr., only son of Mr. and Mrs. Kent E. Little, Jr., of Madisonville, Ky., were united in marriage.

The bride wore a pink dress with white accessories, while Mrs. Kidwell wore a white dress with white accessories. All wore white corsages.

Mrs. Little is a graduate of Burlington High School and also of Bethesda Hospital, where she is now on the nursing staff.

Mrs. Little is a graduate of Madisonville High School and of the University of Cincinnati. He is a chemist employed at Emery Industries in Cincinnati.

The newlyweds were entertained with a family dinner at the home of the bride's parents with all members of her family present with the exception of her brother, Lt. Ivan K. Norris, now stationed in England.

They departed to Madisonville, to visit the groom's parents, after which they will make their home at 319 Northern Avenue, Avondale, in Cincinnati.

BOONE WOOL CLIP SOLD MONDAY

TO L. S. DENKELSPRELL COMPANY OF LOUISVILLE—DELIVERY DATES BEGIN TUESDAY, JUNE 26TH.

The Boone County Wool Pool was sold Monday to L. S. Denkelsprell Company of Louisville according to the Pool Sales Committee. The clip will be delivered by members and paid for by the buyer on delivery dates beginning Tuesday, June 26th. The exact time and places for delivery will be announced in next week's paper.

The sales committee reports that the county's estimated clip of 45,000 sold at a very advantageous price. The price is probably one of the best that will be received in the county this year. The Boone County pool is reported as selling the highest price wool in the U. S. in 1943 and the highest in Kentucky in 1944.

VINCENT MAKES OFFICIAL BOW

TO VOTERS OF BOONE COUNTY SEEKS RE-ELECTION AS COMMONWEALTH ATTORNEY OF 15TH JUDICIAL DISTRICT.

R. L. Vincent, of Williamstown, makes his formal bow to the voters of Boone County in this issue of The Recorder. He seeks re-election to the office of Commonwealth Attorney for the 15th Judicial District, subject to the action of the Democratic primary Saturday, August 4th.

Mr. Vincent needs no introduction to the voters of Boone County as he has served as Commonwealth Attorney for the past six years, and has gained many friends during this period. He is well qualified for the position he seeks.

Mr. Vincent makes the following statement to the voters of Boone County:

"Six years ago you honored me by nominating and electing me your Commonwealth Attorney, for all of which I am very grateful. I have performed my duties fairly, impartially, without fear or favor, and with the best of my ability. My record is well known to you.

"I am now a candidate for re-election as Commonwealth Attorney and I will greatly appreciate your support and assistance in the coming Primary to be held August 4th.

"If nominated and elected, as I am confident I will be, I will continue to carry out the duties of the office in a fair, reasonable and impartial way.

"Thanking you again for your many favors in the past, and trusting you will support me in the coming Primary, I am,

"Yours truly,

R. L. VINCENT."

USED CAR DEALERS MUST REGISTER

FORMS MUST BE FILED WITH DISTRICT OFFICE BY JUNE 25, ACCORDING TO WAR PRICE AND RATIONING BOARD.

The regulations covering used cars, used trucks, and used motorcycles are being amended to require the registration and authorization of all dealers who wish to sell at warranted prices.

The forms 694-2163, Application for Dealer Authorization, can now be secured at your local War Price and Rationing Board 32-81. This must be completed and filed with the District Office, 152 East Short Street, Lexington 9, Kentucky, before July 31, 1945. The applications are then processed by the District Office, who also issue the dealer's authorization.

Be sure to call or stop in your local War Price and Rationing Board Office and get your registration form as no seller must sell on a guaranteed basis after August 1, 1945 unless he has been registered and authorized as a dealer.

Robert Brady Carver

Robert Brady Carver was born February 27, 1893 and departed this life June 4, 1945. He leaves four children, Mrs. W. H. P. Hollaway, Mrs. P. L. Myers, Mrs. B. E. Stephens and Mr. Perry Carver and six grandchildren, Richard and Barbara Myers, Wyman, Ruth and Joe Stephens and John Edwin Carver. He also leaves two sisters, Mrs. R. B. Huey and Mrs. A. W. Gaines. An older sister, Mrs. William Walton, preceded him to the grave several years ago.

Mr. Carver spent the larger part of his life near Burlington. He came to Petersburg twenty-six years ago, where he resided on his farm until the time of his death. He was a devoted father, good neighbor and a friend to those in need.

25 PERCENT CUT IN CANNED FOOD

ACCORDING TO WAR FOOD ADMINISTRATION OFFICIALS—BOONE COUNTIANS URGED TO CONSERVE FOOD.

Civilians must expect a 25 percent cut in their commercially canned food and vegetable supply within the next year, it was revealed by War Food Administration officials. This is necessary because we must meet our tremendous military requirements and help nourish liberated nations.

Boone County is cooperating with President Truman's call "to help swell the nation's food supply" by raising gardens, canning vegetables and fruits and by conserving food in every possible way.

"There can be no lasting peace in a hungry world," the President said.

All available fruits and vegetables must be conserved for use this winter and every chance of spoilage must be eliminated. To show the best ways of using wartime equipment, canning demonstrations are being held throughout the County. These will be combined with "Spillage Clinics" when everyone will have the opportunity to present special problems.

Dates for demonstrations are: June 18, Burlington Colored school house; June 14, New Haven school house; June 15, Walton school house; June 19, Florence school house; June 20, home of Mrs. Earl Morehead, Taylorsport; June 27, home of Mrs. Jack Purdy, Waterloo.

All demonstrations start at 1:00 p. m., and the public is invited.

Gauges of pressure canners will be tested for accuracy, and bulletins on all types of food conservation will be distributed.

CINCINNATI BOY HELD ON CHARGE

OF BREAKING, ENTERING AND STEALING—HELD OVER FOR ACTION OF BOONE COUNTY GRAND JURY.

Denver Morrow, 17, Cincinnati, Ohio, was arrested in Cincinnati June 7th on a charge of attempted burglary. He was released to Deputy Sheriff Irvin Rouse, of Boone County, on a charge of breaking entering and stealing.

Arraigned in Judge Carroll Cropper's Court, Tuesday morning, Morrow pleaded guilty to breaking, entering and stealing. He was charged with breaking into the Log Cabin Inn, three miles south of Florence on U. S. 25 on May 3rd and May 15th. Loot obtained by the youth was estimated at \$50.00 in the two robberies.

Carl Hatfield also of Cincinnati was an accomplice in the crime and is being held by Cincinnati authorities, according to Deputy Sheriff Rouse. Another accomplice has not been apprehended, according to authorities.

Morrow is being held for action of the Boone County grand jury. Reports from Ohio authorities revealed that he had committed a number of offenses and at the time of his arrest was on parole.

Farmers' Egg Marketing Organization Completed

Poultrymen of southern Ohio, eastern Indiana and Northern Kentucky have set up the first wholesale egg auction cooperative organization to serve in Kentucky or the Cincinnati area. The cooperative organization is set up with headquarters at Milford, Ohio under the name of the Ohio Valley Egg Cooperative Inc. Kentucky poultrymen in Boone, Kenton, Campbell, Gallatin, Carroll, Grant, Pendleton, Bracken, Mason and Lewis Counties are eligible for membership. The organization is expected to be especially profitable with poultrymen with 200 or more laying hens.

County Agents of the above counties attended a special meeting on Tuesday of this week at Milford, Ohio, to study the workings of the new organization. Grant Maddox of Florence has been elected director from Kentucky.

Donations Made To Boone County Fund

Generous donations to the Boone County fund for use at the AAF Convalescent Hospital, Ft. Thomas, have been received from the Hopeful Aid Society and the Ladies Auxiliary of the Florence Christian Church.

This fund is used to supply the convalescent soldiers with things, which cannot be bought from Government funds.

The name of each contributing organization is on a list, which is framed, and on display in the Boone County Day Room.

MAGISTRATE IS CANDIDATE

FOR RE-ELECTION FROM THIRD MAGISTERIAL DISTRICT—HAS SERVED FOR PAST FOUR YEARS.

Tom Carr of Verona, officially announces his candidacy for Magistrate from the Third District of Boone County, in this issue of The Recorder, subject to the action of the Democratic primary, Saturday, August 4th.

Mr. Carr has served his district composed of Vernon, Verona, Hamlet, Carleton and Beaver precincts, for the past four years, which position he has filled very efficiently.

Mr. Carr makes the following statement to the people of his district:

"I feel that I am acquainted with the duties of this office. I have tried to the best of my ability to serve the people of my district and the county as a whole. If the voters of this district see fit to elect me again, I will endeavor to serve as I have in the past."

Mr. and Mrs. Luther Turner attended a card party Sunday night at the home of Mary Michel of Covington.

IMPROVED UNIFORM INTERNATIONAL SUNDAY SCHOOL LESSON

Lesson for June 17

THE CHURCH BEGINS ITS WORK

LESSON TEXT—Acts 5:29-32, 35-42.
GOLDEN TEXT—Ye shall be witnesses unto me both in Jerusalem, and in all Judea, and in Samaria, and unto the uttermost part of the earth.—Acts 1:8.

The church of Jesus Christ, glorious in spite of her failings, is the greatest institution known to this world. That is true because while it is in this world, the church is not of the world, but of God. He established the church as the fellowship of believers to do His work in the world. For more than 19 centuries the Christian church has served Him with varying degrees of consecration and usefulness.

The beginning of the work of the church is of special interest, for such a study will show where we today are following in the right path. We find in our lesson that the early church was distinguished by: I. Obedience to God (vv. 29-32). The disciples filled with the Holy Spirit were bold in declaring the gospel and in proclaiming their risen Lord. Realizing that the apostles' message was winning the people, the leaders of the Jews admonished them not to speak in the name of Christ (Acts 1:18). When they continued, the priests threw them into prison, but an angel set them free (Acts 5:19).

When they were again apprehended and accused of disobeying the command of the high priest, Peter and the others responded by pointing out that they were under a higher command, that of God Himself. Him they would obey, come what may.

Who will deny that we need a renewal of that spirit in the church today? We need to lose our fear of men and their little authority, and regain a larger measure of obedience to God.

II. A Convicting Message (v. 33). When God's Word is preached with complete obedience to Him, it is sure to happen. Men and women will be convicted of their sin. They will be out to the heart. That conviction will show itself in one of two ways. Some will be repentant, and will cry out with the jailer at Philippi, "What must I do to be saved?" (Acts 16:30). Turning to Christ, they will find deliverance from sin.

Others will harden themselves in their wicked ways and become more bitter in their hatred of Christ and the church. In our lesson we find them taking counsel to kill the disciples. Knowing themselves to be wrong and seeing that God's word revealed their sin, but not being willing to give it up, they tried to destroy the witness against them.

We see that same spirit operative today. To be sure, it does not usually show itself in such crude action as physical killing, although the day when that may happen again may not be far away.

In our cultivated time, it is revealed in a scholarly attack upon God's Word, an undermining of the faith of our young people in schools or colleges, or a ridiculing of those who wish to live a separated, consecrated life.

III. No Compromise (vv. 34, 35, 38-40). A wise man, Gamaliel, presented what we would now call a program of appeasement. He urged that they wait and see what would happen. At first glance his idea seems to be most commendable, and of course it did save the lives of the disciples at the moment. But it was essentially a "do-nothing" policy of compromise. If he believed in what the disciples were doing, he should have come out boldly on their side.

Notice that the believers had no part in this scheme. They listened, but did not give assent. They took the beating and went right out and preached the gospel again. What a fine example for us to follow! Those who are alert to the real problems of the church today recognize that the willingness to compromise with the world, the flesh, and (so it seems at times) the devil himself for the sake of peace, is destroying the real ministry of the church.

IV. Absolute Fearlessness (vv. 40, 42). The early church was a very small group of believers with no position of influence or power in the world. Humanly speaking, it would have been expedient for them to heed the admonition now twice given (compare Acts 4:18) and confine their testimony to a private witness.

But they had hearts which were aflame with the fire of God, a commission to take the good news of God's saving grace to all men, and the assurance of God's presence (see Matt. 28:19, 20, Acts 1:8), and they were absolutely fearless. The world admires true courage not only on the battlefield, but in the pulpit.

The criticism which men in the armed services make of the church centers at this point, namely, that the church has been too timid about giving out the Word of God, about really believing and practicing it.

HOW MUCH TO MOVE A WAR?

AS SOON as we can, we'll bring to bear on the Japs all the additional might we've been using against Germany.

What will it cost, this Moving Day of War? Estimate it in these terms: The job of moving millions of men from one front to another. Thousands of ships to carry the supplies of battle. Swarms of new-type aircraft to blast the path into enemy territory.

You can get an idea of the cost from the fact that Uncle Sam needs 7 billions from us in the mighty Seventh War Loan—now!

The Seventh War Loan will call for the greatest bond-buying we have ever done.

If you have an income—whether from work, land or capital—you have a quota in the 7th War Loan.

There will be a meeting at Beaver Lick Baptist Church Thursday, June 14, at two p. m., Central War Time. Those interested in prevention of illness and care of the sick in their homes are invited to attend. After hearing an explanation of the course, any one desiring may join the class for a definite number of meetings at the time and place decided on by the group.

Elizabeth Lowry, R. N.

MISS MARY LOU JONES, niece of Miss Lena Binder of Union, Ky. recently returned home after completing her freshman studies at the University of Kentucky.

Miss Jones, who is enrolled in the Arts and Science College as an English major, was initiated into Alpha Lambda Delta, a national honorary scholastic fraternity for freshmen women. This organization is composed of students who have made a 2.5 or better average in the first two quarters of the freshman year. This year only twenty-five women were initiated into the society.

Miss Jones has also been an active member of the Women's Glee Club, Y. W. C. A., Spanish Club, and Freshman Club. She plans to resume her studies at the University in the fall.

M., or thereabout (being County Court Day), upon a credit of six (6) months, the following described property to-wit:

Lying and being in Boone County, Kentucky: Beginning in the center of Big Bone Lick Road a corner with Charles Slater; thence with the center of said road a

southward direction to a corner of J. A. Slater; thence westward with his line to Big Bone Creek; thence up said creek to a corner of said Charles Slater; thence east with Slater's line to the beginning containing 3 acres, more or less.

For the purchase price, the purchaser must execute bond, with approved surety bearing legal interest from the day of sale, until paid, and having the force and effect of a judgment. Bidders will be prepared to comply promptly with these terms.

A. D. YELTON, Master Commissioner Boone C. C.

Try A Want Ad - They Sell

HOSS purchased at public sales should be kept separate from the same herd for two or three weeks to see whether they develop cholera, says a new Kentucky Agricultural Experiment Station circular on cholera. Hoss from infected herds often show no evidence of infection when offered for sale, although they may be already infected. It is stated.

Dr. W. W. Dimock says in the circular all hogs should be vaccinated against cholera. The best time to vaccinate is seven to 10 days after pigs are weaned. At that age less serum is required, there is less danger of loss, and the pigs are easier to handle.

UPSET STOMACHS YIELD INCHES OF GAS AND BLOAT

"I was so full of gas I was afraid I'd burst. Sour, bitter substance rose up in my throat from my upset stomach after meals. I got ERB-HELP and it worked inches of gas and bloat from me. Waist-line is way down now. Meals are a pleasure. I praise ERB-HELP to the sky."—This is an actual signed testimonial from a man living right here in Elsmere.

ERB-HELP is the new formula containing medicinal juices from 12 Great Herbs; these herbs cleanse bowels, clear gas from stomach, act on sluggish liver and kidneys. Miserable people soon feel different all over. So don't go on suffering. Get ERB-HELP. Elsmere Pharmacy, Dixie Highway.

Local Marine Completes V-12 Studies At Hanover

Mr. H. H. Commencement exercises were held at Dartmouth College June 10 for the 123 Navy and Marine trainees who have completed their V-12 studies at the college this term. Among the graduates and going on to advanced training elsewhere is Marine Private Harold A. Flick, the son of Mr. and Mrs. Waring P. Flick, Grant, Ky. Flick is a graduate of the Burlington High School.

The V-12 Convocation was held at Webster Hall with Rear Admiral Felix Gygax, commandant of the First Naval District, as guest of honor and principal speaker. Dr. Ernest M. Hopkins, president of the college, and Capt. Damon E. Cummings, commanding officer of the V-12 Unit, also took part in the exercises at which the entire Dartmouth V-12 Unit, guests of the Dartmouth College faculty were present.

Hybrid Seed Corn Is Labor Saving Crop

Adapted hybrid seed corn is one of the war time labor saving crops, according to the County Agent's office. Adapted hybrid seed gives more uniform stands and produces from 15 to 25 per cent more corn per acre than open pollinated and unadapted hybrids.

Kentucky and Boone County are recommending U. S. 13, Kentucky 102 and Kentucky 103 as adapted yellow hybrid varieties and Kentucky white hybrids No. 69, 72 B, 201 and 203.

Boone County has the honor of having some of the pioneer hybrid seed corn producers in the state. Boone County producers of seed this year are Lloyd Sleekman, of Petersburg; Wilton Stephens of Burlington and William Moore, of Hebron.

FORESTRY CONTEST PRIZES ANNOUNCED

BY COURTESY-JOURNAL AND THE LOUISVILLE TIMES-CONTEST DEADLINE SET FOR NOVEMBER 1ST.

Three cash prizes totaling \$400, which includes an additional \$100 prize this year, will be given winning Kentucky and Southern Indiana farm foresters in the 1940 Tom Wallace Forestry Award Contest. Tom Wallace Forestry Award Editor, publisher of The Courier-Journal and The Louisville Times and general manager of Radio Station WHAS, sponsors of the contest.

Named in honor of Tom Wallace, nationally known conservationist and editor of The Louisville Times, the award in its fourth year, is directed at stimulating constructive farm forestry programs in this area, Ethridge said.

A \$200 grand prize will be given the winning contestant who has carried through a complete forestry program this year, including protection, management and utilization of established woods areas, as well as planting and protecting new forest tree seedlings.

The two \$100 prizes have been planned to give a chance both to farmers who have the best record in protection, management and utilization of established woods areas this year.

The contest form has been changed this year to a concise questionnaire which can be obtained immediately by writing to the Tom Wallace Forestry Award Editor, care of the two papers and the radio station.

The contest deadline is November 1, when completed questionnaires must be returned to The Tom Wallace Forestry Award Judges, care of The Courier-Journal, The Louisville Times, Radio Station WHAS, Louisville 2, Kentucky.

Awards will be announced no later than December 15 and will be presented at the annual Tom Wallace Forestry Award-Home and Farm Improvement Campaign luncheon in Louisville.

"When you realize that 8 million of Kentucky's 10,500,000 acres of forest are on small farms as well as large ones and that 81,467 acres of Southern Indiana are in forest land, you can see the significance of this contest," commented W. E. Jackson, Jr., forestry specialist, College of Agriculture, University of Kentucky. "The future of our timberland is at stake, so much so that replacement made in the past few years. Unless our forests are preserved, protected and improved there'll be none of any consequence left."

Last year's Forestry Award winners were: Dr. J. P. Hall, Flemingsburg, Kentucky, first prize and Edward J. Merkle, Batesville, Indiana, second prize.

For additional information on the 1940 Award, farm foresters can contact county agents, extension foresters, state forestry service, or local soil conservation districts.

American Prisoners say:
"WE WANT TO GET BACK AT THE JAPS!"

MATCH THEIR SPIRIT in the MIGHTY 7TH WAR LOAN DRIVE

YES, despite their long months and years of privation and suffering, those gallant men, just released from filthy Jap Prison Camps, still have their good old fighting spirit. They're itching to get back into the fight and give the Nips a taste of their own medicine.
Let's show them that we're not quitting either! Let's match their spirit with our dollars! Let's make this MIGHTY 7th War Loan the mightiest of them all!

But to come even close to matching their sacrifices, everyone here at home must buy War Bonds until it hurts. Buy double or treble the extra War Bonds you've bought in any previous drive. Remember, this is really two drives in one. In the same period last year, you were asked to subscribe to two War Loans.
So let's go, Americans. Our hard-fighting Soldiers, Sailors and Marines are giving their ALL. The least we can do is to lend our dollars.

A committee of farmers and County Agent S. A. Porter have announced a long-time program for Campbell county which would build up dairy, sheep raising, vegetable and fruit growing, pasture and hay production, cooperative marketing and water and soil conservation.

Improvement of dairying, the principal farm enterprise, includes the construction of farm reservoirs on several hundred farms. Fifty reservoirs were built and many enlarged last year. Extension of electricity is helping the dairy business.

More extensive growing of alfalfa, lespedeza, clovers, bluegrass, timothy, orchard grass and brome is increasing the home feed supply for both cattle and sheep and also helping to check erosion.

The fertility problem in vegetable growing is to receive more attention, larger acreages of strawberries and raspberries encouraged, and cooperation among growers stimulated.

Plans include further development of cooperative selling of dairy products, wool, fruits and vegetables, livestock, eggs and tobacco.

FEWER AGED FARMERS RETIRE AS WAR TAKES YOUNG MEN OFF LAND

With their sons gone to war or to war industries, fewer aged farmers are retiring in Kentucky, and many of them are working longer hours and harder to keep the farm producing, says a statement of the Agricultural Experiment Station at Lexington.

For every 100 farmers between 25 and 70 years old who retired or died, with conditions as they were in 1940, there were 190 young farmers reaching the age of 25. This means that only a few more than half of the maturing young men were ordinarily needed as replacements in the ranks of farmers.

However, with thousands gone to war and war plants, there is a shortage of young men on farms to take the place of older men who would retire. As a result, large numbers of old men are staying on the farm and postponing the time of their retirement. In many instances they are working long hours and doing hard labor that food production may continue high, says the Experiment Station.

It is reported that at the close of the war an unusually large number of farms will be ready for young men released from the armed forces or no longer needed in industry.

There is a wide variation within Kentucky in the number of young men needed to replace farmers who die or for some other reason leave the land. In Bourbon county, for example, about two out of three men reaching the age of 25 could enter farming, replacing men who die or retire. In Floyd, Pike, Martin, Knott and other eastern counties not more than one out of the men reaching the age of 25 are needed as replacements in agriculture.

CAMPBELL FARMERS PLAN IMPROVEMENT

A committee of farmers and County Agent S. A. Porter have announced a long-time program for Campbell county which would build up dairy, sheep raising, vegetable and fruit growing, pasture and hay production, cooperative marketing and water and soil conservation.

Improvement of dairying, the principal farm enterprise, includes the construction of farm reservoirs on several hundred farms. Fifty reservoirs were built and many enlarged last year. Extension of electricity is helping the dairy business.

More extensive growing of alfalfa, lespedeza, clovers, bluegrass, timothy, orchard grass and brome is increasing the home feed supply for both cattle and sheep and also helping to check erosion.

The fertility problem in vegetable growing is to receive more attention, larger acreages of strawberries and raspberries encouraged, and cooperation among growers stimulated.

Plans include further development of cooperative selling of dairy products, wool, fruits and vegetables, livestock, eggs and tobacco.

BULLDOZER SPEEDS REMOVAL OF HEDGE

A bulldozer is being used by members of the Christian County Soil Improvement Association to push out hedges, as well as to make ponds, terraces and ditches, says County Agent William D. Talbert. On one farm 600 yards of hedge was removed in 3 hours and 15 minutes. The average hedge-removal speed is put at 100 yards an hour. The 8 1/2-foot bulldozer fully equipped cost about \$900.

CARD OF THANKS

We wish to take this opportunity to thank all our neighbors and friends for kindness shown us during the illness and death of our wife and mother.

Especially do we thank Rev. W. T. Gardner and Rev. Lucas for their words of consolation; Dr. Nunneley for his efforts; the donors of the floral pieces; those in charge of the music; the pallbearers, and Chambers and Grubbs for their efficient management of the funeral.

WOOL DELIVERY DATES ANNOUNCED

CLIP WILL BE DELIVERED AT WALTON, JUNE 26TH AND AT BURLINGTON JUNE 27TH, ACCORDING TO H. E. WHITE.

Boone County Wool Pool members will deliver their 1945 clip on Tuesday, June 26th at Walton and Wednesday, the 27th at Burlington, according to H. E. White, president of the pool. Individual grower's wool will be received and paid for by the buyer at the delivery points at "Dixon's" on corner of Main and Depot Streets in Walton and at the County Garage in Burlington.

The clip this year is being taken up in two days instead of the customary three days. The change for this year was made at the request of the buyer due to a shortage of labor and to one of the smallest clips in several years.

Miss Ruby Cotton, of Latonia, spent Friday night with Mrs. Helen Snyder.

KIDWELL SEEKS SENATE SEAT

FROM 26TH SENATORIAL DISTRICT—IS VETERAN OF WAR WAR I—SERVED AS SENATOR FOR FOUR YEARS

Alvin Kidwell, Sparta, officially announces his candidacy for Senator from the 26th Senatorial District, in this issue of The Recorder. The 26th district is composed of Boone, Gallatin, Owen, Henry, Carroll, Trimble and Oldham counties. He has served this district for the past four years and has made a good record during his term of office.

Mr. Kidwell is a member of the Methodist Church, American Legion and served in U. S. Army during World War I. For the past 22 years he has operated a large nursery near Sparta, and is well known throughout this section of the State.

He is a Democrat of the old school and has always supported the policies of the Democratic organization. Mr. Kidwell solicits the support of the voters of Boone, and stated if nominated and re-elected, would represent his district in an honorable, impartial and efficient manner.

Windstorm Causes Considerable Damage

Considerable damage was reported from practically all sections of the county, due to the heavy windstorm which swept through this part of the State, Saturday afternoon.

The heavy wind uprooted trees, blocking highways, and disrupting telephone and electric service for several hours. The heavy rain and hail which accompanied the wind caused considerable damage to growing crops. It was reported.

COUNTY CLERK IS CANDIDATE

FOR RE-ELECTION—HAS SERVED COUNTY FOR PAST TWELVE YEARS—IS DIRECTOR DIXIE STATE BANK.

C. D. "Dewey" Benson, officially announces his candidacy for re-election to the office of County Court Clerk, subject to the action of the Democratic primary, Saturday, August 4, 1945.

"Dewey" as he is known throughout this county has served as County Court Clerk for the past twelve years. His records have been kept in such a manner that he has received praise from those who have occasion to do business in his office.

Mr. Benson was born and reared in Boone County, was educated in the Walton High School and is now director of the Dixie State Bank at Walton. He is a member of the Burlington Baptist Church.

In making his formal bow to the voters of Boone County, he said, "I earnestly solicit the support of the voters in the coming primary, and will appreciate any support that you may give me. If re-elected I will endeavor to serve the County to the best of my ability."

Burlington Defeat Petersburg 5 To 2

The Burlington Baptist trimmed Petersburg nine 5 to 2 Saturday in a ten-inning battle. Going into the top of the tenth the score was tied at 1 to 1. The Burlington boys were finally able to connect with Sam Huey's offerings for four runs in the tenth and Joe Smith hit the home run to one run in the last of the tenth.

Smith and Huey were both at their peak as they kept the batters swinging throughout the game. Joe Smith struck out 16 in marking up his third victory of the season. He held Petersburg to six hits. Burlington collected 11 hits off Huey's offerings, while he had nine strikeouts to his credit. Stephens, powerful slugging Burlington first baseman collected three hits for five trips to the plate.

Bellevue won their fourth victory against three defeats when they handed East their second defeat of the season by a score of 3 to 2. Petersburg has won two and lost three and Walton has won one game.

Burlington will go to Bellevue Saturday. Game time will be 1:30 p. m. Bellevue will play the Bellview Christian team Saturday at 4 o'clock. Burlington will play Petersburg a doubleheader July 4 at Burlington.

County Attorney Is Proud Grandpa

Lieutenant J. G. and Mrs. George H. Riley, announce the birth of an eight pound baby boy, born at the U. S. Naval Hospital, Oakland, Calif., Thursday, June 14th. The new arrival has been named Charles William Riley, III. Both mother and baby are doing fine. The grandparents are improving.

Lieutenant Riley is the son of Mr. and Mrs. Charles W. Riley of Hebron. He completed his work at the Naval Hospital June 19th and will be assigned to active sea duty June 23rd. Congratulations are extended the Rileys from their many friends in Boone County.

HEART ATTACK PROVES FATAL

TO JAMES C. ROGERS, PROMINENT NORTHERN KENTUCKY ATTORNEY—SERVICES HELD SATURDAY.

James C. Rogers, prominent Northern Kentucky attorney and former State Senator, died at his home, 15 Princeton Avenue, Sunny-meade, South Ft. Mitchell, late Wednesday. He was 40.

He had complained of feeling ill as his father and law partner, O. M. Rogers, drove him to his home in the early afternoon. For that reason he did not accompany the latter on a trip to Burlington.

His wife, Mrs. Delores Barry Scott Rogers, and their two daughters, Virginia Ann, 4, and Carol, 2, found him dead in a bedroom of the home.

Mr. Rogers served as U. S. commissioner at Covington from 1935 until he resigned to enter the race for State Senator in 1937.

He was a graduate of Holmes High School and the University of Virginia and began the practice of law in 1928. He and his father comprised the Rogers & Rogers law firm with offices in the Covington Trust Building.

He was a member of the Erlanger Baptist Church, past president of the Kenton County Bar Association, and past exalted ruler of the Covington Lodge of Elks.

Besides his parents, who live in Erlanger, his widow and children, Mr. Rogers leaves two sisters, Miss Laura Frances Rogers, and Mrs. Earl Gilson, both of Erlanger.

Funeral services were conducted Saturday afternoon at 2:30 p. m. from the Tallafero funeral home, Erlanger. Burial was in Highland Cemetery.

Testimony of the high esteem in which Mr. Rogers was held is revealed in letters from members of the Covington Bar Association to his father, O. M. Rogers. The letters follow:

"My Dear Mr. Rogers, 'I was greatly shocked to read that James had passed away. I was with him at noon yesterday for about five minutes and he seemed in perfect health. That he should be taken and I left is one of those inscrutable acts of providence that we cannot understand. We talked briefly about politics and I expressed to him the hope that I would see him occupying yet higher positions in public life. I had always hoped that he would find his place on the bench for which his temperament and ability highly qualified him."

"I sympathize with you and yours. 'You kindly express to the rest of your family and his widow the assurance of my profound sympathy."

"Very truly yours, Robert C. Summons."

"Dear Ome, 'It is impossible for me to say how shocked I was to hear of Jim's sudden and unexpected death. He was such a fine looking fellow in every respect that I cannot yet realize that he has been taken."

"At such times words never seem adequate to express one's feelings. Jim was a most unusual type of young man with great ability and splendid personality. I think if he had been spared to us, he would have become one of the leading figures at our Kentucky bar. Having been about the age of my son, I can fully understand what his loss means to you."

"I shall always remember the delightful afternoon which I passed at Jim's house last November, when making a little talk before Mrs. Rogers' Club. His cordial and hospitable manner made a deep impression upon me, and the experience will be one of my treasured memories."

"With deepest sympathy for Mrs. Rogers and your family and with kindest regards, I remain 'Sincerely Your Friend, Harry B. Mackay."

"Dear O. M., 'Accept my heartfelt sympathy. Yours is a double loss, a fine son and excellent associate."

"I am truly sorry, John B. Thelissen."

Florence Waterworks Program Is Launched

At the meeting of the Board of Trustees of the Town of Florence on Tuesday night, June 13, several important matters were handled, according to Mabel G. Sayre, Town Clerk. The Waterworks Extension plan was formally launched and it is hoped work will be under way soon.

It was decided by the Board to ask for a government loan to finally carry out the sewer system plan which has been pending for so long and steps were taken to have vacant lots and alleys in the town cleared of weeds and trash.

COUNTY ATTORNEY SEEKS RE-ELECTION

HAS SERVED AS COUNTY ATTORNEY FOR PAST NINE YEARS—WAS FIRST ELECTED IN 1936.

Chas. W. Riley now makes his formal announcement as a candidate for re-election as County Attorney of Boone County.

Mr. Riley was elected County Attorney of Boone County in 1936 to fill the unexpired term of the late Ben H. Riley. In 1937 and 1941, Mr. Riley was elected without opposition.

In making his announcement, Mr. Riley says that he will continue to serve the people of Boone County to the best of his ability, and assist in bringing those who have violated the laws in Boone County to justice that it has been an honor to serve the people of this County, and their continued support will be greatly appreciated in the primary election of August 4, 1945.

WHITE SEEKS RE-ELECTION

AS MAGISTRATE FROM SECOND DISTRICT, COMPOSED OF BURLINGTON, FLORENCE AND UNION PRECINCTS.

H. E. White, Burlington, makes his formal announcement to the voters of the Second Magistrate District of Boone County in this issue of The Recorder.

Mr. White needs no introduction to the voters of the Second District, as he has served as Magistrate of the Burlington, Florence and Union precincts for the past twelve years. He has been a lifelong resident of the County.

Although a Magistrate's salary is very small, Mr. White has devoted much time to his position, and has given close attention to the county's official affairs.

In announcing his candidacy for re-election, he said, "I have always had the County's interests at heart, and if re-elected will continue to serve the people in the future, as I have in the past."

He earnestly solicits your support in the coming primary, Saturday, August 4, 1945.

BOONE FARMERS MUST REGISTER

WITH WAR PRICE AND RATIONING BOARD IF THEY PLAN TO SLAUGHTER STOCK FOR SALE, IS WORD.

Any owner of live stock may slaughter same for personal use only, without being registered with the Local Rationing Board, it was announced last week. Farmers, however, who wish to sell any part of such stock after slaughter, even neck bones, lard, etc., must register with the Ration Board this year.

If you kill your own stock and want to sell to others you will register with your Ration Board before July 1st, 1945.

War Price and Ration Board 32-8.1 urges farmers to register before this date and help the meat situation.

HALL TOSSES HAT IN RING

IS CANDIDATE FOR RE-ELECTION AS STATE REPRESENTATIVE FROM BOONE AND GALLATIN COUNTIES.

R. M. (Coke) Hall, State Representative from Boone and Gallatin Counties for the past two years announced in this issue of The Recorder that he is a candidate for re-election subject to the action of the Democratic primary, Saturday, August 4th.

Mr. Hall stated that he is very proud of the record that he made during the regular and three extraordinary sessions of the General Assembly. He said that much progressive legislation was enacted by the legislature during the past two years and that his experience in helping enact those laws would enable him to serve the citizens of Boone and Gallatin even more efficiently the next two years if the voters saw fit to return him to the office.

Mr. Hall was very active in promoting the enabling act at the last special session of the legislature, that permitted the Airport Board to issue revenue bonds for the purpose of improving and completing the Greater Cincinnati Airport located in Boone County. He was also active in promoting and supporting the "Kentucky G. G. Bill of Rights" where in the statutes were revised to permit ex-service men and women to borrow money under the Federal law even though they were not yet 21 years of age.

Even though it was his first term as a member of the General Assembly, Mr. Hall was highly commended by the Democratic leaders of both the House and Senate for his unwavering support of the principles for which the party stands.

During the last presidential election he was appointed Boone County campaign chairman for the Democratic party and as usual a handsome majority for Roosevelt, Truman and Barkley was returned by the voters of the County.

Mr. Hall further stated that due to the present wartime restrictions on tires and gas that it would be impossible for him to make as extensive campaign as he would like, but every effort would be made to see as many citizens of the two counties as time would permit.

Mrs. Lottie Markberry

Funeral services were held at 2:30 p. m. Tuesday at the Philip Tallafero funeral home, Erlanger, for Mrs. Lottie E. Markberry, who died Saturday at her home, 2 Loxey Ave., Erlanger. Burial was in Highland Cemetery, Ft. Mitchell.

Mrs. Markberry, who was 53 years old, was a member of the Erlanger Baptist Church.

She is survived by two sons, Basil Spencer, Charlestown, W. Va., and Kenneth Smith Markberry, Erlanger and five daughters, Mrs. Mary Staats and Mrs. Blanche Harmon, both of Charleston and Mrs. Gladys Burke, Mrs. Helen Snyder and Miss Leona Voss, Erlanger.

Frank Wyland

Funeral services were held at 2:30 p. m. Monday at the Philip Tallafero funeral home, Erlanger, for Frank Wyland, 50, of 206 Erlanger Road, Erlanger, who died Friday of a heart attack at his home. Burial was in Forest Lawn Cemetery.

Mr. Wyland, superintendent of the Colonial Coal and Supply Co., Erlanger, leaves his widow, Mrs. Rosella Y. Wyland, his father, Joseph W. Wyland, Sr., Rochester, N. Y., three sisters, Mrs. Chas. Beck, Mrs. Frank LeBlanc and Mrs. Walter McElroy, all of Rochester, and two brothers, Joseph Wyland, Jr., and Charles Wyland, both of Rochester.

Mrs. Ollie Isabel

Mrs. Ollie Isabel, 75, died at the home of her daughter, Mrs. Nathan Northcutt of Walton on Tuesday morning, after an extended illness.

She is survived by her husband, William Henry Isabel, two sons, Dan and Marion Isabel, both of Walton and one daughter, Mrs. Nathan Northcutt, of Walton.

Funeral services will be conducted at the Beaver Creek Baptist Church at 2:30 p. m. today (Thursday). Burial will be in Beaver Creek Cemetery.

Chambers and Grubb, Walton funeral directors are in charge of arrangements.

Soldier Injured In Three-Car Crash

An unidentified soldier suffered laceration about the face and head when the car in which he was riding collided with a car driven by Everett Robinson of Union, Sunday.

The car driven by Robinson collided with another driven by T-Sgt. Fred W. Hess, which caused them to swerve into a car owned by Gilbert Smith of Union.

The unidentified soldier, riding with Hess was removed to Ft. Thomas Convalescent Hospital, for treatment. The accident occurred on U. S. 42 near Union.

CANNING SUGAR IS AVAILABLE

FOR ACTUAL CANNING PURPOSES, ACCORDING TO WALTON WAR PRICE AND RATIONING BOARD.

Canning sugar will be available to everyone needing it for actual canning purposes, but in amounts generally less than requested. E. Reed Wilson, Lexington OPA District Director announced today. The maximum amount available under the present quota will not exceed 10 pounds per person. The order suspending the issuance of canning sugar in Region III is revoked, effective Monday, June 18, 1945.

Each Board has been given a revised quota of canning sugar based on a uniform percentage of the amount issued last year. Due to the shortage of sugar on hand, this represents a substantial reduction of last year's issuance. Mr. Wilson said.

To achieve an equitable distribution of the small available sugar supply, it is essential that District quotas in no case be exceeded. "Nothing contained herein affects anything other than canning sugar allotments," Mr. Wilson explained.

"In the meantime, boards may process applications. We realize the board's work has its limitations and the applications should be entered with them gradually," he said.

If you need canning sugar and have not applied, call or write your Board and you will be mailed an application.

T-Sgt. Alfred Ranes Receives Discharge

T-Sgt. Alfred Ranes, received an honorable discharge at Camp Atterbury, Ind., June 12th on the point system, having served approximately 15 months with the 12th and 15th Air Forces in North Africa, and Italy.

Sgt. Ranes holds the European Theater Ribbon with two Bronze Stars, Air Medal with eight Oak Leaf Clusters, Good Conduct Ribbon and received Unit Citation.

Sgt. Ranes' points total 104. He entered the armed forces July 17, 1942 and was discharged June 12, 1945.

Mrs. Emma Hempling

Funeral services were held at 2 p. m. Saturday at the Catherman funeral home, Ludlow, for Mrs. Emma Hempling, 81, a lifelong resident of Constance, who died Wednesday at her home in Constance. Burial was in the Constance Cemetery.

She was a daughter of the late Capt. and Mrs. Charles Kottmyer, of Constance.

She is survived by three sons, John and Casper Hempling, both of Constance and Ray Hempling of Cincinnati; six daughters, Mrs. Hannah Muenchenbach, all of Constance; Mrs. Grace Wenzel, of Cleveland, O.; Mrs. Halle Heins, Cincinnati; Mrs. Adelaide Bravard, San Leandro, Calif.; two sisters, Mrs. Lillie Heuple, Taylorsport, Ky., and Mrs. Carrie McGladson, Cincinnati; 10 grandchildren and six great-grandchildren.

Mr. and Mrs. Robert Youell and daughter, Mr. and Mrs. Courtney Kelly and family, Mr. and Mrs. Galen Kelly and Mr. and Mrs. J. R. Eddins visited Mr. and Mrs. Mrs. Charles Kelly, Sunday.

BOND SALE REPORT IS NOT AVAILABLE

DUE TO TELEPHONE SERVICE BEING DISRUPTED IN SOME SECTIONS OF COUNTY DUE TO HEAVY WIND STORM.

Due to the storm disrupting telephone service in some sections of the county, a report on bond sales in the Seventh War Loan drive is not available this week.

The Standard Oil Company of Kentucky subscribed for \$1,435,000 in bonds in the State of Kentucky, and \$500,000 of this subscription has been allocated to Boone County.

The Federal Land Bank of Louisville also made a large subscription and allocated \$8,000.00 of its subscription to Boone County.

Both of these subscriptions will count on the County's quota. There is just one more week remaining after this week, in which to subscribe for bonds in order to help Boone County reach its goal. Make your subscription before June 30th.

The sale of E bonds appear to be lagging, but with a little extra effort it is believed the quota may be reached. Buy a bond, even though it may be only one for \$18.75.

TOBACCO CROP IS AFFECTED

BY ROOT ROT DURING PAST WEEK, ACCORDING TO COUNTY AGENT—COOL, WET JUNE RESPONSIBLE.

Several cases of black root rot were found in tobacco fields the past week, according to the County Agent's office. The cool wet June has been an ideal month for root rot on non-resistant varieties of tobacco plants.

Plants affected with root rot don't grow. The fine hair roots that are so important in feeding the plant simply rot off. The only preventive for this disease is to use a root rot resistant variety such as Experiment Station 18, 41 A, 52 or other improved resistant varieties.

Farmers who have plants in the field that don't grow should pull them up and examine the roots. If the fine hair roots are not healthy, root rot is more than likely present. It is still time to secure a few resistant plants from a neighbor to compare on land where root rot is present.

The County Agent's office will assist farmers in locating a few resistant variety plants for demonstrations where the plants cannot otherwise be located.

WILTON STEPHENS IS CANDIDATE

FOR RE-ELECTION TO OFFICE OF COUNTY ASSESSOR—HAS SERVED FOR PAST TWELVE YEARS.

Wilton Stephens, present Tax Commissioner of Boone County, makes his formal announcement for re-election in this issue of The Recorder.

Mr. Stephens is well known to the voters of Boone County, having served in an efficient manner as Tax Commissioner for the past twelve years. During his term of office there has been no increase in the assessment of any type of property. Boone County is one of the few counties in the state not to have received an increase in real estate assessments during the past few years.

In making his announcement he solicits the support of the voters of the county, and stated if re-elected he would serve the County in the same manner as in the past.

He earnestly solicits your support in the coming primary Saturday, August 4, 1945.

THE NEW CHURCH IN THE PAGAN WORLD

LESSON TEXT—1 Timothy 3:11-16; 1 Peter 4:12-13
GOLDEN TEXT—Seek ye first the kingdom of God, and his righteousness.—Matthew 6:33

The church is world-wide in its ministry. Its first experiences of both advance and attack were in Jerusalem, but in due time the Lord pressed its members out into the Gentile world to preach the gospel. These believers had to meet the challenge of a pagan world, rich in power, and steeped in age-old philosophies which ran counter to the teaching of Jesus Christ. The story of how the church met that situation and came through victorious is one of the most thrilling and important sections of world history. We catch but a few glimpses of that time in the writings of Paul and Peter which make up our lesson today, but even these are full of instruction and inspiration. The church appears here as it went on:

1. Fighting the Good Fight of Faith (1 Tim. 6:11-16).

In the letter to Timothy, the Holy Spirit used Paul to instruct the early church regarding its life in the midst of an unbelieving world. In the verses immediately preceding our lesson we find a solemn warning against the wrong attitude of having a worldly possession. "Godliness with contentment" is declared to be great gain.

But there is more to Christianity than inward grace, for that must show itself in daily fighting "the good fight of faith." That is done in three ways:

1. By godly living (v. 11). Believers are to see those things which hinder spiritual progress, and give themselves to the cultivation of graces of a true Christian life. Space does not permit discussion of these fine virtues of the faithful follower of Christ, but note how tremendously effective they could be (yes, and are today) against paganism. It is so true that the best argument for Christianity is a Christian, but he must be a real one.

2. In holy warfare (v. 12). Living for Christ is not accomplished by sitting in a spiritual rocking chair while the enemy is on the attack. No indeed. There is a good fight to be waged, both personally and as a body of believers.

"The Son of God goes forth to war" against evil in our day. "Who follows in His train?" Thank God, there are those who are on the battle line for God, but they need reinforcements. Who will volunteer today?

3. With blessed expectation (vv. 13-16). The soldier is ready to bear the "blood, sweat, and tears" of deadly conflict because he looks for victory. The soldier of Christ has a sure hope, for he follows Jesus Christ, already victorious over death, and one day soon to appear again as King of Kings and Lord of lords.

In view of that expectation, the Christian is to live a consistent, clean and irreproachable life. And why not? If we look for the glorious and blessed and only Potentate, should we not be ready?

II. Meeting the Fiery Trial of Persecution (1 Pet. 4:12-16).

As Peter comforted the sorely tried believers in the early church, he urged them to meet their persecutions:

1. Without confusion (v. 18). We should expect trials in this world; yes, severe, fiery trials. Such things are common to all mankind, and the Christian should not expect to escape.

To them, such trials are real tests of their faith, an opportunity to show to the unbelieving world that God is able to deliver those who put their trust in Him. To be forewarned is to be fore-armed. "Think it not strange concerning the fiery trial."

2. With exceeding joy (vv. 13-15). The believer is not to be ashamed of the troubles he bears for Christ's sake. A glory rests upon the one who is privileged to be a "partaker of Christ's suffering" (v. 14) as he stands with Him who was "a man of sorrows and acquainted with grief" (Isa. 53:3).

Note that the believer is not to do anything which would justify others in making him suffer. It is a disgrace, a shame, which injures the cause of Christ, when a believer has to suffer because he has broken the law, or because he is "a busybody (R. V. "meddler") in other men's matters."

3. For the glory of God (v. 16). The entire life of the believer should be lived for God's glory. If, then, he is called to pass through trials or to be persecuted for his faith, that, too, is something to be so borne as to glorify God.

The follower of Christ does not hang his head in shame as the difficulties of life come upon him. He trusts God, and by his poise and grace in the midst of difficult circumstances, declares to all the world that God is able to deliver.

Fvt. Russell Martin, son of Mr. and Mrs. Kelly Martin, Burlington, N. J., now stationed in the Pacific, writes the following letter to his parents:

"Just a few lines as I have a chance to write. I am on the front lines now in a fox hole. Mom, it is awful—the good Lord has been with me or I would not be here now. Almost all my buddies got killed. I am on Okinawa. If you read the papers you will know what it is here. A Jap shell just hit near my foxhole so I've got to close soon. I've killed some Japs already, and I'll tell you how when I get back to the rest area, and I'll tell you all my experiences when I have time."

Herna C. Mathews received the following letter from her son, Sgt. Robert Lee Mathews, stationed in Germany:

"Dear Mother: 'Will tell you of our travels from the time we left Myrtle Beach, S. C., U. S. A. until we came to our present location. From Myrtle Beach we went to Camp Klinger, near Brunswick, N. J., and close to Rutgers University. I believe Don also was there before he left the States. Here we stood many exams or inspections, were issued new equipment and received training in getting in and out of boats, as well as in the use of life jackets. We ate our Thanksgiving

ton Court, about 18 miles from Reading in Berkshire County. Here we began to feel a little better; we were getting better acquainted with the English people and were given frequent passes into Reading. I might also add that here we heard the first bomb fall.

"From Aldermaston we went to Keeville near Trowbridge, spent several weeks there, then moved to Warmwell on the South English coast directly across the channel from the Cherbourg peninsula where the first landings were made on D-Day. Here we were about 8 miles from Weymouth and 20 miles from Bournemouth.

"We were assigned to the Fighter Group here to which we still are attached. Suppose it will be all right to tell you now that we work on P-51 Fighter Bombers, also on P-51 Night Fighters Black Widow which were kept secret for so long.

"We left here in July for Weymouth where we boarded L. S. 1's and crossed the channel, landing at Omaha Beach on the Cherbourg Peninsula. We were stationed near Isigny for a short time. Shortly after the St. Lo break through we moved to St. James near La Mans. From here we moved to Perrone near St. Quentin. It was on this move that I was lucky enough to spend a few hours in Paris.

"Our next move (Oct. 1st) was to Florence, Belgium near Charleroi where we spent the winter and were lucky to move into good quarters in November after several weeks in tents and mud up to our knees.

"We left there in the middle of March going to Euphrates, Germany near Bielefeld and Cologne. From here we went to Kassel for a short stay, and then came to our present location at Lagenau which is near Erfurt, but we are leaving soon to go further South.

"Well, that is it, not very descriptive, but I can tell you more when I see you, although as one fellow said, 'All I want is a very faint memory of the whole darn thing.' 'I forgot to mention that last spring we were sent up in Wales for battle value training. It was hilly but pretty and the people were very friendly. I liked it better than England.'"

Following is a letter received by Mr. and Mrs. Ed Black, of Union, from their son S-Sgt. George E. Black, stationed in Pistoria, Italy:

"Hello Mom and Dad, 'Say do you know what I'm going to do for the first time in twenty-six months?—Going to write you a letter and actually send it myself. You know censorship has lifted.

"Here I am in Pistoria, Italy, not far from Florence. What I'm doing and where I've been, Sis knows and was a good guesser. I had the occasion to go through the Gothic line into Bologna. If things hadn't ended when they did I would have been around in Brenner Pass.

"The past weeks we have been supervising a few hundred dago civilians road workers, trying to get some of the main routes in shape. The Krauts can really blow them up.

"See in today's paper where old Mrs. Mussolini is down the road here in Montepescali. Cloro and I spent a nice quiet afternoon there yesterday in a club drinking ice champagne. Great place—mineral baths and all.

"Golly, Mom, there is so much I can say now that I just don't know where to begin. You people will have to ask some questions. Gosh, I'm ever so glad this thing is over 'over here'.

"Here are some of the most important things I have done during my stay here in Italy. First of all we built a very big hospital down around Naples to take care of the Cassino and Anzio boys. At the same time running a bridge depot, army. Things looked dull then. Came on up the line and worked with the Signal Corps, sweeping up mines following very close to the front. In fact too close, walking over the dead, mostly Krauts, and finally reached Rome, where they were fighting on the outskirts.

"From Rome I went back to Anzio and cleared mines up a signal line back to Rome. Then from Rome back to Anzio again and cleared a railroad track. Anzio was like a slaughter pen with decayed bodies everywhere and mines in every foot of soil. From Anzio I went back to Rome and joined the Company. We loaded a few miles of pipe line and then on up the coast, hitting all port towns. I left the company again at Cecina and was selected as one of the six men to advance with the Thirty-Fourth into Leghorn. Moved up with a line company of doughboys.

Brave bunch of guys, including me, until a shell fell within a few yards setting everything ablaze. That was when I began to shake. Yes, I shook from then on in. At any rate we made it into Leghorn, which was merely a mass of rubble and mines. It looked hellish. Immediately we six began clearing roads and mines. Six weeks later a port rose from the piles of destruction. All work for at least four weeks was done under shell fire. The Krauts were sitting at Pisa throwing them at us. We would shoot a charge of demolition, Jerry would see our duty and blaze away with his 'long' Tom. Recall once being by-passed by a dozen Jerries. Lucky me.

"After completing this, some fifty or sixty ration sheds were constructed. Then came the Arno bridge job for Black. A five hundred thirty foot bridge now spans the Arno river, carrying two large pipe lines which supply Leghorn with water. All was built in mud, snow, rain and freezing weather. That was finished and Black and his platoon laid several miles of emergency pipe lines.

"Then there came a need for a railroad bridge to be replaced so I supplied the front with gas and oil. Here comes Black and his boys. Seems like I will be here for a while yet. Most of my mail is catching up with me now and I have been receiving quite a few copies of The Record. I sure do enjoy reading them, even though they are a little old.

"The German people to me, seem quite set in their ways, but are ready to be governed by our forces. They all appear very interested in us and anxious to know what is going to happen next. Right now we are having quite a welcomed rest and are playing ball, swimming and just laying around, resting and waiting to see what we will do next.

"I got as far as the Isar river in the southern part of the country before it ended. We are quite a ways back now. I saw quite a bit of the Nazi boys and where it started. It is pretty well ruined and the people are busy cleaning up the rubble. I was in swimming this afternoon and got a pretty good burn. The weather is really summer here now and the sun is plenty hot. I imagine all the folks back there are quite busy now getting their summer work done. I sure wish I could be back there, helping out, but I guess we have a job over here watching these people and helping them get started again.

"Well, I am out of gossip now, so will close, hoping to see you all soon."

Melvin G. King Awarded

Fifth Bronze Star

First Troop Carrier Group, France, four times previously awarded Bronze Star for Troop Carrier action on the Western Front, Private First Class Melvin G. King of Burlington, Ky., has been presented with his fifth bronze battle star, "significant of service in five major campaigns in the European Theater of Operations."

Pfc. King's unit, the 436th Troop Carrier Group, commanded by Col. Adriel N. Williams of Shelbyville, Ky., performed Troop Carrier operations in the areas of Northern France, Southern France, Normandy, Rome-Arno and Germany. The Group was cited for its successful fulfillment of air drop operations on D-Day in Normandy, and has since carried out thousands of resupply and air evacuation missions between combat zones.

Pfc. King, son of Mr. and Mrs. A. King of Burlington, is a graduate of Burlington High School and prior to his entering the service in March, 1943, he was employed by the U. S. Government Survey Department in Burlington.

Part of Maj. Gen. Paul L. Williams U. S. Troop Carrier Force, the 436th Troop Carrier Group, previously based in England, is now stationed in France.

Specialist Will

Address Utopia Club

Carl W. Jones, older boys and girls' club specialist, will address Utopia Club members this Thursday evening, June 21st at 8:30 p. m., according to Sally Souther, secretary of the club. The meeting will be held at the Fish and Game Club House two miles north of Burlington on the Petersburg Road.

This meeting will be the first of a series of out-of-doors meetings to be held during the summer. The club invites all older boys and girls interested in improved agricultural and home economics practices to attend and take part in the club activities.

Daredevils To Appear

At Lawrenceburg Fair

With many new thrillers in their program for 1945, B. Ward Beam's International Congress of Daredevils will appear at the Dearborn County Fair, Lawrenceburg one afternoon and night only, Wednesday, July 26.

Everyone who has ever seen the Beam thrill show says it's the best the country has ever had, and that's because his famous daredevils actually crash their automobiles into a mass of complete wreckage and the stunt men survive these sensational stunts by some unexplained miracle. All the cars are regular passenger cars with no safety device except a safety belt which holds the Hell Drivers in their seats. This show will appear at the fair on the above date only.

Lt. Anna L. Grant

Stationed in California

First Lieutenant Anna L. Grant, daughter of Mr. and Mrs. Charles Grant, of Petersburg, George Road, is now stationed at Piedmont, California, after being stationed in the European Theater for many months.

Lt. Grant recently enjoyed a 14-day leave at home. After her thorough the visit to New York and Los Angeles, she returned to her unit.

Three radio speeches. After spending ten days in New York she left for Camp Kumer, N. Y., spending seven days there. From there she was sent to Atlantic City for a much needed rest where she spent 14 days.

She asked for assignment to California and is now stationed at the Piedmont Regional Hospital. She expects to remain in the States.

A brother is stationed in Germany having participated in four major battles and has had 4,000 miles of combat duty.

Approximately three-fourths of the tobacco plant beds in Garrard county were injured by blue mold and by cold weather.

The Recorder is authorized to announce

R. M. COKE HALL as a candidate for re-election as State Representative from the Counties of Boone and Gallatin, subject to action of the Democratic primary, Saturday, August 4, 1945.

The Frozen Food Locker sign-up for the Burlington plant will close in a few days. Get your contract in at once to assure locker service.

Best Use of War-Time

Canning Equipment Shows

Best use of war-time equipment is being shown in canning demonstrations given throughout the county. Both pressure canner and water bath methods of canning are used, and ways to treat lids and rubbers are explained.

Changes of pressure canners may also be checked for accuracy at these demonstrations. While the whole lot of the canner, but have the gauge loosened for easy removal.

Demonstrations get to be held are June 21, Burlington schoolhouse; June 22, Helton schoolhouse; and June 27, home of Mrs. Jack Purdy, Waterloo. All demonstrations start at one o'clock, and the public is invited.

Mrs. Pearl Haak, emergency war food conservation supervisor, University of Kentucky, urges the canning job to be given a priority rating in every kitchen in Boone County this year. With food demands from overseas on the increase, it should be the aim of every housewife to can at least 100 quarts of fruits and vegetables for every family member.

Although fruit has a better flavor and appearance when canned with sugar, none should be allowed to go to waste because of scarcity of sugar. Fully ripe fruit may be canned without sugar and its natural sweetness will make it good for use in salads. Corn syrup or honey may be substituted for a part of the sugar in canning fruits.

Don't Worry About Us!
We'll do it!

Tues tell us that the fat salvage problem has got to be licked in the small cities, the towns and on the farms.

Our country has to have one hundred million more pounds of used fats this year. And we're the people who must save it. We've rolled up our sleeves! We'll save every drop and bit possible... and keep doing it till the last jar is licked.

HOW TO DO IT: Save all used fats in a tin can. Keep it handy to the stove. Scrape your broilers and roasting pans, skin scraps and gravies. Keep meat trimmings and table scraps in a bowl. Melt them down when your oven's going, add the liquid fat to the salvage can. Take can to your butcher as soon as it's full. He will give you four cents and two red points for every pound. Your County Agent or Home Demonstration Agent can give you full particulars.

100,000,000 More Pounds of Used Fats Are Needed This Year!

Approved by WFA and OFA. Paid for by Industry.

TOM WALLACE, for fifteen years editor of THE LOUISVILLE TIMES, has his roots deep in the soil of Kentucky. A fifth generation Kentuckian, he was born at Hurricane and moved to Shelby County when he was a boy. Still a farm-dweller, at Prospect, he gets up each morning at 5:00, personally tends his poultry flock, confers with his tenants and brings the milk from his Jersey herd into town. By 8:30 he is at his desk starting his prodigious output of editorials and articles.

Wallace started out as a bookkeeper but quickly realized that his interest lay in the news world. In 1900 he began his career at The Times. Five years later he joined The Courier-Journal as editorial writer and drama critic under "Marse Henry" Watterson. In 1923 he was made chief of The Times editorial staff. In 1930 Times editor.

Concerned with conservation since he was twelve, Wallace has championed by speech and editorial the preservation of our natural resources. Almost single-handed for a time, he fought to save Cumberland Falls for the state, which won him the Pugsley Silver Medal. The annual Tom Wallace Forestry Award is named in his honor.

A world-traveler, he has for the past few years pointed his trips toward South America, especially Mexico... writing keen, sympathetic articles south of the border. This month he flew to Caracas for a meeting of the Inter-American Press Association of which he is U. S. vice president.

The Wallaces have two children, a daughter, Mrs. Leo Handel, whose son Tommy is named after his grandfather; and a son, Henry, an officer in the Merchant Marine, somewhere in the South Pacific.

THE LOUISVILLE TIMES

BIG BONE W. M. S.
Our regular monthly meeting was held at the church in the afternoon with six members and one visitor present. We opened by singing "Nothing But the Blood" and "Love Lifted Me," followed by the repeating of our watchwords. Our devotional, taken from Psalms 110 and 40, and prayer were rendered by Bro. Hogan. Mrs. Thos. Huff began our program "Today's Youth—Tomorrow's Hope." Mrs. Orin Edwards, Mrs. Jim Aylor, Mrs. Frank Allen, Mrs. Samuel Hogan and Mrs. Wm. Wesley Aylor also took part on the program. Mrs. W. W. Aylor gave a reading on "Public School Evangelism." The report on visiting of our shut-ins and sick was given by Mrs. Hogan and prayer for them was offered by J. A. Aylor. After a short business session with roll call, reports, etc., we were dismissed in prayer by Mrs. Huff. Mrs. Wm. W. Aylor, Pub. Chmn.

CONSTANCE HOMEMAKERS
The June meeting and picnic was held June 8th at the home of Mrs. Adam Reeves. There were 13 members, 5 visitors and ten children and Mrs. Mary Townsend present. We were sorry that Miss Gillespie would not be with us that day. The meeting was opened by our president Mrs. Vera Dolwick by singing "God Bless America," also salute to the flag and reading our club collect. The business meeting was held in the morning. At the noon hour a delicious luncheon including ice cream and cake was spread on tables on the lawn which was enjoyed very much by all. The afternoon was spent with playing games and winning prizes. Our September meeting is to be held at the home of Mrs. Will Zimmerman. —Publicity Chairman.

Government Instrument Found By Deputy Sheriff

Deputy Sheriff Irvin Rouse was called to the Hebron neighborhood Monday morning where it was reported a colored parachute with an instrument was dangling from an electric line. Upon investigation, Rouse found a red parachute attached to an instrument dangling from the R.E.A. line. Upon removing the gadget he found it to be a weather instrument sent out by government officials, with a label requesting the finder to return to the nearest U. S. Naval or Army station.

LAMB CROP DOWN 10 TO 12 PERCENT

The Kentucky lamb crop is expected to be 10 to 12 percent below the 1944 production, says a statement issued by the Department of Markets and Rural Finance at the Agricultural Experiment Station at Lexington. The marketing season in Kentucky is exceptionally high quality lambs selling at \$18 a hundredweight. Prices by June 1, however, settled down, with good and choice lambs bringing \$16 to \$16.50 and under-finished and lightweight lambs selling down to \$12. Favorable weather during the lambing season in Kentucky and the fact that poor-producing and barren ewes were culled from flocks during the past two seasons, resulted in more lambs per ewe being saved than is usually the case. Consequently, even though flocks in Kentucky were reduced by 14 percent over the year, the lamb crop is expected to be only 10 to 12 percent below that of 1944.

Marketing of Kentucky lambs is expected to be slightly later than usual, as a large percentage of the lambs was born after March 1 and many producers are holding lambs to heavier weights. In many cases where lambs are developing well and there is ample pasture, producers may find it advantageous to hold lambs until they reach at least 85 pounds in weight or are well finished before marketing. Strong demand for meat is causing heavier weight lambs to be sold, as much as 100 pounds selling as well as lambs weighing 75 to 80 pounds, which normally bring top prices.

Although about the usual seasonal price pattern is expected this year, because of the strong demand for meat and the relatively short meat supply prices may not show as much decline during the summer months as normally occurs.

WAR WORK TAKES MANY FROM FARMS

Men and women leaving farms for war plants has tended to relieve overcrowding in farm homes, says the Kentucky Agricultural Experiment Station. Homes should have at least one man and one woman, it says. But in eight magisterial districts in eastern Kentucky, containing 40,000 persons, the 1940 census showed that 45 percent of the houses had more than a person and a half per room.

In 1944, however, a survey of the same area found an average of 20 and 25 percent of the houses overcrowded. There also were many vacant houses. The report adds that "the temporary reduction in overcrowding, of course, would be reversed by a full return of war-time migrants."

WEA ANNOUNCES LOANS ON WHEAT

The War Food Administration has informed the Kentucky College of Agriculture that it has completed the details of its commodity loan program to support the price of this year's wheat at a level reflecting 90 percent of parity or a national average of about \$1.38 a bushel on a farm loan basis. If the parity price of wheat advances more than 1 cent a bushel before July 1, an adjustment will be made in the new loan rates, it is announced. Loans will be made on wheat stored on the farm or in approved warehouses. Wheat stored on farms until April 30, 1946, will earn a storage charge of 7 cents a bushel. Loans will mature April 30, 1946, or earlier on demand. The terminal loan rate for Kentucky wheat is \$1.61 at Louisville.

PROGRAM WOULD AID KENTUCKY DAIRYING

An artificial breeding program may come to Kentucky to help improve dairying, the second largest farm enterprise, says a statement from the College of Agriculture and Home Economics at Lexington. Such a program would give owners of small herds the use of the best sires, increase milk production and make dairying more profitable. It would mean that small dairy farmers could raise their own high-producing cows. Kentucky has many good herds of high-producing dairy cows, says the statement, but owners of small herds often are not in a position to use highly bred sires. Often they are compelled to breed to inferior dairy sires or even to beef sires, which means they eventually have to buy cows. The artificial breeding program would enable them to raise high-producing cows from some of the best sires.

LOWER GUNPOWDER

Mr. and Mrs. Chester Hill, Mr. and Mrs. George Sullivan and son were dinner guests one day last week with Ross Shinkle and family. Mrs. Schwenke spent Saturday afternoon with the Shinkle sisters. Mr. and Mrs. Everett Ryle, Mr. and Mrs. H. C. Love, Mr. and Mrs. P. H. Stover, spent Sunday with Mr. and Mrs. Garland Huff and daughter, of Florence. Mrs. Dorothy Williams is spending several days with her aunt, Mrs. Katie Abdon, of Covington. Mrs. Grace Feldhaus was shopping in Covington, Thursday. We hope Bro. R. A. Johnson will soon be able to about again.

THE BOONE COUNTY RECORDER

ESTABLISHED 1875

BURLINGTON, KENTUCKY THURSDAY, JUNE 23, 1945

BURLINGTON LADY ENDS LIFE SUNDAY

ILL HEALTH SAID TO BE CAUSE OF ACT—FUNERAL SERVICES HELD TUESDAY AT TALLAFERRO FUNERAL HOME.

Mrs. Stella May Berkshire, 75, ended her life early Sunday morning by drowning herself in a cistern at her home near Burlington.

Mrs. Berkshire had been in ill health for several months, and had become despondent, according to reports.

Her husband discovered the body in the cistern early Sunday morning when he went to the barn to milk.

Mr. Berkshire noticed her shawl and shoes near the cistern and upon investigation discovered the body. Coroner H. E. White was summoned and the body was removed.

Mrs. Berkshire apparently had been dead since midnight. She had arranged her bed to appear that she was in it, by placing pillows in the shape of her body. She had requested her husband to leave the doors open that night on account of the heat she told him.

Mrs. Berkshire is survived by her husband, Ed Berkshire, a stepson, Rex Berkshire, Burlington; a daughter, Mrs. Nellie Rose, Chicago and four brothers, Howard Fenton, Memphis, Tenn.; William Fenton, Watsonville, Calif.; and Henry and Robert Fenton, both of Cincinnati.

Funeral services were conducted at 2:30 p. m. Tuesday at the Tallaferrero funeral home, Erlanger, with burial in Evergreen Cemetery, Southgate.

Bellevue Nine Easy Winners Over Burlington

Bellevue took another game from the Burlington nine last Saturday by the score of 11 to 4. Bellevue took a two-run lead in the first inning which they maintained throughout the game.

Ivan Gason, Bellevue hurler was in true form, marking up his fourth victory of the season. He struck out 11 opposing hitters. Smith was the losing pitcher, being relieved by Bob Brown in the second inning.

Scott collected two doubles and a single for five to lead the winners at the plate. Stephen Stephens and Phil Yelton led the Baptists with two hits each. Yelton, who is one of the leading hitters in the county plays second base. He is a right hand hitter and throws left-handed. Although he is somewhat handicapped in fielding the infield he is considered the best second baseman in the county. He is now hitting over .380.

The Fourth of July will be a big baseball day when Walton goes to Bellevue for a twin bill and Burlington will be host to the Petersburg team for a doubleheader. The first game starts at 1:30. All baseball fans who wish to enjoy a good afternoon of baseball, attend these games.

Max Ryle, son of Dr. and Mrs. K. W. Ryle has been visiting relatives in Georgetown.

JOE HUEY ENTERS RACE FOR JAILER

HAS BEEN A RESIDENT OF BURLINGTON FOR PAST THIRTY YEARS—HAS NEVER HELD A POLITICAL OFFICE.

Joe Huey, of Burlington, officially announces his candidacy for Jailer of Boone County in this issue of The Recorder.

Mr. Huey has been a life long resident of Boone County and has been the past thirty years in the Burlington precinct, and is well known throughout Boone County. He is a son of the late Rass Huey of Big Bone.

Mr. Huey stated he had never held or sought a political office prior to this election. If nominated and elected he promises to fill the office which he applies to the best of his ability, and will devote his entire time to the duties of Jailer.

Due to gas rationing and other transportation difficulties, Mr. Huey stated he would be unable to make a thorough canvass of the county, but would make an effort to visit each precinct in the county before election and will contact as many voters as possible. He earnestly solicits your support in the coming primary, Saturday, August 4, 1945.

RECORDER BEGINS SEVENTEENTH YEAR

With this issue of The Recorder, we begin our seventeenth year of continuous service to Boone County.

Although the present editor did not see Volume 1, Number 1 of the press, he is proud of the fact that the paper has served the people of Boone County all these years.

At the beginning of the 70th year, we desire to take this means to express our sincere appreciation to those who have made it possible for the paper to prosper and express our earnest desire to serve the people of the County to the best of our ability.

Your patronage has been deeply appreciated, and we hope to merit your support in future years.

Florence Man Fined Monday On Charge Of Having Illegal Seize

Kenneth Griffith, of Florence was fined \$25.00 and costs in Judge Cropper's Court Monday morning on a charge of having an illegal seize in his possession. The seize was confiscated by Conservation Officer Edwin Johnson, Friday of last week.

Officer Johnson stated that the seize measured approximately 90 feet.

'45-46 OPERATOR'S LICENSE ON SALE

IN CIRCUIT CLERK'S OFFICE—OLD LICENSE MUST BE RETURNED TO CLERK—COST OF LICENSE \$1.00.

The 1945-46 Operator's Licenses have been received in the Circuit Clerk's office from the Department of Revenue and are now ready to be issued.

Persons calling for their license should bring their old license, that is, their 1944-45 license; persons may bring in the licenses of other people and have them renewed.

Applicants under the age of 18 years must have the signature of their father before they can obtain a license; license should be obtained in the county of your residence. The cost of the license is \$1.00.

Persons who have not had a license for the past year, 1944-45, can not obtain a 1945-46 license until the first of August, except that they may purchase a license for 1944-45 and have it renewed immediately for 1945-46, each license costing \$1.00.

The Clerk will at a later date announce a schedule giving the dates and the places where he will be in the various towns of the County for the purpose of permitting people to renew their license. This is generally done the last of July.

All Operator's Licenses expire July 31, 1945 and should be renewed before that date.

District Supervisor To Visit Fish And Game Club Thursday, July 5

R. W. James, District Supervisor of the Kentucky Fish and Game Division will attend the next regular meeting of the Boone County Fish & Game Protective Association which will be held Thursday, July 5th.

Mr. James, recently appointed to this post will discuss problems of the local area with sportsmen at this meeting. He will work directly with sports in his district.

Members and friends of the organization are urged to attend this meeting. Refreshments will be served by the committee.

Vacation Bible School In Progress At Sand Run

The Daily Vacation Bible School in progress at Sand Run Baptist Church has proved to be one of the finest schools ever held to date. Eighty-two teachers and pupils are enrolled with an average of 71 in attendance.

Commencement exercises will be held on Sunday night, July 1st at 7:30 p. m. Everyone cordially invited to attend.

YELTON FILES ANNOUNCEMENT

FOR RE-ELECTION AS CIRCUIT COURT CLERK—HAS SERVED THE PUBLIC FOR PAST 12 YEARS.

A. D. Yelton, of Burlington announces his candidacy for re-election as Circuit Court Clerk, in this issue of The Recorder, subject to the Democratic primary, Saturday August 4, 1945.

Mr. Yelton needs no introduction to the voters of Boone County, having served as Circuit Clerk for the past twelve years, which position he has efficiently filled. During his term of office he has probably met more Boone County citizens than any other official, due to his long Operator's License through his office.

His office has been conducted in a very efficient manner during his 12 years, and if nominated and elected, no doubt will be kept in the same manner in the future. Mr. Yelton makes the following statement:

"Having filed my declaration as a candidate for the nomination to the office of Clerk of the Boone County Circuit Court, I hope that I may again receive the nomination and election to that office. I doubt if any person that you have ever County appreciated more sincerely than I do the trust placed in them and the job which you gave them. Those are my main thoughts as I become a candidate again and I hope that I shall never fail to reflect my appreciation in the character of service which I render, as long as am privileged to hold a public office."

Ten Demonstrations Given In Boone County

Ten demonstrations in home canning have been given throughout the County during the month of June by Mary Louise Townsend, War Food Assistant, and twenty gauges of pressure canners have been tested for accuracy.

In connection with these demonstrations Spillage Clinics were held, when anyone present had a chance to present special problems. Attention was paid to the particular difficulties resulting from wartime equipment. It was suggested to prevent the synthetic rubber rings flavoring the food in the jars, that each dozen rings be boiled for fifteen minutes in a quart of water into which a tablespoonful of soda had been added. Rinse the rings in clear boiling water before putting on the jars.

It was stressed that food must be fresh and at its prime for canning—one hour from garden to jar if possible.

Use of the various types of jar closures was illustrated, and the importance of following the directions that come with the lids was shown.

It was explained that all food should be pre-cooked, packed hot into sterilized jars, and processed either in a water bath or pressure canner, for the exact length of time shown in the canning instruction bulletin. Dangers of open kettle canning, oven canning or use of canning aids were pointed out.

It was explained that the seal on a jar is completed as it cools, and for that reason the jar should never be turned upside down to cool, nor should the lid be re-tightened after it has cooled.

Advisability of storing canned food in a cool, dark, and dry place was shown.

It was explained that fruits could be canned without sugar, or that syrup could be substituted for one-third the amount of sugar, or honey for one-half the sugar. It was urged that all fruits and vegetables be canned to provide food for the winter, when it will not be possible to buy at the stores all that is needed for proper nutrition.

Farmers Urged To Harvest Balbo Rye

Farmers are urged to harvest for seed all fields of Balbo rye according to the County Agent's office. Balbo rye has proven one of the best growing and best grazing winter cover crops. There has been an acute shortage of good Balbo rye seed in the past.

Mrs. George Freeland and Mrs. Milburn Mills and daughter Ellen, of Florence, were Sunday guests of their parents, Mr. and Mrs. Tom Hensley.

Grandson Of Union Lady Killed On Okinawa

Mrs. Myrtle Marshall received announcement of the death of her grandson, Sgt. Clyde E. Clements, who was killed in action on Okinawa, June 23.

Sgt. Clements had been overseas 11 months and in the service 4½ years. He was a member of the Sixth Marine Division. He was 23 years of age.

He leaves his wife Dorothy Clements; one daughter Darlene, 11 months old; his parents, Robert Clyde and Sallye Clements and a number of other relatives and friends who will mourn his passing.

Harry W. Cress Receives Honorable Discharge Holding 114 Points

T-5 Harry W. Cress, son of Mr. and Mrs. Calvin Cress, of Burlington received an honorable discharge from the U. S. Army at Camp Aitover, Ind., Saturday, June 23rd, with 114 points to his credit.

Harry enlisted in the service 5½ years ago, and had been overseas for the past 34 months. He landed in England August 17, 1942, and from there was sent to Oran, Africa, when he spent ten months. From Africa he was transferred to Italy where he spent approximately two years.

Harry participated in the Anzio invasion and took part in the battle of Cassino. He was attached to the Medical Corps.

He holds the Overseas Medal, five Bronze Stars, Good Conduct Medal and a Driver's Medal.

Harry arrived home, early Sunday and plans to take a much needed rest before returning to work in his father's shop. His many friends in the county extend him a cordial welcome on his return home.

Mrs. Gladys Jackson

Mrs. Gladys Jackson, of Francesville, passed away at her home Friday after a long illness. She was 43 years old, and was a native of that community.

She is survived by her parents, Mr. and Mrs. R. S. Wilson; four brothers, Alfred and Howard, of Francesville; Bernard of Hebron, and Lawrence, of the U. S. Navy; and two sisters, Mrs. Franklin Ryle of Francesville and Miss Jessie Wilson, of Cincinnati.

Funeral services were conducted at 2 p. m. Saturday at Sand Run Baptist Church with burial in the church cemetery.

Funeral arrangements were in charge of the Catherman funeral home, Ludlow.

MAGISTRATE IS CANDIDATE

FOR RE-ELECTION FROM FIRST MAGISTRAL DISTRICT—HAS SERVED FOR PAST FOUR YEARS.

Edgar S. Graves of Bullittsville officially announced his candidacy for Magistrate from the first district of Boone County in this issue of The Recorder, subject to the action of the Democratic primary, Saturday, August 4th.

Mr. Graves has served his district composed of Bullittsville, Hebron, Constance, Petersburg and Bellevue precincts, for the past four years, which position he has filled to the best of his ability.

Mr. Graves makes the following statement to the people of his district:

"I feel that I am better acquainted with the duties of this office."

"I have tried to serve the people of my district, also the county as a whole."

"If the voters of this district see fit to re-elect me I will endeavor to serve them as I have in the past."

DAMAGE CAUSED BY HEAVY RAINS

CROP YIELDS MAY BE FURTHER REDUCED UNLESS ATTENTION IS GIVEN TO CULTIVATION OF GARDENS.

Home gardens have suffered from the recent heavy rains, according to the County Agent's office. Unless careful attention is given to the cultivation of the garden, both weeds and poor growth may further reduce crop yields.

Home food production represented a large percent of the food produced by the nation last year. Food is now more scarce and all families are urged to produce a maximum home food supply. Prizes will be awarded Boone County families this year, who produce, store and can their home grown food supply. Entries in this contest should be filed at the Home Demonstration Agent or County Agent's office in Burlington.

Late gardens, poultry and meat supplies can still be successfully started for next winter's food supply. The dates for planting late corn, beans, potatoes, tomatoes, and most other crops will soon be at hand. A good application of high grade commercial fertilizer at planting time will increase the yield of all late crops. Improved curing, canning and storage practices should enable every farm family to secure an ample supply of poultry, lamb, beef and pork. Families desiring special information on any phases of the home food production program are invited to contact the County Agricultural or Home Economics Extension offices.

Cpl. James E. Rogers, Jr. Among Group To Receive Presidential Citation

Cpl. James E. Rogers, Jr., son of Mr. and Mrs. Edna Rogers, of Bellevue, a member of the 71st Amphibian Tractor Battalion was among the group to receive the Presidential Unit Citation of the Fourth Marine Division, reinforced.

The citation, signed by James Forrestal, Secretary of the Navy, follows:

"For outstanding performance in combat during the seizure of the Japanese-held islands of Saipan and Tinian in the Marianas from June 15 to August 1, 1944. Valiantly storming the mighty fortifications of Saipan on June 15, the Fourth Division, reinforced, blasted the stubborn defenses of the enemy in an unrelenting advance over the perilously rugged terrain. Unflinching despite heavy casualties, this gallant group pursued the Japanese relentlessly across the entire length of the island, pressing on against bitter opposition for twenty-five days to crush all resistance in their zone of action. With but a brief rest period in which to reorganize and re-equip, the Division hurled its full fighting power against the dangerously narrow beaches of Tinian on July 24 and rapidly expanded the beachheads for the continued landing of troops, supplies and artillery. Unchecked by either natural obstacles or hostile fire, these indomitable men spearheaded a merciless attack which swept Japanese forces before it and ravaged all opposition within eight days to add Tinian to our recent conquests in these strategically vital islands."

Pvt. Leamon E. Wadsworth Enjoying 30-Day Furlough

Pvt. Leamon E. Wadsworth, son of Mr. and Mrs. John H. Wadsworth of Rabbit Hash is enjoying a 30-day furlough with his parents. Pvt. Wadsworth has spent the past four months overseas, and was wounded March 2, 1945 in Germany.

He entered the service April 7, 1944 at Ft. Thomas; received his infantry training at Camp Hood, Texas and later received paratroop training at Ft. Benning Ga.

Pvt. Wadsworth stated that he was grateful to the Red Cross for the fine service given him while in the hospital and on the front lines.

School Board Meeting Postponed One Day

Due to the fact that July 4th, a legal holiday, comes on the regular meeting night of the Boone County Board of Education, the Board meeting has been postponed one day and will convene on the evening of July 5th for the transaction of all matters of business.

142-ACRE FARM SOLD

J. E. Ryle sold his river bottom farm of 142 acres in East Bend, several days ago, to Ned Turner of Cincinnati. The deal included tractor, farm tools and some live stock.

Possession will be given next March. Negotiations were handled through A. B. Renaker.

RECORDER WILL BE FURNISHED DAY EARLY

Due to July 4th falling on Wednesday of next week, The Recorder will be published one day earlier, going to press Tuesday evening.

Advertisers, correspondents and others desiring items to appear in this issue should mail their copy early to insure publication.

Our office, along with banks, public offices and several business houses will be closed all day Wednesday, July 4th.

Former Resident Dies In California Saturday

A message has been received by relatives telling of the death of Mrs. R. L. Clutterbuck (nee Anna Garrison) at Los Angeles, Calif., Saturday June 23, 1945. Burial was in "Wee Kyrk of the Heather" Forest Lawn Cemetery, Tuesday, June 26th.

Mrs. Clutterbuck leaves her husband, R. L. Clutterbuck, (who with a brother H. G. Clutterbuck operated a grocery in Burlington for many years before going to California, about forty years ago), and two sons Warren who lives in Los Angeles and Roy Jr., who has just returned from the South Sea, and a brother William Ryle also of Los Angeles, and many relatives and friends in Boone County.

FOUR-H CLUBS PLAN 12 TOURS

MORE THAN 500 FOUR-H MEMBERS WILL BE VISITED BY OFFICERS, LEADERS AND AGENTS DURING TOUR.

Twelve Boone County 4-H Clubs will hold project visit tours during the next six weeks, according to the County Agent's office. More than 500 Four-H members will be visited by 4-H Club officers, adult leaders and agents on these tours. Project work and record books will be inspected.

The schedule of the tours is as follows: Walton, June 29th; Hebron, July 10th; New Haven, July 11th; Verona, July 12th; Burlington, July 13th; Constance, July 15; Florence, July 19th; Petersburg, July 31st; St. Paul's, August 1st; Grant, August 2nd; Burlington No. 2, August 7th; Hamilton, August 8th.

The officers and leaders will meet at the school at 9:30 a. m. on the date of the respective club tours. They will attempt to visit each member of the club during the day.

Mrs. Marrilla Sorrell

Mrs. Marrilla Sorrell, of Elsmore passed away at her home Sunday after a brief illness. She had been a resident of Elsmore for the past 40 of her 74 years.

She is survived by a daughter, Mrs. Earl Wadsworth, Erlanger; a son, Lt. Harry B. Collins, U. S. Navy, now stationed in Hawaii, and a brother, Estill Billiter, Berry, Ky.

Funeral services were conducted at 2:30 p. m. Wednesday at the Erlanger Baptist Church, of which she was a member. Burial was in Highland Cemetery.

Phil Tallaferrero, Erlanger funeral director was in charge of arrangements.

Mrs. Vada Lee Hunter

Mrs. Vada Lee Hunter, 31 Dixie Highway, Erlanger, died Sunday at her residence, after a short illness. She was 96 years old.

Mrs. Hunter is survived by a son, Milton Hunter, Covington; a brother, Leslie Morgan, Owen County, and a niece whom she reared, Mrs. John Bonstark, Louisville.

Brief services in charge of the Tallaferrero funeral home, Erlanger, were held in Forest Lawn Memorial Park at 2:30 p. m. Monday, with Rev. George Bond, pastor of the Erlanger Baptist Church, of which she was a member, officiating.

BOND DRIVE GOAL EXCEEDED IN CO.

TOTAL OF \$498,261.00 IS SUBSCRIBED—DRIVE DOES NOT CLOSE UNTIL JUNE 30TH, SAYS CHAIRMAN.

Boone County has exceeded its quota in all classes of bonds in the Seventh War Loan Drive a week before the close of the drive, having raised \$191,952.50 in Series E Bond subscriptions against a quota of \$180,000.00, and \$306,318.50 in other bonds, against a quota of \$190,000.00.

The grand total of all classes of bonds subscribed up to last Saturday night, amount to \$498,261.00 against an over-all quota of \$350,000.00.

The subscribers for E Bonds, especially, may well feel proud of the above result in helping to exceed the quota on E bonds by 26 percent, as many sections throughout the nation are lagging in the sale of E Bonds. Subscribers to other bonds have made possible an over-subscription of approximately \$150,000.00 more than the over-all quota for Boone County.

The drive does not close until June 30th and very probably there will be additional sales this week to add to the above figures.

Boone County people evidently are interested in helping to win the war by doing what they can by way of buying war bonds, as the county quota has been raised this time and apparently less effort than in any drive in the past, and they will do it again when called upon by our Government in the next War Loan Drive.

Freeze Vegetables For Future Use

If Boone County gardens produce more peas, greens or beans than can be used on the table, but not enough for canning, a small quantity may be held a few days in the freezing compartment of the home refrigerator, according to household refrigerator specialists of the U. S. Department of Agriculture.

For finest eating quality, garden vegetables must be gathered when they reach just the right stage of maturity and tenderness. Left in the garden beyond this stage, they lose flavor and food value and become tough. Gardeners will be wise to pick all vegetables when they are just right, even if there more than the family can use on that day. The extras may be frozen and kept in the refrigerator for meals a few days ahead.

Wash and prepare the vegetables as for cooking. Blanch in boiling water the length of time recommended for freezing in lockers. Then cool, drain and pack the vegetables in refrigerator trays which have been lined with waxed paper. Out the paper large enough so that all four sides will fold over the food and tuck down securely at the edges. Place in the freezing compartment of the refrigerator.

Vegetables frozen this way will be ready to cook in just a few minutes. Never try to hold them longer than a week in the refrigerator.

TOM CRADDOCK IS CANDIDATE

FOR JAILER OF BOONE COUNTY—BORN AND REARED IN BOONE COUNTY—HAS BEEN A FARMER HIS ENTIRE LIFE.

Tom Craddock, of near Bullittsville, formally announces his candidacy for the office of Jailer of Boone County in this issue of The Recorder, subject to action of the Democratic primary Saturday, August 4th, 1945.

Mr. Craddock was born and reared in Boone County and has spent his entire life as a farmer. He has resided in several sections of the county and is well known to most citizens of the county.

In making his announcement Mr. Craddock stated that he would be unable to make a canvass of the entire county because of the tire and gas shortage, but would make an effort to see as many voters as possible.

He stated that he would appreciate any support given him, and if nominated and elected would fill the position to the best of his ability.

Lesson for July 1

LESSON TEXT—Genesis 1:1-3, 10-12, 16-18.
GOLDEN TEXT—God saw everything that he had made, and behold, it was very good.—Genesis 1:31.

GOD'S JOY IN CREATION

The destiny of this world seems to be in the balances in our day with wicked men ruthlessly trying to destroy that which is good and upright. We are deeply concerned in our hearts that the right should triumph and that a just and righteous God should rule the world.

In such a day it is good to remind ourselves, as we will in our three-month series of studies in Genesis, that man did not make this world, nor is it the product of natural forces. God made it.

God, who is eternal, infinite, and knows all from the beginning, is not moved by the impulses of the moment nor staggered by the catastrophes of a day.

He made the world. He made man. He had a plan for them, and still has a plan which He will in due season work out for His own glory.

I. God Made Heaven and Earth (1:1, 10-12, 16-18).
The biblical account of creation—"In the beginning God"—stands as a dignified, satisfactory, intelligent explanation of the origin of things, and in bold contrast to the confusing and almost unbelievable theories of men.

The best of scientists admit that they know nothing of the origin of things, and some say that they never will know. The answer to this query, with which every human philosophy opens, is the affirmation with which the divine account in Genesis opens—"In the beginning God."

Space forbids full discussion of the account of creation, but a study of it will reveal its beautiful order, symmetry, and completeness.

Compare that orderly account with the absurdities of the ancient human cosmogonies, and you have a new regard for Scripture.

II. God Made Man in His Own Image (vv. 26, 27).
Although man has often so debased himself by sin and disobedience to God that it seems almost unbelievable, it is nevertheless true that he was made in the likeness and image of God. Because that is true, we never give up hope for him. Because of that image, no matter how deeply defaced by sin, man still may be touched by redeeming grace and restored to fellowship with God.

The likeness and image of God in man refers to a moral and spiritual likeness. Man is a living soul with intelligence, feeling and will. He is a moral being, knowing the difference between right and wrong. He is a self-conscious, personal being.

To man God gave dominion over the earth and all its potential powers. Sometimes one has been amazed that man has made so good progress in the development of the earth's resources for his own good and the glory of God. But one is at last to see how he has used this great God-given opportunity for destruction and death. Only a revival of real Christianity can bring him back to his senses. Let us pray and work for it.

Observe that the family was established as the center of man's life on earth, as God gave him a "help meet unto him." Woman was taken "not out of man's head that she should rule over him; nor out of his feet to be trampled upon; but out of his side to be joined with him, under his arm to be protected by him, and near his heart to be loved by him" (Matthew Henry).

The decay of family life and the modern substitution of social and civic units as the basis of life have led to disastrous results, one of which is juvenile delinquency. Not only do we need a revival of religion, we also need a revival of the home life of the nation.

III. God Made All Things Well (v. 31).
When men do recognize the hand of God in creation, they often seem to feel that what He made was rather limited and defective. It would almost seem that God should be clever about perfecting His work, developing it and making it useful.

As a matter of fact, God, who had all knowledge and whose standards are higher than man's standards, could possibly be looked over His creation and "behold, it was very good" (v. 31). It was a "finished" job (2:1).

Man has destroyed much of creation's beauty. Sin has entered in and marred it. What man's inventive cleverness has developed of the possibilities of this world is only a minute fraction of what is yet available. Instead of boasting, man might well be distressed at the pathetic slowness with which he has "thought God's thoughts after Him."

Instead of fighting and destroying, he ought to give his energies to building, developing, and above all, to loving God with all his heart and his neighbor as himself (Matt. 22:37-40).

WITH OUR BOYS IN SERVICE

We are in receipt of the following letter from T. L. T. McKelvey, stationed at Munich, Germany:

"At last I have a spare moment to write you a little. Things are going on here in a very quiet way. The front line is now at Jerry's feet and he was defeated and threw his arms."

"It seems funny that people who have a country that runs in the No. 1 group for scenery and architecture and other things that go along to make it such a wonderful place, should be so busy in such a manner that fifty years of hard labor would be just the beginning of restoring it to its original shape, looks and beauty."

"I was amazed to see so many modern places over here. Some places even surpass the States in construction and beauty, while others are behind time, like France and England."

"Now the people are coming to the American troops trying to get sympathy and help for some small misdeed or other. Some Polish, Russian or French refugees have committed you see so many people who want to be a friend to us and still say deep in their heart they would rather kill you than look at you."

"It doesn't pay to believe everything they tell you or try to tell you. They are the people who once called themselves the super race, but found out by destruction and bloodshed that they are only human like the rest of us."

"Since my stay in Germany I've seen quite a bit of territory. It was very nice to see and now where I'm stationed there are many beautiful sights. One is the Alps. From where I am sitting now, I can see part of the Alps with their snow caps extending far into the sky."

"I have also had the pleasure of seeing the famous Munich Beer Parlor where Hitler on April 20 of each year made his famous speech to the people. Also here in Munich

is the famous Roudolph Hess home. It is one of the most modern buildings in Germany. A person would find it as modern as the Cincinnati Zoo in every respect. They have Russians taking care of the place for them. These Russians were part of the force who took 'Jerry' had taken care of the farms and productive industries throughout the entire country."

"You are probably wondering how the people live and work and so on. All I can say is it is a very wide way of making a living. They have very little power from machinery and most of the farming and other work is done by the women and by hand."

"It is nothing to see a 10 or 12-year-old girl out in the field with an ox team, or even a horse. What we would consider an ordinary milk cow, plowing or whatever she might be doing. Very seldom do you see men folk working in the field."

"Now you might ask why? All I can figure out is there is a man shortage and the men who are free and able to work, do nothing but ride around on their bicycles or stand around and gossip. It must be a custom for the women to do the work."

"As far as industry is concerned, I can say very little about it, because I don't know. There isn't much left of the big places because they were key bomb targets and they really got it."

"You have probably read and have been told about the non-fraternization policy they have here in Germany. The people here are beginning to realize that they have done wrong and want sympathy, like I said before. Now they want to talk to you and find out something. You turn your back to them or laugh at them and it seems to create a feeling in you that you shouldn't do that. It takes great will power to be true and hold up your end of the line. Some say it is no good and others seem to think the policy should be lifted. That is something not for us to decide. We are old enough to realize right from wrong and I hope

it will be that way throughout. "There isn't a lot of news to tell for this time, so I'd better close and get to work. I'm sorry I haven't written sooner, but time and surrounding conditions would not permit. Hope this finds everyone well and able to keep the ball rolling."

"Myself, I'm in the best of health and want to be with you all as soon as possible. "Give my regards to all and all letters are greatly appreciated. So long for now and may God bless you all."

"I have been receiving my paper regular and it means a lot when you are far away. Thanks a million."

The following article was written by Lawrence L. Aylor stationed in the Philippines:

A G. L. VIEW OF THE PHILIPPINES

From our study of Geography very little was said about the Philippines and its customs. It is surprising how the whole island chain is Americanized. No wonder the Japanese were anxious to hold it. Not only does it boast of being a great industrial center but its largest city, Manila, is considered the most modern city in the Orient. All types of people may be found in various stages of all types. There are two distinct classes, the plantation or business owners and the farmers. The upper class are very refined, up to date in education, culture and music, while the lower class know is hard work and the raising of large families. Of course the large families are also found among the aristocratic class too. That's the custom.

A great percentage of the land is used for the raising of rice. Vast plantations extending as far as the eye can see. Beautiful sight. The rice is in various stages of growth between a velvet carpet of every shade of green conceivable. Before the rainy season begins much rice is grown by irrigation. The rice "paddies" are flooded by means of artificial wells. Too little was said in our school days about the native carabao, the Filipino beast of burden. Not only are the farmers dependent upon the carabao as a means of perparing the "paddies" for the planting of rice but they are the chief source of milk supply for food, and the only milk to which the population has access. Of course the barbecued pig remains the leading dish of a Filipino meal. That no doubt is a custom handed down by the Spanish—evidence of the Spanish regime is very evident in custom and music and architecture. Today it is a common thing to wander into an old Spanish Mission or Convent which reeks with atmosphere. For 300 years the Filipinos have practiced their religion within the substantial walls. Many of the Churches remain in tact, but hundreds have been looted and completely gutted by fire. What the Japanese had no use for, they destroyed purely out of spite. They had no use for the Filipinos—they were too Americanized. The love for the United States and her protection was instilled too deeply in their hearts. Nor will the Filipino people ever forget the ill treatment suffered at the hands of the Japanese. Our hats are off to these brave and noble people. What a thrill it is to see their happy faces and know that after three years of subjection and ill treatment they can still smile and make the most of things about them."

A visit to an aristocratic rice plantation is an exceptional treat. The first glimpse gives one almost a picture of the Old South on the Mainland—high wrought-iron fences, huge iron gates guarding the entrance, winding driveways and surrounding garden. The garden is a veritable "Garden of Eden" containing every species of citrus fruits, Guava, Blackberry Trees, Guavano, Cenegealas, Chico, Kamias and Kiamito. The prize fruit of the Philippines is the Mango. Melons of various varieties may be found. Watermelons, of course, are great in number closely followed by a native melon similar to our cantaloupe. One of the most plentiful fruits is the "papa". It, too, is similar to our cantaloupe—the main difference being its peculiarity of growing on a tree. It is a

rare treat to be served ice-cold "papa" with ice cream. The visitors is met at the door by various members of the family, preferably the men. The women are very gracious and charming and may pretty much in the background. Their chief aim is to see to it that you are comfortable. The time until noon is spent in discussing the customs, politics, and people of both parties concerned."

What a picture when the noon meal is served—buffet style, of course, and all the attention possible. Not one main dish, but three consisting of barbecued pig (roasted on a spit over a specially arranged open fire), fried chicken, plied high-baked fish, French fried kiamitos (similar to our sweet potatoes) sliced tomatoes and cucumber salad, fried bananas, baked yams, a native pickle concoction, bananae as desert, coffee (native rice) and plenty of orange wine. Rice is substituted for bread."

The afternoon is spent in entertainment, music and song—melodies played in the Old Spanish Style. There are no great dances in the islands the Philippines. The Tango is the leading dance, but the most colorful and graceful being the "Dance of the Harvest." When the rice has been harvested and threshed a celebration is in order."

The hostess is at her best, attending to the Filipino formal dress—long sweeping gown with great billowy puffed sleeves highly embroidered and of bright, flashy colors. She is everywhere at once, overseeing the meal, introducing everyone having bits of conversation with first one then another. It is almost impossible to make the answers to the O. L.'s many questions. The estate is yours for a day—hospitality at its peak, then comes the departure—a series of handshakes with a special invitation to return again soon."

Ho Hum! It's out of the clouds and back to routine, but the job seems easier and not so monotonous after a little relaxation. . . . you've been home again for a day!

Sgt. Clifford O. Dinser, stationed somewhere in the Philippines, writes the following letter:

"I thought I had better write and let you know of the change in my address so I can receive The Recorder in shorter time. The Recorder means a lot to a fellow when he's the only one in his outfit from good old Boone County."

I really enjoy reading how my old buddies are doing in other parts of the war and all the news from around home."

"I've been to Manila on pass and really enjoyed myself, but nothing like I could if I were back home. The people over here are friendly and like to treat a fellow right."

"I was in a small town a few weeks ago and a family invited me and my boy friend to have dinner with them. It was the best meal I had eaten for a long time. We had chicken, fresh tomatoes, sweet potatoes, rice and Filipino wine. It was really a treat, for the next day we were in the mountains and we are still here."

Well I had better close for now, as I think I have a little work to do at the present. "I'll say hello to all my friends and neighbors and hope to see them soon. Please send The Recorder."

S-Sgt. William L. Noel, VMF 461 MBADAG-46 El Toro MCAS, Santa Ana, Calif., writes:

"Just a few lines to let you know how much I have appreciate The Boone County Recorder and thanks a million for sending it to me, as it lets me know about the folk at home."

"Please tell all the folks at home hello for me. I have also changed my address, now stationed at another air base."

Mrs. H. M. Clure received the following letter from her son Cpl. Paul L. Clure, stationed at Pistoria, Italy, giving an outline of his overseas life:

"Dear Mom and Dad, "I will write you a few lines to let you know I'm getting along fine but would like to see you. I hope I can before too much longer. How does this find you? In the best of health, I hope."

"We didn't get any meal yesterday, but I guess we will today for one of our trucks went back to headquarters."

"They tell me now that our letters won't be censored by our officers. They'll only be spot censored by the base censors, that will be a letter once in a while. It's been a long time since I sealed a letter myself. I've almost forgot how. We can write about anything but troop movements. I'm going to tell you quite a lot about where I've been and what I've done since I left the U. S. It will probably answer a lot of questions you have wanted to know, but I couldn't tell until now."

"We left Camp Claiborne, La., on April 18, 1943, the day I was 21. It was about 3:00 the morning and raining like the devil. We rode the train for 3 or 4 days. We went by the way of London, Canada and finally arrived at Camp Miles Standish, Mass., our port of embarkation. We stayed there a week, then loaded on a ship April 26, 1943. That's when our overseas duty started."

"About halfway across, one of

the motors on the boat went dead. We all thought we were being torpedoed by a sub, it made so much noise. We were separated from the rest of the convoy and came into the port of Oran, four days after the rest of the convoy. They thought we were sunk."

"It took us 14 days to make the trip. We arrived in Oran, Africa May 12, 1943. "Our first job was loading and unloading supplies in a depot at La Senia, just outside of Oran, for the Sicilian invasion. We worked day and night. There was one day when I worked 20 hours without sleep. Soon after that, we started two shifts, though."

"We had a few air raids soon after we got there, and the first one almost scared the devil out of us."

"We captured two or three Jerry prisoners at Oran, or an Arab brought them in to us one Sunday."

"We built hospitals, roads, ran water points, rock quarries, set up laundries and guarded Italian P. W.'s in Oran and Algiers. Two other fellows and I guarded Italian P. W.'s for a long time at Oran. We worked them, too."

"It was awfully hot and dry in Africa until September, then the rains came. Sometimes the mud was halfway to our knees, but I wasn't sick a day, or I haven't been in two years and a half. Several of the fellows had malaria and were in the hospital a long time. Malaria weakens a fellow an awful lot."

"There were a lot of mosquitoes in Africa. At nights we had to wear head nets, leggings and gloves to keep them off, especially when we were on guard."

On January 26, 1944 we left Oran and arrived at Naples, Italy, February 7, 1944. I got so seasick I couldn't stand up. The rails on the ship were full of fellows hanging over the ship's heels all the time."

"We built hospitals, roads and bridges at Naples, and worked in a depot at Concello, outside of Naples."

"I was right by Mt. Vesuvius when it was erupting. It was quite a sight to see."

"We left Naples and arrived at Home on June 14, 1944. That's an awful pretty place, for Italy. I went through St. Peter's Cathedral saw the Coliseum, the Vatican, the old Roman walls and all of that. A lot of people would give plenty of money to see what I did. We laid a pipe line, had hospital

and road work at Rome. "On July 5, 1944 we left Rome and went up the line. We worked roads. We went by Foggia and Civitavecchia. We arrived at Leghorn July 22, three days after it was taken. The Jerry's were still throwing plenty of bombs at us, but we soon learned to hit the ground when we heard one coming."

"We started the port at Leghorn and removed mines, under fire, but after a while they ceased shelling us and we were glad."

"We finished the port, built a Quartermaster for troops in Italy and Southern France, built roads, bridges and ran rock quarries. Our Company left the regiment and came up here where we are now working roads."

"So that's about my history overseas. I never have been in combat. I guess I'm just lucky, but I've been so close to it, it isn't funny."

"After VE-Day these rotations and furloughs stopped. A fellow has to have 85 points to be eligible to return home, and our average is about 65, so it looks like we're out of luck. I don't know what we'll do, it's hard to tell. We may be lucky enough to come back to the U. S. as a unit, but that I wouldn't promise. I only hope we do."

"I must close. Take care of yourselves and don't worry now.—Paul Laverne."

Union Lady Helps In The War Effort

To help in the war effort, Mrs. J. G. Smith has given her time and use of her truck to collect waste paper from the Union and New Haven neighborhoods. During the last four months she has collected 600 pounds of paper, doing most of the work personally, and has made twelve trips in her truck to deliver the paper to the proper place for immediate conversion to useful channels.

Money received from the paper, above expenses, was turned over to the New Haven Homemakers Club for use in citizenship work, such as Cancer Control and Tuberculosis care and prevention.

In giving her time and energy to this work, Mrs. Smith is serving a dual purpose—collecting waste paper, which is so badly needed, and helping finance citizenship projects.

Mrs. Smith is a member of the New Haven Homemakers Club, which is a very active organization.

Plans for a first aid program in Boone County were discussed by the County Executive Committee of the American Red Cross, at a meeting held in the courthouse, Tuesday night, June 12.

Mrs. William Townsend, Camp and Hospital chairman, reported more than 600 dozen cookies had been sent to the hospital, in addition to twenty pounds of candy, one 3-tier cake and three other cakes. Contributions are still being received, which are used in maintaining the Boone County Day Room at the hospital.

Atlanta Soldier Writes Parents Of Local Boy

Robert Willoughby, Jr., with Gen. Patton's Third Army, participated in liberation of 2300 prisoners at Moosburg, Germany. The following letter was received by Robert's father from Dan Williams, of Atlanta, Ga., one of the liberated prisoners:

"Dear Mr. Willoughby: Just a few lines from an ex-POW to let you know your boy was one of the first to reach my camp at Moosburg, Germany on April 29. I was a prisoner for about twenty months and you'll never know how glad I was to talk to a real American soldier. He's a very fine boy and I know you're proud of him for the job he has done—I know I am."

M. E. Birkle Abroad

U. S. Destroyer

Aboard the USS Bennett in the Western Pacific—M. E. Birkle, 26, machinist's mate, first class, USNR, Route 1, Burlington, Ky., serves aboard this sturdy destroyer which has struck telling blows against the Japs in every kind of naval warfare in the Pacific from the Bougainville lands to the recent capture of two Jims.

The Bennett has shot down 10 Jap planes, participated in numerous shore bombardments, traveled with fast carrier task forces and performed all the other duties assigned destroyers of the Pacific Fleet.

She began her career by rescuing survivors of a torpedoed merchant ship while on her shakedown cruise in the Caribbean. Shortly afterward she moved to the Pacific for her first big job—supporting the landing on Bougainville in November, 1943.

She shot down four planes and rained shells on shore installations in that engagement. Later she took part in operations leading to capture of Green and Emirau Islands. Raids on Rabaul and Kavieng followed before she was picked to participate in operations against Guam and Saipan.

During the battle of the Philippines Sea, the Bennett operated as a screen for some of the fleet's most powerful battleships in the world. Her next job took her back to Guam, which she bombarded for several days.

Four Boone Countians Enrolled For Summer Term At University

A total of 1,025 students were enrolled in the first term of the 1945 Summer Quarter at the University of Kentucky, at the close of registration last week. The number exceeded by 126 the total of 899 students who enrolled in the first term last year.

There are students from 27 states besides Kentucky in the first term registration, and from 114 countries in the state and eight foreign countries and possessions.

Among those registered from Boone County are: Walter Ferguson, Alma Rouse, Mary Bass Cropper and Joseph Daugherty.

S. C. S. HOLDS MEETING

The Society of Christian Service met for its regular meeting at the Burlington Methodist Church on Wednesday last week. In the absence of the president, the vice president opened the meeting reading Deut. 11:18-20, followed by prayer.

After a short business session, Mrs. Edna Eddins read a report of a chaplain on the excellent opportunity of missionary work in the foreign field after the war. Mrs. Norris gave a reading on juvenile protection through community center houses.

The meeting closed with the Lord's prayer.

Infantile Paralysis Drive Nets \$872.70

The last Infantile Paralysis drive in January in Boone County netted more than ever before, Mrs. Elizabeth G. Nestor has announced. In a vote of thanks to those who cooperated, Mrs. Nestor said the total amount collected was \$872.70.

Although it is still too early to predict whether we will have another epidemic this year, up to May 5th, there has been a national total of 600 cases as compared with a total of 389 cases for the same period last year. Since January, Kentucky has reported 12 cases.

PIPES WATER FROM RESERVOIR TO BARN

County Agent Sam Porter of Campbell county helped Dairy Farmer Frank Krift, in installing and constructing a pipe line to carry water from a reservoir which will supply water for livestock throughout the year and the power for delivering water to drinking bowls in the dairy barn during the winter.

The reservoir is located at a sufficient height to force water by gravity through 300 feet of one-inch pipe to the barn. The pipe was pushed through the base of the dam by the bulldozer after the dam was completed. Livestock will be fenced out of the pond to keep the water clean.

The reservoir intercepts water which formerly ran through the barnyard and fields below causing gullies in both places and directs it through a pipe into a natural dam protected from erosion by sod. Built for \$150, the reservoir will hold 408,000 gallons of water. The soil was treated with soda ash to prevent seepage and the banks of the dam were sodded to prevent deterioration on them during heavy rains. The reservoir was constructed by William Huff, a contractor who is cooperating with County Agent Porter in his farm livestock water supply program.

George Fitch of Nicholas county attributes the improved condition of his ewes and lambs to the effective use of phenothiazine.

Homemakers' club members in Hopkins county are saving a great deal of time and labor by following recommended housework methods.

MANAGER, KIDNAPER

A Chevrolet car owned by E. C. Stephenson, manager of the Consolidated Telephone Co., Florence, was stolen Monday. Two youths, 17 or 18 years old, were seen to enter the car which was parked in front of the company office.

Mr. Stephenson got into another car and gave chase. He was joined at Warsaw by J. A. Broden, Gallatin county deputy sheriff. The thieves drove at a high rate of speed over Route 22 and escaped.

Two guides in press, Wednesday morning the thieves had not been apprehended.

Careful Storing Of Woolens

Winter clothes to be stored for the summer months should be cleaned and free of moths, according to Mary Hood Gillaspie, Home Demonstration Agent. Now is the time to begin storing woolen clothes. Moths nest in soiled spots and link under seams and in pockets. Millions of dollars worth of wool and fur garments are destroyed every year by moths.

Washing woolens in thick suds will kill moth worms as does dry cleaning. Sunning and airing with thorough brushing also destroys both eggs and larvae, but careful attention must be given to seams, trousers cuffs, or other places where moths might lay their eggs. Following cleaning, wrap the garments immediately in

MAN HAD BRICK IN HIS
STOMACH FOR 10 YEARS

One man recently stated that for
10 years he felt like he had a brick
in his stomach. This feeling was
due to the lump of undigested food
he always had inside of him. He
was weak, worn out, headachy,
swollen with gas and terribly con-
stipated. Recently he started tak-
ing ERB-HELP and says the feel-
ing like a brick in his stomach
disappeared the second day. Bowels
are regular now, gas and headaches
are gone and he feels like a new
man.

ERB-HELP contains 12 Great
Herbs; they cleanse bowels, clear
gas from stomach, act on sluggish
liver and kidneys. Miserable peo-
ple soon feel different all over. So
don't go on suffering! Get ERB-

LAWRENCEBURG FAIR

How would you like to plunge
from a speeding automobile, hit
the ground aliding, tumbling, roll-
ing over and over, finally to be
picked up by kind hands, examin-
ed hurriedly for broken bones, and
then turned loose, to receive the
plaudits of an amazed crowd?
Turned loose, that is, if all went
well.

This is just a work-a-day task
for a daredevil member of B. Ward
Dean's International Congress of
Daredevils which will appear at
the Dearborn County Fair, Law-
renceburg one afternoon and night
only Wednesday, July 25.

This daredevil is Red Baldwin,
of Rockford, Illinois, who stands on
the back bumper of a car, is driven
around the race track at a mile a
minute speed, and jumps off in
front of the grand stand into a
solid inferno of fire placed on the
race track. This is but one of the
twelve thriller events on the date
given above.

**DAIRY GLASSWARE IS
TESTED FOR ACCURACY**
All glassware used by milk plants
and creameries in Kentucky for
making butterfat tests of milk and
cream is first checked for accu-
racy by the Agricultural Experi-
ment Station at Lexington.

Because the results of the tests
are used as a basis of payment to

most right standards. The glass
ware is shipped to the station by
manufacturers for checking be-
fore it is delivered to milk plants
or creameries.

The annual report of the Crea-
mery License Section of the Experi-
ment Station shows that 26,169
pieces of dairy glassware were in-
spected for accuracy the past year.
Of this number, 71 pieces, or three-
tenths of one percent, were rejected
as inaccurate.

The importance of testing dairy
glassware as far as farmers are
concerned, it is pointed out, is
that only accurate inspected glass-
ware can legally be used in Ken-
tucky for making butterfat tests
as a basis of payment to produc-
ers. Thus, one possible source of
error in these important tests is
eliminated right at the outset.

UNION

A "Union News" box has been placed in Mr. Newman's store, and we hope everyone will drop in their news items before Monday noon each week. Your cooperation will get the news to the boys in service, as well as being enjoyed in our own community.

Walter Baker Ferguson, known to his many friends as "Bunny"

has won the honor of competing for a 4-year scholarship to the University of Kentucky. He is a graduate of Holmes High School, Covington. We wish Bunny the best of luck in the examinations which will be held soon.

Mrs. Ed Grater and Mrs. H. R. Anderson attended "Ladies' Day" at Summit Hills, Tuesday.

Mrs. Geo. Allen Slayback has returned from Lawton, Okla., where

she has been visiting P. S. Slayback.

Mr. and Mrs. Everett Robinson are enjoying a visit from Jimmie and Beatie Hite, of Newwood, O. The Hites will be here several weeks.

Greene and Mrs. Geo. W. Barr, of Greensboro, N. C., are dividing a furlough between Union and Newman, Ill., visiting with their families.

Mrs. N. S. Bristow and family have been enjoying a visit from Mrs. Nathan Brockman, of Erlanger.

Mr. and Mrs. Roeding and family were Sunday visitors at the R. Anderson home.

July 23rd will be the day for the ladies of Union to furnish cookies for the convalescent home at Ft. Thomas. Please keep this date in mind, and leave your cookies at Newman's store.

Mrs. Ray Newman and Mrs. Charles Hedges spent the weekend in Dayton, O., attending the ordination services of their cousin, Rev. Harold Greenwald.

Mrs. J. W. Doane spent Sunday with her daughter, Mrs. C. P. Hedges.

Pfc. Robert C. Ryle, son of Mr. and Mrs. Huey Ryle, enjoyed a 21-day furlough recently with his family, other relatives and friends. His wife and baby Sandra Lee returned with him to Cameron, La., where he is now stationed.

Mrs. Myrtle Marshall received word that her grandson Sgt. Clyde E. Clements had been killed in action on Okinawa, June 8th.

Mrs. Grace Clure, who is a nurse in Longview Hospital, has returned to her work after a 10-day vacation with her sister, here and a much needed rest.

CLUB MEETS

The Bellevue School Club held their regular monthly meeting at the school house Thursday evening. Mrs. Harry Ashcraft presided with many important items of business. Concerning the capes for our boys and girls in the band, those who desire to contribute by means of a donation to help our school band are asked to see Mrs. Allen Rogers, Mrs. Clarence Wolfe or Mrs. Lillard Scott.

Bids for cook were received and our cook for the next school year was hired. Arrangements were made for a new stove for the kitchen and other such business was planned.

"I will write a few lines to let you know that I made it through one war without a scratch. I suppose I have been lucky for I have been in some hot spots."

"I was supposed to leave for the States today, but our orders changed and we are supposed to work here for a couple of months. I would like to have returned home for a while, but this may be better for the longer I stay here the longer I stay out of the Pacific."

"I am in LeHarve, in Camp Philip Morris. We are building some of the camp. We are living in squad tents, so it is not too much like home. In Germany we had our homes fixed anyway we wanted them. If we saw something we wanted we just picked it up. At one time we had a nice band in the company of places. The fellows picked up in different towns."

"We have built several bridges since we landed in France. We broke several records on our bridge over the Rhine. We built 1153 feet of trestle bridge in nine hours, and we were supposed to work in 12 hours."

"A Presidential Citation for that bridge, but the Colonel of our group tried to get it for all the group on our work and it knocked us out of anything."

"I only have sixty points so suppose I won't be discharged for quite a while. I expect to get two more battle stars soon and that will make me seventy points. I now have three battle stars."

"I have been in eight different countries since I left the good old U. S. and I believe that is enough for me. I don't know what I liked best, but it is not France or England. I suppose it would be between Holland and Luxembourg. I

AVERAGE AGE IN KENTUCKY LOWER THAN IN NATION
The average age of people in Kentucky was 25.4 years at the time of the 1940 census, nearly two years more than the average age had been 10 years earlier, it is reported in a recent bulletin published by the Kentucky Agricultural Experiment Station. This is evidence of a gradual aging of the population in the state, it is stated. However, the average Kentuckian was still younger than the average person in the nation.

The average age of people in Kentucky cities is nearly eight years more than on farms. City men are 30.1 years old and city women are 30.8 years old. However, on farms men are 22.7 years old and women are 22.3 years old. These figures indicate the greater number of children in farm homes, and the presence in cities of more men and women in the early and middle years of adult life. They do not mean that farm operators are mainly young men; in fact the average age of farm operators in the state was more than 46 years, and in 22 counties it was more than 50 years.

The figures on ages, the report shows, emphasize the importance in rural Kentucky of institutions and activities for farm children, such as the schools and child welfare programs.

WITH OUR BOYS IN THE SERVICE

Mr. and Mrs. Chas. White received a letter from their son Allen asking to have The Recorder changed. Allen has been in India for 18 months, and has now been moved somewhere in the Pacific. He says it is a nice climate and shorter supply line.

The following poem was written by Pfc. James R. Moore, stationed somewhere in France and dedicated to his father and mother, Mr. and Mrs. J. W. Moore:

My dear father and mother I know you are getting old. But it gives me great pleasure To know God knows your soul.

Life is like the wind that blows From East to West It keeps on going It never stops to rest.

I know dear father and mother You always taught me right And now I'll try to live it. Though I'm far from your sight.

I read my blessed Bible That mother sent to me That I may see a future In Life's eternity.

I find it plainly says: "You shall not kill" But I pray my mother will Will fly according to God's will.

It's hard to do the things God asks us to do For he says to obey the ones Who have rulings over you.

They will load you down with burdens To make themselves a name; They sit clear of danger And curse when there is no gain.

I know dear father and mother You both are praying for me That when this war is over, I'll be coming home to thee.

But the promise is to the faithful Who's work is well done, Who believes God is the Father And Christ is the Son.

We are in receipt of the following letter from Pvt. Cecil L. Stephens of Ft. Belvoir, Va.:

"I want to thank you for The Recorder. It sure is nice to hear what is happening in the home country."

"Although I would write and tell you my new address, it is Pvt. Cecil L. Stephens, Jr., 3582804, O. A. 4th Bn. ASPTC, 5th Platoon, Ft. Belvoir, ASPTC. This is a fine place."

Pfc. E. Setters, stationed at Eggenstein, Germany, writes:

"Well, I've really gotten around to dropping you a few lines. "I just came in the house and it's really hot today—just like that old Texas sun used to be."

"Everything has ceased over here and I'm glad too, for it is like home to live in bed and sleep in comfort, not having someone shooting at you."

"Some of the boys are leaving for the States in the morning, but I don't know how soon I'll be starting. I don't think it will be very long."

"I'm near Hitler's birthplace now in the town of Eggenstein."

"Tell all my friends hello, and I'll see you all in the near future."

Ted Stephens, son of Mr. and Mrs. Stanley Stephens, of Bellevue, is in Germany. He writes the following letter:

"I will write a few lines to let you know that I made it through one war without a scratch. I suppose I have been lucky for I have been in some hot spots."

"I was supposed to leave for the States today, but our orders changed and we are supposed to work here for a couple of months. I would like to have returned home for a while, but this may be better for the longer I stay here the longer I stay out of the Pacific."

"I am in LeHarve, in Camp Philip Morris. We are building some of the camp. We are living in squad tents, so it is not too much like home. In Germany we had our homes fixed anyway we wanted them. If we saw something we wanted we just picked it up. At one time we had a nice band in the company of places. The fellows picked up in different towns."

"We have built several bridges since we landed in France. We broke several records on our bridge over the Rhine. We built 1153 feet of trestle bridge in nine hours, and we were supposed to work in 12 hours."

"A Presidential Citation for that bridge, but the Colonel of our group tried to get it for all the group on our work and it knocked us out of anything."

"I only have sixty points so suppose I won't be discharged for quite a while. I expect to get two more battle stars soon and that will make me seventy points. I now have three battle stars."

"I have been in eight different countries since I left the good old U. S. and I believe that is enough for me. I don't know what I liked best, but it is not France or England. I suppose it would be between Holland and Luxembourg. I

could get anything I wanted in Luxembourg. We even had ice cream there. Belgium was O. K. but it is a dirty place. Here in France the people who were so glad to see us when we went through the first time will hardly speak to us. I think Germany was better than this."

"In closing I want to thank you for The Recorder and I also want you to say hello to all my friends in good old Boone County."

We are in receipt of the following letter from Robert Clure, stationed at Great Lakes Naval Training Center:

"I have been receiving The Recorder for the past two weeks. Thanks a lot. I certainly enjoy reading the news from home."

"This is really the life. It's quite different but I enjoy it. Regularity is the best part of it. It makes you feel better, as well as helping you to accomplish more in a day's time."

"Here there are no worries, no troubles and last, but not least no Civil War all over my head. In fact it is kind of a detriment to morale."

"The company I'm in is composed of 120 men. All are at least high school graduates. They represent 36 states and come from all walks of life. Every night we fight the Civil War all over again. Most of the southern boys say they never heard of Lincoln and the Yankees never heard of Lee. Of course, it's all in fun."

"The chow is plentiful and good and we put plenty of it away."

"Thanks again for The Recorder."

Approximately 30 acres of popcorn will be grown in Marshall county this year.

THREE INJURED IN COLLISION

ON U. S. 42 SATURDAY AFTERNOON WHEN TRUCK SWEEPED CAR FROM HIGHWAY—THREE INJURED ON HIGHWAY 20.

Mr. and Mrs. Max Bowen and daughter suffered severe injuries Saturday afternoon when their car was swept off U. S. Highway 42 near Duckhead Inn, by a large truck of the All-State Produce Co. according to Deputy Sheriff Irvin Rouse, who was called to the scene of the accident.

H. Frenley, driver of the truck told Deputy Rouse when he applied his brakes the trailer skidded on the wet pavement, sweeping the car off the highway. When the truck stopped the car was pinned under it.

Mr. Bowen, driver of the car suffered fractured ribs, cuts and bruises; his daughter suffered severe cuts about the face and head and Mrs. Bowen suffered shock. They were removed to Booth Hospital, Covington by Carlton's ambulance, of Warsaw. The driver of the truck escaped without injury. Deputy Rouse stated the car was completely demolished in the accident.

Cincinnati Injured
Lee Gottlieb Rutz, wife and daughter, of Cincinnati, O., suffered minor cuts and bruises when the car in which they were riding collided with a car driven by John F. Randall on the Petersburg-Hebron road, near Scotchman's store, Saturday evening. Randall escaped injury in the accident, Deputy Sheriff Irvin Rouse, stated.

Subsidy Applications May Be Filed To August 31

Applications for the Dairy Feed Subsidy payment for milk and butterfat sales made during April, May and June, may now be filed at the Agricultural Conservation Office.

The closing date for filing these applications is August 31, 1945. The payment for sales of milk and butterfat will be figured separately, as the payment is higher for April, than for May and June. The payment on milk sales for April is 60 cents per hundred pounds, for May and June 25 cents per hundred. The payment on April on butterfat is 17 cents per pound, and for May and June 10 cents per pound.

CARROLL ENTERS SHERIFF RACE

IS NOW OPERATING TRUCK ROUTE AND FARM—SON OF THE LATE MEREDITH CARROLL.

M. C. Carroll, farmer, trucker and store merchant, officially announces his candidacy for Sheriff of Boone County.

Conner as he is known over the County, makes this announcement: "To the Citizens of Boone County:

"I hereby announce as a candidate for the Democratic nomination for Sheriff, subject to the action of the Democratic primary to be held Aug. 4, 1945.

"I am at the present time operating a truck route and farm and have for 26 years. I was married to Mildred Moore in the year 1919. We have four children, Robert 23, Meredith 12, Catherine 19, Bertha Mae 14. I am a member of the Methodist Church of Big Bone. I have served as Secretary for Modern Woodmen Lodge for 13 years. A member of Farm Bureau.

"My father, Meredith Carroll was making the race for Sheriff on the Democratic ticket at the time of his death in 1901. I am a nephew of the late B. B. Hume, who was Sheriff of Boone County for several years. I am a nephew of the late G. E. Carroll, who served Boone County as their Representative.

"If I am elected to the office of Sheriff, I will discharge the duties of the office fairly and impartially to the best of my ability. I shall select two good Democrats as my deputies.

"I expect to contribute some of my salary to all of the churches all over Boone County.

"I am planning on seeing as many of the voters as I can, but whether I see you or not, I will appreciate any assistance you may give me.

"Trusting that I may have your support and influence, I am, Yours truly, M. C. CARROLL."

Homemakers' Schedule For July

Some of the Homemakers Clubs of Boone County are not meeting during July and August, and some have planned picnics. The schedule for the current month follows: July 6, Verona, home of Mrs. Raymond Stephens, 8:00 p. m., picnic for members and their families; July 11, Hebron, home of Mrs. Beulah Craddock, 10:30 a. m.; July 13, Walton, home of Mrs. Wendall Rouse, 11:00 a. m.; July 19, Bullittsville, home of Mrs. Jonas Stevens, 11:00 a. m.

BEEF PAYMENTS SHOULD BE FILED

NOT LATER THAN AUGUST 31 FOR SALES MADE FROM MAY 15TH TO JUNE 30—PAYMENT IS 50 CENTS PER HUNDRED.

Applications for the beef production payment should be filed by August 31, 1945 for all sales made from May 15th to June 30, 1945.

Beef cattle sold during this period must have weighed 800 pounds or more per head, and must have sold for a price of not less than \$14.00 per hundred, if sold in Kentucky, or \$14.55 if sold in Ohio, to be eligible for the Beef Production payment. The payment will be 50c per hundredweight.

Cattle produced or fed in Kentucky, but marketed outside of the State must be sold for the minimum price for the zone in which the sale is made.

Sale evidence must show the date of sale, name of buyer, the point of sale, the number of head, the total live weight, the price received, and the name of the legally authorized slaughterer to whom sold. These facts may be verified by sales receipts, invoices, scale tickets or other written evidence from the buyer.

The person selling the cattle did not raise them; he must show from whom he purchased the cattle and the date of purchase. It is also necessary that the feeder shall have fed the cattle at least 30 days.

The application must be filed within 60 days from the date of sales for sales made on and after July 1, 1945, until the offer is withdrawn.

CANDIDATE FOR CIRCUIT CLERK

R. E. KIRTLEY IS CANDIDATE

FOR CIRCUIT COURT CLERK OF BOONE COUNTY—HAS BEEN RESIDENT OF COUNTY HIS ENTIRE LIFE.

Reuben Kirtley of Union officially announces his candidacy for Circuit Court Clerk of Boone County in this issue of The Recorder.

Mr. Kirtley was born and reared in Boone County, and is a son of the late B. C. Kirtley of East Bend neighborhood. He operates a large farm in that locality. He is a graduate of the Burlington High School and is well known throughout the county.

Mr. Kirtley makes the following statement to the voters of Boone County:

"In making this announcement I will appreciate any support given me and if nominated and elected will give this office my best and try to handle it in the same good manner as it has been in the past.

"Under wartime conditions it will be impossible for me to visit every voter, but I will try to see as many as possible.

"Don't forget to vote on August 4th, 1945."

Jack Carlo To Speak At Local Baptist Church

Jack Carlo, P. H. M. 3/c, of the U. S. Navy, who has spent the past eighteen months in Algeria and North Africa with the Hospital Corps, will speak at the Burlington Baptist Church Sunday night, July 8 at 8:00 p. m.

He is the nephew of Mrs. Howard Lizer, of near Burlington. His home is Silvertown, Ohio. Before entering the Navy he was ordained to the Gospel ministry by the Mt. Carmel Baptist Church, of Silvertown, Ohio. Everyone cordially invited to attend this service.

Cason-Scroggin

The home of Mr. and Mrs. Ralph Cason of Middle Creek was the scene of a pretty wedding Saturday evening, June 30th, when their daughter Miss Betty Zane became the bride of Mr. Harry F. Scroggin of Burlington R. 2. Their attendants were Miss Carolyn Cropper, Burlington and Charles Joe Stephens of Bellevue. Rev. Walter Guth, pastor of Bellevue Baptist Church performed the ceremony.

The wedding party took their places before a bank of flowers and fern in front of the home on the lawn. Miss Louise McArthur at the piano played "Because," and "I Love You Truly" sang by Miss Mary Belle Smith.

The bride was dressed in white net and lace over white satin, with a bouquet of pink roses and baby breath. The bridesmaid wore pink with a bouquet of white gardenias. Both the groom and groomsmen wore dark blue.

The guests included Mr. and Mrs. Austin Scroggin, Lucille and Bobby, Mrs. Arthur E. Jacobs, Shirley and Harold, Mr. and Mrs. Louis B. Stanger and Janet, Mr. and Mrs. Raymond Scroggin, Caryl and Charles, Rev. and Mrs. Guth and children, Mr. and Mrs. Lillard Scott and Vera Dean, Mr. and Mrs. Carl Griesler, Carla Mae and Gary, Mr. and Mrs. John E. Walton and Eva Lou, Mr. and Mrs. Allen Burch, and Miss Agnes Stephens, Mr. Ivan Cason, Miss Anna Cason, Mrs. Mae Sanford, Miss Louise McArthur, Miss Carolyn Cropper, Miss Mary Belle Smith, Mr. Charles Joe Stephens, the host and hostess Mr. and Mrs. Ralph Cason.

After the ceremony the beautiful three-tiered wedding cake of white and silver was cut by the bride and cake and ice cream were served.

Mr. and Mrs. Scroggin will make their home in Burlington.

Two Fined On Disturbance Charge

C. T. Pace and E. C. Cooper, both of Akron, O., were fined \$19.50 each in Judge C. L. Cropper's court Tuesday morning on a disturbance charge.

The two men with their wives entered the restaurant of Ira Tanner on U. S. 42 near Florence and caused a disturbance, fighting among themselves. Mr. Tanner summoned Highway Patrolman Gordon and Deputy Sheriff Irvin Rouse, who placed them under arrest.

The men were required to pay small damages caused by the disturbance at the restaurant.

R. E. KIRTLEY IS CANDIDATE

FOR CIRCUIT COURT CLERK OF BOONE COUNTY—HAS BEEN RESIDENT OF COUNTY HIS ENTIRE LIFE.

Reuben Kirtley of Union officially announces his candidacy for Circuit Court Clerk of Boone County in this issue of The Recorder.

Mr. Kirtley was born and reared in Boone County, and is a son of the late B. C. Kirtley of East Bend neighborhood. He operates a large farm in that locality. He is a graduate of the Burlington High School and is well known throughout the county.

Mr. Kirtley makes the following statement to the voters of Boone County:

"In making this announcement I will appreciate any support given me and if nominated and elected will give this office my best and try to handle it in the same good manner as it has been in the past.

"Under wartime conditions it will be impossible for me to visit every voter, but I will try to see as many as possible.

"Don't forget to vote on August 4th, 1945."

Burlington will play Petersburg two games at the local park (the Fair Grounds) Wednesday. The first game is called at 1:30 sharp. Come out and support our boys.

DEMONSTRATION SET JULY 11TH

SOIL TERRACING TO BE SUBJECT AT GREENLAWN FARM—INTERNATIONAL HARVESTER CO. SUPPLYING TRACTORS.

A soil terracing demonstration will be held at the Greenlawn Farm just south of the Mt. Zion Road on U. S. 25 on Wednesday, July 11, according to an announcement received at the County Agent's office. The demonstration will be in charge of the local Soil Conservation District and in cooperation with Calvin Cress' Shop at Burlington and International Dealers of the Cincinnati area. The meeting will start at 10:00 a. m. and the demonstration will continue through 3:00 p. m.

The International Harvester Company is supplying three size tractors, A, H, and M, with special disc and moldboard plows for either terracing or farm plowing. The meeting will offer an unusual opportunity for farmers to see tractors constructed and suitable equipment for this work in use. All farmers are invited to attend.

Second Youth Arrested On Log Cabin Theft Charge

Pearl Elliott, was returned to Burlington last week, by Deputy Sheriff Irvin Rouse, from Pineville, Ky., where he was arrested by Bell County officials.

Elliott is charged with breaking and entering Log Cabin Inn. He waived examining trial and was held under \$500 bond for action of the August grand jury.

Alfred Popp Awarded Silver Star Medal

With the 97th Infantry Division, Europe—The Silver Star Medal for gallantry in action has been awarded to Pfc. Alfred Popp, of Burlington, Ky., by his division commander, Brig. Gen. M. B. Halsey of the 97th Infantry Division.

Pfc. Popp is the son of Jenny B. Popp, Route 1, Burlington. He is a member of the 387th Regiment, which captured Cheb (Eger), first major Czech city to fall to the Americans.

On April 25, during an attack on Cheb, Pfc. Popp volunteered with another soldier to contact friendly troops within the key road and rail junction and airfield city with whom his platoon was out of communication.

Boldly dashing across 800 yards of open terrain under heavy enemy fire of all types, he contacted the friendly troops and returned to his platoon with enemy small arms fire falling all around him.

He then led elements of his platoon into the city over dangerously exposed ground.

In addition to the Battle for Czechoslovakia, the 97th Division also participated in the Battle of the Ruhr Pocket. During the Ruhr campaign, the 387th comprised the central section of the division front.

JOHNSON SEEKS SEAT IN HOUSE

ANNOUNCES CANDIDACY FOR REPRESENTATIVE FROM GALLATIN AND BOONE COUNTIES—MADE RACE TWO YEARS AGO

Kenneth E. (Jack) Johnson, of Walton, officially announces his candidacy for Representative from the Counties of Boone and Gallatin in this issue of The Recorder.

He makes the following statement:

"Two years ago I made the race for State Representative in this, the 54th Legislative district. The response and showing made in that campaign convinced me that there are many Democrats, who believe in the same principles of party relationship that I have always advocated, and which I firmly believe comprise the standards of a true Democratic Party.

"Two years have passed since that campaign in which I was defeated by the very narrow margin of eighteen votes. Pledges I made then and issues of campaign are still before this electorate today, and to gain emphasis, then their repetition will take up the major portion of my campaign this year.

"I need no introduction to the people of our two counties; my work takes me to all parts of this district, and you know the active part I have taken in other campaigns.

"There are many measures of Legislative importance that will come before our General Assembly next January, and thru the medium of our press, and a very active campaign, I have to present my views, and how I stand on various issues that confront the people of our nation, state, and counties today.

"I deem it a great honor and privilege that it is permitted me to again be your candidate for the office of State Representative in this district.

"It is my purpose to see as many of this electorate as time and transportation facilities will permit.

"My sincerest appreciation for favors and courtesies extended me in the past and invoking continuance of those regards in the coming campaign. I hope I may prove worthy of your confidence and esteem.

Kenneth E. (Jack) Johnson."

Youth Arrested With Stolen Automobile

State Highway Patrolman R. G. Gordon, of the 17-year-old Newport youth Sunday, who gave his name as Robert Bartholomew, driving an automobile said to have been stolen from Mrs. John Rawlings of 131 E. Third St., Newport.

The youth was arrested in Boone County and lodged in Burlington jail. He was returned to Newport to face the charges.

Born to Mr. and Mrs. Wm. Allen, (nee Betty John Aca) on June 29, a daughter at St. Elizabeth Hospital. The new arrival has been named Nancy Lynn, for her paternal grandmother and great-grandmother. The Allens reside in the Union neighborhood.

RAPE CHARGED BY NEWPORT GIRL

AGAINST INDIANA MAN—RINGE AND MONEY VALUED AT \$250 TAKEN FROM GIRL NEAR AURORA FERRY.

Martha Taylor, 18, W. Ninth St., Newport signed a warrant against Truman Rogers, charging rape and robbery in Judge Croppers court Sunday, after being brought here by a Petersburg farmer and his wife.

The girl told authorities that she had met Rogers in Newport and they were supposed to meet another couple. Rogers drove the car out River Road to Petersburg and then to the Aurora Ferry landing, where he committed the offense. She told authorities that he beat her with his fists and hands, robbed her of diamond rings valued at \$250 and her purse containing \$4.

She told authorities that Rogers left in his automobile and she started walking toward Burlington. Boone County authorities sent out information to surrounding territory, requesting law officers to be on the lookout for a '40 Ford sedan bearing Indiana license. As we go to press Rogers has not been apprehended.

William H. Dorsey

William Harvey Dorsey, 72, passed away at his home, 3141 Beach Ave., Latonia, late Friday, following a long illness. Mr. Dorsey was a former resident of Walton.

He is survived by his wife, Mrs. Nancy Bell Dorsey, 1 daughter, Florence, of Latonia; 1 son John, of Nicholson; and one grandson.

Funeral services were conducted from the Chambers & Grubbs funeral home, Walton, Monday of this week with Rev. C. G. Dearing, pastor of Walton M. E. Church, officiating. Burial was in Independence Cemetery.

Chambers & Grubbs were in charge of arrangements.

Robert Butler Receives Honorable Discharge

Sgt. Robert L. Butler, 27 of Union son of Mr. and Mrs. Guy Butler, recently received an honorable discharge from the U. S. Army on the point system.

Sgt. Butler, had 150 points to his credit and received his discharge Sunday, June 24th at Camp Atterbury, Ind. He was a member of an infantry unit.

GROWERS DELIVER 46,098 LBS. WOOL

FOR TOTAL OF \$24,226.12 TUESDAY AND WEDNESDAY OF LAST WEEK—GRADING OF WOOL CONSIDERED FAIR.

Two hundred eighty-seven growers delivered 46,098 pounds of wool totaling \$24,226.12 net through the Boone County Wool Pool on last Tuesday and Wednesday, according to H. E. White, president of the county organization. The county clip was one of the best and the second highest price paid since the last war. Clear wool netted growers 54 cents and rejection wool 44 cents per pound. Ninety-five percent of the clip graded clean and 4.2 percent rejection and .8 of one percent of unclassified grade.

L. S. Dinkelspiel and Son Company of Louisville was the purchaser of the clip. The company's grading and dealings were considered most fair and satisfactory to the grower. The clip at the request of the buyer was taken up at two places in lieu of the usual three places because of the labor shortage.

LLOYD SOCIETY TO MEET
The Lloyd Society will have a regular all-day meeting at the home of Mrs. Harold Conner on Saturday, July 7th.

IMPROVED UNIFORM INTERNATIONAL SUNDAY SCHOOL LESSON

Of the Moody Bible Institute of Chicago.

MAN'S FAILURES AND GOD'S PROMISES

LESSON TEXT—Genesis 6:5-7; 8:1, 4, 18, 20-22.
GOLDEN TEXT—While the earth remaineth, seedtime and harvest, and cold and heat, and summer and winter, and day and night shall not cease.—Genesis 8:22.

The beginnings of all things in the book of Genesis include, we are sorry to note, the beginning of sin in the fall of Adam. Soon we read of the first murder, Cain slaying his godly brother, Abel, because his acceptance with God exposed the wrong heart-attitude of Cain. The guilty line was renewed in Seth, but before long sin again lifted its ugly head. Now the wickedness of man had become so widespread that God was driven to a drastic judgment.

I. Judgment for the Wicked (6:5-7).
The Lord sees the wickedness of men—let us not forget that! At times it seems as though the ungodly flourish in their sin and that there is no judgment upon them. God knows what goes on in the world. He is long-suffering and merciful, but there is a boundary line to His patience, and when that limit is reached, there can be nothing but judgment.

Ever imagination of the thoughts of man's heart was evil continually (v. 5). One is reminded of Jeremiah 17:9, and of such a contemporary estimate of man as that of Dr. Mackay, who said, "Psychology has unveiled the dismal and sinister depths in human nature. Man can no longer flee from reality into the romantic refuge of his own heart; for the human heart has become a house of horrors, a place where murky recesses man cannot erect for his solace either a shrine or a citadel. Man is bad; he is a sinner."

God did not change His mind (v. 6), but man by his sin moved himself out of the circle of God's love over into the circle of His judgment. God never changes, but we change our relation to Him by our actions. Such is the evident meaning of this verse.

II. Deliverance for the Upright (8:1, 4, 18).
God remembered Noah, and he "found grace in the eyes of the Lord" (Gen. 6:8) because he was "a just man" (6:9). At the Lord's command he prepared the ark for the saving of himself and his house, and after the Lord had "shut him in" (Gen. 7:16), the great judgment by water came upon the earth. After 150 days (Gen. 7:24), the Lord remembered Noah (8:1) and caused the earth to dry up once again. The same Lord who shut him in to keep him during the flood brought him out after the flood (8:15, 16), gave him great power (8:1-4), assured him of His protection (9:3-7), and gave him the great promise (9:8-16) of which the rainbow became the token.

The God who will in no wise forget the sin of the wicked will never leave nor forsake those who walk uprightly before Him. The story of Noah should stimulate our faith, causing us to obey and trust God. His protecting hand is over His children, and He can bring them through the darkest days of tribulation.

III. Mercy in the Midst of Sin (8:20-22).
"Noah builded an altar," for the first impulse of his heart was to give praise to God for His mighty deliverance. His offering came up to God as "a sweet savor," that is, it was pleasing to God.

To come before God with acceptable worship, man must come with clean hands. The question is not whether he is brilliant, learned, or of high position. The one thing that counts is obedience. When such a man offers the worship of his heart before God, it goes up to him like a sweet savor.

God knew man's heart (v. 21). He had no illusions that even the judgment of the flood would change it. Eagerly His love sought man's obedient response, but He well knew that the awful persistence of sin would continue until the very end of the age.

So in spite of that sin, and in the very midst of it, God promised that He would never again wipe out humanity as He did in the flood. There would be individual judgment and collective judgment on certain groups, but never again the smiting of every living thing. Thus, He set men free from the terror which must have now been in their hearts.

The beautiful rainbow in the cloud became a token of God's promise, and the visible assurance to "all flesh" that the judgment of the flood would not be repeated. Never again would seed time and harvest, nor any of the orderly processes of nature, fail throughout the whole earth.

What a gracious God we have! And what a pity that men presume upon His goodness.

MARINES ACCEPTING YOUTHS 17 YEARS OF AGE

The fact that the Marine Corps is now accepting enlistments from 17 year olds, has been announced by Captain Charles G. Haskins, officer in charge of the United States Marine Corps recruiting in Kentucky.

Men accepted for enlistment will be sent to Parris Island, S. C. for nine weeks of "boot training."

After a 15 day furlough, they will receive additional training at Camp Lejeune, N. C.

A 17-year-old has two enlistment choices: He may enlist in the regular Marine Corps for four years, or he may enlist in the Marine Corps Reserve for the duration of the war plus six months.

Applicants must be between 5 feet 4 inches and 6 feet 4 inches in height with proportionate weight. At least a grammar school education is required, but high school graduates are preferred. Interested 17 year olds may report or write to the Marine Corps Recruiting Office, 1014 Heyburn Building, Louisville, 2, Ky., the District Recruiting Office, Post Office Building, Lexington, Ky., or the District Recruiting Office, Post Office Building, Paducah, Ky.

WOMAN MAKES STORAGES
Following a homemakers' training school on the making of storage devices, which Marjorie Brookshire of Hart county attended as a substitute, she bought some carpenter's tools, then proceeded to make some of the conveniences for her mother's home. Included were removable shelves in kitchen cupboards, racks for equipment in deep drawers, sliding trays in deep cupboards, spice bins and racks for silver. Then she re-arranged and papered two closets, and made protective coverings for the garments.

MARTIN-SHEPHERD

A bright wedding of pretty simplicity was that of Miss Janet L. Martin, eldest daughter of Mr. and Mrs. Robert C. Martin, Sr., of Erlanger to S-Sgt. Harold B. Shepherd, eldest son of Mr. and Mrs. C. Blaine Shepherd, of Florence, on Friday, June 1st at 8 o'clock on the lawn of the bride's parents.

While relatives and close friends assembled for the ceremony, Miss Betty Jo Jones played.

Mrs. Robert C. Martin, Jr., sister of the groom, was Miss Martin's matron of honor. Her gown was yellow marquisette, studded with blue star flowers. Her head-dress was of blue net with yellow rose buds. Her bouquet was yellow roses with blue delphiniums.

Pfc. Robert Cropper served as best man. The groom was hand-picked in the dress uniform of the Marine Corps.

The bride was very lovely in her gown of white lace and marquisette. It was fashioned with a

sweetheart neckline. Her three-quarter length sleeves. Her fingertip veil fell in soft folds from a tira of seed pearls. She carried a bouquet of white roses with net intermingled.

The Rev. R. P. Crupper performed the double ring ceremony. After the three-tiered wedding cake was cut the happy couple left for Indian Lake, Ohio for several days.

Mrs. Shepherd is a graduate of Lloyd High School, class of '44 and prior to her marriage was employed by the Federal Reserve Bank. S-Sgt. Shepherd is a graduate of Crescent Springs High School, class of '37 and has been in the Marine Air Corps three years, having served 19 months in the South Pacific.

The couple is now residing in Beaufort, S. C., where S-Sgt. Shepherd is stationed.

The bride's brother, Cpl. Robert C. Martin, Jr., who is with the 9th Army in Germany, was greatly missed on this lovely occasion.

WITH OUR BOYS IN SERVICE

European Itinerary of former Boone County boy, Harry Glenn Dickerson, son of Arch and Alva Dickerson:

TO ALL TIMBERWOLVES
This date, marks the completion of six months of continuous combat for the Timberwolf Division. You may well be proud of your combat record.

In its initial combat operation, the division fought with the First Canadian Army into Holland from 23 October to 8 November 1944 spearheading the 1 British Corps in the crossing of the Mark River and the drive to the Maas River. The esteem in which the Timberwolves were held by our British Allies is indicated by the following extract from a commendation received from Lieutenant General G. G. Simonds, commanding the First Canadian Army:

"Once the 'Timberwolves' got their teeth into the Boche, they showed great dash, and British and Canadian troops on their flanks expressed the greatest admiration for their courage and enthusiasm. When they again met the Boche all hell cannot stop the Timberwolves."

The division then moved immediately to the Aachen Sector in Germany, where it relieved the 1st Infantry Division in the VII Corps of the First U. S. Army. The Timberwolves jumped off 16 November in the drive to the Roer, as part of the VII Corps, with the veteran 1st and 4th Infantry Divisions and the 3rd Armored Division. The true combat effectiveness of the Timberwolves was clearly indicated by the following extract from a commendation from Lieutenant General J. Lawton Collins, commanding the VII Corps:

"The mission of seizing the great industrial area Echweiler-Welsweiler-Stolberg, which was assigned to the 104th Division in the first phase of our operations, was a difficult, nasty task. The division cleared this important area in a much shorter time than I had expected and with a minimum of loss. The speed with which this was accomplished is a tribute to the leadership, dash and sound training of the division."

"The second phase involving the crossing of the Inde River and the advance to the Roer was even more difficult, but with characteristic skill and dash, in a series of brilliant night attacks, the 10th Division forced a crossing of the Inde and in a few days had cleared its entire sector to the Roer River. I regard this operation, which involved the seizure of Lamersdorf-Inden-Leuzberg as one of the finest single pieces of work accomplished by any unit of the VII Corps since D-Day."

The division, then operating

under the XII Corps of the Ninth Army, occupied a defensive sector on the Roer, opposite Duren, during the trying days from 16 December 1944 until 23 February 1945 when aggressive defense was maintained to block the critical German route of advance to Aachen. Timberwolves patrols completely dominated the Roer.

The division again operated with the VII Corps of the First Army, in the drive to Cologne, which started 23 February with the crossing of the Roer and the seizure of Duren and Muechen-Stemmel, and culminated in the capture of Cologne, 7 March 1945. This drive was characterized by constant day and night pressure, sharply executed night attacks and skillful use of supporting fires.

The division crossed the Rhine at Hoenef in the Remagen bridgehead on 22 March. Continuing to operate with the VII Corps, a rapid advance of 193 miles in 9 days was made eastward and north to Paderborn. Initial enemy resistance was overcome in a series of night attacks. Thereafter the division followed in close support of the 3rd Armored Division and was particularly effective in aggressively protecting the west flank of the VII Corps. After reaching the Paderborn area, the drive was resumed to the east, in an uninterrupted advance of 175 miles in 15 days. It included the crossing of the Weser and Saale Rivers and the capture of Halle, Bitterfeld and Dillitzsch, and culminated in the seizure of assigned objectives on the Mulde River. Contact is now momentarily expected with our Russian Allies approaching from the east.

Battle accomplishments of the Timberwolf Division have been characterized by the tenacity, skill, teamwork and devotion to duty of all combat and service elements, and by the efficient functioning of all staff sections. The 750th Tank Battalion, 817th TD Battalion and the 555th AAA Battalion rendered effective support at all times.

I am proud indeed to have commanded the Timberwolf Division through its final year of training and during six months of arduous combat. You have lived up to your battle slogan, "NOTHING IN HELL MUST STOP THE TIMBERWOLVES." My sincere thanks go to all for your unfailing loyal support.

LIGHT STRAWBERRY

Light cultivation without any special narrowing of the plants in the rows proved the best way to handle strawberry patches, after harvest, in tests at the Western Kentucky Experiment Substation at Princeton.

Fields lightly cultivated between the rows produced 180 crates to the acre the following season, according to horticulturist W. B. Armstrong. Heavy cultivation and cutting back the plants to narrow rows resulted in the production of 118 crates, and where there was no

cultivation at all the average yield was 130 crates to the acre.

Light cultivation brought medium-large berries, but cultivation, small berries, and heavy cultivation, large berries.

BIG CLOVER PRODUCTION

When County Agent R. B. Rankin of Adair county visited the farm of Rollin Murrel he saw 500 bales of red clover hay put up with a pick-up baler from six and a half acres. The field was limed and given a heavy dose of rock phosphate a year ago.

Close the sprayer and shake end-wise 1 to 15 times; to make 2 1/2 gallons of 4-5-50 Bordeaux. 3. Spraying should be done immediately, and coverage should be complete, top-side and under-side of the foliage. Another spraying might well follow in 10 days, and on cold beans and limas, both long-lived, a third. Also, to be on the safe side from now on, all new plantings of beans, or late plantings of tomatoes, should be sprayed from the beginning, repeating in 10 days and in 10 days again.

LADY NEARLY CHOKED WHILE LYING IN BED—DUE TO STOMACH GAS

One lady said a few days ago that she used to be afraid to go to bed at night. She was swollen with stomach gas, which always got worse when she went to bed, and the gas would rise up in her throat after she lay down and would nearly choke her. She couldn't lie flat. Had to prop herself up on pillows. Recently this lady got ERB-HELP and now says gas is gone, stomach feels fine, bowels are regular and she can go to bed and sleep soundly.

ERB-HELP contains 12 Great Herbs; they cleanse bowels, clear gas from stomach, act on sluggish liver and kidneys. Miserable people soon feel different all over. So don't go on suffering! Get ERB-HELP. Elsmere Pharmacy, Dixie Highway.

SAVE SUGAR RECIPES

If you Boone County women are having trouble finding enough sugar to make cookies when it is your community's turn to send them to the soldiers at the AAF Convalescent Hospital, Ft. Thomas, try this recipe, which uses only honey.

Honey Chocolate Chip Cookies: One-third cup butter or other shortening, 1/2 cup honey, 1 egg, well beaten, 1 1/4 cups sifted flour, 1/2 teaspoon salt, 1/2 teaspoon soda, 1 package semi-sweet chocolate chips 1/2 cup chopped nut meats, 1 teaspoon vanilla. Cream shortening, add honey gradually, and cream together until light and fluffy. Add egg and mix thoroughly. Sift flour once, measure, add salt and soda, and sift again. Add flour in two parts and mix well. Add chocolate chips, nuts and vanilla, and mix thoroughly. Drop from teaspoon on greased-baking sheet 2 inches apart. Bake in moderate oven (375) 10 to 12 minutes. Makes about 4 dozen cookies.

A good chocolate cake recipe for home use that requires little sugar is this one: Two cups sifted flour, 1 teaspoon soda, 1/4 teaspoon salt, 1/2 cup sugar, 1/2 cup shortening, 3/4

cup corn syrup or honey, 2 eggs, 3/4 egg yolks, unbeaten, 2 to 3 squares unsweetened chocolate, melted, 3/4 cup milk, 1 teaspoon vanilla. Sift flour once, measure, add sugar gradually and cream thoroughly, then add syrup or honey gradually and beat well. Add eggs one at a time, beating well after each, and then add chocolate and blend. Add flour alternately with milk, a small amount at the time beating after each addition until smooth. Add vanilla. Bake in 2 greased deep 9-inch layer pans in moderate oven (350) 25 minutes or until done.

This Pudding Cake recipe requires no sugar: For caramel pudding cake, thoroughly cream 1/4 cup shortening, 1 teaspoon vanilla, 1 cup dark corn syrup. Add 1 well beaten egg, beat thoroughly, add 1 package butterscotch pudding, beat thoroughly. Now sift together 2 cups cake flour, 1/2 teaspoon salt, 3 teaspoons baking powder. Add to mixture, alternately with 1 cup milk. Pour into 2 waxed paper-lined 8-inch round pans. Bake in moderate oven (350) 30 to 35 minutes. A package of chocolate pudding

may be substituted for the butterscotch, for a different cake.

For Snow White Frosting: Cook 1 1/2 cups light corn syrup or honey and a dash of salt to soft ball stage (238), gradually add hot syrup to 2 stiff beaten egg whites, beating constantly. Add 1/2 teaspoon vanilla; beat to spreading consistency.

Or use Jelly Frosting: Combine 1/2 cup tart jelly with 1 unbeaten egg white in double boiler. Beat over hot water until fluffy. Spread on cake.

Taffy Topping is good and uses little sugar. In top of double boiler mix 2 unbeaten egg whites with 3/4 cup light molasses or dark corn syrup, 1/4 cup sugar, and 1/2 teaspoon salt. Cook, beating constantly with rotary or electric beater until mixture forms peaks, 7 to 9 minutes. Remove from heat; add 1 teaspoon vanilla. Beat until of spreading consistency. Frost cake; top with walnut halves. Must eat with fork.

Or you might top your cake, using one of these methods: When cake is cool, cut and dunk quickly first in corn syrup, then in chopped nut meats. Or sprinkle hot cake with grated semi-sweet chocolate or confectioners' sugar and forget the frosting. Or make this Crunch Topping: Mix 3 tablespoons fortified margarine or butter, 5 tablespoons brown sugar, 2 tablespoons top milk, 1/2 cup wheat cereal flakes, 1/2 cup chopped nut meats. Spread on cake; place in broiler until mixture bubbles.

TEST GAUGES OF

PRESSURE COOKERS
It will be possible for anyone to have the gauge of her pressure cooker tested for accuracy against the Master Gauge purchased by the Boone County Council of Homemakers' Clubs. Loosen the gauge of your cooker from the top, but bring the entire top to the office of the Home Demonstration Agent, Burlington courthouse, and the test will be quickly made. It is important that every gauge be tested at least once a year, to be sure canning is done at the proper pressure. An inaccurate gauge may cause spoilage.

More than 90 pieces of furniture in Woodford county have been reconditioned and slip covered.

Approximately 100 percent of the farmers in Leslie county planted certified potato seed.

IN LOVING MEMORY

Of our wife and mother Della Goodridge Slekan, who passed away July 2, 1940:
Five years have passed, dear loved one

Since you were called away:
A loving mother, so true and kind,
No one like you we'll ever find.
For all of us you did your best—
May God grant you eternal rest!
Loving and kind in all your ways
Upright and just to the end of your days.

Sincere and true in heart and mind
Wonderful memories you left behind!
—Sadly missed by her husband and children.

Indications are that about 25 farmers in Clark county will raise flocks of 100 turkeys under sanitary conditions this year.
Homemakers' clubs in Madison county exchanged 2,103 copies of magazines during the past year.

LOCAL BOY KILLED IN OKINAWA BATTLE

CPL. JAMES EDWARD ROGERS, JR., DIES WHILE FIGHTING FOR COUNTRY—HAD OUTSTANDING RECORD.

A message from the War Department which brought sorrow to the entire community was received by Mr. and Mrs. Edward Rogers, Wednesday, July 4th, telling of the death of their son, Corporal James Edward Rogers, Jr., who lost his life in the battle of Okinawa, June 10, 1945.

Corporal Rogers enlisted in the service of his country December 1, 1942, serving at first with the 13th Armored Division, later being transferred into the 715th Amphibian Tractor Bn. He received his training in the states at Camp Beale and Ft. Ord, California. He went overseas January 4, 1944 and landed in Hawaii, where he received four months training before entering combat. He fought in the battle of Saipan and Tinian, where his group received the Presidential Unit Citation. Later he went to the Philippines. He participated in the battles of Zamami Shima and Ie Shima and gave his life for his country in the battle of Okinawa.

He wore the Asiatic-Pacific Campaign Ribbon with three battle stars and the Good Conduct Ribbon. Corporal Rogers was born and reared in Bellevue, where he was admired and loved by all who knew him. He was genial and amiable with a smile and kindly word for everyone. He was 23 years of age, a graduate of the Burlington High School, and a member of the Bellevue Baptist Church.

He is survived by his parents Mr. and Mrs. Edward Rogers; two brothers, T. Sgt. Alvin Rogers, who is serving with the 9th Air Force in France and John Carroll Rogers; and his grandfather, Mr. Al Rogers.

He was engaged to Miss Carolyn Cropper, daughter of Judge and Mrs. C. L. Cropper, of Burlington.

Federal Auto Usage Tax Stamps Must Be Displayed On Cars

A warning was issued this week by the Collector of Internal Revenue to automobile owners throughout the state in regard to the federal auto usage tax stamps. Delinquent owners are being penalized in accordance with the law. The penalties for failure to purchase the federal auto usage tax stamps are very heavy.

Taxpayers who are liable to purchase the federal auto usage stamps and fail to do so from the first through the tenth of July will be referred to the District Attorney offices for the Eastern and Western districts of Kentucky.

The federal auto usage stamp can be purchased from local post offices or from the main office at Louisville. The price of the federal auto usage tax stamps is \$5.00 per year.

TOBACCO CEILINGS WILL REMAIN SAME

ACCORDING TO REP. BRENT SPENCE—NO CHANGE IN PROCEDURE IS WORD FROM MR. BOWLES.

Farmers of Boone County and the entire burley belt will be pleased to learn that the ceiling prices on burley tobacco as to grade will remain the same this year as last, according to a letter received from Hon. Brent Spence, Representative from the Fifth Congressional District.

In a meeting with Mr. Bowles and Mr. Brownlee of the OPA, Mr. Spence inquired of Mr. Bowles as to the position to be taken in regard to the burley tobacco market this fall. Mr. Bowles stated that no change in the procedure would be made and that the ceiling price for tobacco this year will be the same as it was last year, which insures a prosperous season to our burley growers.

Mr. Spence has been active in matters pertaining to his district having appeared before the OPA last year, asking that the ceiling price be held at a high level.

KILLED ON OKINAWA

Corporal James Edward Rogers, Jr.

Mrs. Henrietta Craven

Funeral services were held at 2 p. m. Monday at the Cathman funeral home, Ludlow, for Mrs. Henrietta Craven, 51, of Constance, who died Thursday at her home. Burial was in the Hebron Cemetery.

Mrs. Craven was the daughter of the late Capt. Henry Kottmyer who operated the Constance ferry for many years.

She is survived by two sons, Paul Craven serving with the Navy in the Pacific and Carl Craven, co-swain third class, also with the Navy in the Pacific, and three brothers, George, Oliver and Henry Kottmyer, all of Constance.

MEMORIAL SERVICE SET FOR SUNDAY

FOR SGT. AUBREY E. KNOX WHO DIED ONE DAY BEFORE WAR ENDED IN EUROPE—SON OF A. T. KNOX OF UNION.

Memorial services will be held for Sgt. Aubrey E. Knox at the Union Baptist Church, Union, Sunday, July 15th at 2:30 p. m.

Aubrey was the son of Mr. and Mrs. A. T. Knox of Union. He entered the service March 4, 1941. He was in the beginning of operations in the African campaign, the invasion of Sicily and then landed on the Anzio beachhead in Italy. After serving quite some time in Italy he was transferred to another unit in France. Having gone successfully through the entire war against the Italians and Germans, he died from gas from his own vehicle.

Aubrey was sent out to duty May 2, 1945. The half-track had to keep its motor running to generate electricity for the radio. He was found early that morning unconscious, and died May 6, 1945, just one day before the war ended in Europe.

The entire county extends sympathy to Mr. and Mrs. Knox and family in the loss of their son.

Local Boy Awarded Fourth Oak Leaf Cluster

With the 313th Troop Carrier Group, France—It has been announced at Headquarters 313th Troop Carrier Group, AAF, that S. Sgt. James E. Pierce, son of Mr. and Mrs. George B. Pierce of Ludlow, Ky., has been awarded the fourth Oak Leaf Cluster to the Air Medal in recognition of his skill and devotion to duty as radio operator of this unit during the recent airborne mission to drop supplies and supplies across the Rhine river in Germany.

A unit of Maj. Gen. Paul L. Williams' U. S. Troop Carrier Forces, the 313th Group has been in action in overseas service for over two years. S. Sgt. Pierce is serving his second tour of duty overseas. He and the other crew members of the 313th Group were the first airmen to fly the new C-46, largest twin-engine aircraft in the world, in a combat operation.

In addition to the Air Medal with four clusters, S. Sgt. Pierce wears the European-African-Middle Eastern Campaign Ribbon with six bronze battle participation stars and the Distinguished Unit Citation which the 313th Troop Carrier Group has twice been cited for outstanding performance of duty.

Bronze Star Medal Awarded Sergeant Ralph H. Bradburn

Sgt. Ralph H. Bradburn, son of Mr. and Mrs. J. T. Bradburn, of Petersburg has received the Bronze Star Medal for gallantry in action. He received it by his wife recently, who resides in Sayler, Park, Cincinnati, Ohio.

Ralph was the first volunteer for service from Petersburg, entering the service June 3, 1941. He has been stationed overseas for the past 15 months.

The citation follows: "Eighty-Third Infantry Division Office of the Command General 'Citation'.

'Award of Bronze Star Medal. First Sergeant Ralph H. Bradburn, 35126487 Infantry, 329th Infantry, United States Army.

'For distinguishing himself by meritorious service in connection with military operations against an enemy of the United States from 4 July 1944 to 30 April 1945 in France, Luxembourg, Belgium and Germany. Sergeant Bradburn as First Sergeant of Service Company performed his duties in a superior manner under every combat condition. His initiative and consistent ability to produce results have made him one of the most outstanding non-Commissioned Officers in the 329th Infantry. His courage and soldierly conduct, regardless of hazards, are in keeping with the finest traditions of the military service of the United States, and merit the highest praise. Entered military service from Kentucky.'

The Men's Bible Class of the local Baptist Church will hold their monthly social and business meeting at the church next Saturday night, July 14 at 8 p. m.

Florence Girl In WCKY Contest

Jo Ann Kinman

This Boone county girl is one of the entrants in the contest to discover "Miss WCKY, Greater Cincinnati, 1945."

She is Jo Ann Kinman, 19-year-old daughter of R. G. Kinman, widely-known tobacco auctioneer, of Florence. Jo Ann, who is employed in the office of Dr. Thomas Lutes, Florence dentist, is a graduate of Florence High School in the Class of '44.

Winner of the contest will represent the Greater Cincinnati area in the "Miss America" competition in Atlantic City in September. She will receive a complete wardrobe and all expenses paid to Atlantic City for one week by WCKY; a \$500 War Bond from Yvonne De Carlo, Universal star; a \$500 diamond ring from Carroll's Jewelers, Cincinnati; and \$25 from the Albee Theater.

Revival At Petersburg Methodist Church

A special series of evangelistic services will be held at the Methodist church beginning Sunday, July 15th and closing July 29th. With the exception of the Sunday service held at 2:30, all services will begin at 7:45 each evening.

The pastor, Rev. Oliver B. Thomas will be the preacher. He preaches a Christ-centered, true to the Bible Gospel.

In issuing a cordial invitation to the public, Rev. Thomas said, "May we labor and pray for a great revival."

Walton Boy In Naval Hospital In California

U. S. Naval Receiving Hospital, San Francisco, Calif.—Carl Melvin Jones of the U. S. Marine Corps, son of Melvin O. Jones, Walton, Ky., and husband of Christine Jones, of Warsaw, Ky., following service in the combat areas of the Pacific, has arrived at this hospital for further medical treatment.

He anticipates transfer soon to a naval hospital nearer his home. This hospital receives most of the Navy, Marine and Coast Guard casualties returning to the main land from Pacific combat areas. The average stay of a combat patient in this hospital is four to six days, during which time the Bureau of Medicine and Surgery in Washington is advised of convoy arrivals at the hospital and orders are received back assigning patients to a hospital nearer home, if at all possible. In some cases, need of specialized medical treatment, or crowded conditions in naval hospitals in a particular area make it difficult to assign a man very close to home—but every effort is made to do so.

In the main, Navy men leaving here are "headed toward home" and speedy recovery through excellent treatment and the comfort of being near their families and friends and old surroundings again.

Previous duty station included: Pearl Harbor, Panama Canal, Marshall Islands, Antoon, Perry Eniwetok, Guadalcanal, Guam, Russell Islands, Okinawa.

JUDGE VEST HEADS WAR FUND DRIVE

IN BOONE COUNTY—KENTUCKY ASKED TO RAISE \$1,406,375 OF NATIONAL QUOTA OF \$115,000,000.

Lexington, July 7—Judge J. L. Vest has accepted chairmanship of Boone County for the Kentucky War Fund 1945 campaign this fall. Dr. Frank L. McVey, State campaign chairman, has announced Dr. McVey expressed gratification of Judge Vest's acceptance and confidence over the outcome in this county under his leadership. He recognized too, other county leaders who shared the responsibility for the goal last year and who will undoubtedly give of their time and influence this year. Kentucky's State-wide quota of the \$115,000,000 to be raised nationally, is \$1,406,375. The campaign is to be held September 20 to October 20.

"Everyone in Kentucky, through this coming campaign, has a chance to follow up their own boys, wherever they are," said Dr. McVey. "Through the USO and three other agencies serving the armed forces, we can follow our men with a thousand and one services and comforts. This year the movement of millions of men to the Pacific entails a tremendous task of expansion on all our agencies. We must not fail them."

The 2,500 USOs furnish a Christian place to go when off duty, home cooked food, beds and clean entertainment in all parts of the world. Two hundred twenty-nine United States Service clubs are ready for Merchant Marines in sixty-five ports around the globe. The third agency in the National War Fund through which Kentucky can serve its men, is the American Field Service, a voluntary ambulance unit dedicated to the rescue of the wounded under fire. The fourth agency is the United States Prisoners Aid committee, which has freed a German prisoner camp said, "Bibles and other books, study courses, games and athletic equipment sent into camp by the YMCA War Prisoners Aid saved our reason."

The National War Fund still continues its help to refugees of the United Nations.

Boone County Farms Change Hands During Week

W. T. Carpenter sold his farm of 235 acres, 4 1/2 miles south of Burlington, on East Bend Road, to Robert L. Turner of Cincinnati. The sale was made by the Boone County Farm Bureau. Mr. Carpenter's interest in all live stock, feed and farm equipment. Mr. Turner assumes this year's contract with the tenant, Mr. Barnett, and takes immediate landlording possession of farm. Mr. Carpenter had owned this farm for 34 years and had lived on same up until a few years ago, when he moved to Burlington and continued operation of the farm by tenant. This is one of the good stock and tobacco farms of the county.

E. B. Elliott sold his farm of 259 acres, near Idlewild, to W. R. Cleveland, Oral P. Eizen and Mrs. Florence Smith, of Cincinnati. Mr. Elliott retains all personal property and crops and gives possession in March. Mr. Elliott lived on this farm for several years until purchasing the farm of Mrs. Mamie Stephens, near Bullittsville, last year, since which time he has been operating the farm with tenants. Large crops of tobacco and alfalfa are grown on this farm and always brings the highest market prices.

R. P. Coleman sold 10 acres off the 63 acres recently purchased from W. P. Beemon, on Camp Ernest Road to J. T. Gettys, of Erlanger. Mr. Gettys expects to build a home on the property. Mr. Coleman is subdividing this tract of land in small acreage to suit purchasers.

All of the above sales were made the latter part of last week through A. B. Renaker.

Rev. Lucas Closes Work With Bullittsville Church

Rev. Noble Lucas closed a pastorate of more than ten years with Bullittsville Christian Church on June 30th, to begin immediately with the Point Pleasant Christian Church, near New Castle, Ky.

Point Pleasant is an old established and one of our most progressive rural churches. Rev. Lucas will continue to reside at his home near Bullittsville.

Farmers Urged To Use Superphosphate

One hundred sixty tons of superphosphate have already been received at Walton and 355 tons at Erlanger on the 1945 A. C. Program.

There are only orders on file for approximately a carload of phosphate for each of the two places. There have been several more cars of phosphate approved for shipment which will probably be received in a short time.

The use of phosphate on grass and clover crops is one of the best ways of earning your soil building allowance.

All 1945 A. C. cooperators are urged to place orders for more phosphate if they have not already ordered or received the limit to date.

Ohio Youth Injured In Collision Sunday

Warren Lamary, 19, Waynesville, Ohio, suffered back injuries in an automobile accident Sunday on U. S. 42. He was removed to Booth Hospital by the ambulance of Chambers and Grubbs.

The accident occurred when the driver of the car in which Lamary was riding crashed into the rear of a car driven by David Brewer, Beaver. The accident occurred on U. S. 42, 8 miles south of Florence. Other occupants of the cars escaped injury, according to Deputy Sheriff Irvin Rouse, who was called to the scene of the accident.

\$40.00 IN PRIZES WILL BE AWARDED

TO WINNERS OF "LIVE-AT-HOME" CONTEST. ENTRIES BLANKS CAN BE OBTAINED AT COUNTY OFFICE.

Approximately \$40 will be given to the eight highest scoring entries in the 1945 contest. Entries are being received in the County Extension office in Burlington. Any Boone County resident desiring to enter either the home canning or home food storage contest is urged to get an entry blank from the office of the County Agent or Home Agent. In the home canning and storage contest, a first prize of \$10 donated by the Farm Bureau is going to the winner and a \$5.00 year's membership to the Farm Bureau as second prize; third is \$3.00 donated by G. W. Hill's Grocery, Covington and fourth is \$2.00 also donated by Hill's.

In the home canning contest, the Walton Advertiser is giving a first prize of \$10 and a second prize of two \$5 subscriptions to the paper. Third prize is \$3.00 donated by George C. Goode's Grocery, Covington and a fourth prize of \$2.00 is offered.

The exhibits will be judged late next fall. Quantity according to the number in the family and quality of products will be the guiding points for the judges. Fancy canning will not receive consideration by the judges because it is impractical.

The civilian food supply, next winter will depend much on the food preserved in homes this summer and fall. By one method or another all home garden produce can be saved and none allowed to go to waste. Every pound of food preserved now will help ease the food situation next winter.

Henson-Eggleston

Miss Jeannine Henson, daughter of Mr. and Mrs. Arthur Henson, of Francisville and Pfc. Howard W. Eggleston, son of Mr. and Mrs. B. Eggleston of Hebron were united in marriage by Rev. Arthur Tipton of Ludlow on Thursday, July 5th. Their attendants were Miss Bessie Peeno, of Ludlow and the bride's father.

FARM SLAUGHTER POINTS EXPLAINED

BY THOMAS G. MOONEY, DISTRICT RATIONING EXECUTIVE OF THE OPA—ORDER FAIRLY WELL UNDERSTOOD.

Lexington, Ky.—Filling requirements and other conditions that must be met by farm slaughterers operating under Office of Price Administration Control Order 1, which became effective April 30, 1945, were explained this week by Thomas G. Mooney, District Rationing Executive of the OPA.

The order is fairly well understood by the farmers of Eastern Kentucky, Mr. Mooney said, but a few points may need clarification. There is no restriction on the slaughter of livestock which the farmer has raised and from which he wishes to obtain meat for home consumption, Mr. Mooney said.

Farmers who expect to sell or transfer meat after May 15, 1945, are required to register with their local War Price and Rationing Board before they begin to market the meat. Forms can be obtained from local boards for this registration. Registration has been extended to Oct. 14, 1945 for farmers who slaughter and sell in the fall.

The local Board will assign the farm slaughterer a quota in pounds of dressed meat for each of the four quarters of the calendar year, equivalent to 100 per cent of what the farmer sold or transferred during the corresponding quarters of 1944, provided he turned in the number of ration reports and coupons required under the rationing regulations.

If the farmer did not turn in the full number of ration points required, the local Board will give him a quota equivalent to his 1944 sales or deliveries only. If he now signs a simple compliance statement indicating that he understands the rationing regulations and agrees in the future to collect the full point value for the meat and turn the points in to the local Board.

If a farmer has a quota assigned for a given quarter, he is required to make at least one ration report to the local Board during the quarter, or at the end of the quarter is required to notify the Board that he did not make any deliveries of meat during the quarter. If he fails to meet this simple requirement, the local Board will notify him in person or by registered letter. If the requirement is not then satisfied within 30 days, the local Board will automatically cancel his permit and his quota for the entire year.

Farmers who sold no meat in 1944 can register with their local War Price and Rationing Board and obtain a quota for deliveries up to 400 pounds a year.

IMPROVED UNIFORM INTERNATIONAL SUNDAY SCHOOL LESSON

By HAROLD L. LUNDQUIST, D. D., of the Bible Institute of Chicago. Released by the Bible Institute of Chicago.

Lesson for July 15

GOD'S PURPOSE FOR ABRAHAM

LESSON TEXT—Genesis 12:1-9. GOLDEN TEXT—In thee shall all families of the earth be blessed.—Genesis 12:3.

Separation, which means release from the influence of those things which hinder full development, is a blessing even though it may be difficult. God had a great purpose in mind for Abram, but to accomplish it He had to get him out of his own country, away from the downward pull of heathendom, and out into a new adventure of faith with Him. Doved in the midst of those who worshiped the heavenly bodies was a man who had found that there was no satisfaction for his soul in such worship. He had found the true God, and was ready to respond to His call. We find Abram

I. Hearing God's Call (vv. 1-3). Men who have been used to accomplish great and good things in the world have, like Abram, been willing to step out into the dark. They were to be tested; greatness not even striven for, it but have gone out at God's call, obeying Him day by day, and He has been responsible for the outworking of their destiny.

How important it is to have the listening ear, and the obedient heart. He was attentive to God's word, and willing to take Him at His word.

Abram was strongly attached to his homeland. He was a man of such strength of character and obvious ability, that he undoubtedly held a place of real importance in his own country. To leave that and go out to an unknown destination (Heb. 11:8) called for real faith—and Abram had it!

God had a purpose in calling him out—the establishment of a great nation. Through Abram all the nations of the earth were to be blessed. That stupendous eventuality hung in the balance until he decided to obey God, and we are glad he did.

When God takes anything from us, we can be sure that He is planning greater blessing to take its place. Material loss often brings spiritual blessing. Separation from family may give a broader relationship to others. Sacrifice for the Lord's service brings hundredfold returns (Matt. 19:29).

II. Responding to God's Command (vv. 4-6). As the Lord spoke, so Abram departed. He was to be the channel of God's blessing, and he put himself in God's hand for His use. The lives of each of us may, in our own way, be the channels of God's blessings to those round about us; but only if we, like Abram, respond to His call.

The migration of Abram from Chaldea to Canaan is one of the most important events in all history. It was one of the grand turning points in the story of the human race.

The fact that Abram took with him his entire family into the promised land, reminds us that we are not to go alone into the Lord's heavenly kingdom. We are to take our families with us.

Note also that Abram brought his substance, his riches, with him. That tells us anew that when a man comes into the household of God through Jesus Christ, he is to bring his purse with him. Consecrate your substance as well as yourself and your service to God.

The journey of Abram ended (v. 6) in what is said to be the most beautiful spot in all of Palestine—but even here difficulty faced him, for "the Canaanite was then in the land."

Even so, the Christian life is not one of ease and idleness, but of heroic endeavor and victory. The Promised Land is a type, not of heaven, but of the Christian's life and experience. We, too, find the Canaanite in the land. There is a constant struggle with the world, the flesh and the devil; but there is victory in Christ.

III. Receiving God's Blessing (vv. 7-9).

God kept His promise to Abram. True he did not see the entire fulfillment of it, but it is that necessary to the man of faith? God says it, we believe it; it becomes our present possession by faith, though the enjoyment of it may be yet to come.

Note that wherever Abram pitched his tent, he built an altar. He was not too hurried or busy to remember God. We, too, are pilgrims and strangers in this world. Let us not fail to raise an altar to God. Wherever we may be, let us leave a testimony for Him.

For such a man, God could well have a high purpose. He was among that noble company who in all ages have "simply obeyed each day the divine orders which were given them, took each day the way of prayer, of righteousness, of duty; content if they had light enough for that and the next step, leaving to a higher will all that should come after. And God charged Himself with their destiny" (J. G. Greenough).

Care Of The Feet

N. TULCH
Foot Comfort Specialist at—
PEOPLE'S SHOE STORE
814-816 Madison, Covington

The human body, a wonderful structure of energy and beauty and, like an architectural structure, depends primarily on the strength of its foundation—the feet.

The feet are the most overworked part of the body, and functioning under unfavorable conditions, usually results in (1) weakening, (2) impairment and (3) discomfort.

Facts—Ninety per cent of all people in the country suffer from some kind of foot trouble, and many of them suffer all their lives without knowing the source of their ailments.

Just think, the skeleton or framework of the human foot contains 26 bones. (A person's foot contains more than one-fourth of the two hundred bones in the entire human frame.) When the bones become abnormally positioned as when the metatarsal bones or arches drop, it affects other component parts of the foot such as muscles, ligaments, tendons and nerves.

When you step on a hose it pinches it, and the flood water is stopped at the point of pressure. The same applies when a bone is pressing on the blood vessels that traverse the foot. Then pains are the result of this pressure, they can and should be relieved.

Always remember this, painful feet interfere with one's work, discourage the exercise so vital to health, and spell life's pleasures.—Adv.

NITROGEN BOOSTS
YIELD OF BURLEY

Tests made at the Kentucky Agricultural Experiment Station at Lexington indicated that burley tobacco yields may be increased as much as six pounds for each pound of nitrogen applied, until a yield of about 1,500 pounds to the acre is reached. After that the increases were smaller.

The Station's report says quality of tobacco improves as yield increases.

Revenue Of Division Of Game And Fish

Reaches New Peak

Frankfort, Ky. (AP)—Despite the war and its drain on the manpower of Kentucky, a new peak was reached by the Division of Game and Fish for the 1944-45 fiscal year in its revenue from the sale of hunting and trapping licenses and contract violators, and \$12,000 came from Federal Aid to Wildlife Restoration Funds.

Wallace stated that the annual financial statement shows receipts of \$237,400, which is \$1,400 better than any previous year. He pointed out that a total of \$224,500 came from the sale of hunting, fishing and trapping licenses and contract violators, and \$12,000 came from Federal Aid to Wildlife Restoration Funds.

With the return of some servicemen and increased support for the Division's work, Wallace said that the fiscal year can be increased to between \$250,000 and \$275,000.

Farm Labor Notes

Boys from 12 to 17 years old from Eastern Kentucky are being trained one week for farm work in a training camp at Winchester. These boys who make good during this week are available to farmers. Farmers requesting these boys will file \$3.00 for transportation and application at the County Agent's office. The boys are paid \$10.00 per week with room and board. If the boy does not work six days or more, the farmer deducts the \$3.00 fee from the boy's wages. There may be several farmers in the county who may want this type of help. Reports of farmers show this program has been quite satisfactory. Applications should be filed on Monday for help to be secured the next week.

Tobacco Meetings

A series of tobacco meetings on labor saving practices in planting and housing tobacco will be held in the county between August 3rd and 13th. Motion pictures and method demonstrations on labor saving practices will be presented.

Pond Building Equipment

Buildings for pond building equipment is now available on the roads between Union and Rabbit Hash and along U. S. 25 between Florence and Walton. This equipment will move to other communities as soon as all requests are filled. Farmers in this territory wanting ponds built are urged to immediately contact the operators of the County Agent's office.

Farmers Urged To Save Balbo Rye Seed

Farmers who have a good crop of Balbo rye are urged to harvest it for seed, according to the County Agent's office. Approximately seventy-five farmers in the county seeded Balbo rye last year and many good crops have been grown. Balbo rye has proven one of the fastest growing small grains. It furnishes a maximum of fall and early spring pasture, surpassing common rye in this respect. The corn, easily cross pollinated and the seed crop must be kept safe distances from common rye or else the strains will cross or not be true to variety.

Thresher operators report they will be able to handle most requests. Combine operators report in most instances they are filled up with crops to harvest. Farmers who can get their crops cut with a binder and shocked appear to have reasonable assurance of getting the services of a thresher.

DESTROYS BERMUDA GRASS

Weldon King of Hickman county says he has found a way to destroy Bermuda grass. After several years of experimenting he tried applying large amounts of limestone and superphosphate and then sowing ladino white clover. County Agent Warren Thompson examined the field and said Mr. King had the Bermuda grass licked.

Double Header Fourth

Bellevue came through with a double victory over Walton, winning the first game 18 to 2 and the nightcap 12 to 1. Wendell Loudon was the winning pitcher in the first game and Junior Vest the loser.

Ivan Cason shaded Paul Price in a pitcher's battle in the second game. Cason gave up five hits and Price allowed the winners six hits.

Burlington and Petersburg split a twin bill, Burlington winning the opener 4 to 3, losing the second game 12 to 5. Joe Smith won his fourth game of the season when he emerged from the pitcher's battle with the Braves.

Bob Brown started the second game and was the losing pitcher. Ed Deck collected six hits for Petersburg and Chick Stephens had five for Burlington.

Burlington gave the Bellevue Christian Church nine a trimming by a 22 to 2 count. Bob Brown, making his second start this week was the winning pitcher. Stevens and Huey were on the mound for the Christians.

"Box" Benson who will be out of the lineup for a month with a hip injury collected four hits. Brown, who has been in a hitting slump emerged with two doubles and two singles.

Petersburg will play Bellevue Saturday at Petersburg and Walton comes to Burlington. Both games are called for 2:00 p. m.

State Civil Service Examinations Will Be Held

Frankfort, Ky.—Civil Service examinations will be held for five positions in the Division of Game and Fish on Friday, July 13, 1944, at 10:00 a. m., in the offices of the Division on the 7th floor of the State Office Building, Frankfort, Earl Wallace, Director of the Division, announced.

The examinations will be held for the positions of Superintendent of Experimental Game Farm; Assistant Superintendent of Experimental Game Farm; Superintendent of Game Food Nursery, Superintendent of Junior Club Organizations and also for Conservation Officers.

Wallace stated that in addition to the above positions, applications will be received for Superintendent of Fish Hatcheries at Williamsburg, Glasgow, Pikeville, and Ashland. These applications must be on file in the office of the Division of Game and Fish not later than July 13th and applicants will be notified of the date of examinations to be held for each of the respective places.

Wallace said that any person wishing to take the examination would only have to report to the central office on Friday, July 13th, at 10:00 a. m.

10 SOWS RAISING 93 HEALTHY PIGS

When a farmer has 10 sows that farrow a total of 93 healthy pigs, it is something to talk about, in the opinion of Farm Agent Nevin L. Goebel of Boone County. That is what happened on the farm of John B. Day and Son of the Waterford community. Four sows had 10 pigs each, five had nine, and one had eight. Mr. Day reports that he used registered boars and kept only sows out of large litters. He also believes that proper feed and care of sows before farrowing is important, as is the use of individual farrowing pens.

NEW FEATURE ADDED "KENTUCKIANA ALMANAC" PROGRAM OVER WHAS

The story of "Your Town," or new towns in Kentucky and Southern Indiana got their strange and interesting names, is a new feature that has been added to the "Kentuckiana Almanac" program, Richard E. Fischer, Program Director of radio station WHAS, Louisville, has announced.

"Kentuckiana Almanac" broadcast daily, except Sunday, from 12:35 to 1:15 p. m. is just that—an almanac of facts and figures, spiced with music and special features of interest to every member of Kentuckiana families.

"Your Town" is part of the Tuesday program of Kentuckiana Almanac, and takes its place with movie news, stock market reports direct from Bourbon Stock Yards, news of particular interest to women, "Hobby Hall," a Thursday feature, and the songs of Joe Denton and Jean Audette, the music of Bob Huttell and his WHAS orchestra. A special feature for each day of the week keeps the program varied and lively, Mr. Fischer added.

How Loogootee, Indiana, was so named will be the first town discussed on "Kentuckiana Almanac" Tuesday, July 10, and July 17 the story of the naming of Horse Cave, Kentucky will be given. Each Tuesday thereafter a different town will be discussed.

LAND PRICES MOVE TOWARD 1920 MARK

The Kentucky Agricultural Experiment Station reports that the price of land in Kentucky last year reached a point four-fifths as high as in the boom year of 1920.

During the past 11 years Kentucky land prices have increased an average of 10 percent a year, and during the past three years an average of 15 percent a year.

The Experiment Station has warned farmers of the dangers of buying land at an inflated price.

Grover Page
DRAWS ON THE NEWS

GROVER PAGE, a COURIER-JOURNAL cartoonist for almost thirty years, is a visual editorialist who interprets the news with his brush and pen. The war, international politics with their vast implications, national, regional and local affairs ... all are reflected in his work.

He calls himself a "short order" artist because he executes most of his sketches in about half an hour. However, they are preceded by endless thought, and quite often, conferences with Courier-Journal editors. His cartoons, built upon a solid foundation of accumulated fact, are usually taken directly from stories in the morning paper ... which he digests with his breakfast. Besides his daily cartoon, he produces an astringent Sunday strip of the week's outstanding events.

Grover insists that a cartoonist never stops working except when he sleeps, as even his small, everyday experiences give him material to translate the world's most complicated situations. His own interests are varied ... they have to be in his job! You can tell, for example, that he is an ardent fisherman from the angler influence in many of his drawings.

Grover came to The Courier-Journal from The Nashville Tennessean. Previously he studied art in Chicago, for since he was ten, he determined to cartoon. Even so, he started out as a mechanical engineer and his first cartoon was published at sixteen, when he was working on a water supply project in his home town of Gastonia, North Carolina.

Famous for his prize winning wood-cuts as well as cartoons, Grover has taken many of them from drawings he's made in rural Kentucky and Southern Indiana. His son, Staff Sgt. Grover Page, Jr., inherits his father's talent and is now a front-line sketcher with the 38th Division in the South Pacific.

The Pages live in Louisville, though their first seventeen years in this part of the country were spent in New Albany, Indiana. Grover plans to stay here the rest of his life, working at the same drawing board he has used for almost thirty years.

OUTSTANDING CATTLE SHOW;

HORSE PULLING CONTEST Two of the biggest and most enjoyed attractions of the Dearborn County Fair last year were its outstanding cattle show of 150 head, the finest and largest number of cattle ever to show at a County Fair in this section of Indiana or Ohio. Those who viewed these cattle last year were amazed at what they saw and learned. Another attraction last year was the Big Horse Pulling Contest.

Which drew 2,000 people out at ten o'clock Saturday morning to watch the thrilling sight of all of these fine teams and drivers pit themselves against one another in a fine sportsmanlike manner. You will want to view these two great attractions this year at The Bigger and Better Dearborn County Fair which will be held July 23rd to 28th.

DAREDEVILS WILL

ATTRACT LARGE CROWD Everyone predicts that E. Ward Beam's International Congress of Daredevils, world-famed automobile and motorcycle stunt show, will attract the largest crowd of the week when they show at the Dearborn County Fair, Lawrenceburg one afternoon and night only Wednesday, July 25.

The ticket selling crew at the Fair has been doubled for the Beam show which operates in rainy weather as well as sunshine. The 1945 Daredevil Congress has the greatest group of stunt men ever assembled in one show and the thrill on the program are the best ever shown, according to the officials of the Fair.

Instead of having a lot of nicely painted automobiles doing ramp driving and such, Beam's stunt men actually completely wreck seven automobiles at each performance. You will see the T-Bone Crash that wrecks two cars, a car completely jumping over a bus wrecks another, rolling a car end over end, puts another in the junk heap, the Dive Bomber Crash uses up two, and the brick wall crash makes the total of seven cars that will be wrecked and unable to leave the grounds except by tow truck. There will be twelve sensational features on each program in addition to the many clown numbers.

SOIL TREATMENTS

BOOST PRODUCTION The Kentucky Agricultural Experiment Station reports good increases in crop production on its outlying experiment fields last year where superphosphate, limestone, potash and manure were used.

Use of phosphate alone increased corn yields 17 bushels to the acre; wheat yields, 9 bushels, and hay yields, 760 pounds. Limestone added to the phosphate gave further increases, and the addition of potash still greater production.

ERLANGER SPECIALS

Modern home; 13-10 acres; west side of Erlanger; nice level land, all fenced; 190-ft. front, on good blacktop road; lots of shade trees and flowers. The buildings are nice; 5-room semi-bungalow, large living room, dining room, kitchen, hardwood floors, solarium; 2 bedrooms and bath on 2nd; large front porch, full basement, furnace, stationary tubs, electric pump, 2 cisterns and well, large garage and chicken house. A real home and location. Aged couple wants to sell for \$8500.

On Erlanger-road, the C. C. Talbott farm of 46 acres is in my hands to settle the estate. This farm and home is ideally located on Erlanger-rd., just outside the corporation of Erlanger, no town taxes; a nice modern home of 7 rooms, living room, dining room, kitchen, pantry, small bedroom,

all on 1st floor; 3 large bedrooms and bath on 2nd floor; large front porch across front, full basement, poured wall, furnace, electric pump, coal bin, fruit cellar, plenty of good water, city water near property. This home is well built of the best of materials, a plastered house, the best of finish, a beautiful yard and shade trees, concrete block garage, nice barn, with basement stalls for cows, feed chutes and hay traps. Lots of nice maple groves and woods near fruit orchard of all kinds; very well fenced facing 2000 feet on highway. Would make a nice subdivision. 25 acres in lots will pay for the farm and make a home and 20 acres clear for purchaser before 3 years expire. Look it over. If you don't like it someone else will. Don't be too late.

THE BOONE COUNTY RECORDER

ESTABLISHED 1875

BURLINGTON, KENTUCKY THURSDAY, JULY 19, 1945

FINAL BOND DRIVE REPORT \$789,774

FOR BOONE COUNTY IN SEVENTH WAR LOAN DRIVE—STATE CHAIRMAN SENDS CONGRATULATIONS.

The final official Government report on the Seventh War Loan Drive shows total subscriptions for Boone County as being \$789,774.80 on a quota of \$350,000.

The County chairman has received the following telegram from the State chairman:

"Ashland, Ky., July 13, 1945
"A. B. Renaker, Chairman
War Finance Committee for Boone County, Burlington, Ky.
"Official final report shows Boone County has exceeded quotas in all categories. You are to be doubly congratulated, since unquestionably this has been our toughest campaign, particularly E Bonds. The Kentucky War Finance Committee expresses its appreciation to you, your co-workers and the citizens of your county for this outstanding accomplishment. You know how grateful I am for your splendid leadership. Final report will be mailed.
"Ben Williamson, Jr., State Chairman, War Finance Committee."

Florence Boy Member Of Graduation Class In B-29 Combat Crew

Davis-Monahan Field, Tucson, Ariz.—A member of the third B-29 Superfortress combat crew class to recently graduate at this heavy bombardment base was Staff Sgt. Charles R. Wood, 25, son of Mr. and Mrs. Robert H. Wood, Route 1, Florence, Ky., who, with his ten crewmates, will soon go into combat in the air-war against the Japs.

An aerial gunner, Sgt. Wood and his fellow gunners made an outstanding training record in qualifying for combat duty as a Superfortress team. They have been precision-trained in the latest developed tactics used by the Twentieth Air Force to devastate Jap targets by air.

The comprehensive crew training has also fitted them for varied emergency procedures, and long range simulated bombing missions have steered them for actual conditions to be met in combat.

Entering the service in March 1943, Sgt. Wood is a graduate of Hamilton high school in the class of 1940 and was a farmer before joining the Air Corps.

"For meritorious service in aerial combat" while serving with the Eighth Air Force in the European Theater of Operations, Sgt. Wood was awarded the Air Medal with two Oak Leaf Clusters.

CHARLES WITENYRE PURCHASES INTEREST IN COVINGTON FIRM

The announcement is made that Charles A. Witenyre has become part owner of the Bluegrass Supply Co., 121 Pike Street, Covington.

Mr. Witenyre's many Boone County friends will be glad to hear this news. He is widely known throughout this county, which for 22 years he covered as a salesman for a paper and woodenware company.

Mr. Witenyre will be glad to meet his old friends at the Bluegrass Supply Co. store.

RILEY ARNOLD WILL BE HEARD AT FARM BUREAU MEETING FRIDAY EVENING, JULY 27—IS DIRECTOR OF AMERICAN FARM BUREAU FEDERATION.

Riley Arnold, director of the American Farm Bureau Federation, will address Boone County farmers in a meeting at Burlington courthouse, Friday evening, July 27th at 8:30 p. m., according to W. W. King, president of the county organization. All farmers are invited and urged to attend this meeting.

The Boone County Farm Bureau is working closely with the Kentucky and American Farm Bureau Federations in promoting activities for better agriculture and rural living. Both farm men and women are urged to attend the above meeting in order that they be more familiar with the organization activities.

Dallas Williamson Awarded Bronze Star

(With the Third Armored "Spearhead" Division in Germany)—Tech. 5 Dallas D. Williamson son of Mrs. Tennie Williamson whose address is Rt. 2 Burlington, Ky., has been awarded the Bronze Star medal.

He is a member of the Division Headquarters Company of the Third Armored "Spearhead" Division, which is one of the veteran armored divisions. It took part in the Marigny-St. Lo breakthrough, the fighting around Mortain, the closing of the Falaise Gap, the drive across Northern France and was the first division in Belgium and, subsequently, in Germany.

The Third Armored fought in the Ardennes campaign and later participated in the spring offensive which culminated in the capture of Cologne. From there it went on to expand the Remagen bridgehead and cut off the back side of the Ruhr pocket, making the longest drive of armored history on March 29 when it went in excess of 84 miles in one day. The southern part of the Hartz Mountain pocket was largely formed by the work of this division. Throughout the war in Europe more than 76,000 prisoners were taken.

At the present time the division is quartered in the Darmstadt area south of Frankfurt on the Main.

Utopia Club Will Hold Picnic Thursday, July 19

DRIVERS SLOW IN LICENSE RENEWALS

ACCORDING TO A. D. YELTON, CIRCUIT COURT CLERK—ALL 1944-45 LICENSE EXPIRE JULY 31ST.

A. D. Yelton, Clerk of the Boone Circuit Court said this week that the license renewals had been coming in rather slow, as compared with other years.

The 1944-45 license will expire on July 31st and persons who operate a motor vehicle should renew their license before that date. License can be obtained at the Clerk's office any week day between the hours of 9 a. m. and 4:30 and persons who have never had a license or who are required to take the driver's test given by the Highway Patrol may take an examination at the courthouse on Monday the 23 and 30th of July and the 6th day of August and on Monday every two weeks thereafter.

Licenses will be sold at the following places on the following dates:

Walton—July 20 and 21st, Walton Garage.

Petersburg—July 23rd, Farmers Bank.

Verona—July 24th, Verona Bank.

Hebron—July 25, Aylor's Garage.

Union—July 26th, Union Bank.

Florence—July 27 and 28th, Florence Building and Loan.

Applicants for licenses must present their old license when applying for new ones. Applicants under 18 must be accompanied by their father when applying for their license.

Entertains With Basket Dinner Sunday

Mrs. Otis Slayback entertained Sunday with a basket dinner in honor of her husband's birthday. Those present were Mr. and Mrs. T. H. Slayback and daughter, Mr. and Mrs. Earl Hodges, Mr. and Mrs. Bert Hodges, Mr. and Mrs. Thomas E. Slayback and family, Mr. and Mrs. Raymond Ascheratt and sons, Mr. Felix Pennington, Miss Corinne Walton, Mr. and Mrs. Peter Buckler and son and Theodore Buckler, all of Burlington; Mr. and Mrs. John Slayback and family and Miss Eleanor Black of Big Bone; Mrs. Maude Hodges, of East Bend; Jimmy Wilson, of Rabbit Hash; Mr. and Mrs. Oscar Smith and John S. Noel, of Verona; Mrs. Faye Aylor and family and Robert Tucker, of Covington; and the host and hostess, Mr. and Mrs. Otis Slayback and family. Misses Gracie and Juanita and Lawrence Howe called in the afternoon.

TENANT PURCHASE LOAN PAID IN FULL

WILFORD DIXON OF EAST BEND ROAD IS FIRST FARMER TO PAY OFF LOAN—RECEIVED LOAN MAY 25, 1941.

Wilford Dixon, who resides on the East Bend Road four miles from Burlington, is the first farmer in Boone County who purchased his farm with the assistance of Tenant Purchase loan made available by the Government to worthy applicants, to repay the loan in full, according to Ray W. Wilson, Farm Security Supervisor of Grant and Boone Counties.

Mr. and Mrs. Dixon received their loan on May 25, 1941. This was the first loan made in Boone County. Their family consists of themselves and four children. The farm has approximately 145 acres. Besides paying for the farm, Mr. Dixon has built up a sizeable herd of good dairy cows, and has added labor saving equipment, such as milking machine, milk cooler, etc. He states that he has a better prospect for crops this year than ever before.

Mr. Dixon has contributed to the success of the family; in addition to his regular household duties, by an improved subsistence program, and by raising a large flock of chickens and turkeys each year for market.

Mr. Dixon wants to make additional improvements to his farm in the way of new buildings, fencing, and soil improvement, as soon as materials and labor are available.

Mr. Dixon feels that his success on the farm is due to hard work and good management, and also to assistance received from the Farm Security Administration.

He is to be congratulated on the progress made in becoming a land owner.

Florence P.-T. A. Enjoys Picnic Thurs.

QUALITY SAMPLE SHOES WILL BE CLOSED FOR VACATION NEXT WEEK

Quality Sample Shoes, 627 Madison Avenue, Covington, will be closed all next week, reopening on Monday, July 30.

This popular shoe shop has for a number of years been closed for a week during the summer, that its employees and owners may have a week's vacation and rest period.

This is in line with the policy of the store to give the public the best of service.

Petersburg Boy Plays Big Part in Air Force

Eighth Air Force Headquarters, England—If it had not been for the work of Eighth Air Force Service Command, more than 15,000 additional replacement bombers and fighter planes, costing more than \$4,413,000, would have been required to maintain the sky powers of the Eighth Air Force in the war against Germany. Personnel of the Command included Technician Sergeant Kenneth F. Rogers of Petersburg, Kentucky.

Major General William E. Kepner of Kokomo, Indiana, Commander of the Eighth, revealed this as he pointed out that the last replaceable plane force-landed on the Continent because of battle damage was ready for service again.

The Eighth had more than 4,000 combat planes during its last month of operations in Europe. Many planes, of course, suffered flak damage several times, and Service Command technicians repaired battle damage on 12,025 B-17 Flying Fortresses, 2,328 B-24 Liberators, and 1,077 fighter planes.

In addition, they recovered vital parts and materials valued at more than \$280,000,000 from 1,589 salvaged bombers and 1,015 fighters. Modifications were made on 4,060 bombers and 1,924 fighters, and major maintenance and repair work not due to battle damage was performed on 6,228 bombers and 2,097 fighters.

Commanded by Colonel John M. McCulloch of Louisville, Kentucky, the Eighth Air Force Service Command operated from bases in England until after D-Day when it extended its operations to France, Belgium, Holland, Germany, Austria, and Luxembourg.

Technical Sergeant Rogers, son of Mr. and Mrs. Louvet Rogers of Grant, Kentucky, is a 1936 graduate of Burlington High School. His wife and son live in Petersburg and he has been overseas since December, 1943.

350 ATTEND LOCAL DEMONSTRATION HELD AT GREENLAWN FARM LAST WEDNESDAY—SEVERAL THOUSAND FEET OF TERRACES CONSTRUCTED.

Three hundred fifty attended the terracing demonstration held at the Greenlawn Farm on U. S. 25 last Wednesday. Several thousand feet of terraces were constructed with the use of modern farm equipment. A picture show giving recommended soil conservation practices was held at Burlington Wednesday night following the meeting.

The meeting was cooperatively sponsored with the local Soil Conservation Service District and the International Harvester Company with Calvin Cress serving as local agent. The visit of 100 soldiers from the AAF Convalescent Hospital at Ft. Thomas was a special feature at the afternoon event.

Dies in Belgium

Sgt. J. A. (Bud) Ratermann, 24 son of Mr. and Mrs. Joseph B. Ratermann, of Madison Pike, Route 1, Covington, died June 25 in Cheves, Belgium, according to a War Department telegram received by his family. No details of his death were given.

Serving with the Engineers, Sgt. Ratermann, a graduate of Covington Catholic High School entered the service three years ago, and had been overseas two years. He served in England, France and Germany.

Prior to his entering the Army he operated the Latonia Springs Auto Parts and Used Car Co., Covington.

Besides his parents he leaves two brothers Robert and Walter at home.

FOUR-H MEMBERS SHOW FINE WORK

ONE HUNDRED TWENTY-FIVE BOYS AND GIRLS VISITED FAST WEEK—97 PERCENT OF PROJECT WORK UNDER WAY.

Five hundred Boone County 4-H Club members are doing an outstanding job in crops and livestock production and in home canning, sewing and food work, according to the County and Home Demonstration Agent's office. One hundred twenty-five boys and girls were visited and project work inspected the past week. Ninety-seven percent of all members were found to have their project work under way and doing an excellent job.

Plans are to visit each club member's project in the county on the tours that will be held during the next three weeks. Project visits have already been held in Walton, Hebron, Verona, New Haven, Burlington Clubs. They will be held in Constance, July 18th; Florence, July 19th; Petersburg, July 31st; St. Paul's August 1; Grant, August 2nd; Burlington No. 2, August 7th; Hamilton, August 8th.

Nursing Activities Committee Meets

The Nursing Activities Committee, Boone County Red Cross met at the home of Miss Lucy Lee Grant, July 10, 1945. Due to the gas shortage meetings are held every two months.

Those present for this meeting were Mrs. Walter Ferguson, chairman; Mrs. J. C. Aylor, Mrs. Lewis Houston, Mrs. Lulu Huey, Mrs. J. K. Cropper, Miss Elizabeth Lowry and Miss Lucy Lee Grant.

There has been a lot of stress on Home Nursing classes since the war. Miss Lowry is teaching a class at Beaver Lick.

In the last meeting which was held in May it was decided to have Miss Lowry's first report to compare with the present one. This was done and Mrs. Walter Ferguson, chairman expressed the feeling of the committee when she said, "I think Miss Lowry is doing a fine piece of work."

The meeting adjourned to meet in September, with Miss Lucy Lee Grant, Secretary.

Nichols-Gault

Mr. and Mrs. Arthur B. Nichols, Burlington Route 1, announce the marriage of their daughter, Kathryn Rose Nichols to T-5 Lon A. Gault, Jr., of Clinton, Ia. The ceremony was performed by Lt. Col. Boe, Chaplain, in the chapel located on the grounds of the Schick Army hospital at Clinton on Saturday, July 14th.

The bride was attired in a white satin and lace wedding gown with a finger tip veil and carried a sheaf of white gladioli. Her maid of honor was her cousin, Elizabeth Barnard, who wore blue organdy flowers. The groom was attended by his lifelong friend and chum, Sgt. Mark Smith. For her traveling costume Pvt. Gault wore her pretty off-duty WAC uniform.

The bride's mother wore powder blue with navy accessories and the groom's mother chose navy blue with white accessories. Neither father was able to be present due to the stress of wartime positions.

After the wedding a reception for relatives and intimate friends was held at the home of the bride's uncle and aunt, L. and Mrs. T. H. Barnard, of Clinton. Mrs. Arthur B. Nichols and Deborah, and the bride's grandmother, Mrs. S. M. Zekind were among those present.

T-5 Gault is home from the European Theatre of war on a 30-day furlough. Pvt. Gault has a 14-day furlough, after which she will report for duty at the U. S. Army's General Hospital at Camp Carson, Colo. Her husband will accompany her, until he has to report for duty in the Pacific Theatre.

SPEED-UP OF LOANS IS MADE POSSIBLE BY NEW LEGISLATION RECENTLY ENACTED, ACCORDING TO A. B. RENAKER OF NATIONAL FARM LOAN ASSOCIATION.

A. B. Renaker, secretary-treasurer of the Boone County National Farm Loan Association, said today that under the new legislation recently enacted by Congress, it will be possible for the Association to handle loans more expeditiously and that with more of the lending process turned over to the Association, the prospective borrower will be told more quickly of what action will be taken on their applications for long-term Federal land bank loans.

Under the new law, the Associations may lend up to 65 per cent of the normal value of the farm, whereas since 1917 they have been limited to 50 per cent of the appraised normal value of the land plus 20 percent of the permanent improvements.

Land Bank Commissioner loans will be continued for 1 year from July 1, 1945. They have been made up to 75 percent of the normal agricultural value of the farm. However, the contract interest rate on these loans will be 5 per cent, except to veterans who may borrow at 4 percent in the event the loan is guaranteed under the G. I. Bill of Rights. The contract rate for land bank loans will remain at its present all-time low of 4 percent.

Secretary Renaker said that many of the Commissioner's loans have been repaid since 1934 and that, many others have been repaid to a point where they can easily be refinanced with 4 percent land bank loans. "This," he said, "will be advantageous to many borrowers for it will not only reduce their interest rate but will give them the advantage of having only one creditor."

REMEMBER WHEN

—the family album sat on the center table in the parlor? It was a large volume with metal clasp and ornate covers. "Tintypes and faded photographs of 'relations' in stiff uncomfortable poses filled the book and made good subjects for reminiscing and discussion of changes of styles in wearing apparel. Remember?

ABRAHAM'S PRACTICE OF BROTHERHOOD

LESSON TEXT—Genesis 13:1-12.
GOLDEN TEXT—Let there be no strife, I pray thee, between me and thee . . . for we be brethren.—Genesis 13:8.

As we study the contrasting selfishness of Lot, we see the true generosity of Abram and the brotherly love which prompted it in bold relief. In a world where men reckon even their friendships as something which must yield some financial return, it is good to stress the fact that kindness and sacrifices are recognized and rewarded by God.

Abram, after dwelling for a time in Canaan, had gone down into Egypt because of a famine in his own land. After many trying experiences, he returned to his promised land and there he prospered mightily under the good hand of God. Unlike many who forget God when they become rich, we find Abram

I. Meeting Prosperity With Godliness (vv. 1-4).
"We are very rich," That would be almost enough to constitute a spiritual obituary notice for many a man's spiritual life.

But Abram did not let his riches come between him and God. He sought out that altar which he had first built at Bethel, and there he called upon the name of the Lord once again.

Note then, that riches in themselves need not destroy a man's character or spirituality if they are held as a gift from God, and for His glory. Meet growing prosperity with increased godliness and all will be well.

II. Meeting Problems With Kindness (vv. 5-9).

Abram's riches, and those of Lot, were largely in flocks and herds. For them there had to be great areas of grazing land, and the rocky section where they found themselves, grass was scarce. Result? A fight between the herdsmen.

Lot, the younger, should have taken the lead in meeting the situation, but he sold his heart was too small for that. But Abram, eager for peace and brotherly love, indicated at once his willingness to do anything necessary to preserve peace.

One could not ask a finer indication of true bigness in a man. "Big men use their prestige to serve great ideals. Abram used his tremendous advantage to do a beautifully generous thing to eliminate strife. Not many men are big enough to follow this course" (W. R. White).

Only God can make a man that big, but God can do it for any one of us. If Christian people would listen to the words of Abram, "we are brethren" (v. 8), and put them into practice, there would be an immediate end to all the foolish strife which divides God's people.

There is call for compromise with untruth, nor any occasion for softened generosity which will only spoil its recipients. We are talking about the honest and intelligent use of kindness and tact between brethren. When kindness meets problems, the problems disappear. Why not try it?

III. Meeting Selfishness With Love (vv. 10-12).
Lot made the typical choice of the worldly-minded man, the one which would give him the best returns in dollars and cents. It seemed like a shrewd thing to do, but it resulted in disaster, for it meant pitching his tents over toward the wickedness of Sodom.

Abram had to rescue Lot again and again from the results of his decision; but thus in love he met the arrogant selfishness of his foolish nephew.

God rewarded Abram by a renewal of His covenant with him (Gen. 13:14-18). God understands and values the kind and thoughtful act, even though the world may ignore it or sneer at it.

Lot probably did not intend to go all the way into wicked Sodom to live, but having once started that way, it was easy to go on and on. Even so Christians in our day may not intend to slip off into worldliness; but if they continue to pitch their tents toward Sodom, they will find themselves there one sad day.

This may be done by seeking wealth or worldly advantage at the expense of association with unbelievers, or by some manipulations or maneuvers which will involve compromise. It may come about by reason of indulgence in worldly amusements which dull spiritual perceptions and kill an appetite for the Word of God and prayer.

Abram is a character who "wears" well. We see him meeting one situation after another, and making the right choice. Oh, he was not perfect! His mistakes are noted in Scripture, and he suffered for them, too. But because his heart was fundamentally right, and he had a constant desire to do the will of God, he found his way through, and justified the name which God gave him—"The friend of God" (see James 2:23; Isa. 41:8).

We Issue Them

AN OPEN LETTER TO MY OPPONENT

(By Kenneth E. "Jack" Johnson)

Walton, Ky. July 18, 1946

Hon. R. M. "Coke" Hall
Walton, Ky.
Dear Sir:

In answer to some questions which I read with interest in the July 12 issue of the Gallatin County News; I want to first thank you very kindly for the support and part you are unintentionally giving in helping me in my campaign.

The error in grammatical structure and sequence of my article, was not an error of topic as you made it appear. The enabling act as you term it, was a fine gesture indeed to Kenton county in helping to complete and improve the Kenton County airport which lies wholly in Boone County. I think we in Boone County will see the day when we will wish that it could have been financed and promoted within our own County.

You state that it seems I'm making the race for Congress instead of the Kentucky State Legislature, also ended your article by asking, that in my commentaries if I will explain whether or not I am the Republican candidate in the Democratic Primary. Go back with me a few years "Coke" and I shall endeavor to answer those questions and will answer them.

When I was sixteen years old (Junior in High School) I received an appointment as Page in the House of Representatives in Washington, D. C. I reached Washington on the 2nd day of December, 1917, a very lonesome already homesick lad; it wasn't long however until I became acclimated, and found myself among surroundings that for the next ten months proved very educational indeed, and were imbedded deeply in the heart of this (then) very small boy from Walton, Ky. It also proved to be a history making period, for it was a session of Congress for a nation at war.

As I sat at my small desk just to the left of the Speaker's Rostrum, I was filled with wonder and awe at the proceedings that were going on around me, but I soon learned and had a small part in the daily routine in that session of Congress. I wasn't long in learning the names and faces of the 434 men and one woman who were members of the House at that time, and as I worked there at my desk, I also learned that I, too, was a part of the activities that were going on there.

I was much impressed by the dignity and decorum of that large membership of Congress from the States of our Union.

Parliamentary procedure, and governing rule were the most perfect of any legislative assembly in the world and is so held today. I know it was then that I first took notice of things political, and there imbedded deep within me were the policies and principles of the Democrat Party. I was reared by parents who were of Democratic beliefs, but it was in Washington that I first saw political light, and within this boy's heart did Democrat principles begin to beat, and "Coke" from early winter 1917 up to and including this date I have kept the covenant and faith of a Democrat and I defy you or any man to belie it. Can you show an uninterrupted Democratic political association from the time you reach your majority up to and including this date?

It was in surroundings as I have written above that I made (when just a lad in knee pants) my political debut.

If you will "Coke" I want you to tell all the people in Gallatin and Boone Counties, (your help in my campaign altho not intentionally given, has done more for me than I have been able to do) that Kenneth E. "Jack" Johnson was well trained in the Southern Democrat School of Party Ethics and that includes State Rights too.

So now, "Coke," I'm sure you too now see that having a part and being on the floor of the House of Representatives during that long session of the War Congress of World War I, and participating in a small way in its procedure, I naturally acquired habits that were in keeping with that environment.

The Kentucky Legislature is patterned and is very much like our National Congress, and I'd never minimize, as you seem to do, the office I am now seeking. Being a Democrat of the old school and voting that ticket for twenty-four years, and having run on that ticket on two different occasions; don't you think you have used reactive tactics in putting that query to me? You've unwittingly and unintentionally turned over to me a large block of votes that you would give most anything to have.

So "Coke" I'll close this letter which I hope you've found to be interesting, and say to you, that if there are Republicans, who will vote in our Democratic Primary, Aug. 4th, you tell them too, that I would certainly appreciate their support in this primary election.

Your queries weren't tendered to me personally. I just happened to be reading last week's edition of the News and ran across it. I want to again remind you before I forget, and you can quote me on this too, "Coke" tell the registered electorate who expect to vote in this Primary that you have been convinced that Kenneth E. Johnson is a staunch, typical Southern Democrat of the old school, and that the principles of party instilled in him are indelibly established and have been since 1917 and will ever be so long as he may live.

Can't understand your seemingly not wanting the vote of Republicans who vote in our Democratic Primary. Seems a change from the attitude you took in the Primary two years ago when you defeated me by that very small margin of votes. However, I can use their votes to good advantage this time and this is my year "Coke."

Hoping I have answered your questions satisfactorily. I beg to remain,

Yours very truly,

KENNETH E. "JACK" JOHNSON

NOT MERE POSTWAR
PLANNING

The Louisville & Nashville Railroad—the "Old Reliable"—is not waiting until the war is over. It is doing things NOW!

To tap a rich coal field, it has just completed 11 miles of mountain railroad at a cost of almost \$2,000,000.

Other construction for a similar purpose, at a cost of \$1,600,000, is under way.

Still other lines for new coal development, costing several hundreds of thousands of dollars, are now under contract.

Eight passenger road locomotives, costing \$1,400,000, have just been received. On order are 28 aluminum, streamlined, ultra-modern passenger cars, costing about \$2,400,000.

About 71,000 tons of new steel rail and appliances to cost \$3,900,000 has been requisitioned.

In addition, other authorized improvements amount to \$5,000,000.

What does this all add up to? ... nearly seventeen million dollars! But that's not all. It means employment of thousands of men for manufacture, construction and operation for the best part of another century ... a stimulant to commercial life, better homes, better schools and better living ... in our Southland.

We want our constructive activities and service to merit your good will and patronage.

Our Country Needs Still More Used Fats
...and We're the Folks to Save Them!

OUR domestic supplies of fats and oils will be approximately one and one-half billion pounds less than last year. Yet thousands of tons are still needed to help make countless essentials for the battle and home-fronts.

We country people must remember that because of the meat situation, we are in a better position to save fats than city folks. That's why we can't afford to miss a trick!

So let's save not only the big amounts from frying and roasting, but also meat trimmings and plate scraps. Melt them down and add the liquid fat to the salvage can. Skim soups and gravies. Every drop is important.

When your salvage can is full, take it to your butcher and get 2 red points and up to 4¢ for each pound. If you have any difficulty, call your County Agent or Home Demonstration Agent.

100,000,000 More Pounds of Used Fats Are Needed This Year!

4-H CLUBS HOLD

A Letcher county 4-H club recreation day attracted about 235 boys and girls and leaders from 15 clubs. Held on a former golf course near Whitesburg, the program included folk games, soft ball, volley ball, horse shoe pitching, and other forms of recreation.

A special feature was a demonstration in folk games given by members of the Ocala club which used its own string band. The program was sponsored by the Letcher county 4-H council.

REPORT
TO THE PEOPLE
OF KENTUCKY

Last January, you contributed to the "March of Dimes" to fight infantile paralysis—

\$224,086.44

One half of this sum was sent to the National Foundation for Infantile Paralysis, which used the money for research into the cause and cure of polio, and for aid to any community suffering from an epidemic. This half amounted to—

\$112,043.22

The other half of the total contributed was placed in the treasury of the Kentucky Chapter of the National Foundation. The Chapter is spending it for: (1) Rehabilitation of the many victims of last summer's epidemic in the State; and (2) Medical and hospital care for every victim of this dread disease who is unable to pay for such care, regardless of race or creed. This half amounted to—

\$112,043.22

With Your Continued Help We Will Keep
Up This Fight Until It Is Won

HEREFORD CATTLE FOR SALE—In 1941 we sold an Ohio breeder a registered Hereford herd consisting of one bull and six heifers. It was his idea to establish a purebred herd. However, he did not keep his registration papers up and added animals from other sources. We recently purchased his entire herd of 27 head. We feel safe in saying that they are practically all purebred, but with the exception of those that we sold him, are not registered. The lot consists of bulls old enough to use, cows with calf at side, and bull and heifer calves. Cattle are in pasture condition. Here is an opportunity for several people desiring to start commercial herds. Prices reasonable. Also for sale, purebred Holstein bull, 2 months old, a good individual. C. SGT. MAURER AWARDED MEDAL

FOR MERITORIOUS SERVICE IN
CONNECTION WITH MILITARY
OPERATIONS AGAINST THE
ENEMY.

At a formation of 99th Infantry Division troops somewhere in Germany, Lt. Col. Warren W. Simpson, Houston, Texas, commanding officer of Special Troops and Headquarters Commandant of the Division, presented the Bronze Star Medal to Technical Sergeant Hal Hendry of Donovan, Ga., and Ralph G. Maurer, 2533 Highland Ave., Cincinnati, Ohio.

The official order awarding the Bronze Star as read by Lt. Col. Simpson: "Staff Sergeant Ralph G. Maurer, 35675368, Headquarters Special Troops, 99th Infantry Division, United States Army. For meritorious service in connection with military operations against the enemy from 11 November 1944 to 8 May 1945, in Belgium and Germany. Entered Service from Ohio."

Citation For Award
Staff Sergeant Maurer on numerous occasions during the battle of the Ardennes and during the battle of Central Germany, during the necessary absence of the Commanding Officer and Headquarters Commandant in the divisional advance Command Post. He organized fast-moving advancing convoys and led them to new Command Posts.

"During the initial days and nights of the vicious Ardennes offensive by Von Rundstedt's overwhelming odds, he without regard for personal safety and in a manner exemplifying initiative and leadership, collected, organized and directed to safety hundreds of stragglers from the American lines on at least two occasions Staff Sergeant Maurer was the first American soldier into enemy territory. He coordinated and carried orders of Commanding Officers to advance units under air bombardment, strafing, artillery, spirit, leadership and initiative reflects great credit upon the service."

Other Awards
Staff Sergeant Maurer holds the Good Conduct Ribbon, European Theatre Ribbon, three battle stars and has been recommended for the award of Oak Leaf Cluster to the Bronze Star Medal. He also wears the Unit Meritorious Service plaque.

Entered Service From Ohio
Staff Sergeant Maurer is married to Mrs. Dorothy Maurer, Cincinnati, Ohio. His mother, Mrs. Joseph Maurer, resides at Burlington, Ky. He entered the service from Ohio 1 December 1942.

Mrs. Lassing Donates Benches To 4-H Club

Mrs. Mae Lassing of Burlington, the past week donated 33 benches to the Boone County 4-H and Utopia Club Fair grounds. These benches represent a valuable contribution to the grounds improvement program. They will be enjoyed by those who attend future meetings at that place.

The 4-H and Utopia Council is deeply grateful to Mrs. Lassing in the fine spirit in which she made the contribution. The grounds are in much need of future improvement. Many contributions were received the past year and it is hoped these will continue until Boone County has one of the best fair, picnic and recreational grounds in the state.

BRONZE STAR AWARDED BURLINGTON BOY

Staff Sergeant Ralph G. Maurer

Union Boy Returns To Nashville Hospital

S-Sgt. Ferda G. Gruelle, husband of Mrs. Frances Gruelle and son of Mrs. Allie Gruelle, of near Union has returned to Thayer General Hospital, Nashville, Tenn., after spending a thirty-day leave with relatives and friends.

Sgt. Gruelle entered the Armed Service December 1, 1942. After a year of training in Mississippi and Louisiana, he left for overseas, where he spent eighteen months serving with the 38th Infantry Division in the Pacific, part time in Hawaii, New Guinea, Leyte, Samar and Luzon.

He was wounded by a sniper's bullet on May 4th, a few miles from Manila while fighting to take Wea. A truck will be carried to a field hospital, he was removed by a cub plane from Luzon to Leyte to a General Hospital.

He left for the States arriving at Hamilton Field, California on June 3rd. A few days later he arrived at Nashville, Tenn., making the entire trip by plane.

Sgt. Gruelle is the holder of the Combat Infantry Badge, Purple Heart, Philippine Liberation Medal, Asiatic and Good Conduct Ribbon. He has two brothers, Cpl. Harold Gruelle and Sgt. Ray Gruelle, serving overseas.

BIG HAY CROP IS BEING HARVESTED

HIGH PRICES ENCOURAGING
FARMERS TO EXERT EFFORT
TO SAVE CROP—OTHER CROPS
ARE GOOD.

Boone County is harvesting one of the biggest and best hay crops in years, according to the County Agent's office. The high prices paid for hay the past two years and the quality of the crop is encouraging farmers to exert every effort to save the crop. The red clover crop is reported by many farmers as being the best on record.

Corn and tobacco have made fair growth. Cool weather delayed rapid growth. A good steady rain would help these crops now. Recent warm nights have made good corn and tobacco growing weather. A big peach crop is reported over Kentucky and the south. July 20th to August 15th has been set for the Kentucky Peach Marketing Campaign. Fear that many housewives would not eat peaches because of the sugar shortage has worried peach growers. Peaches can be canned without sugar and sweetened next winter as easily. The Home Demonstration Agent's office has recommendations on canning with a minimum of sugar.

The lamb crop is reported as good this year. Many local farmers have marketed lambs weighing around 100 pounds. The Phenothiazine treatment for the control of parasites is reported as giving excellent results in aiding farmers to finish their lambs to heavier weights. Excellent pastures especially white clover has helped put more finish on spring lambs.

Mr. and Mrs. John Kilgour and daughters called on Mr. and Mrs. Franklin Ryle and daughter Jean Saturday evening.

Com. Edward Maurer In Marine Hospital

Word was received here late Monday night to the effect that Commander Edw. Maurer, of Louisville, is in the Marine Hospital, Louisville, for a 60-day rest period.

Although no further word has been received of his condition, his host of friends and relatives here wish for him a speedy recovery.

Lawrence Pope

Lawrence Pope, son of the late Samuel and Anna Jones Pope, was born November 16, 1889, departed this life July 1, 1945 at the age of 55 years, 8 months and 2 days at the home of his daughter, Mrs. Roy Beemon in Erlanger.

On June 16, 1891, he was married to Ada Ryle. To this union seven children were born, six of them survive, one having died in infancy.

He leaves to mourn his passing three daughters, Mrs. Clyde Atkins, of Hebron; Mrs. Roy Beemon, of Erlanger; Mrs. Anna Hamilton, of Florence; three sons, Courtney and Clifford Pope, of Burlington, and Russell Pope, of Erlanger; three sisters, Mrs. Lucy Aylor, of Florence; Mrs. Cora Kelly and Mrs. Bessie Clure, of Burlington; two brothers, Mosby Pope, of Burlington and Dode Pope, of Covington. He also leaves 17 grandchildren and 12 great-grandchildren, besides a host of other relatives and friends.

Funeral services were conducted by Rev. R. A. Johnson, Saturday afternoon at the Tharp and Stith funeral home in Florence. Burial was in Bellevue Cemetery by the side of his wife, who preceded him to the grave 13 years ago.

REVIVAL IN PROGRESS AT PETERSBURG

A special series of revival services are in progress at the Petersburg Methodist Church, and will continue through Sunday night. Services begin each evening at 8:00 p. m., and are being conducted by the pastor, Rev. Oliver B. Thomas, who is preaching.

Services will be held Sunday at 11:00 a. m. and 8:00 p. m. Due to these services there will be no preaching at the Methodist Church of Burlington.

The pastor urges the people of the community to participate in this effort to lift its spiritual life and advance God's kingdom.

Firemen Will Meet Monday July 30th

Members of the Burlington Volunteer Fire Department will hold their regular meeting at the fire house, Monday night, July 30, at 8:30.

This meeting will be devoted to work on equipment, and members are requested to wear old clothes and to bring working equipment. The siren will be sounded for opening of the meeting.

1945 DAIRY SHOW FEATURE OF FAIR

CLASSES WILL BE LIMITED TO
BOONE COUNTY OWNERS—
JUDGING TO BE BY BREED OF
CATTLE.

The dairy show both in the 4-H and adult classes will feature the 1945 Boone County 4-H and Utopia Fair and County Picnic, according to the Council. Classes this year are limited to Boone County owners. Classes will be judged according to breed type but registration papers are not required.

The 4-H Club classes have been enlarged with a new \$30.00 sweepstake class added by the Merchants Creamery Company, of Cincinnati.

The open classes this year are limited to Jerseys with everyone in the county eligible to compete. The sponsors are anxious that all who have good cattle will bring them out and take part in this year's show.

Fair Premiums Increased Record Number Exhibits Expected This Year

The premium list for the 1945 Boone County 4-H and Utopia Club Fair and Picnic to be held near Burlington August 18th, has been increased in the garden, sheep, dairy, horse and pony show, team pulling contest and several other classes, according to the Council. Record numbers of exhibits are expected this year.

Both a County Fair and a County Picnic will feature this year's event. Leaders hope that all the people will render their full support and that the fair another year can grow and extend over a two-day period.

SQUIRREL SEASON OPENS AUGUST 1

AND WILL EXTEND TO SEPTEMBER 15—SQUIRRELS ARE NUMEROUS THROUGHOUT STATE, ACCORDING TO REPORTS.

Frankfort, Ky.—The first half of the split-season for hunting squirrels will open on August 1 in Kentucky, Earl Wallace, Director of Division of Game and Fish, pointed out today. The first part of the season will extend to Sept. 15 and after a closed period to Nov. 24, it will open again and extend thru Dec. 31. Such a hunting season for squirrels has been in force for the past 2 years and much dissatisfaction has been expressed generally throughout the state on this setup and plans are now for a change at the next session of the Kentucky Legislature in January 1946.

According to the most recent information received by officials of the Division of Game and Fish; from conservation officers; hunters and farmers, squirrels are plentiful generally over the state and this should mean that Kentuckians will enjoy one of the best hunting seasons for the little bushy-tailed animals in years. Hunters are required to purchase a \$1-county hunting license if they do their hunting in one particular county, if they purchase a \$3-state-wide hunting license then they are free to hunt in any or all of the counties of the state, Wallace explained.

All hunters were urged by Wallace to buy their licenses regardless of whether they had the opportunity to hunt or not, because the money received from the sale of hunting and fishing licenses is used by the Division of Game and Fish to carry on its program of restocking fields, woods and streams and of improving of hunting and fishing conditions generally throughout the Commonwealth.

FLORENCE MAN CALLED SATURDAY

HAD BEEN MERCHANT IN FLORENCE FOR NUMBER OF YEARS
ILL ONLY THREE DAYS—SERVICES HELD TUESDAY.

IMPROVED
UNIFORM INTERNATIONAL
SUNDAY
SCHOOL LessonBy HAROLD L. LUNDQUIST, D. D.
Of Moody Bible Institute of Chicago.
Released by Western Newspaper Union.

Lesson for July 29

Lesson subjects and Scripture texts are listed and copyrighted by International Council of Religious Education; used by permission.

GOD'S PROMISE OF A NATION

LESSON TEXT—Genesis 17:1-10.

GOLDEN TEXT—I will establish my covenant between me and thee and thy seed after thee in their generations for an everlasting covenant, to be a God unto thee and to thy seed after thee—Genesis 17:1.

God keeps His promises. It may have appeared that God had forgotten, but He had not, and in our lesson we find Him ready to fulfill His promise.

We need to learn the lesson of patience, of awaiting God's time for the carrying out of His purpose. He is not in any hurry, but He always arrives on time. If we travel life's way with Him, all will be well.

Abram found the fullness of God's blessing because he sought His will for life and service. We find him

I. Walking in God's Plan (vv. 1, 2).

The place of blessing is not in some cloistered refuge where the circumstances of life and its problems cannot disturb us. It is out in the daily walk with God, in the home, the office, the shop.

What is God's plan for the life of the believer? Just what He told Abram: "Be thou perfect." Nothing less will do, for He is a perfect God. His law is perfect (Ps. 19:7). He requires a perfect obedience to the perfect law (James 2:10). This was His standard for Abram, and it can be no less for us.

How shall we attain to it? Only in Christ can we meet and fulfill God's plan of perfection.

That means that as followers of the Lord we are to seek His power for the outworking of His grace in our lives. We are not to be content with a Christian life on a low standard or lacking any of the graces which God can give us.

We, too, must recognize that if God is to give us His full measure of blessing, we must walk in accord with His will, walking in the light of His word (1 John 1:7). As He is in the light, so must we be.

The failure and impotence of present day spiritual life is explained by the willingness of Christians to live imperfect lives.

II. Talking of God's Purpose (vv. 3-8).

Abram fell on his face in adoration and humility, he put himself in the place of subjection and service.

What happened? "God talked with him" (v. 3). This man was ready for a holy conversation with the Lord. His attitude of body was only the outward expression of an attitude of heart which was right. So God and he talked about the purpose of the Lord for Abram's life.

He had been Abram, which means, "exalted father," that is, of a family or a tribe; now he became Abraham, "the father of a multitude."

This is the first of many instances in Scripture where a name was changed by God to mark an important event, or a change of heart. For example, Jacob "the supplanter" became Israel, "a prince with God" (Gen. 32:28); Simon became Peter, "a rock" (Matt. 16:17, 18).

The letter to the church at Pergamos speaks of the one who overcomes in Christ's name as having a new name written which no man knows save he that receives it (Rev. 2:17). The believer on Christ is a changed man, a new creature, whether his name be changed or not. God wants to change men—has He changed you?

The promise is renewed to Abraham. It was to his "seed," that is, his descendants. He took the blessing from God's hand, accepting things that as yet were not, as though they were. God is able to make them come to pass (cf. Rom. 4:18-18).

III. Trusting God's Promise (vv. 9, 10).

Down through the ages every man in the great host to descend from Abraham was to bear the outward token that he belonged to the covenant people. This was to be a symbol of and to lead the recipient into that attitude of heart which would bring outward rite into fulfillment as an inward reality.

Observe that after Abraham, it was always the parent who thus brought the son into the covenant. This speaks of the parental responsibility to bring the little children to the Lord, and it also gives us the precious assurance that God is interested in the children and ready to receive them at the hands of parents, taking them into His own tender care.

Thus down through the generations, Israel was to show their faith in God and their assurance that He would keep His promises to them, and their consequent eagerness that their families should be counted into the covenant with God.

Christ is ready and eager to undertake for our children. His grace is sufficient, not only for us, but also for those who come after us. His promise is to our "children's children" (Ps. 103:17, 18). "Of such as keep His covenant" let us trust Him, and put ourselves and our children in that place of obedience where He may bless us and them.

He Guides WHAS' Unceasing Flow of News

News was never more important! The need for news was never greater! Aware of this fact, WHAS devotes 127 broadcasts each week to unglorified, authentic reports of the news as it occurs. To guide the flow of news . . . to assure you the most important, most complete accounts of history-making events quickly . . . to bring you special events of significance, PAUL RUSSELL HUDDLESTON has been brought to WHAS as Director of News and Special Events.

Paul writes newscasts, edits and supervises the voluminous work of five newswriters, and keeps a watchful eye on the unceasing flow of news pouring out of six Associated Press and United Press teletype printers. In addition, with keen insight and knowing direction he makes sure that WHAS gives you on-the-scene reports of important special events.

Born in Campbellsville, Kentucky, the son of a Methodist minister, Paul has lived all over the State. While getting his degree at Western State Teachers College Paul edited the "College Heights Herald." During his first year as law student at the University of Louisville he decided to forsake the courts for the air waves, and got his first full-time radio job at WSLX, Nashville, as news editor. Later he became head of the news department at WLAC, in that city, and came to WHAS a short time ago from WBBB, Burlington, N. C., where he was Program Director. A serious student of world events, Paul has written many interpretative articles for newspapers in the South, and at one time had his own news commentary on a network of six radio stations.

Making sure that WHAS listeners get authentic, intelligent reports of world events, as well as interesting items about Kentuckiana, occupies many hours of Paul's daily 24 and keeps him from spending much time with Mrs. Huddleston and their three lively sons, 8, 5 and 1½ years of age.

"It is fitting that it should have been written by a Kentuckian, an honored veteran of the Mexican War."

"The charm of the poem lies in the stirring martial diction, in the pathos of the event it celebrated and in the deep full tones of the music—the muffled drums of the first line." "This poem was written by Theodore O'Hara and he is noted and remembered for this single poem, 'The Bivouac of the Dead,' which has become a national favorite."

"In 1874 the legislature of Kentucky paid him the honor of having his body removed from its former resting place in Alabama and placed in Kentucky by the side of the heroes whom he had celebrated in his famous poem." (Reference American Writers, Cross, Smith & Stanffer).

The first stanza is printed at the heading of this article, and I'm sure it will be well worth your while to get out your American Writers and read through the poem's entirety.

I've been through eighteen states in the past few years and I believe the most impressive scenes were on a sightseeing trip to Arlington National Cemetery, across the Potomac river from our national capital, as you stroll through the broad expanse of that large cemetery, you feel as if you were trodding upon hallowed ground, and as you lift your eyes to scenes around you, see row after row in perfect alignment, as far as the eye can reach in any direction, of markers at the graves, of our military war dead, and as you pass through or around the memorial amphitheater, under canopy of open sky you approach the tomb of a lone soldier.

The body of the Unknown Soldier of World War I was placed there by our government, soon after the last world war, and the respect to America's unknown war dead has been expressed, by visits of millions of our people since it was placed there.

I have visited other National cemeteries of our military war dead, and was deeply stirred, and impressed by the way the graves, chapels, and surroundings were

kept, not a blade of grass out of place, the graves well sodded and each one marked and identified.

Our government takes care of the upkeep of our National cemeteries and leaves to posterity, striking evidence of the respect, honor and memory of our great war heroes.

Have you visited lately the graves of your loved ones who have passed beyond? Have you found our cemeteries well kept and in good order? Can you find the markings of graves identifying the ones who lay sleeping there?

I think we in Kentucky have been remiss in the way our public cemeteries have been neglected, we've allowed them to grow up in weeds and bushes, lots of markers have been misplaced or removed, the graves have sunken in, and in lots of instances, parts of our cemeteries have been blocked off and allowed to grow up in trees, and underbrush completely covers the graves of those who were buried there forty and fifty years ago. These conditions do not exist everywhere in Kentucky but for the most part our public cemeteries are in a sad state of care.

I think it fitting, and as our government maintains, and takes care of the graves of our military war dead; in like manner it behooves us here in Kentucky to take measures now to improve and take care of the graves of our own loved ones who have passed beyond. This is not idle fancy, nor use of idle words. I think it is a shame and a disgrace that we seemingly haven't enough respect to the memory of those who have reared us, and brought us up to our present state of existence, and I propose to offer a resolution before our legislature, (if elected to the office I am now seeking) whereby the State of Kentucky will maintain and restore to posterity the names, and locations of the graves of those buried two or three generations ago, and will perpetually maintain and care for our public cemeteries.

I'm serious about this and I'm sure if this resolution was offered it would receive favorable committee report and would pass the House and Senate bodies of our legislature unanimously.

In my article in next week's edition of our papers, I will further elaborate on this proposal and offer to this electorate my program of suggested legislation for the assembly next January.

Am well pleased with the manner in which I have been received and the courtesies and evidences of support are indeed heartening as I go through this district in the interests of my campaign.

—Kenneth E. "Jack" Johnson.

VOTERS OF BOONE COUNTY

During the past few weeks it has been rumored that I have been campaigning for a candidate seeking office in Boone County. These rumors are entirely false, and I wish to take this means to inform the citizens of Boone County that I am not campaigning for any candidate for any office other than that of my own, and have no intention of campaigning for anyone else.

Rumors of this nature can only cause ill feeling between my friends and myself, which I assure you I wish to avoid.

With best wishes to all my friends thruout the county, and a pledge to serve you to the best of my ability in the future, I remain,

An Open Letter To The Voters Of Boone County

(From a friend of Conner Carroll, who is a candidate for Sheriff)

Dear Friend:

The voters of Boone County have before them a candidate for Sheriff in the coming election on Aug. 4, 1945, a candidate who believes in helping his friends in the neighborhood where he lives or anyone who calls on him for help in time of sickness or trouble of any kind. He has been kind and courteous to his customers while operating his store and trucking business. He has worked with a willing attitude always trying to get the farmer the high dollar for everything he has hauled for the farmer. I know he has contributed to churches, school, work, Red Cross and many other organizations.

This candidate I am speaking of is none other than Mr. Conner Carroll. I have known Conner Carroll's family for years and have had dealings with them, and have found them to be all good business people. He had an uncle, Jno. C. Miller who was cashier of Dixie State Bank, who I thought was one of the best bankers in the county.

I have known Conner and his wife Mildred, all of my life. Conner was married to Mildred Moore, a daughter of Grace Walton Moore and Robert N. Moore in 1919. I believe the citizens of Boone County should help them in this coming election and elect Conner for Sheriff if they want a man to work for the interest of the County.

Conner Carroll is well qualified to handle the office of Sheriff after dealing with the public for 26 years. I wish the people of Boone County were all acquainted with him as I am, and if they were they would not fail to give him a vote on election day. I would like for you voters of Boone County to consider this man and give him your support when you go to vote on Aug. 4, 1945.

Night Shift ON THE FOOD FRONT

**THEY DID IT BEFORE—
THEY CAN DO IT AGAIN**

With Farmall Tractor Power

Throughout the Spring, from the Rockies to the Atlantic seaboard, worried farmers searched the skies for signs of clear weather, but the cold rains fell relentlessly.

For more than a month the seed should have been germinating in the warm soil. Millions of acres lay unplanted because the ground was too wet for preparation of the seed bed and too cold for germination of the seed.

Only a generation ago there could have been but one outcome—crop shortage and food scarcity. Nature allows scant time for planting when the warm sun waits till late May or June before drying the soggy soil. Farmers are too slow and tire too quickly to get the job done then.

But the farmers remember May of 1943—only two years ago—when their fast, untrailing tractors averted crop failure. Then, too, rains flooded the fields and the month was all but spent before they could go in on the land and plant.

In 1943, most farmers drove their tractors from dark to dark, and longer. Many planted around the clock, working in two or three shifts. They made one of the greatest crops in history.

In today's war-torn world—with hunger and disease already stalking many peoples—even one major crop failure could bring famine. This is why the sound of tractors and planting machinery was heard, day and night, from the Plains states to the Eastern seaboard—why headlights stabbed the darkness over the fields.

America's farmers are doing it again, in spite of an unprecedented combination of adverse circumstances—bad weather, shortages of machines and shortages of manpower. For the second time in three years, they are relying upon their tractor-powered machines to help rescue large areas of the world from catastrophe. More of these tractors are products of International Harvester than of any other company.

Electricity's HELPING HAND

--extended to more and more farms in C. P. S. Co. territory

A PIONEER in rural electrification, this company has steadily expanded its facilities for serving farms and rural communities throughout the war to help boost food production and relieve the farm labor shortage.

Since Pearl Harbor, over 3,000 new rural customers have been added to our lines. Numerous additional extensions to serve farms within practical

reach of existing lines in our territory have been surveyed and will be constructed as rapidly as manpower and materials shortages will permit.

Today, with approximately 20 per cent of our customers classified as rural, we are delivering more power for food production than ever before. On the farm, as in business and industry, C. P. S. Co. power is working for Victory.

HALL QUOTES FROM RECORD

It has been my intention from the time I announced my candidacy for State Representative to state my qualifications for that office and, if the citizens of Boone and Gallatin Counties believe that I have made them a good Representative, they will vote for me. If on the other hand my opponent possesses more and better qualifications, as he has inferred, then it is your duty as good citizens to cast your vote accordingly. Following that line of reasoning I am having the following letter and other facts printed in The Recorder and other county newspapers. The following letter is reprinted from issue of The Recorder, dated March 30, 1944:

Frankfort, Kentucky
March 18, 1945

"Hon. R. M. Hall
Walton, Kentucky

"Dear Coke:

"Now that we have had a few days to 'reconsider' the session just closed, to me it is filled with pleasant memories of our association.

"I am extremely grateful to you for your courtesies to me and your generous help.

"I look forward to our association in any future session.

"You have made a good representative. You have served with honor and distinction. May I commend you for your efforts. You will certainly receive the commendation of your people.

"With kindest personal regards and best wishes, I am,

"Sincerely yours,

(Signed)

Harry Lee Waterfield."

Mr. Waterfield is State Representative from the First Legislative District and was chosen by that honorable body to preside as Speaker of the House for the years 1944-1945. Mr. Waterfield was later chosen by the Democratic party as Executive Secretary in charge of State Democratic headquarters. Mr. Waterfield also served as State Campaign Manager for the Honorable Ben Kilgore in the 1943 Democratic Primary Election.

In the election for State Representative two years ago both my opponent and myself were REGISTERED AND VOTED in the same precinct (WALTON NO. 1). When the votes were tabulated the records show that I received

129 to my present opponent's 42

This would seem to indicate that where we were both known by the most voters that I was the choice by better than 3 to 1. THERE MUST BE A GOOD REASON FOR THAT MARGIN OF PREFERENCE.

KENTUCKY INCOME CHART

1944 1945 1946 1947 1948

What's
your future
in Kentucky?

Regardless of how you make a living you know that, as a rule, the more business you or your organization does, the greater are your chances for an increased income. That's our economic system.

Kentuckians can't expect increased incomes without increasing business. That's obvious. Far less apparent is the fact that we can't increase our individual businesses as much as citizens in other states can—because of our inadequate transportation facilities . . . and trade barriers.

For example, approximately 204,000 of Kentucky's 252,000 farms . . . or 81% . . . are not on hard roads. All-weather roads are needed to permit marketing of more farm products more rapidly. These new hard roads will have to be built with funds from Kentucky's gasoline tax . . . \$5,000,000, or approximately 43 1/2% of which has been paid by motor truck owners every war year.

Another example: 65.9% of all Kentucky communities have no transportation service except trucking. Business in these communities can be speeded up, and trucking costs lowered, if larger loads could be moved over highways. However, Kentucky's law, limiting size and weight of trucks, restricts this trucking service more drastically than any other state law in the country. Actually, every other state law permits twice the amount of weight or more than is allowed by Kentucky's antiquated weight and limit law. We need a new law at once . . . to help our small communities.

If changes in these laws are not made soon, Kentuckians may continue to leave Kentucky. (Since 1940, 218,111 have left Kentucky. In the same period our southern states have had an increase of over 1,000,000.)

Our State Highway Department and many of our State Legislators recognize this transportation problem and are planning to do something about it. They deserve your support . . . for it's you they plan to help.

Bowel Cleaning Power
Of Erb-Help Medicine

One man recently took ERB-HELP three days and said afterward that he never would have believed his body contained so much filthy substance. He says his stomach, intestines, bowels and whole system were so thoroughly cleansed that his constant headaches came to an end, several pimply skin eruptions on his face dried up overnight, and even the rheumatic pains in his knee disappeared. At present he is an altogether different man, feeling fine in every way.

ERB-HELP contains 12 Great Herbs: they cleanse bowels, clear gas from stomach, act on sluggish liver and kidneys. Miserable people soon feel different all over. So don't go on suffering! Get ERB-HELP. Elsmere Pharmacy, Dixie Highway.—Adv.

LABOR MEETINGS ARE SCHEDULED

MOTION PICTURES AND MODELS OF IMPROVED LABOR SAVING EQUIPMENT WILL BE SHOWN AT EACH MEETING.

Four farm labor meetings featuring labor saving practices in tobacco and hay harvesting will be held in Boone County, according to the County Agent's office. Motion picture and models of improved labor saving equipment will be shown at each meeting.

The schedule of the meetings are as follows:
Burlington courthouse, Friday, August 3rd at 8:00 p. m.
Walton School Monday, August 6th at 8:00 p. m.
Petersburg school Wednesday, August 8th at 8:00 p. m.
New Haven school Friday, August 10th at 8:00 p. m.
While the labor situation as a whole has a tendency to ease up, there still remains an acute shortage of farm help. Available farm help that can be employed is practically non-existent. The farmer must rely on labor saving practices. Efficiency in use of farm labor will become a more important factor of successful farming in the future. All farmers are urged to attend one of the above meetings and see some of the latest and most practical labor saving devices.

Goldburg Man Injured In Walton Accident

Coye Bledsoe, 19, of Goldburg, Ky., suffered cuts and a fracture of his left arm Thursday when an auto he was driving was sideswiped by a truck on U. S. 25 near Walton.

Bledsoe was driving with his left arm hanging out of the window of the automobile when he was struck by the truck. He was removed to St. Elizabeth Hospital, Covington by R. E. Brugh, Walton.

BULLITTVILLE HOME MAKERS
Our club spent a very enjoyable day recently at the home of Mrs. Jonas Stevens. Eight members and two guests were present.

The usual business session occupied the morning hour. A most delectable lunch was served at the noon hour. Our secretary reported \$50 cleared in the last sale project. Our citizenship chairman reported \$2.50 from sale of scrap paper. We celebrated the birthday anniversary of Mrs. W. T. Gardner, during the lunch hour. She received some very nice gifts.

This was our regular election day and the following officers were elected for next year: Mrs. Robert Grant, president; Mrs. A. B. Ligon vice president; and Mrs. V. E. Ware secretary and treasurer.

We were adjourned to meet in September at the home of Mrs. Chester Grant.

Floyd McArthur Returns From Pacific

Floyd E. McArthur, Signalman 2c of the U. S. Navy arrived here Monday night, July 23 for a 26-day furlough, after spending the past ten months aboard a destroyer in the Pacific.

Floyd apparently is enjoying the best of health, but reported that he had several close calls during operations in the Pacific. He is the son of Mr. and Mrs. Hugh McArthur, of Commissary Road.

St. Paul Picnic Plans Completed By Committees

Committees have completed plans for the annual picnic at St. Paul's Church, Florence, it was reported this week by Rev. Carlin, pastor of the church.

Patrons from distant counties and cities have flocked to this event, and no doubt will be present for this year's event. Patrons will be served chicken dinner from 4:20 to 8:00 p. m. Cards, music and games will be added attractions.

Don't forget the date Saturday, August 11, all-day. You are cordially invited.

HOUSEWIVES URGED TO CAN PEACHES

ONE OF OUR CHOICEST FRUITS—PREDICTIONS INDICATE FEW CANNED PEACHES WILL BE AVAILABLE AT STORES.

This year with the large peach crop, every family will want to can many quarts for winter use. Peaches are one of our choicest fruits. Their delicate flavor combines well with the flavor of other foods; their rich yellow adds to the color schemes of any meal. Predictions indicate that housewives will be able to buy few canned peaches this coming winter. Peaches may be canned successfully without sugar, but even a small amount helps to give the canned peaches a more natural flavor, a firmer texture and a better flavor than when no sugar is used. Well ripened peaches require less sweetening than those that are hard and partly green. Tree-ripened peaches will need only a little sugar to hold the natural flavor and the texture.

In a medium syrup that is usually recommended for canning peaches, light colored corn syrup may replace one-third the sugar. If a thinner syrup is used, it would be advisable to use all sugar for a firm palatable product. Approximately 1 cup of syrup will be needed for 1 quart of peaches.

Recipe for making syrups: Thin, 1 cup sugar and 3 cups water; medium, 1 cup sugar, 1 cup water or 2-3 cup sugar, one-third cup light colored corn syrup, 2 cups water. Mix ingredients, stir until sugar is dissolved and bring slowly to boil.

Following is the recipe for canning peaches—to prepare peaches for canning, blanch them in hot water, cold dip, peel quickly, halve, then drop into a salt solution made of 1 tablespoon of salt to a quart of water to prevent discoloration. Precook the peaches by boiling them in syrup or water for 3 to 5 minutes, then pack in sterilized jars, with cut side down, and fill the jar with the boiling syrup or water. Seal and process for 15 minutes in the hot water bath.

About 1 cup of boiling syrup or water will be required for each well-filled quart of peaches.

A bulletin on "Peaches, Fresh, Canned, Dried, Pickled and Preserved," may be obtained from the Home Agent's office.

Julius M. Smith, wife and daughter Madge, have returned to their home in Tallahassee, Florida, after a visit here with relatives and friends. Chief Petty Officer Smith is in the U. S. N. R. and in charge of the Navy Recruiting Station at that place.

Richard Faulkner, son of Mr. and Mrs. Bruce Faulkner of near Burlington is spending a furlough with his parents and family. He has recently returned from overseas duty.

HARDWARE STORE TO OPEN FRIDAY

COMPLETE LINE OF HARDWARE, HOUSEHOLD EQUIPMENT AND GIFT ITEMS WILL BE ON SALE BY NEW FIRM.

The Burlington Hardware Store, operated by A. E. Stephens and Walter Brown, both of Burlington, will open its door for business Friday morning, August 3rd at 8:00, according to an announcement made this week by the operators.

The new firm is located in the corner building formerly occupied by L. A. Conner's restaurant.

During the past few weeks the building has been completely renovated, with new display counters, cabinets and racks constructed in the building, which will greatly help patrons in selecting their items.

The new concern offers a complete line of hardware, household items, paints, practical gifts, and practically all hardware items used by farmers throughout this section. Mr. Brown, manager of the store is well known throughout this section, having been born and reared in Boone County. He was formerly employed as a guard on the L & N Railroad bridge, which position he held until the discontinuance of this work by the company.

He solicits your patronage and will endeavor to give you prompt, courteous service at all times.

Siekman-Anderson

The marriage of Miss Mildred Louise Siekman, daughter of Mr. and Mrs. Henry Siekman, of Burlington to Mr. Clarence Vernon Anderson, son of Mr. and Mrs. Wm. Anderson, of Burlington was performed the evening of July 28 at Bullittsville Christian Church.

Beautiful music was rendered by Miss Mary Margaret Fowler of Hebron. Mrs. Richard Wood, a cousin of the bride, of Middletown, O., sang "Because," "Oh Promise Me" and "I Love You Truly."

The Rev. Noble Lucas performed the double ring ceremony before a gathering of green foliage and on either side were baskets of white gladioli.

Jack Turner, of Burlington, was Mr. Anderson's best man. Ushers were Miss Georgia Lee Easton, of Oakley, O., and Miss Adelaide Barnett, a cousin of the groom, of Bromley.

Miss Mary Marshall, a nurse of Christ Hospital was maid of honor and Miss Nellie Anderson, sister of the groom was the bridesmaid.

The attendants of the bride, wore gowns of blue and yellow net. Each carried a bouquet of rose buds and baby breath in tones of American beauty and lemon yellow.

The bride, who entered on the arm of her father, who gave her in marriage, was lovely in her wedding gown of white satin and net. Her finger-tiption veil fell from a coronet of seed pearls which were a gift of the groom. She wore a single strand of pearls and carried a bouquet of white roses combined with a lovely orchid and tied with white satin ribbon.

The groom and best man were dressed in light brown suits.

A reception followed the ceremony at the home of the bride's parents, after which the bride and groom left on their honeymoon.

Mrs. Siekman and Mrs. Anderson wore dresses of navy blue with white accessories. Both wore shoulder bouquets of white rose buds.

The bride was a former teacher at the Burlington school. Mr. Anderson is an assistant foreman at Trumble Electric Plant in Norwood, O. Following their wedding trip he and his bride will be at home to their friends at Hebron, Ky.

Cpl. John Irwin Anderson, brother of the groom, who is in the service of his country, was greatly missed.

Verona Youth At Norfolk Naval Base

Harold Griffith Vest, 23, fire controlman, third class, USNR, of Verona, Ky., has arrived at the Naval Training Station, Norfolk, Va., to train for duties aboard a new destroyer of the Atlantic Fleet.

Vest is a veteran of 17 months of duty aboard a destroyer in the Pacific. He participated in seven major actions.

Sgt. William Brown Receives Honorable Discharge From Army

Sgt. William Brown, youngest son of Mr. and Mrs. F. H. Brown, of Bellevue has received an honorable discharge from the U. S. Army with a total of 106 points to his credit.

Sgt. Brown arrived home Thursday from Europe where he had been in heavy combat for the past thirty-seven months, during which time he was stationed in Africa and Italy.

We join his many friends in extending him a hearty welcome home.

European Veteran Home On Furlough

Pfc. Melvin G. King, of the Airborne Troop Carrier Command, is spending a 30-day furlough with his parents, Mr. and Mrs. A. A. King, near Burlington.

Pfc. King entered the service approximately 30 months ago, receiving his basic training at Miami Beach, Fla. He has been stationed overseas for the past eighteen months, being in England, France, Belgium and Germany.

He holds the European Campaign Ribbon with seven battle stars, Expert Carbine Medal, Good Conduct Medal and Unit Citation Ribbon.

Pfc. King stated that Red Cross was the soldier's best friend regardless of where he may be ministering to his very need. Pfc. King has nothing but praise for this organization.

At the close of his furlough he will report to Camp Atterbury, Ind., for further duty.

Four brothers, Marion, Neal, Joe and Emil are serving with the U. S. Army in various sections.

Remley Williams Enjoying Furlough

Pfc. Remley Williams, a veteran of 14 months of service overseas, has returned home for a 30-day furlough. He arrived in the States July 11th and arrived home from Camp Atterbury, Ind., July 16th.

Sunday, July 22nd, he entertained at his home some of his close relatives and friends. Those present were his mother, Mrs. Della Williams; seven brothers, Gilbert, wife and children, Ray, wife and children, Hubert, wife and son, Pat and wife, Earl, wife and children, Clifford and sons, Elmer, wife and children; one brother Charles is in service in the Pacific; Jimmy Watson, wife and children, M. J. Worthington, Clifford Coleman and wife, Leslie Riley and wife, Charlie Stahl, wife and son.

At the noon hour a lunch was served that had been prepared by Mrs. Russell Baker, consisting of turkey, fried chicken, boiled ham, pickles, salads, cake and drinks. All left at a late hour wishing Remley the best of luck and hoping to see him back as a farmer, on not too far distant date.

BIG BOONE W. M. S.

Our regular monthly meeting was held at the church in the afternoon with ten members present.

The meeting was opened by singing "America" and was followed by prayer by Mrs. W. W. Aylor. Our president, Mrs. Gruelle gave the devotional from Roman 13 and led the society in prayer. We then sang "America, the Beautiful" and repeated our Watchwords.

Our program on "Christian Citizenship Today and Tomorrow" was rendered in a fine way by Mrs. W. W. Aylor, Mrs. Conley, Mrs. Alline Ryle, Mrs. Jim Aylor, Mrs. Joe Aylor, Mrs. Gruelle, Mrs. Tom Hamilton and Mrs. Huff. Prayer for our nation was offered by Mrs. Joe Aylor.

We then had a short business session with minutes, roll call, etc., by our secretary Mrs. Rouse, and were dismissed in prayer by Mrs. Alline Ryle.

SGT. ROGERS HOME ON 30-DAY LEAVE

WAS TURRET GUNNER ON B-26 MARAUDER—COMPLETED 60 BOMBING MISSIONS IN EUROPEAN THEATER.

A Ninth Air Force Bomber Base, France—Technical Sergeant Alpha L. Rogers, 22, of Burlington, has returned home for a leave, after completing his tour of duty in the European Theater of Operations with the 397th Bombardment Group, famed as the "Bridge Busters." His parents, Mr. and Mrs. Edward R. Rogers, live on R. 2, Burlington.

Sgt. Rogers flew over 60 bombing missions as a B-26 Marauder turret-gunner. He has been awarded the Air Medal and 12 oak leaf clusters. Sgt. Rogers went through the harrowing experience of flying upside down in a B-26 Marauder. It all happened when the plane made a steep peel-over after returning to the base from a bombing attack on a Rhine river bridge. The plane did a snappol, turning completely over while flying at an altitude of only 800 feet. All the crew and the plane came safely out of it, a feat that flying experts termed "aerodynamically impossible."

His group, commanded by Colonel Richard T. Colner, Jr., flew two missions on D-Day, striking at Normandy coastal defenses in cooperation with invading forces. From then on, they bombed in close coordination with the 12th close air support group, bombing communication lines, defended strongpoints and railroad yards in advance of the ground troops as they swept across western Europe.

Buck Rakes Save Labor

Buck rakes represent a large saving in hay making, according to Will Smith, Farm Labor Assistant. Three Boone County farmers, at Coleman and Walter Scott of Florence and Warren Miller of Union each own a buck rake. They report more than half the labor saved in hay making through use of this equipment.

The pick-up baler is also reported as another great labor saving machine in hay making. Five balers will be made by A.A. County Committees on sales made on or after August 5, 1945 through June 30, 1946. Farmers are advised to retain invoices and receipts of sales.

August rates as announced are as follows: Lambs weighing 65 to 90 pounds \$1.50 per hundred weight; lambs weighing over 90 pounds \$2.15 per hundredweight; all other sheep and lambs \$1.00 per hundredweight.

County's Youth Enter National Garden Contest

Three Boone County farm youths will pit their knowledge of efficient production and marketing methods against boys and girls in 45 states in the fifth annual contest of the National Junior Vegetable Growers Association.

This county's entries are eligible to compete for awards from the \$6,000 scholarship fund provided annually for the association contest by the A & P Food Stores, Prof. Grant B. Snyder, of Massachusetts State College, advisory chairman of the junior group, reported. The awards include a \$500 national championship, four \$300 regional awards and 33 sectional championships of \$100 each. Two contestants in each state.

"The 1945 contest has a dual purpose," said Prof. Snyder. "One is to emphasize the vital need for increased food production in wartime and the second is to illustrate to young people how necessary efficient production and marketing methods will be to the vegetable growers of the future. Winners are decided on the basis of the contestants' efforts on studies of production and marketing, their vegetable projects and their community activities."

Among the contestants enrolled from this county are David E. King, of Verona; Rodney E. McGlasson, of Constance and William E. Johnson, of Ludlow.

FARMERS WILL RECEIVE PAYMENT

BY AAA COUNTY COMMITTEES ON SALES MADE ON OR AFTER AUGUST 5, 1945 THROUGH JUNE 30, 1946.

The Commodity Credit Corporation has announced a program to make payments to all sellers of sheep and lambs who sell directly to legally authorized slaughterers. Payments will be made by AAA County Committees on sales made on or after August 5, 1945 through June 30, 1946. Farmers are advised to retain invoices and receipts of sales.

August rates as announced are as follows: Lambs weighing 65 to 90 pounds \$1.50 per hundred weight; lambs weighing over 90 pounds \$2.15 per hundredweight; all other sheep and lambs \$1.00 per hundredweight.

Detailed instruction regarding these payments have not been furnished the County Committee to date.

LODGES HOLD CONSOLIDATION

TUESDAY NIGHT—BURLINGTON WILL RETAIN CHARTER—ALBERT C. HANSON, PRESENT AT MEETING.

Burlington Lodge No. 264 and Bellevue Lodge No. 544 were consolidated into one lodge at a special meeting held Tuesday night, July 31st, at Burlington Lodge Hall.

Albert C. Hanson, Grand Senior Warden of the State Grand Lodge was present for the meeting and conducted the business of consolidation. He is a member of Robert Burns Lodge, No. 263, Newport, Ky., and represented the Grand Master at the ceremony.

Burlington, oldest of the lodges will retain its charter and the organization will be known as Burlington Lodge No. 264.

A large number of members from each lodge were present for the consolidation, and a number of visitors were present.

A motion presented to the lodge asked that present officers of Burlington lodge retain their positions until the regular election, which was unanimously agreed.

The consolidation of these two lodges will give a strong organization with approximately fifty-five members.

Entertain In Honor Son

Mr. and Mrs. D. H. Norris entertained Sunday with a family reunion in honor of their son, Lt. Ivan K. Norris, now on furlough from overseas. Thirty-seven relatives were present to enjoy the day. They were: Mr. and Mrs. Ed C. Kidwell, Mr. and Mrs. Cecil Redmond and three children of Falmouth; Mr. and Mrs. Sherman Allen and five children, Mr. and Mrs. J. H. Norris and daughter, Miss Ethel Norris and Mrs. Velma Morford, of Foster, Ky.; Mr. and Mrs. Winford Morford and daughter and Mr. and Mrs. Kent E. DEGREE CONFERRED BY LUDLOW TEAM

AT MEETING OF BURLINGTON MASONIC LODGE HELD THURSDAY NIGHT—TEN CANDIDATES HAVE RECEIVED DEGREES.

The Master Mason degree was conferred on two candidates of Burlington Lodge No. 264 at their regular meeting Thursday night, July 26. The work was performed by Ludlow Lodge in an impressive manner.

The two candidates receiving their M. M. degree were Donald K. Johnson and Reuben Arthur Hodder, both of Burlington. Eight other candidates have received their M. M. degree since January 1, namely: Raymond Combs, Robert Maurer, Luther Smith, Frank Maurer, Jeff Edward Eddins, W. L. McBeck, Albert William Weaver, Rev. R. A. Johnson.

Approximately 100 persons were present at the Thursday night meeting which was held at the Burlington school building, due to the lodge being too small to accommodate the large crowd.

Burlington Lodge No. 264 meets each second and fourth Thursday at 8:00 p. m.

Several members have demitted from other lodges to Burlington 264 during the past few months, among them being, Wilton Stephens, from Hebron Lodge; A. E. Stephens, from Hebron Lodge; Calvin Crum, from Union Lodge and Harry May from a Texas Lodge.

ISAAC'S HERITAGE

LESSON TEXT—Genesis 24:10, 15-30, 34-47.
GOLDEN TEXT—I have a goodly heritage.—Psalm 16:5.

The ordinary things of life become extraordinary when we recognize in them the outworking of the plan of God. Our lesson presents one of his best-loved stories. It would be worth reading just for that reason, but it is also the account of God's hand in the carrying forward of His promised blessing on the seed of Abraham.

For a long time it seemed that there could be no fulfillment at all, for Sarah and Abraham had no child. Then by a miracle, God gave them a beloved son.

Isaac's remarkable deliverance in the hour when it looked as though he might be taken from his father (Gen. 22:10-12) was like bringing back one who was dead (Heb. 11:18, 19).

He grew into manhood, and Abraham, good father and faithful servant of the Lord, determined that his son must have a goodly wife. So in accordance with Oriental custom he sent a most trusted servant back to their homeland to choose a bride from their own kindred.

The altogether charming story unfolds in our lesson as we see I. A Faithful Servant (v. 10).

Full instructions from Abraham and an oath that he would not take a bride for Isaac from among the Canaanites, prepared the servant for his journey. Taking with him a goodly caravan and rich presents from his master, he set out on his journey.

There is much to learn here about the need of parental concern, and their interested action in helping young people to find the right mate. We see the importance of avoiding "mixed" marriages, especially those between a believer and an unbeliever.

We see the need of constant dependence on God, for only He has the wisdom and the knowledge of human hearts which can properly join two lives together. In our day marriage is so carelessly and casually contracted these matters need special emphasis.

II. A Fair Damsel (vv. 15-20). To be good to look upon is certainly a desirable thing in a woman, but it has been far too much exploited in our day. Notice that while Rebekah was very fair, she also had those qualities of character and of experience which prepared her to be a good wife for Isaac.

She was kind and anxious to serve; not only did she offer water to the servant of Abraham, but promptly watered his camels. Such an attitude of heart and mind is a great asset to a woman in marriage.

She was instructed in the domestic arts. The fact that she had come to draw water indicated that, and her ability to draw the water showed that she had experienced the duties of woman in the household.

Here is wise counsel for the young man who is interested in marriage, and for his parents as they guide him. Let him look for the girl with the fair countenance if he will, but let him be sure that there is something really worthwhile behind the pretty face.

No woman, no matter how extensive her culture or how rich her family, is ready for marriage until she knows something of the responsibilities of family life and has a will to do what she can for the care and comfort of others.

III. An Honorable Proposal (vv. 34-39). Abraham's trusted man, perceiving that God had led him to the one of His choice, at once stated his errand. There was no trickery, no smooth double-talk. This was a straight-out proposal that Rebekah come with him to be the bride of Isaac.

Notice that he made known his master's financial position, and made clear the place Rebekah would occupy as the wife of Isaac. That is as it should be. There is a contractual basis for marriage which calls for complete candor and honest dealing.

But there was more here, for Rebekah ultimately responded to the dictates of her own heart when she said, "I will go" (see v. 58). It was IV. A Love Marriage (vv. 61-67). Isaac, meditating in the twilight, presents a fine picture of a man spiritually ready to be a good husband. He had more to offer than riches. Let other young men follow his example.

The tender scene of their meeting, and of the love which welled up in their hearts at first sight of one another, needs no comment.

We do need to say that unless America gets back to real love marriages, our nation is destined for disaster. Matrimony based on physical attraction, improper emphasis on sex, or on convenience, will never be able to meet the stress of modern life. Love can and will do it, especially where those who thus love one another first love God.

Mr. and Mrs. Holbert Rue and son were week-end visitors of Less Ryle and family.

Wm. Kruse and son entertained a number of his relatives, Sunday.

Mr. and Mrs. Clarence Rogers will move to their new home recently

purchased from Henry Smith. The Christian Church enjoyed an outing at the Zoo on Thursday. Bobby Rouse has been enjoying a

few days at home.

Word was received that James Harold Dolwick, who has been overseas will return home soon.

Mrs. Sarah Luther spent a few days last week with Mr. and Mrs. Elbert Cook, who have recently moved to Union. Mrs. Dick Carr and little son have returned from St. Elizabeth Hospital to the home of her parents, Mr. and Mrs. Allen Darby. The grandparents are all smiles. Quite a number from here attended the Ratcliff sale, which was held on Wednesday afternoon.

Felix Markesbery visited his niece Mrs. Robert Hammon and husband of Harrison, Ind., on Thursday night and attended the Dearborn Fair.

Pvt. Sterling Dickey and wife, of

Hebron, visited her uncle Harvey Baker and family on Friday evening.

The many friends of Dr. T. B. Castleman are glad to see him out after several weeks' illness. Mr. and Mrs. G. W. Elliston, of Covington were called here on ac-

count of the death of Ed Osborn. They visited Mrs. Lillie Corbin and son Elmer, while here, said afterward that he never would have believed his body contained so much filthy substance. He says his stomach, intestines, bowels and whole system were so thoroughly cleansed that his constant headaches came to an end, several pimply skin eruptions on his face dried up overnight, and even the rheumatic pains in his knee disappeared. At present he is an altogether different man, feeling fine in every way.

ERB-HELP contains 12 Great Herbs; they cleanse bowels, clear gas from stomach, act on sluggish liver and kidneys. Miserable people soon feel different all over. So don't go on suffering! Get ERB-HELP. Elsmere Pharmacy, Dixie Highway.—Adv.

Mr. and Mrs. Clyde Arnold of Price Pike entertained with a six o'clock dinner on Friday evening, in compliment of her aunt, Mrs. Geo. Evans, of Kansas City, Mo., Mrs. Eva Osborn and Mr. and Mrs.

Hal Highhouse.

Mr. and Mrs. Tom Knox were welcome visitors here on Saturday afternoon.

Mrs. Lela Cöppege and children, of Union were dinner guests Saturday of her grandparents, Mr. and Mrs. R. T. Snyder.

To The Citizens Of Boone County

As a candidate for reelection to the office of Clerk of the Circuit Court, I have endeavored to see as many people of the County as time would permit. However, it has been necessary for me to devote a good part of each day to the duties of the office, and I have not for this reason seen as many of the people as I would like to have seen. I am required to continue the work of the office even though such work requires me to neglect my campaign activities.

Through the years I have taken the operators' licenses to the eight towns of the county, not as a requirement, but in an effort to be of good service. This year motorists were saved approximately 29,800 miles of driving which, of course, means a corresponding amount of tires, gasoline and time saved.

During my administration in this office the filing of papers has been improved; the keeping of the records has been changed from longhand to being written with typewriter, saving space and the subsequent cost of books to the County or State and making the records easier to read; the method of the Master Commissioner's report has been changed and at each term of the Court these reports bring before the Judge the complete story of the Master Commissioner's activities since the last term of Court.

If I have failed to see you and ask your support, it has not been because I did not want it. I want to be reelected and I will appreciate your support and promise that if reelected to continue my efforts to render you the best possible service.

For past favors I am deeply grateful and hopeful for your continued support.

I wish to thank the voters of Boone County for the kind way in which they have received me in my campaign for Sheriff of Boone County, which is greatly appreciated and your continued support and influence on election day, Saturday-August 4, 1945 will not be forgotten, and if elected to this office I will continue to serve the citizens of Boone County to the best of my ability.

FAITH

Dedicated to my mother, Mrs. Emma Freeman on her 87th birthday.

Mother, today I stood beside where you were laid

And as I lingered there, I softly prayed

When death's shadows folded in about, that I

Would meet you in that home beyond the sky.

You clasp my hand, to Jordan's stormy deep,

And then I saw your tired eyes close in sleep.

And I knew that He had whispered, "All is well,

There is a mansion here where she shall dwell."

And thus I watched your frail craft turn out to sea

Well knowing it would no more return to me;

But I knew too His hand would guide it on

Unto that bright eternal shore beyond.

As days go by I miss you more and more

Although I know you have but gone before,

While here on earth, for you, I did my best

But I know you now have found a sweeter rest.

To The People of Boone Co.

In my announcement of July 5th, 1945, in this paper for my candidacy for Circuit Court Clerk, I remarked I would try to see as many people as possible, of which I have under these war-time conditions.

To those I have not seen, I will appreciate your support in this coming nomination Aug. 4th and to those who have said many nice things about me I surely do appreciate it... Thank you all.

CONFERENCE IN BREATHTAKING
About 75 men and women discussed "A More Beautiful Breath" at a conference for the Boone County Substation at Quicksand. Groups discussed the use of flowers, native shrubbery, bluegrass and trees in the beautification of home, school and church grounds. Sponsored by the Boone County Extension Service, the conference was attended by farm men and women, school teachers, church leaders and the county and home agent.

AN OPEN LETTER TO THE PEOPLE OF BOONE COUNTY

Dear People:

Nobody asked me to contribute my two cents' worth at this particular time, but I hear you're having an election back home and several of our friends came to me on the subject. I know that many of you have sons, daughters, husbands, nephews and nieces and friends each doing his or her part in this war as members of the armed forces and I'll bet they have the same opinion that I do.

In the first place it looks from here like most of us are going to be in for quite a while. Do you ever wonder what we're thinking about now? Well, we are looking for a chance to get home (spelled with a capital H). We want to get back home and find it just as we left it.

Wherever we're sweating out the duration on some island of the South Pacific, the wrecked European continent or the deck of some ship, or some far corner of this continent, all United States, into every conversation, every dream, every thought, comes something of home—the home we left behind us.

My prayer is, that I can come back after the duration plus six and find things just like I left them. I want to walk down the tree-lined streets of my home town and meet the same people in the same friendly way. I want to walk into my own house and find things there just as they were when I left. It goes without saying, of course, I'll find my family older and my children just a little more grown up, but, I can stand that. I want things to stay as they are for them as much as I do for myself.

Every thought of home is filled with familiar things and places. What we're in this struggle for is to preserve our way of living.

There are over 1,000 of us from Boone County away from home. We'd like to have a say in any change, anything new started. Most of us could vote were we there, so can't you all keep things as they are till we get back? We had a hand in selecting the people who administer the affairs of the County, and the voice of a thousand is not to be disregarded. We would like to have a hand in any change made. Let us walk into buildings and see the same familiar faces. We know then that you've stayed on the job and plugged along under hardships, high living costs and haven't tried to upset the things we left.

Don't start up too many new businesses. We'd like to get a chance to start on even footing with you. We'd much rather return to a setup we are familiar with, where we can find a job, than we would return to sell apples on the corner. Personally, I've everything to be grateful for as regards you people. I write you because of a sense of duty to the rest of the boys and girls from home who are in the service. I've talked to many G. I.'s and their opinions on the subject are the same as mine. I'll bet a 3-day pass against yesterday's paper that the big majority of Boone County's service men and women feel as I do.

If you've read this thank you for bearing with me as long as you have. Keep everything on even keel.

To those of you who have lost some fine son or daughter or husband on some bloody battle field I can say only that my heart goes out to you. It burns me up to read in a paper "Casualties were light, only 9 men killed." Every one of those men meant more and was worth more to his family than all the damned islands in the Pacific. Let's make this the last if we can. This is the second time in her life that my Mother has had a star in her window and may be for some of you. So, for the sake of humanity, support anything that may even hold a promise of lasting peace.

So goodbye, and may every blessing of life be upon everyone of you.

From the bottom of my heart,
NOEL WALTON
U. S. Army.

Producer of Food for Victory

One reason for America's record wartime food production is the extensive use of labor-saving electricity on the farm.

As its part in providing more power for food production, this company has greatly expanded its facilities for serving farms and residents of rural communities throughout the war.

Since Pearl Harbor, over 3,000 new rural customers have been added to our lines. Numerous additional extensions to serve rural users within practical reach of existing lines in our territory have been surveyed and are scheduled for completion as rapidly as manpower and materials shortages will permit.

Today, one customer of every five we serve is a rural customer and the percentage is growing steadily. On the farm, as in business and industry, C. P. S. Co. power is working for Victory.

To The Voters Of
Boone County

My campaign for Sheriff over the County has been an interesting campaign. I have tried to see as many of the voters as I could in the time I have had since my announcement. I have probably missed some of the homes in the County, but if I missed any one, I want you to know, it was not done intentionally. It was done because of the shortage of time and gasoline. To those who I have not been able to see, I want you to know that I shall appreciate your support in this coming election. If the people of Boone County elect me as their sheriff, I will try to get to all the towns to collect the taxes.

I would like for the voters to know that I am making this campaign without the aid of money sent me from the state or furnished me by the County. I am not trying to buy my way into office in this election. But I am trying to meet the voters and ask them to vote me into office. I would like for the people of Boone County to have a chance to say there is a man who got into office with the vote of friends and not money, for friends are worth more, at all times, than money.

If the voters of Boone County elect me as their sheriff, I shall go where I am called, and when I am called. I shall see that my deputies do likewise. I will see that the duties of the sheriff's office are taken care of with the best of my ability. I expect, if elected, to cooperate with the other county officials and work with them, so we may make Boone County a step higher as the years go by.

I would like also at this time to thank the good people of Boone County for the work they are doing for me and for the place where they work.

If I am elected, I will have as chief deputy, Howe Roberts, who was born at Richwood Boone County, Kentucky, on November 14, 1899. He attended grammar school at Richwood and Beaver Lick, and also Walton High School. He has farmed in Boone County and has worked for the Boone County Telephone Company and the Community Public Service Company. He enlisted in the United States Navy in July, 1942, served twenty-six months overseas in the Pacific campaign area, and was honorably discharged on July 17, 1945.

I will select another deputy and this deputy will be a soldier boy from the north end of the county after he returns from service, if any of these boys want to accept the work.

Your vote and help to get the voters to the polls on August 4, 1945 will be highly appreciated.

Signed,

M. C. CARROLL

Program Of Proposed Legislation

(KENNETH E. JOHNSON)

THE BALLOT

"A weapon that comes down as still
As snow flakes fall upon the sod;
But executes a freeman's will
As lightning does the will of God."

—John Pierpont.

No truer definition of the ballot can be found than as written in this complete poem of four lines by John Pierpont.

Saturday, August 4th an electorate goes to the polls to select their candidates for office. Let me urge you, that it is vitally important to fulfill this duty and obligation, and regardless of your choice of candidates, take time this Saturday to vote, and thus express your intent of registration.

As this campaign comes to a close, and as this week's edition of our papers will be the last before the primary, I want to offer to this electorate my program of suggested legislation for our assembly in January 1946.

I have advocated for several years an Absentee Ballot Law, and I am glad to see that it has received some action, and that now is subject to Constitutional change, and clarified as to include the right of any person absent from the county of legal residence or from the State, to vote in any election as prescribed by law. I'm prefacing, perhaps but you will find this on a ballot in the regular election this fall, and I am personally very much in favor of its passage, so give it your earnest consideration when it is brought to your attention. This State is the 47th State of the Union to adopt an Absentee Ballot Law.

In my article last week in regards to a proposal for State maintenance of our public cemeteries, I think it a sacred trust, and if favorably received, should be placed under the jurisdiction of our Bureau of Vital Statistics where it logically belongs. There would be an optional clause in the complement of the bill, whereby it would be optional with cemetery companies, in regards to their participation and would not conflict in any way with churches and fraternal organizations, who by trust funds maintain their own cemeteries. Its purpose is to insure, complete care for our public cemeteries, and the thought in mind, as I'm sure you have noticed, when you have visited our cemeteries, that sections of lots are well kept, and then you see other sections that are seemingly neglected, and have been, as relatives of those buried there live at remote distances and have neglected to make provision for the caretaker or sexton to care for their lots. These conditions do exist, and I think this proposal would be very appropriate, and after starting this movement, any burial or fraternal organization could by application have their cemeteries added to those already under State care. Many of the cemeteries in this district are provided for by trust funds, but there are instances where a trust fund may not be sufficient to fully cover necessary expense of operation for this care.

Rebate of State Tax on Gasoline for non-highway Use.

Thirty-seven states of our Union have this clause in their tax program. We haven't been able to get it passed in Kentucky because all revenue, derived from the retail sale of gasoline in Kentucky does not revert to the highway department and we have a wrong interpretation of the law in assuming it is a Road Tax on gasoline. However we can see what can be done in regards to changing our tax law to read a State Road Tax on gasoline, thereby placing all revenue derived from it, in the highway department where it belongs, and then get favorable consideration on this measure. Our bordering states have this clause, and I see no reason why Kentucky farmers should not be rebated this tax on gasoline for non-highway use.

Our present Rural Highway Law distributes its appropriation for rural highways, to the counties in three parts: 1. One-third equally to the 120 counties; 2. One-third according to area; 3. One-third on the basis of population. As this is a rural highway appropriation the third factor should apply to RURAL population. This legislative district is for the most part rural, as are many other districts in the state, and this law should be amended, and funds should go to maintenance of RURAL highways for which it was intended. We'll define rural as all counties with cities of less than 10,000 population.

Adequate appropriations to Agricultural Experiment Station of the University of Kentucky for agricultural research. Much work is needed in this field if Kentucky farmers are to maintain their places in agricultural industry.

Increased compensation for our teachers was included in my program two years ago, and I'm following closely the program I used then. I'm still curious about a lot of things pertaining to teachers' salaries, and it is still very evident that our teachers are not receiving salaries commensurate with the duties they are asked to perform.

Replacement and Employment of "The National Military Training Act." College training for our "teen age" Army G. I. Joe's present and future. E. E. A. All these topics (regardless of adverse opinion as appeared in the county papers two weeks ago) are as closely related to functions of government as the State and National as relation of child to parent, and can all be brought within the province of our legislature. Space will not permit further elaboration here, but columns could be written on any topic as mentioned above. I've known the functions of our State Legislature, since a small lad in the 7th and 8th grades, under the able guidance and supervision of a very dear teacher, whom I shall never forget.

Compulsory military training seems inevitable (I hope we never have to adopt it) and I'm predicting that it will be the next amendment to the Constitution of the United States of America, and will probably be entitled, "The National Military Training Act." (We don't like compulsion). It would be passed by our Congress and by referendum to the States would come within the province of our legislature, and if it does, K. E. Johnson wants to be there, to see that the school years of our youth, from the time of school entrance through the teen-age years, usually required to finish college, should not be interrupted, and that this training would start and consummate after their children is very close to my heart and the barometer of our rating with other States of the Union is at a very low ebb. The rapid strides in education made (by personal observation) by the states of the South are so strikingly evident that it behooves us here in Kentucky to wake up and see what is going on around us. I give you Mississippi and Tennessee as examples.

I've been away from home periodically the past few years (as intimated by my opponent) not on pleasure trips, but feeling that it was my duty, as my government thought I was too old not to. I've driven my wedge, and tried to do my part for the war effort by working on construction of our war plants, the Ford Motor Plant, Chertown, Ind.; Bagdad Plant, Watson, Ind.; the 30 and 50 caliber Arms Plant, Des Moines, Iowa; Wright Aeronautical Plant, Cincinnati, Ohio; Tassco Shipbuilding Co., Tampa, Florida; Dupont Neoprene Plant, Louisville, Ky., and Clifton Engineering Works, Knoxville, Tenn. These plants stand completed today, monuments to the skill of American Labor, and I'm proud that it was permitted me to have had a part in the construction and completion of these plants, and I'm quite sure that the skill and electricity of our people would have added much (as skilled mechanics were scarce on some of these jobs) if he too had been so inclined. Our boys and girls from this district have been away from home too, but I can assure them, that a hearty welcome awaits them upon their return.

I made the race for State Representative two years ago and I want to give you the whole picture of the results of that campaign. I carried Boone County by 30 votes. I lost Gallatin County by 43 votes. I lost the district by 13 votes. My present opponent was nominated with 37 plus per cent. I ran second with 37 minus per cent. Our worthy opponent Mr. J. D. Lucas received 26 per cent.

"Coke" and I are personal friends, but we don't (somehow) seem to agree politically. So far as I know he is a splendid young man, and is a worthy opponent, and I have no calumnious or spurious remarks to make about him or anyone else, for I have always been guided by the thoughts of part of a poem, I used to know which runs something like this:

"Who steals my purse, steals trash
'Twas mine, 'tis his, and he's made slave to thousands
But he who filches from me, my good name
Robs me of that which neither enriches him
But makes me poor indeed."

A line is the progression of a point in like manner the successful passage of a bill in our legislature is the progression or amplification of 1 VOTE. I'm asking you the electorate in Boone and Gallatin Counties to empower me by your 1 VOTE in this Primary, to give me the opportunity to exercise for you 1 VOTE in our State Legislature beginning January 1946.

I've outlined a program, that I think is clearly defined, and one that is urgently needed by the people of this district and it is my purpose if I am elected as your next State Representative to give effect to this program, and to give it the unbiased consideration to all measures, and be guided by the will of this constituency which elects me to this office.

My Democratic political association is known to all the people in this district, and I am quite sure that I can embrace a much larger and wider range of legislative endeavor and activity within the province of that 1 VOTE than as my opponent apologetically mentioned was the burden that prevented him from accomplishing as much as he would have liked to have done.

I want to take this opportunity to express my sincere thanks and appreciation for the manner in which I have been received by the people in this district, and to this I want to extend to you my pledge of fourteen monosyllabic words.

As much, as, in me, is yours, I will not let you down. I hope and pray, that you the electorate of Boone and Gallatin by expression of your ballot will see fit to elect me to the office of your next State Representative by a substantial majority. My case, my future is placed in your hands, with my sincere hope that I have proved worthy of your confidence and esteem.

Your Candidate,

KENNETH E. JOHNSON.

CIRCUIT COURT CONVENES MONDAY

SEVERAL CRIMINAL CASES WILL BE TRIED DURING SESSION—THIRTY-SIX PERSONS ARE SUMMONED FOR JURY.

The August term of the Boone Circuit Court will convene on Monday, August 13th. The Sheriff sent out summons for the jurors on the 31st of July, summoning 36 persons for Petit Jury service and 24 for Grand Jury service. For the first time in several years a woman has been summoned for jury service.

Several cases have been referred to the grand jury by Judge C. L. Cropper, which includes two automobile theft cases, two cases of assault and battery, one case of breaking and entering and one case of shooting and wounding with intent to kill and one case of shooting with intent to kill. These cases indicate that the criminal docket may be somewhat heavier than usual.

The civil docket does not have any cases set for trial, but it is possible that some cases may be set for trial during the term. There are several cases which will be heard by the judge in equity matters in which there will be no jury.

Fair Committees Will Meet Tuesday

Committees that will assist at the 13th annual Boone County fair and picnic plan to meet at the fair grounds near Burlington, at 1:30 p. m. to 4:30 p. m. Tuesday, August 14th, according to the County and Home Demonstration Agents' offices. The committees will assist in preparing and organizing places for exhibits that will be shown on the following Saturday.

Efficient organization is necessary for the most successful fair and picnic. All committees render volunteer service. All others who are not on the committees and who could render an hour or more service on next Tuesday are invited and urged to be present.

Marriage Announced

Mr. and Mrs. L. E. Wampler of Cherryvale, Kansas announce the marriage of their daughter Josephine to Rev. Oliver Benjamin Thomas of Burlington on Sunday, August 12th at 7:00 p. m. at the Cherryvale Methodist Church.

Rev. Thomas is pastor of the Burlington Methodist Church, and is well known in this county. He left Tuesday morning for Kansas.

TEAM PULLING CONTEST FEATURE

OF 1945 FOUR-H AND UTOPIA CLUB FAIR AND PICNIC—\$62.50 WILL BE OFFERED TO WINNERS OF CONTEST.

The County Team Pulling Contest will be a special feature of the 1945 Boone County 4-H and Utopia Fair and Picnic to be held at Burlington, Saturday, August 18th, according to the Council. Heavy team, light team and individual horse pulling winners will receive \$62.50 in premium awards in addition to honors for the 1945 county championship. The contest starts promptly at 11:00 a. m. All Boone County owned teams are eligible to compete. There are no entry fees. The fair will also feature a horse and pony show, Jersey cattle, Hampshire sheep, poultry, field crops, fruits, vegetables and a large display of Home Economics products in which all Boone County residents in which the world is invited to compete. Special recreational events and the baby show will also attract large numbers. The Boone County School Band, the county's pride and rater as one of the best, will furnish music throughout the day.

This event is Boone County's own annual home coming day. Every one is urged to attend, bring their exhibits, a picnic lunch and to enjoy the day together. Let's plan to be there.

August 19th Set For Christian Church Annual Meeting

The Christian Churches of Boone County will meet at Petersburg for an all-day meeting on August 19th. The Petersburg Church will have charge of the entire morning service with Bro. McDonald delivering the morning sermon. The afternoon services will be composed of special music, also talks by Mr. Harrison, our youth worker for Kentucky, Bro. Nichols of the Walton Christian Church and Bro. Carter of the Florence Christian Church.

A basket lunch will be served at noon. Everyone is cordially invited to be present.

CLOTHING IS DISTRIBUTED

TO UNITED NATIONS, ACCORDING TO REPORT RECEIVED BY MARY HOOD GILLASPIE—WILL AID WAR TORN NATIONS.

Clothing contributed by the American people will reach millions of war victims overseas before winter sets in, according to a report from Henry J. Kaiser, National Chairman of the United Nations Clothing Collection. Mary Hood Gillaspie, local chairman of the clothing drive, who received the report, made it public today.

The report included a statement by President Truman that the local clothing collection committees throughout America "have rendered a service to world peace."

"By meeting and exceeding their goal of 150,000,000 pounds of clothing, the American people have accomplished the task assigned to them by Franklin D. Roosevelt in a cause that was close to his heart. It is good to know that the clothing is now on its way overseas to relieve the suffering of war victims in Europe and the Far East."

The report from Mr. Kaiser pointed out that the first large shipments of contributed clothing left America for war-devastated lands within thirty days after the clothing campaign ended.

It is disclosed that 29,397,427 pounds of clothing had been baled as of July 23. Of this amount, 15,564,266 pounds had been shipped or were specifically scheduled for shipment, and arrangements are being made to ship the balance.

Mr. Kaiser's report pointed out that the clothing already shipped or specifically scheduled for shipment will aid people in nine countries in the following amounts: Belgium 1,816,284 pounds; Czechoslovakia, 2,022,276 pounds; France 3,535,815 pounds; Greece, 1,334,472 pounds; Italy 340,045 pounds; the Philippines 1,041,725 pounds; Yugoslavia 4,423,647 pounds; China 50,000 pounds; Russia 1,000,000 pounds.

It is the aim of the United Nations Relief and Rehabilitation Administration to move all the contributed clothing overseas for distribution before winter, Mr. Kaiser declared. He reported that the processing of clothing for shipment has been greatly stepped up in recent weeks and added that the donations are now being baled at the rate of 1,500,000 pounds a day. The baling is under the supervision of the United States Treasury Procurement Division, acting on behalf of UNRRA.

Commenting on this report, Miss Gillaspie said, "Every person who helped our county collect 5,000 pounds of clothing for overseas relief should feel proud of having participated in this great cause. We are all glad to know that the clothing is now on its way overseas to relieve the suffering people. We warmly welcome the official assistance from Mr. Kaiser of a baling and shipping program designed to get our contributions, along with those of every other American community, on the backs of the needy boys and girls and men and women before winter."

BURLINGTON P.-T. A.

The regular monthly meeting of the Burlington P.-T. A. will be held at the school on Monday, August 13th at 7:30 p. m.

Jones-Conrad

The little church on Sunset Ave., Erlanger was the scene of a very pretty wedding on the evening of July 27, when Miss Betty Jo Jones, only daughter of Mr. and Mrs. W. H. Jones, of Price Pike became the bride of Orville Conrad, son of Mr. and Mrs. Ivan Conrad, of Burlington.

The Rev. M. K. Johnson performed the double ring ceremony before an altar flanked with ferns and hydrangeas. Light was furnished by twelve wax tapers.

Mr. Winston Johnson and Mr. Kenneth Foley acted as ushers. Miss Norma Johnson and Mrs. Ralph Stith rendered beautiful music. Mrs. Helen Cadill and Mrs. Hazel Dunhoff (the Rodger twins) sang "Always" and "I Love You Truly."

Rev. Johnson, Mr. Conrad and his best man, Jack Turner, of Burlington, took their places before the altar at the first strains of the Lohengrin bridal chorus and watched the bridal procession.

Little Miss Jenny Lou Yeiton, wearing a dusty rose formal, was the first to enter. She carried a white, heart-shaped pillow upon which the rings lay. She was followed by Miss Ruth Yeiton, the bridesmaid, wearing a beautiful gown of aqua satin and carrying a bouquet of pink roses. Preceding the bride, came Miss Vera Mae Conrad, small sister of the groom, dressed in a yellow formal and carrying a bouquet of baby breath and other small flowers. As she walked down the aisle she scattered flowers along the way.

The bride, who entered on the arm of her father, was lovely in her white gown of brocade satin. She wore a full length veil and carried a bridal bouquet of white roses and fern.

Mrs. Conrad, Mrs. Jones, Miss Johnson, Mrs. Cadill and Mrs. Dunhoff wore beautiful corsages of white gardenias, gifts from the groom.

A reception was held at the home of the bride's parents, after which the happy couple left on a short honeymoon trip.

The bride was a member of the 1945 class of graduates from Florence and the groom was a member of the graduating class of 1939 from Hebron. He is now connected with the Meeks Motor Freight Co., of Cincinnati.

FLORENCE HOME DAMAGED BY FIRE

WHEN KEROSENE STOVE EXPLODED—DAMAGE ESTIMATED AT \$2000.00, ACCORDING TO FIREMEN.

The large frame home of Mrs. Ben Osborne, located two doors from Martin Bros. Garage, Florence, was damaged by fire Friday. The blaze was believed to have been caused by a kerosene stove explosion.

Fireman Owen Martin reported that Mrs. Osborne was in her garden at the time the fire was discovered, and the blaze had gained considerable headway. He estimated damage to the building and furniture at \$2,000.00.

The Florence Fire Department, two doors north of the fire rendered valuable service by extinguishing the blaze.

The loss was partially covered by insurance.

MINSTREL SHOW TO BE PRESENTED

BY BOONE COUNTY BAND TUESDAY, AUGUST 28 AT BURLINGTON SCHOOL—FLORENCE AND HEBRON SHOWS PLANNED.

Tuesday night, August 28, the Boone County Band will launch forth their new show, "Minstrels of 1945" at the Burlington school. Since its organization the band has presented to the people of Boone County "Black and White Blues" and "The Boone County Show Boat." Both of these shows were well attended and were enjoyed by all. The new show promises to be the best yet.

One of the main features of the show is "Red" Purdy and his hillbilly band. His group of musicians under the able direction of their tuba-playing leader guarantee music of unusual quality.

A comedy dance is also in store for all who attend. The dancers aren't quite as good as Fred Astaire but they are rapidly improving under Mr. Bloss' leadership.

There will be the typical blackface comedy acts along with the best music that the band has yet been able to offer. There will be special numbers on the bells, piano, trumpet and saxophone.

For an evening of entertainment come out to Burlington, Tuesday night, August 28 at 8:00 o'clock. The show will be presented at Florence and Hebron at later dates.

Watch this paper for further details of the real old fashioned blackface "Minstrels of 45." Good music, good jokes, come and have a good time.

There will be regular worship services at the Burlington Methodist Church, Sunday, August 12. In the absence of the pastor there will be a layman from the Covington District supply the pulpit.

You will want to hear this layman speak. Come and support him with your presence.

Mr. and Mrs. J. W. Kelly were Sunday guests of Mr. and Mrs. Howard Kelly, of Florence.

Millard E. Pepper Awarded Bronze Star

Pfc. Millard E. Pepper, son of Mr. and Mrs. Charles Pepper, of Idlewild has been awarded the Bronze Star for heroic achievement in connection with military operations in Germany February 7, 1945.

Pfc. Pepper entered the service August 7, 1944 and received his basic training at Camp Blanding, Fla., and Camp Meade, Md. After completing his basic training he was sent overseas and attached to General Patton's Third Army.

His parents are in receipt of several articles sent by their son from overseas, among them being, a cushion from France, German flag, knives, pipe, bugle, spurs, money, angel, dutch shoes, boxing gloves and bayonets.

The citation received by Pfc. Pepper reads as follows: "Award of the Bronze Star Medal to Private First Class Millard E. Pepper, 35816100 Infantry Co. D, 301st Inf., Regt. United States Army for heroic achievement in connection with military operations against an enemy of the United States in Germany on 7 February 1945.

"During an attack on enemy positions, Pfc. Pepper was wounded by shrapnel in the initial phase of the assault. Despite the intense pain from his wounds, he carried ammunition to forward positions, and did not reveal the fact that he was wounded until the objective was captured.

"The unselfish courage this displayed, his heroic determination, and loyal, untiring devotion to duty are in keeping with the highest traditions of the military service. Entered the military service from Burlington, Ky., son of Mr. and Mrs. Charles Pepper."

Certificate Of Merit Awarded Florence Boy

Sergeant Robert H. Cason, of Florence, Battery "A" 787th Aircraft Artillery Automatic Weapons Bn. (SM) has received the certificate of Merit in recognition of conspicuously meritorious and outstanding performance of military duty.

The citation signed by Robert W. Baschagel, Major Coast Artillery Corps, Battalion Commander, follows: "Sergeant Robert H. Cason, as Chief of Section, 40mm AA Gun, demonstrated outstanding leadership and performance while engaging the enemy at Namur, Belgium during December 1944. His actions reflect great credit upon himself and the Armed Forces of the United States."

Verona Boy Receives Bronze Star Award

Private First Class George T. Wallace son of Mr. and Mrs. Eck Wallace of Verona recently received the Bronze Star Award for heroic achievement in action on April 23, 1945, near San Martino, Italy.

The citation follows: George T. Wallace, 35878114, Private First Class, Company "I," 349th Infantry Regiment. For heroic achievement in action on April 23, 1945, near San Martino, Italy. Private Wallace displayed unusual heroism in assaulting German positions while exposed to hostile fire. When Company "I" was advancing toward the Po River, it was halted by heavy machine gun fire from houses in San Martino.

In spite of the murderous German fire, Private Wallace poured fire from his blazing weapon into the hostile position, knocked out the enemy machine gun, killed the four gunners, and thus enabled the riflemen to assault. Then he set his gun in the second-story window of a house and inflicted many casualties on the enemy, turning their withdrawal into a disorganized rout. The courageous action of Private Wallace was an important factor in the destruction of the hostile stronghold and the successful seizure of the objective.

Pfc. Wallace has won the praise of his fellow soldiers and has reflected the greatest credit upon himself and upon the military service. Entered military service from Covington, Kentucky.

Walton Girl In Virginia

Marie E. Madden, seaman, 2-c, daughter of Mr. and Mrs. Edward A. Madden of near Walton, is now stationed with the WAVES at Arlington, Va.

She entered the WAVES in March 1945, and recently completed her "boot" training at Hunter College, New York.

PETTJOHN HEARD IN MEETING FRI.

BY COUNTY AND COMMUNITY CONSERVATION COMMITTEE—MEASURING OF 1945 BURLEY CROP DISCUSSED.

A meeting of the county and community conservation committee was held at Burlington Friday morning, August 3rd. Mr. Harry Pettjohn, District Field Agent was the principal speaker.

He discussed the measuring of the 1945 crop of burley tobacco by the County Agricultural Association. This had been recommended by a majority of farmers and farm organizations.

A recent appropriation has been made by Congress for the measuring of all burley tobacco for 1945. Some of the committeemen plan to do this work. They will be assisted by a number of other persons. A meeting of the group who intend to measure tobacco acreage will be held at the Boone County A. C. Office on Saturday morning, August 11th at 9:00 a. m.

A few extra qualified persons are still needed for this work and the committee urges anyone interested in this work to contact the county office at once or attend this training meeting.

FLORENCE P.-T. A. WILL MEET

The regular meeting of the Florence P.-T. A. will be held Monday, August 13 at 8:00 p. m. at the school house. All patrons and teachers are urged to attend. Plans are being made for a big year.

Applications for a homecoming helper will be received by Mrs. Willis Schneider, U. S. 42 and Russell St., Florence, Ky.

An Elsmere Lady Spit
Up Acid Liquids For
Hours After Eating

For hours after every meal, a Elsmere lady used to spit up a strong, acidulous liquid mixed with pieces of half-digested food. She says it was awful. At times she would nearly strangle. She had stomach bloated, daily headaches and constant irregular bowel action. Today, this lady eats her meals and enjoys them. And she says the change is due to taking ERB-HELP. Her food agrees with her. No gas, bloating or spitting up after eating. She is also free of headaches now, and bowels are regular, thanks to this Remarkable New Compound.

ERB-HELP contains 12 Great Herbs; they cleanse bowels, clear gas from stomach, act on sluggish liver and kidneys. Miserable people soon feel different all over. So don't go on suffering. Get ERB-HELP. Elsmere Pharmacy, Dixie Highway.

ISAAC'S TESTIMONY TO GOD

LESSON TEXT—Genesis 28:15-33.
GOLDEN TEXT—Blessed be the Lord God, the God of Israel, who only doeth wondrous things.—Psalm 12:6.

A man of peace in a war-torn world may seem to be a bit out of place, but he is not. He is the peace of God, the peace that passeth all understanding, and he has and promotes the peace of God.

Our world has seen anew a demonstration of the awful results of the philosophy of might makes right. Violence and bloodshed have been man's way of asserting his supposed or assumed rights. One could hope that we are now ready to recognize that we need a new viewpoint. The evidence and meekness are not weakness, that kindness and love are Christian virtues worth emulating and cultivating.

That result can come only if men will recognize Christ as the King of their lives and nations will receive His Word as their law. Let us proclaim His truth and the gospel of His grace anew, and win all we can to Him.

Isaac was a man of peace. He was a rather ordinary man, one of the common people, but his life is both interesting and instructive. He had come through a series of experiences of victory and defeat before the time of our lesson. Fearing a famine, and apparently not trusting God at the moment, he had gone down from the promised land to the country of the Philistines, there re-digging the wells which his father Abraham had dug. The result was that he prospered. Ere long, however, envy on the part of his enemies taught Isaac that one may expect

I. Strife in the World (vv. 19-21). Isaac had prospered, but he was still out of the promised land, and while he was in the land of Philistines he could expect no permanent peace.

We are in the world. We long for peace, and would throw all our influence and service into the cause of bringing a righteous peace to the world of men. But let us not be misled by that desire into the support of unscriptural and impossible peace programs. This world is a sinful world, and as long as that is true, there will be strife and war.

Our business in such a world is to preach the gospel of grace, winning men to Christ, that they may become men of good will. Isaac was such a man, willing to yield even what seemed to be his right, rather than cause contention. Undoubtedly there are times when one must defend his name and his possessions, but all too often those who do "stand for their rights" have wrecked homes, churches, and nations, and have gained nothing but an empty victory.

The peace of this world is temporary. Is there then no real abiding peace and joy?

II. Joy in God's Fellowship (vv. 22-25).

When Isaac came up into Canaan, the land which God had promised to him, he found real peace and an abiding joy in renewed fellowship with God. Even so, the Christian man and woman who will step out of a spiritually destructive fellowship with the ungodly world and come over wholeheartedly into the spiritual Canaan of full consecration and separate living, will find true peace and satisfying communion with God.

III. Testimony in Right Living (vv. 26-31).

These men were wicked men, even speaking falsehood in their claim of friendship toward Isaac (v. 29). Now that they perceived that God was continually blessing Isaac in spite of their repeated injustice toward him, they decided it would be well to make a covenant of friendship with him. Even those who follow the way of war and aggression cannot deny the effectiveness of true Christian testimony.

Observe also that by his patience and kindness, Isaac ultimately made friends out of his enemies. "It is better to turn enemies into friends than to beat them, and have them enemies still." And so this man with the patient, self-sacrificing spirit brought peace not only to himself, but to those about him, because he believed and trusted God. "When a man's ways please the Lord, he maketh even his enemies to be at peace with him" (Prov. 16:7).

IV. Blessing in Service (vv. 32, 33).

The thing to do when the selfishness of others is about to cause strife is to go and "dig another well." If we will do this, we will find that God has been there ahead of us and prepared a rich flow of fresh water with which we may refresh and encourage ourselves.

Isaac's men said, "We have found water," and he then named the place Beersheba, which means "the well of the oath," referring undoubtedly to God's fulfilled promise to bless him. He had found the way of peace, fellowship and blessing, because he had gone God's way.

The many friends of Jim Pettit regret to hear that he is a patient at Booth Hospital, where he underwent an operation. We wish for him a speedy recovery.

Mr. and Mrs. W. M. Markesbery Jimmy Bonar has returned home from St. Elizabeth Hospital, where he underwent an appendectomy. The home of Mrs. Zeffa Osborn was practically destroyed by a fire of undetermined origin on Friday. Mrs. Clackson occupied two rooms with Mrs. Osborn and her apartment and furniture was completely destroyed.

Mr. and Mrs. Ransom Ryle have moved to their new home recently completed in Petersburg. We regret to lose them from our midst. Butch Huffman has returned from three years overseas. He has been in numerous battles and has seen some drastic action. Butch donned his civilian clothes last week, having been honorably discharged from the U. S. Army.

Word was received this week that Wm. Lynn Tupman has arrived in New York. Mr. and Mrs. Walter Scott Worthington and son are spending a week with Mr. Worthington's parents in Maysville. Alvin Dringenberg, Mr. and Mrs. Elby Dringenberg and Mrs. Eunice Pettit visited Mr. Jim Pettit in Booth Hospital on Friday night.

Mrs. Louise Bealam, of Covington was calling on friends in Florence Saturday. Mrs. Keemeyer, mother of Mrs. Bonnie Lucke returned home last Thursday from the hospital, where she has been confined for a few weeks.

Mrs. Maggie Clarkson has moved to her new home on Shelby St., recently purchased from Mrs. Luile Aylor. Miss Beverly Markesbery entertained a group of her friends with a wicker roast on Thursday evening.

Friends regret to learn that Mrs. Effie Herrington, of Newport suffered a fractured right arm late Friday, when she slipped on a rug in her home. Mr. and Mrs. R. V. Lents entertained with a dinner on Sunday in honor of Mr. and Mrs. A. D. Hunter of Hill Top.

BELTS**GATES BELTS for ALL SMALL MACHINES****WM. HAGEDORN**Authorized Maytag Dealer
856 DIXIE HIGHWAY
Erlanger, -- Kentucky**Stretch Canning Sugar By Using Less In Canned Fruits**

The sugar supply can be stretched by using less sugar by substituting part light corn syrup honey for sugar or by canning fruit without sugar. In order to use thin sugar supplies to best advantage, most homemakers will use less sugar than usual in canning fruit this year. It is better to have plenty of unsweetened or lightly sweetened canned fruit than to have enough fruit for the winter. Sugar used in canning does not add to the keeping quality of the fruit, but helps to give it a better flavor, firmer texture and a more natural color.

Light corn syrup is the best all around sugar extender. Use dark corn and cane syrup only for dark fruits and butter. Honey may be used instead of sugar by those who like its flavor. Brown or maple sugar is not satisfactory for canning. Saccharine is likely to leave an unpleasant taste.

All fruits may be canned without sugar by using fruit juices extracted from fresh fruit or water instead of the usual syrup. For berries or plums, make a juice by heating a few berries or plums to simmering. Strain and pour the juice over the fruit to cover. Adjust lids and process quart jar 20 minutes in a boiling water bath. Remove the jars from the canner and complete the seal. For apples, peaches and pears follow the regular instructions for canning, except use boiling water instead of boiling syrup. Fruits canned without sugar may have sugar added to the juice of the canned fruit, heat it to simmering to dissolve the sugar and pour it over the fruit. Heating increases the sweetness.

The sugar supply can be stretched by using thin syrup in canning instead of medium syrup, or medium instead of heavy syrup. Even though heavy syrup is preferred, the canned fruit may be very palatable if canned with a medium thin syrup—or even with no syrup at all.

One-third of the usual amount of sugar in canning recipe may be replaced with light-colored corn syrup without appreciable difference in quality of the canned fruit. Of course, more of the sugar can be replaced by corn syrup if it is so desired, but the syrup used in large amounts is likely to give a flavor which may be objectionable. Leaflets on canning fruit with less sugar may be obtained from the office of Home Demonstration Agent.

Fall Seeding Time Will Aid In Home Food Program

The fall garden is an important part of the home food production and Live at Home program, according to the County and Home Demonstration Agents' offices. Recent rains have delayed plantings, but made ideal soil conditions for seeding of turnips, kale, spinach, mustard, lettuce, Chinese cabbage, peas, beets, and radishes and many of the other fall crops. A few growers may risk beans and similar early maturing vegetables taking a chance on late frosts and favorable weather.

Several series in the 1945 Live at Home Contests have already been received at the Home Demonstration Agent's office. Scarcity and high food prices should encourage every family whether farm or town to have a good fall garden.

Forty Bushels Of Wheat Grown To Acre In Co.

Edward Helmer, operating the Frank L. Michaels farm in Boone County harvested forty bushels of wheat to the acre according to a letter written to the Agricultural Bureau, of Burlington by Frank L. Michaels. The letter follows: "Boone County Agricultural Bureau Burlington, Kentucky Attn: Mr. John E. Crigler

"My Dear John: "I noticed in one of the papers the other day where some man from Maysville was boasting about the large crops of wheat that averaged twenty-six (26) bushels to the acre, and he said it was a record.

"I do not think this is very much of a record according to the crops we raised this year. "John Boh combined 19.2 acres, and we had 376 sacks weighing from 119 to 139 pounds each. This is a little bit better than 800 bushels, or 40 bushels to the acre. "Besides this, we cut and baled 606 bales of straw.

"The writer cannot help but feel that his farm manager, Mr. Edward Helmer, has done a very good job in taking this old, worn out field, and after treating it with commercial fertilizer and cover crops, getting the production as above."

Fifty Green county 4-H club and Utopia club members have 150 calves on feed for the fat cattle show in Louisville.

Indicative of the interest in Breathitt county in grade Brown Swiss heifers is the sale of a cow and her first calf for \$150.

Cook Family Hold Annual Reunion Sun.

Sunday, August 5th, the annual Cook reunion was held at the home of Mr. and Mrs. John J. Klopp, Aurora Ferry Road.

One hundred and twenty-five relatives and friends were present. At the noon hour, lunch was spread on the tables that were placed on the long porches of the spacious old colonial home. At this time Wilson White offered a prayer of thanks and also kindly remembered those members of the family that could not be present on account of illness or otherwise, and to those in the service of our country, whose presence were missed at this time.

After a careful check-up, we were informed that fifty-three members of this family have been called to the colors, and are serving in the army, navy, and in the air. Especially we were reminded that two of these fine young men have given their lives for this cause, John Cook of Indiana, who gave his life in England and Clifford Wingate, Jr., Ft. Thomas in Tennessee. They were both members of the Air Corp.

Other familiar faces missing since our last reunion, having been called from this life were Cliff Wingate of Ft. Thomas and Mr. and Mrs. J. J. Maurer, of Grant, Ky.

All present, joined in wishing for the speedy recovery to health of Commander Ed Maurer, U. S. C. G. who is now in U. S. Marine Hospital, 22nd and Portland Ave., Louisville, Ky., having entered there July 23rd.

The afternoon was spent in conversation, music and singing. When goodbyes were said all left for their several homes, hoping to meet again next year with the genial host and hostess, cousin John and Nan and their attractive daughter, Gladys.

UTOPIA CLUB

Chairman of Committee—Grant Maddox
Utopia club members represent our young rural leaders of today. They are young men and women 19 years of age or older, interested in Agricultural and Home Economics Improvement. They are pioneers in Boone County's hybrid seed corn breeding work and other important projects. The Utopia club enrolls 56 members, holds regular monthly meetings, conducts demonstrations in improved practices and promotes a program for a more full and wholesome rural life. Many of our members this year are serving in our Armed Forces. We remember them in presenting our 1945 Fair program.

for Kentuckiana Farm Families

1944 Grand Prize Winner
Cecil D. Bell
Fayette County, Ky.

"I hadn't been in The Courier-Journal-The Louisville Times-Radio Station WHAS Home and Farm Improvement Campaign very long before I realized its real value to every farmer is over and above the actual prizes themselves. Every improvement I made last year has already paid dividends in enabling me to do a more efficient and profitable job of farming."

You can be a winner, too!

FIVE Grand Prizes—Both for Men and Women

1st	\$300
2nd	250
3rd	200

THE BOONE COUNTY RECORDER

ESTABLISHED 1875

BURLINGTON, KENTUCKY THURSDAY, AUGUST 16, 1945

NUMBER 3

JAPANESE ACCEPT SURRENDER TERMS

1945 Four-H and Utopia Fair Will Be Held Sat.

EXHIBITS WILL REACH RECORD HIGH AS RESULT OF INCREASED PREMIUMS—MANY NEW FEATURES THIS YEAR.

Record attendance is expected at the 1945 Boone County 4-H and Utopia Fair, Saturday according to the Council. Livestock, poultry, crops and Home Economics exhibits will reach a record high as the result of increased premiums and increased interest being registered from all sections of the county. The team pulling contest, horse, pony, dairy and vegetable shows have been especially added to this year. These will not be overshadowed by the good displays of home economics and other exhibits. The Home Economics displays featured in the floral hall will include both open and club classes in canning, foods and needle work. The feed sack dress open class style revue will be featured on the grand stand in the afternoon.

The open class vegetable display sponsored by J. R. Eddins, Burlington, features \$3.00 first prize for display of five or more vegetables and additional prizes for twelve individual vegetable displays. Fruits and field crops classes are offered. Special events will include a new class for the displaying of War Souvenirs including not more than five articles.

The baby show will start at 1:00 p. m. under the supervision of Elizabeth Lowry, County Red Cross Nurse. The highest health scoring baby boy and baby girl will be selected.

Rich's Jewellers, Covington, is awarding a diamond ring gate prize. The winner of the diamond will be selected at 4:00 p. m.

The Boone County School Band with more than fifty members under the supervision of Director Dean Bloss, will furnish music throughout the day. The band will present a parade and drill on the show ring at 10:30 a. m. Prizes will be awarded to the best individual musical numbers presented during the day.

Judges of the shows are: Elizabeth Lowry, Jim Humphrey, S. A. Porter, Robert Hume, Herbert Whitely, Bert Rich, Ted Cross, Edgar Graves, Lillard Scott, Edith Lacy, Lullie Logan, R. V. Lents and Reuben Asbury.

Gate receipts will go to the grounds improvement program. Adults admission will be 25 cents, while children under 16 years of age will be free. This is Boone County's own county picnic and home coming day. Everybody is invited. Let's make our 1945 the biggest and best ever. Be there!

Promoted in India

Air Transport Command Base, India—Samuel P. Shinkle, son of Mr. and Mrs. Bolivar Shinkle, Box 150, Petersburg, Ky., was promoted recently to Master Sergeant. It has been announced by Brig. Gen. William H. Tunner, commanding general of the India China Division, Air Transport Command.

M-Sgt. Shinkle has served in the division since September, 1944, and is 1st Sgt. of the 8th Squadron. He has been in the army since January, 1942. In civilian life he was a student. He attended Transylvania University, Lexington, Ky.

The India China Division has been the main outside source of supplies for Allied forces fighting in China. The ICD flies vital war material over the Hump of the Himalaya mountains in giant transports. The route is considered the world's most treacherous, because of the dangerous flying weather and the craggy terrain.

Grant Nun Injured

Grant Nun, of the Gasburg neighborhood suffered a skull fracture one day last week when he fell from a truck. He was removed to Good Samaritan Hospital, Cincinnati for treatment and was returned to his home Saturday.

Mr. and Mrs. Courtney Pope and family were Sunday guests of Mr. and Mrs. Eliza Poston and family.

SCHEDULE OF EVENTS (Eastern War Time)

Minstrel Show By School Band Will Be Held Aug. 28

Don't forget "Minstrels of '45" at the Burlington school house Tuesday, August 28. There are many treats for those who attend. For example Boone County's challenger to Harry James, H. R. Fockner has heard H. R. play will agree he's "tops." A piano solo "The Chariot Race" by Louise McArthur will hold everyone's attention, watching her fingers fly across the keys.

There will be vocal solos, duets, and the chorus has several good songs. Best of all, to keep your spirits up will be the endmen and their jokes.

Come out to Burlington August 28th and enjoy a real old fashioned minstrel. The show will be held at Hebron and Florence at a later date.

SEASON ON DOVE AND DUCKS SAME

DOVE SEASON OPENS SEPTEMBER 1ST AND CONTINUES FOR 55 DAYS—DUCK SEASON FOR OCTOBER 13-DECEMBER 31.

The season for shooting doves and ducks in Kentucky will be the same as last year, but the bag limit on ducks has been returned to the former limit of 10 a day. Earl Wallace, Director of the Division of Game and Fish, announced today upon receipt of instructions from the U. S. Fish and Wildlife Service in Chicago, which agency regulates the shooting seasons for all migratory game birds.

The season as set out by the Fish and Wildlife Service for Kentucky this year gives the dove hunter a shooting period of 55 days. The season opens on Saturday, September 1, and will continue through Thursday, October 25.

Kentucky remains an intermediate with the season to run 80 days from October 13 to December 31 for ducks and geese. Last year a hunter was allowed a daily bag of 10 ducks and in addition 5 singly or in the aggregate of mallards, pintails, or widgeons. The extra regulation has been knocked off. The possession limit is 20.

In view of the fact that no change was mentioned in the goose limit, it is assumed that the 1944 limit holds. Last year it was 2 and in addition 4 singly or in the aggregate of blue or snow geese. The possession limits were double the daily bag. The same apparently holds true on the dove limit, which last year was 10 daily and 10 in possession and on the regulation that sportsmen are permitted to retain birds lawfully taken for a period of 45 days following the close of the open season in the state in which they were killed. The 3-shot limit on repeating shotguns, either hand-operated or auto-loading, still will be in effect apparently and the guns will be restricted to not larger than 10-gauge.

Mrs. William Townsend and son Billy, of Falmouth, are visiting her parents, Mr. and Mrs. A. B. Renaker.

Vacation Bible School Dates Are Announced

Union and Richmond Presbyterian Churches announce their Daily Vacation Bible School as opening on August 20 and continuing daily through August 24. The Bible School is to meet from 2:00 p. m. until 5:00 p. m. at the Richmond Presbyterian Church Social Hall. Don Hopkins, student minister, invites all interested parties to attend this school.

Otto Schneider

Funeral services were held Tuesday at 2:30 p. m. at the Philip Tallaferro funeral home, Erlanger, for Otto Schneider, 65, of 26 Center St., Erlanger, who died Sunday at Booth Hospital, Covington, after a brief illness. Burial was in Highland Cemetery.

Mr. Schneider, who operated a shoe repair shop in Bromley for many years, is a native of Stettin, Germany. He came to the United States when he was seven years old.

He is survived by his widow, Mrs. Mary Jane Schneider; two sons, Charles and Robert Schneider, both of Erlanger; a sister, Mrs. John Ralencott, Erlanger; two brothers, August Schneider, St. Louis, Mo., and Louis Schneider, Lawrenceburg, Ind., and four grandchildren.

King-Black

Miss Ruth Ann King, daughter of Mr. and Mrs. Clarence King, of Forest Ave., Erlanger and Cpl. Fred M. Black, son of Mr. and Mrs. John Black, of Erlanger Rd., Erlanger, were united in marriage Friday night, August 10th at the home of Rev. Harold Waincott, Dixie Highway, Florence.

Miss King is a graduate of Lloyd High School, Erlanger and attended Georgetown College the past year.

Cpl. Black who entered the service two years and eight months ago is home on furlough for sixty-one days after serving 18 months overseas, six months being spent in a German prison camp.

After the wedding a reception was held at the home of the bride's parents for the many relatives and friends. The couple will visit with relatives and friends of Erlanger until September 22, when Cpl. Black will report to Miami Beach, Fla. His bride will return to Florida with him.

Albert H. Erion

Albert H. Erion, aged 65 years, died Tuesday afternoon at his home 175 Erlanger St., Erlanger, Ky., after a short illness. He had only lived in Erlanger for two months and was a stationary engineer for St. Ursula Convent, Cincinnati, O.

He is survived by his widow, Mrs. Bonita Erion; four sons, Emerson, Ferdinand and Ralph and Pte. Al. Albert Erion in Germany; two daughters, Mrs. Christina Gongola and Sister Mary John Fisher, Franciscan Order, Cincinnati.

Funeral was from the Tallaferro funeral home Friday at 8:30 a. m. with requiem high mass at St. Henry's Church at 9 a. m. Interment was in St. Mary's Cemetery, St. Bernard, Ohio.

FAMILY REUNION

Mr. and Mrs. Huey Ryle entertained in honor of their son Floyd L. Ryle, A. C. M. T. T. Petty Officer 3/c Sunday, August 6, who was home on a 10-day leave enroute to San Diego, Calif.

The following guests were present: Mr. and Mrs. Leroy Coates and daughter of Norwood, Ohio; Mr. and Mrs. Neal Clements of Newport; Mr. and Mrs. Eldon Ryle of Burlington; Mr. and Mrs. M. W. Ryle, of Midway; Mrs. Myrtle Marshall of Union; Messrs. Shirley and Willie Gruelle, Eddie Earl Smith and Sanford Kemper, the host and hostess and son Floyd Ryle.

Floyd expects to go overseas soon and enjoyed meeting his many friends while home. We wish for him a safe journey and quick return.

Sunday guests of Mr. and Mrs. Eliza Poston and family were Mr. and Mrs. Courtney Pope, Joe and Agnes Stephens, Wilma Arnold, Mary Jean Hensley, Mrs. Olive Clore and children and June Brown.

SIX INDICTMENTS ARE RETURNED

BY BOONE COUNTY GRAND JURY IN SESSION ONE DAY—TRIALS ARE SET FOR MONDAY WHEN COURT RECONVENES.

The Boone County grand jury empaneled Monday returned six indictments, dismissed two cases and made a thorough examination of county property and requested to be excused after being in session only one day.

Indictments included: George Newton, of Florence indicted on a charge of shooting with intent to kill and resisting an officer; Tom Taylor, on a charge of automobile theft; Denver Morrow, 17 on charge of automobile theft; and two indictments were returned against Sam Banks 17, charging breaking and entering.

Judge Yager adjourned court Monday afternoon, to reconvene Monday of next week, when criminal cases will be heard.

It is expected that the docket will be cleared up within two to three days, with court being dismissed about mid-week.

PAYMENTS TO BE MADE SHEEPMEN

DESIGNED TO INCREASE SUPPLY OF LAMB AND MUTTON BY HELPING PRODUCERS MEET INCREASED COSTS.

Government action designed to increase the supply of lamb and mutton by helping producers meet increased costs through Commodity Credit Corporation payments to sheep raisers and lamb feeders was announced today by the Secretary of Agriculture, Clinton P. Anderson. The payments will become effective on sheep and lambs marketed on or after August 5, 1945, and through June 30, 1946.

The Commodity Credit Corporation payments to the seller of lambs and sheep to legally authorized slaughterers for slaughter will range from \$4.50 to \$2.50 per hundredweight for lambs weighing 85 to 90 pounds; from \$2.15 to \$3.15 per hundredweight for lambs weighing over 90 pounds; and they will be \$1.00 per hundredweight for all other sheep and lambs.

The variation of payments is designed to increase the returns from heavier lambs and to make feeding more attractive. The highest payments are to be made on lambs weighing over 90 pounds, during the months when fed lambs are usually marketed.

At the same time the Reconstruction Finance Corporation announced that the subsidy of 95 cents per hundredweight now paid to slaughterers for all sheep and lambs slaughtered in authorized plants will be withdrawn, as to any slaughter performed on and after August 5, 1945.

The program seeks (1) to encourage the raising and feeding of lambs to heavier weights, (2) to bring about a more normal seasonal distribution in the marketing of lambs, (3) to divert more market lambs into legitimate slaughter channels, (4) to help producers meet increased costs without increasing consumer prices on lamb and mutton.

In recent months sheep raisers and lamb feeders have been subject to increasing costs and decreasing profits. As a result, breeding ewes and relatively light lambs have been sold for slaughter. Stock sheep have decreased from slightly less than 50 million head on January 1, 1942, to approximately 41 million head, January 1, 1945.

To be eligible for payments under the new program, sheep and lambs must be sold to a legally authorized slaughterer who has certified that the animals are purchased for slaughter. Sellers would retain their sales accounts, invoices and other evidence showing the weights and purchasers of all lambs and sheep sold on or after August 5, 1945.

Payments to sellers are to be made through the offices of the county committees of the Agricultural Adjustment Agency.

Christians Will Hold All-Day Meeting Sun.

A special invitation is extended to everyone to worship with the Christian Churches of Boone County, at Petersburg on August 19th.

As V-J day is just a matter of days, we can use this day to thank God for sparing this Christian nation of ours.

A special message will be delivered on the topic of "Our Church at Work in the Community for the Return of Its Servicemen and Women," by the pastor of Walton Christian Church, Bro. Nichols. This service will start at 10 a. m. and continue throughout the day, with a basket lunch served at noon.

Florence Firemen Annual Drive Underway

The annual drive for the raising of funds for the Florence Volunteer Fire Department got underway on August 13th and continue thru August 31st, it was announced by the organization, after a meeting held Monday at the firehouse.

All soliciting is to be done by the Volunteer Firemen and all funds will go directly to the fire department. All persons are urged to cooperate in this worthy cause.

Petersburg Trims Burlington 18 To 2

Thursday evening Petersburg trounced the Burlington boys by a score of 18 to 2. The game was never close. Huey was the winning pitcher and Smith the loser. Brown, Stephens and Benson also pitched for Burlington.

Saturday at the fair, Burlington, Bellevue and Petersburg will compete throughout the day. All three teams have been practicing throughout the week and expect to be in top condition Saturday.

G. W. CRAIG DIES OF FALL INJURIES

HAD BEEN RABBIT HASH MERCHANT FOR PAST THIRTY YEARS—SERVICES HELD SUNDAY.

C. W. Craig, 65, Rabbit Hash merchant for the past thirty years died Friday, August 10th at Christ Hospital from injuries received when he fell from a truck near his home.

Mr. Craig was a lifelong resident of Boone County and was a member of the East Bend Methodist Church.

He is survived by his wife, Mrs. Emma Ryle Craig; one son William Jennings Craig, Newport; two daughters, Mrs. Elizabeth Stephens of Burlington R. 2 and Mrs. Hazel Williamson of McVillie; one brother, L. C. Craig of Lawrenceburg, Ind.; two sisters, Mrs. Myra Rouse, of Burlington and Mrs. Harold Richmond, of Cincinnati; his mother, Mrs. Louise Craig of Cincinnati and five grandchildren.

Funeral services were conducted Sunday afternoon at the East Bend M. E. Church in the presence of a large crowd, with Rev. R. A. Johnson and Rev. Pylo officiating. Burial was in the East Bend Cemetery.

Palbearers were B. W. Clore, Gene Wingate, Raymond Acra, Jr., L. C. Craig, John Louden and Wm. Stephens. Sharp and Smith, Florence funeral directors were in charge of arrangements.

President Truman Makes Announcement

Full Acceptance of Surrender Terms Made By Japan In Message To United States Through Switzerland

Official announcement of the surrender of Japan was made Tuesday evening at 6:00 p. m. by President Truman from his office in the White House, following receipt of Japan's full acceptance of surrender terms handed down at the Potsdam conference.

Arrangements are being made as rapidly as possible for the formal signing of the official documents of the surrender. Supreme Commander General Douglas MacArthur will have complete charge of arrangements for the signing.

The official Japanese reply to

the allied unconditional surrender demands reached Bern, Switzerland about 6:00 a. m. and reached the United States about 4:30 p. m. Tuesday afternoon.

V-J day will not be officially announced until the instruments of surrender are signed, it was announced. The bloody war in the Pacific has ended upon President Truman's order to cease offensive action in the Pacific, bringing an end to the nearly four-year conflict.

Hirohito will be retained as head of the government of Japan. It was announced, receiving his orders directly from the allied supreme command, having no power of authority.

As we go to press Tuesday night, we are unable to give any information concerning the formal signing of the surrender document, but according to announcements, arrangements are being rapidly made for this meeting.

First indications that Japan had accepted the allied surrender terms was from Bern, Switzerland, and was later followed by official announcement from the White House. Demonstrations in the larger cities began early Tuesday morning and gradually died down after news was received that no official word had been received. Rural residents in Boone County, however, have staged no demonstrations, but will generally gather at their respective churches throughout the county for worship services when V-J Day is officially proclaimed.

Memorial Services Set For James Rogers

Boone Circuit Court will be adjourned at 11 a. m. Wednesday of next week by Judge Ward Yager to permit memorial services for James C. Rogers, prominent Covington attorney, who died June 13. Services will be held in the court room.

Arrangements were made by the lawyers who have cases at this session of court. Judge John L. Vest, who was named chairman, appointing a committee to take charge of the service. The group is composed of L. M. Ackman, Walter Vest and Charley Riley.

Northern Kentucky lawyers and the public are extended an invitation to attend.

529,600 ACRES OF TOBACCO PLANTED

ACCORDING TO REPORT FROM AGRICULTURAL ADJUSTMENT AGENCY, KENTUCKY STATE AAA OFFICE.

Marketing quotas have been in effect on Burley and flue-cured tobacco each year since the enactment of the Agricultural Adjustment Act of 1938, except in 1939 when they were disapproved by growers. Quotas were in effect on flue-cured and dark air-cured tobacco in 1941, 1942, and 1943, but were terminated before the 1943 crop was harvested. Quotas have never been in effect on Maryland, Virginia, sun-cured, or any of the cigar types of tobacco.

Under the quota programs, the burley acreage allotted each year since 1940 has been increased over the previous year to meet increased demands. A total of 607,300 acres of burley has been allotted to growers in 1945. The acreage allotted in 1944 was 588,200 acres while 500,100 acres were harvested.

If 529,600 acres have been planted to burley in 1945, as indicated in the July crop report, and a yield of 1,043 pounds per acre is obtained, a crop of 552,115,000 pounds is in prospect. This would be about 400,000 pounds less than the 1944 crop even though the planted acreage is increased by 29,500 acres. Such a crop would be from 80 to 90,000 pounds more than current estimates of disappearance during the year, ending September 30, 1945.

The shortage of cigarettes available to civilians during recent months has been due primarily to the requirements of the armed forces of the United Nations. Approximately 25 percent of the cigarettes manufactured in the United States in 1944 were tax-free. Due to the end of the war in Europe, the Army has reduced its purchases and favorite brands are again appearing on the counters in more abundant quantities.

The amount of smoking tobacco manufactured increased during World War I and fell off considerably in 1919. It remained more or less constant throughout the twenties and then showed a substantial gain during the thirties. The peak was reached in 1940 and since then the trend has been downward.

JACOB REALIZES THE PRESENCE OF GOD

LESSON TEXT—Genesis 28:10-22.

GOLDEN TEXT—The Lord is high unto all them that call upon Him, to all that call upon Him in truth.—Psalm 145:18.

Crises bring out the real qualities of man. When they lead him into the very presence of God, they become an experience, the remembrance of which can bring blessing all through life.

Jacob had such an experience in his lesson, and it is the more remarkable because he was a man whose life was far from commendable. His mother, Rebekah, had determined that Jacob was to have Isaac's blessing, even though she had to use falsehood to get it.

Jacob shared the deception planned by his mother, and thereby he received the blessing of Esau. Not willing to wait God's time for the carrying out of His purpose, they sinned to gain an advantage. Then to escape the wrath of Esau, he had to flee.

I. A Revelation of God's Grace (vv. 10-15).

The fugitive was overtaken by darkness on the second night of his journey, and made his bed in the open. Then came the magnificent vision of the ladder to heaven.

Heaven and earth are not separated. There is a way to reach the throne of God, and there is a way for God to reach and bless His people. The vision of the ladder reassured Jacob.

God renewed to Jacob the covenant with Abraham and with Isaac. He does not forget. Men make treaties "only to break them. God says, "I will not leave with me until I have done that which I have spoken" (v. 15).

In His matchless grace God relieved Jacob's fear by assuring him of His protection; his loneliness by His divine presence; and his uncertainty regarding the future by the promise of blessing.

Jacob's heart was deeply moved by his dream, and as he awoke to full consciousness, he came to II. A Realization of God's Greatness (vv. 16-19).

Full holy fear and awe, Jacob realized the presence of the infinite God. It is a proper and wholesome reaction when a man, realizing himself to be in God's presence, is overcome by the awe-inspiring experience.

Theologians, preachers and teachers have dared to speak swelling words of disrespect concerning His miraculous power, have denied the deity of His Son, and have questioned the authority of His Word. Having seen the wind of unbelief, they have reaped from the people the whirlwind of irreverence, a belittling of God, and a rejection of His authority (Hos. 8:7).

Jacob was reminded of God's immediate presence, "the Lord is in this place." The place of his vision of heavenly things had special meaning to Jacob.

The thing that Jacob "found out that night was not that God visits man, but that God is with man wherever he is. We expect to meet Him in the sanctuary, but He is near us in the market place. Not alone in the sanctuary, but where the multitude gathers in defiance of His law. He is there" (G. Campbell Morgan).

This rich experience led Jacob to III. A Recognition of God's Goodness (vv. 20-22).

The God who would supply his every need, who would watch over him and keep him, was recognized by Jacob as being worthy of his devotion, and he made a vow that He should be his God (v. 21).

The grace and goodness of God are intended to bring men to faith in Him and devotion to His service. Yet men can go on year after year, the beneficiaries of all His bounty, and never so much as say, "Thank you," let alone recognize Him as Lord.

Jacob made a very practical and workable decision to demonstrate the reality of his vow. He promised that one-tenth of all God gave him should be returned to Him.

Many have followed his example and found blessing in giving a tithe for the Lord's work. Some who count themselves far better than poor, weak and tricky Jacob have done far less to show their appreciation of God's blessing.

Note also that Jacob raised a stone of remembrance, and gave the place a name which forever after would recall not only to him, but to posterity, the wonderful blessing of that night. It is a great thing to keep fresh the memory of the occasions when we have met God in special blessing.

Trickery and deception were changed to truthfulness and devotion when Jacob met God face to face. The same blessed transformation awaits those who meet our Lord and Saviour Jesus Christ in faith. Have you met Him?

STATE FAIR WILL BE HELD SEPTEMBER 2-8

The Kentucky State Fair to be held at Churchill Downs in Louisville, September 2-8 will in fact be a truly State Fair if the interest of the various counties is any measure of representation.

This was revealed last week by Elliott Robertson, State Commissioner of Agriculture and President of the Kentucky State Fair Board, when he announced that already more than fifty counties of the state have pledged themselves to enter exhibits in the county exhibit display.

Every type and kind of products produced by the various counties will be on display for the first time. These exhibits will range from handwork from the mountain

counties to agricultural, industrial and scenic offerings from the heavily populated areas.

So enthusiastic has been the response that the area set aside for the county displays has had to be enlarged to accommodate all the exhibits. "We are highly pleased with this feature of the 1938 Fair," Mr. Robertson said. Thousands of visitors to the Fair will have a chance to really see the diversified products of Kentucky. We already have assurance that some of the exhibits will reveal products that have theretofore gone unnoticed by most Kentuckians.

HOW ARE YOUR EYES?

Many persons suffer from eye-strain and do not know the cause of their distress or discomfort—headaches, dizziness, nervousness, mental dullness, etc.

Our expert EXAMINATION—not mere "testing"—will reveal the true condition of your eyes and may save you considerable trouble in the future.

Your electric refrigerator may have enough years of faithful service behind it to rate a "discharge," but it will have to stay on the job until replacements are available an indefinite number of months from now. Initial production of new refrigerators is reserved for hospitals, blood banks, the Army, Navy and other high priority users, so continued good care of your present refrigerator is a "must" for some time to come.

FOLLOW THESE TIPS ON REFRIGERATOR CARE:

- Defrost whenever frost on freezing unit reaches thickness of ¼ inch. Excessive frost retards cold-making.
- Do not store hot foods. Let them cool first.
- Keep liquids in covered containers. Moisture drawn to freezer speeds formation of frost.
- Do not maintain food compartment temperature below 40 degrees. Use fast freezing sparingly.
- Do not crowd shelves. Allow room for cold to circulate.

- Do not open door oftener than necessary and always close it quickly.
- Keep unit compartment clean; condenser coils dust-free.
- Place refrigerator so that air can circulate freely under, behind and above it.
- Oil open unit models periodically per manufacturer's directions. Sealed units need no oiling.
- Have your refrigerator checked by a competent serviceman at the first hint of trouble.

UTOPIA CLUB

Chairman of Committee—Grant Maddox
Utopia club members represent our young rural leaders of today. They are young men and women 19 years of age or older, interested in Agricultural and Home Economics improvement. They are pioneers in Boone County's hybrid seed corn breeding work and other important projects. The Utopia club enrolls 56 members, holds regular monthly meetings, conducts demonstrations in improved practices and promotes a program for a more full and wholesome rural life. Many of our members this year are serving in our Armed Forces. We remember them in presenting our 1945 Fair program.

RECIPE OF THE WEEK

For a sugarless dessert, try an upside cake made with fresh or canned berries or peaches. Food specialists at the Kentucky College of Agriculture and Home Economics suggest the following recipe:

Upside Down Cake
Three cups sifted flour, 4 teaspoons baking powder, 1/4 teaspoon salt, 1 egg beaten, two-thirds cup milk, 1/4 cup fat, 1 teaspoon flavoring, 1 cup white corn syrup.
Sift the dry ingredients together. Combine the beaten egg, milk, melted fat and flavoring. Add to sifted dry ingredients and beat well. Add the syrup and mix thoroughly. Into a well greased pan, pour 3 cups of berries or peaches and 1 cup of syrup. Cover with the cake batter. If made in a thin loaf, bake in a moderate oven, 350 degrees, for about 25 minutes. If made in cup cakes, bake in a moderately hot oven, 375 degrees, for about 20 minutes.
Menu: Fried chicken, new potatoes, spiced buttered beans, lettuce salad and peach upside-down cake.

Farmers in Anderson county, who treated their tobacco beds with bluestone and lime, report little damage from blue mold or wildfire.

Alex Veach of Shelby county reports excellent results where ammonium nitrate was used on orchard grass this spring.

FOUR THOUSAND ATTEND FOUR-H & UTOPIA FAIR

HELD SATURDAY, BURLINGTON FAIR GROUNDS—EXCEEDS ALL PREVIOUS RECORDS, ACCORDING TO REPORTS.

The Boone County Thirteenth Annual 4-H and Utopia Club Fair held at Burlington exceeded all previous records in attendance and exhibits, according to the 4-H and Utopia Council. Approximately 4,000 people were present and more than six hundred and seventy-eight exhibits were made.

The Council reports the fair from estimates to be a financial success. Preliminary estimates indicate that all indebtedness on the grounds and buildings can be paid in full. This was set up as a 1945 goal and the first long time goal accomplished since the purchase of the grounds.

If the Council is able to pay the indebtedness in full, it will represent the strong support of public spirited citizens guided by the volunteer leaders on the 4-H and Utopia Club Council and their advisors who have contributed generously of their time and ability that the county may have better things in this line of public improvement.

MINSTREL SHOW SET FOR TUES.

ENTERTAINMENT WILL BE BEST YET, ACCORDING TO REPORTS—FIRST SHOW WILL BE HELD AT BURLINGTON.

Vocal solos, chorus, band music, saxophone, trumpet, bells and piano solos all help make up the new show which will be presented by the Boone County Band at Burlington High School at 8:00 Tuesday night, August 28.

Musical numbers are the best the band has ever been able to present but that's not all. The end men in their radio broadcast will keep you in stitches. One of the comedians is the popular red-headed dandy from Waterloo. The end men's part of the show will be different than it has ever been, and it promises to be the best yet.

Junior Walton, the youngest soloist in the band will play his trumpet and sing. The "crooner" from Hebron, Earl Glenn Aylor and Corinne Walton sing a duet. Add to this the good singing of the chorus, good instrumental numbers, good jokes, and the comedy dance, and you have the best show Boone County has yet been offered. Admission is only 35c for adults and 20c for children.

The show goes to Hebron and Florence on later dates.
Come out "Mom and Pop" and bring the entire family to Burlington August 28th.

Ward Rice Home For Thirty-Day Furlough

Ward "Spuds" Rice, of Walton, who has spent the past eleven months overseas, is spending a 30-day furlough with friends and relatives in Boone County. "Spuds" is well known throughout the county and his many friends are glad to welcome him home.

He was wounded in the European War theater when he was struck by several pieces of shrapnel.
Prior to entering the service he was city mail carrier of Walton.

Drivers Being Checked By State Patrolmen

A checkup to ascertain if motorists have obtained their new driver's license has begun by the State Highway Patrol, Harold W. Cain, director, has announced.
Persons found using old licenses will be allowed ten days in which to obtain new ones.

SPEAKER AT FLORENCE CHURCH

Garrett R. Graham, pastor of Euclid Ave. Baptist Church, Bristol, Va., will be the guest speaker at the Florence Baptist Church in a series of services beginning August 21st and continuing through August 31. Services will be held each evening at 8:00 p. m., according to Rev. Harold Wainwright, pastor.

Rev. Wainwright stated that Bro. Graham is a good preacher of rare ability and there is never a lagging moment in his services.
An invitation is extended to the public to attend these services.

\$1,500 IN WAR BONDS OFFERED

AS PRIZES IN SECOND ANNUAL SOIL CONSERVATION ESSAY CONTEST—CONTEST OPEN TO KENTUCKY CHILDREN.

Fifteen hundred dollars in War Bond awards will be given winning Kentucky grade and high school students in the second annual Soil Conservation Essay Contest announced by Mark Ethridge, publisher of the Courier-Journal and Louisville Times and general manager of Radio Station WHAS. The contest is conducted each year in cooperation with the Kentucky Soil Conservation District Supervisor's Association.

Open to any qualified school boy or girl in Kentucky, the contest is based on an essay, not exceeding 1,000 words, on "Conserving Kentucky's Soil." Special consideration should be given the tremendous need for conservation in the state and the help in licking this problem that soil conservation district supervisors can give to Kentucky farmers.

The three state prizes will be war bonds of \$100, \$50 and \$25. In addition a \$25 war bond will be given the best essay from each of the 58 soil conservation districts in which at least five essays are submitted. State awards will be made at the annual Home and Farm Improvement Campaign-Tom Wallace Forestry Award luncheon-broadcast in Louisville.

The contest closes December 1 when all final entries must be in the hands of the state judges in Louisville.
Background information for contestants is available through county agricultural agents, vocational agricultural teachers, soil conservation service technicians, the college of Agriculture, University of Kentucky and the experience of local farmers.

For contest information write to: J. M. Wynn, care The Courier-Journal, The Louisville Times and radio station WHAS, Louisville 2, Ky.

Picnic Planned For Bro. Sam L. Hamilton And Wife Sunday

Bro. and Mrs. Sam Hamilton, former pastor of Bellevue Church of Christ, now in Denver, Colo., to finish his education, write they expect to be back among old friends for a short stay Sunday afternoon and evening, August 26th.

Since their stay is short and they would like to see as many as possible, plans are made to have a get-together luncheon on the lawn of the Purdys from 6:30 until 7:30 August 26th.
Bring what you plan for your own Sunday night lunch and visit with these folks.

LOOMIS TEAM WINS CONTEST

DIXON'S TEAM WINS IN SINGLE PULL AT 4-H AND UTOPIA FAIR—OTHER EXHIBITS ARE NUMEROUS.

Bert Loomis, Burlington, R. 1, won first honors in the second annual team pulling contest held at the Thirteenth Annual 4-H and Utopia Club Fair held last Saturday. The team, Prince and Mayme, weighing 3100 pounds, age 6 and 7 years, respectively pulled 5750 feet weight. Craddock and Dixon, Burlington, R. 2, with Dan and Pete won second honors and Walter Horton, Burlington, R. 2 with Nellie and Tom, third in the contest. Robert Youell, Buss Cracraft and Bert Loomis second teams were runners up in the contest.

The contest was rated on a par with most of the major pulling contests held at county fairs in recent years. Pet won by Wilford Dixon pulling 3500 pounds won first honors in the single pull. Tow owned by Walter Horton, second honors and Bill owned by Robert Youell third honors in the single horse pull.

The saddle horse and pony show had the largest number of good entries on record. Competition was keen in five horse and nine pony classes.

The Hampshire sheep, poultry, fruit, garden tobacco and field crops were above previous years. The dairy cattle show was one of the best. Eugene Purdy, Burlington, R. 2, won top honors in the combined type and production show. Robert Youell on his three-year-old cow won second honors. Billy Maddox won first and Jackie Peagan second in the 4-H calf showmanship classes. The quality of cattle in both the adult and 4-H Club classes was outstanding.

The Home Economics exhibits in the floral hall were reported as excellent. The fine exhibits in needle work, flowers and other home work were par excellent.

James Robert Hamilton was judged the most healthy baby boy and Mary Jean Hubbard the most healthy girl baby at the Fair. Rev. Sam Hogan was awarded the diamond ring gate prize.

Firemen Will Meet Monday, August 27th

The Burlington Volunteer Fire Department will hold its regular monthly meeting at the fire house Monday evening, August 27th at 6:30 it was announced Wednesday.

Members are urged to be present at the above hour in order that some time can be spent in practicing work with the pumps. Firemen will be given an opportunity to operate the pumps, connect lines and general operation necessary to combat fire.

All members are urged to present at this meeting.

STRESSES CANNING OF TOMATO JUICE

CONTAINS LARGE AMOUNT OF VITAMIN C, ACCORDING TO H. D. A. MARY HOOD GILLASPIE.

Most widely popular of home-made juices is that from tomatoes. Boone County housewives are busy preparing to can tomato juice in the next few weeks, according to Mary Hood Gillaspie, Home Demonstration Agent.

Tomato juice is an excellent way of having vitamin C in the menu. Some homemakers have questions to ask about the best way to keep tomato juice. Here are some questions and answers put to home canning specialists of the U. S. Department of Agriculture:

Q. Why does my home-canned juice sometimes separate?
A. Some separation is normal because the pulp is heavier than the liquid. The finer the sieve used for straining the juice, the less the pulp will settle. Too much or too little heat may cause the solid part of the tomato to settle, so follow heating directions carefully. If pulp does settle, just shake the jar before pouring out juice.

Q. If tomato juice is packed hot, why need it be processed in a water bath canner?
A. The chances of keeping are much better. Bacteria or yeasts in the air may get into the juice at

the time jars are filled, and if these are not killed by further heating, the juice may spoil.

Q. Does home-canned tomato juice have as much food value as tomatoes?
A. The vitamin C in juice and canned whole tomatoes is approximately the same. Some vitamin A and other nutrients may be lost when seeds and pulp are discarded.

Q. Does heating the tomatoes before straining juice save vitamins?
A. Tests have shown that the easiest way of preparing the juice is the most saving of vitamin C. This is to simmer the tomatoes until the juice begins to flow. Sieve while the tomatoes are hot. Reheat just to boiling. Then add a teaspoon of salt per quart of juice, if desired. Pour into hot jars at once and process for 15 minutes.

Q. Does a metal mill or sieve used in straining tomatoes destroy vitamin C, and should a cloth bag be used?
A. For practical purposes a metal juice extractor is satisfactory unless some copper or iron is exposed. A bag worked back so much good red pulp that the juice pressed out would be weak and pale.

Leigh-Black

Mary Edith Leigh, of Cincinnati, Ohio, and Orville C. Black of U. S. N. were quietly married Saturday, August 18 at the home of his parents at Union, Ky. Rev. Roy A. Johnson, of Burlington Baptist Church performed the ceremony.

Attendees were Wm. Wesley and Emma Jane Aylor. Guests present were Armita Carol Leigh, Mrs. K. W. Aylor, Jerry Wesley Aylor and Mr. and Mrs. O. L. Black.

Refreshments were served preceding the ceremony.
After two days spent together in their Cincinnati apartment, the groom left for New London, Conn., where he is doing submarine duty with the Navy.

Their many friends wish them abundance of happiness.

Burlington Boy Serving As Mail Clerk In Italy

Castella, Italy—Private First Class William A. Holladay, son of Mr. and Mrs. Mark Holladay, R. 1, Burlington, Ky., is now serving as mail clerk with the 60th Machine Records Unit of the Mediterranean Theater which recently received the Meritorious Service Unit Plaque for compiling Theater Redevelopment statistics "in the face of a prohibitive deadline date and almost insurmountable operational difficulties."

His personnel "labored under extreme pressure with an eager willingness and a cooperative spirit in order to compile Theater Redevelopment statistics for submission to the War Department." The citation accompanying the plaque pointed out:

Overseas 16 months, Pfc. Holladay wears the North American Defense Ribbon and the Mediterranean Theater Ribbon with three Battle Participation Stars. He has been awarded the Combat Infantryman's Badge, the Purple Heart, the Good Conduct Medal and the Bronze Arrowhead, the latter being awarded for participating in the initial landings of Southern France.

Rel Wayman To Sell Two Farms Saturday

Under the direction of Rel C. Wayman, Covington real estate agent, two farms will be sold at public auction next Saturday, August 25, 10 a. m.

One farm is 65 acres and the other 55 acres, and both are located on the Limburg Road, three miles west of Florence and three miles east of Burlington. The former is the A. J. Sherif farm, known as the Check Tanner place, and the latter is known to old settlers as the Utz farm.

Both farms have live-room houses, outbuildings, abundant water and other desirable features. Lute Bradford is the auctioneer.

Burlington Boy Promoted

Langley Field, Va.—Cpl. Marvin Porter, son of Mr. and Mrs. George Porter of Burlington, now stationed at Langley Field, Va., AAF Training Command Radar Observer School, where he is serving as radar mechanic and instructor has been promoted to Sergeant it was announced.

This promotion was one of ten hundred and forty new promotions at the post during the week, making one of the largest lists raising enlisted men and women in grade in the history of the post. The promotion was authorized by Headquarters, AAF Eastern Training Command at St. Louis, Mo., which stressed that only qualified personnel should receive the new ratings.

Gasoline And Canned Goods Off Rationing

OPA, last week, ended rationing of gasoline, canned fruit, and vegetables, fuel oil and oil stoves and promised the earliest possible removal of every other item on rationing list. Meat, fats, butter, oils, sugar, tires and shoes remain rationed for the time being.

Price controls meanwhile have been lifted on "luxury" furs, jewelry, low cost toys, cigarette lighters, pipes, some photographic apparatus, some sports equipment, clotheings and notions.

Date Changed For Low Price Shoe Release

Lexington, Ky.—Information has been received from District OPA office changing the dates of low-priced shoe release under Amendment 107 to be effective Friday, August 17th through September 29th, instead of the dates previously announced.

This earlier date eliminates necessity for shoe dealers to secure District OPA office approval. Shoe dealers, however, must maintain adequate record keeping. This shoe release provides for the selling of certain men and women's low priced shoes ration free during the period mentioned above. If further information is desired by shoe dealers, they may contact the local War Price and Rationing Board.

CORRECTION IN FAIR CATALOGUE

Ludcan Bradford should have been listed in the 1945 Boone 4-H and Utopia County Fair Catalogue as vice president of the 4-H and Utopia Executive Council. Ludcan Bradford was the 1944 Utopia Club president. The past year's Utopia Club president from his ex-officio position is vice president of the Council.

TEN-YEAR TERM GIVEN NEWTON

BY BOONE COUNTY JURY—WAS CHARGED WITH SHOOTING WITH INTENT TO KILL—COURT ADJOURNS.

George Newton, 43, Florence, was given a ten year term in the State reformatory on a charge of shooting with intent to kill, when arraigned in Boone Circuit Court, Tuesday.

Newton was charged with firing shot which wounded James Kincaid, 20, of 1110 York Street, Cincinnati, son of Edgar Kincaid, owner of the Florence garage in which Newton was employed.

The shooting followed an altercation between Gene Brown, part owner of the garage and Newton, who Newton went to his home obtained a rifle and fired from a clump of bushes, the bullet striking young Kincaid.

Newton escaped local officers by hiding in a nearby woods, but was later apprehended in Cincinnati and returned to Boone County jail.

Sam Banks, 17, who faced two indictments charging breaking and entering, in connection with a robbery at the Log Cabin Inn, U. S. 25, south of Florence, pleaded guilty and was sentenced to one year in the State reformatory, LaGrange, by Judge Ward Yager, Wednesday morning.

Denver Morrow, 16, facing a charge of auto theft pleaded guilty in Boone Circuit Court and was sentenced to one year, by Judge Yager, Wednesday morning. He was charged with stealing George Maloney's automobile, of Walton.

In the case of Tommy Taylor, charged with the theft of an automobile two years ago from Dr. H. C. Holton, Florence, a jury failed to agree. Taylor, apprehended in Tennessee, served two years in Atlanta on a federal charge of transporting the stolen automobile across state lines, jury men were told.

Boone Circuit Court was adjourned by Judge Ward Yager on Wednesday afternoon, after being in session five days. Many cases, however, were disposed of during this brief session.

Livestock Slaughter Rules Are Changed

The Office of Price Administration this week announced modification of its livestock slaughter control and meat distribution program to bring it in line with the Patman Amendment to the Stabilization Act.

The Patman Amendment, carried out by the Department of Agriculture's War Food Order 139—provides for granting certifications to operators of slaughtering establishments that satisfy sanitary and other conditions specified in the order, including compliance with OPA price and rationing regulations. The meat slaughtered can then be shipped across state lines or can be made available to war procurement agencies through Government set-aside orders.

JACOB ADJUSTS PERSONAL RELATIONSHIPS

LESSON TEXT—Genesis 27:1-11, 15-30.
GOLDEN TEXT—Let us therefore follow after the things which make for peace.—Romans 14:19.

Eventually a man's past catches up with him and he must face his own record. The Bible says, "Be sure your sin will find you out" (Num. 32:23), and it always does. Jacob, who had tricked and deceived his brother and had fled into a far country, ultimately had to return to his homeland and face Esau. The story of what happened makes up our dramatic and instructive lesson.

Before Jacob could be permitted to enter the Promised Land of his father, he had to meet God. He needed a thoroughgoing transformation of life and attitude, and he received it as he wrestled with God at Peniel (Gen. 32).

Ultimately the stubborn man had to yield, and then he found that it was God who had come to give him a great blessing. How often do we fight against the goodness and mercy of God. Yielding brings blessing; Jacob "the supplanter" became Israel "prince with God." He was now ready for

I. Reconciliation (vv. 1-7). After living for 20 years in horror of meeting Esau, Jacob now learned that his brother was coming against him with an army. He resorted to clever strategy, but this time it was done not in self-crookedness, but in an open friendly effort to win his brother's good will.

There is nothing wrong about the use of a tactical approach, and it really worked for Jacob. His courtesy was shown by his seven bows. His bravery appeared in going out first. His conciliatory attitude showed in his rich gift to his brother.

Then came a surprise. Esau proved to be a loving brother rather than a hated enemy. Blood does count, and men do well to respond to the promptings of their hearts to be affectionate toward their brethren.

Note Jacob's pride in presenting his family. God had blessed him and he rejoiced in his fine children. The scene is typically Oriental, but it shows an attitude toward one's family which we could well emulate. Next, a very practical note entered into the reconciliation of the brethren, namely:

II. Restitution (vv. 8-11).

The gift which Jacob had prepared for Esau was in the Oriental tradition, and yet it bore also the nature of a restoration of something of that which Jacob had taken from Esau in defrauding him of his birthright.

There is a place for proper restitution in every case where we have wronged another by taking his possessions or destroying his opportunities to prosper. Becoming a Christian is a forgetting of those things which are behind (Phil. 3:13) in a spiritual sense, but not in the ignoring of our obligations to others. What we can make right we must make right if we want God's blessing.

Esau was generous and did not want the gift, but since it would have been an affront to his brother to refuse, he accepted it. There are properties in life and little commodities to be observed. Failure at this point has created much friction even between believers. Being a Christian should make one gentlemanly and ladylike. Let's remember that!

Then, too, Jacob was wise in putting Esau under the friendly obligation which is inherent in the acceptance of a gift. Those who are stingy and close-fisted about giving to others often find that their lack of generosity has reflected in their lack of friends.

The time has come for the brothers to part, and we find Jacob falling into his old trickery as he prepares to

III. Return (vv. 17-20). The portion between verses 11 and 17 indicate that instead of going on in straightforward dealings with Esau, Jacob resorts to evasion in order to be free to go where he would in his return to his fatherland.

Instead of going back to Bethel the place of blessing (Gen. 28), to which Jacob had been called (Gen. 28:11-13), he went to Succoth and ultimately to the outskirts of Shechem where his family fell into great sin. Ultimately, God did get him back to Bethel (Gen. 35), but only after much sorrow and suffering.

Jacob was called to live the life of a shepherd out in the fields with God, and when he pitched his tent near Shechem he compromised and lost out.

The incident pictures the tragic result of such folly in our day. Those who will not move over into the worldly life want to be close enough to it so that their children may have the cultural and educational advantages, and soon they find that they have lost their children to the world and have lost the favor of their own spiritual experience.

... and a Prayer for Lasting Peace

In this hour of final Victory, we pause in our
rejoicing to give thanks to the Almighty under whose Guiding Hand
the forces of right and justice have triumphed.

Our feeling of joyous relief that an end to bloodshed
has come at last is tempered by thoughts of those who will not
come back—the gallant men and women who gave their
lives to help make the Victory possible.

Let us solemnly resolve that their sacrifice
has not been in vain... and let each of us do his utmost to
help build a better world in which men and women
of all creeds and all nationalities may live
together in happiness and lasting peace.

By C. G. Kelly, Chairman
D. H. Norris, Sec'y-Treasurer.

CARD OF THANKS

I wish to take this means of expressing my sincere thanks to the voters of Boone County who supported me in the race for State Senator in the recent primary, August 4th, and assure those who failed to give me their support, that I hold no ill will toward them.

The splendid majority given me by the voters of Boone County will never be forgotten, and I will serve you to the best of my ability while acting as Senator of this district.

IS YOUR CHILD READY?

Are your child's eyes ready for the strain of school work?

Your child cannot be so happy and proficient in school if his or her eyes are strained.

Good vision is imperative. Proper glasses now may save considerable trouble and expense in later years. Bring your child here for genuine eye comfort.

Nieman Fellows at HarvardPaul Hughes
1943Ed Edstrom
1944Cary Robertson
1945

FOR three consecutive years a staff member of our papers has been awarded the Nieman Fellowship at Harvard University.

The Lucius Nieman Fellowships were established in 1939 by Mrs. Agnes Wahl Nieman in memory of her husband, former publisher of The Milwaukee Journal. The Fellowships are offered working journalists of at least three years' experience.

The whole field of instruction at Harvard is open to Nieman Fellows. They are permitted to take courses in any department or school of the University. No technical courses designated as courses in journalism are offered, nor are special courses of study established for Fellows. The purpose of the Fellowships is not to give technical training in journalism but rather to enable the Fellows to increase their competence in subjects with which they have to deal as writers or editors.

About twelve Fellowships are awarded annually. Competition each year has been of such an order as to insure a representative selection.

In 1943 Paul Hughes, city editor of The Louisville Times, was the first Louisville and second Kentuckian to receive this award. Hughes specialized in post-war problems. On assignment as war correspondent in the Pacific, his personalized reports of fighting men from this area will soon appear daily in The Times and Sunday Courier-Journal. He will also record voice interviews for radio station WHAS.

In 1944 Ed Edstrom, assistant Sunday editor of The Courier-Journal, won a Fellowship which he used to study economics and municipal government. Edstrom writes for The Passing Show and The Roto-Magazine. His most recent articles have been on city planning for post-war Louisville.

Cary Robertson, Sunday editor of The Courier-Journal, is one of ten American journalists awarded the Nieman Fellowship this year. Robertson, who edits the Roto-Magazine, The Passing Show and supervises other Sunday sections, said he intended "to study history, economics and public opinion with the idea of working on some of the causes of the rise and fall of newspapers." He will be on a leave of absence from the newspaper from September until June, 1946.

To have had three of our staff men selected for Fellowships out of a total number less than 40 for the three years is an honor which these newspapers appreciate. It is, too, we think, a recognition of the high quality of the work which they and other members of our staffs put into these papers.

5 Good Country Tricks for Saving More Used Fats

Right now, the country is facing the worst fat shortage since the war began. To help make up the deficit, the government is depending on the women of America—and particularly our women on farms and in smaller cities.

Every drop of fat is needed to help make battlefield and homefront essentials. So roll up your sleeves and do an all-out job, won't you? Clip this checklist as a reminder.

1. **FRIED BALT PORK**—with milk gravy. Salt pork yields so much grease; you won't need it all for gravy. Pour the rest into the salvage can.
2. **DEEP FAT FRYING**—use the fat over and over, but when it's too dark and smelly to use any more, don't forget Uncle Sam wants it!
3. **ROASTS AND CHOPS**—save all trimmings (scraps from the plates, too). Keep them in a small bowl; once a week melt them down.
4. **SAUSAGES**—they're better if you use the fat. Cut the skin off the casing, wash, and use the fat from the frying pan.
5. **GRavy SOUP**—chill it. When it's solid, cut up off.

When it's solid, cut up off. When it's solid, cut up off. When it's solid, cut up off.

100,000,000 More Pounds of Used Fats Are Needed This Year
Approved by WFA and OPA. Paid for by Industry.

A Memorable Day

for this young fellow. He had pictures made, and his first hair cut before starting on the great adventure of boyhood.

You can keep passing events in pictures and get great pleasure from them in the years to come.

"Good Pictures" do not fade. They will be good when you are old.

Come between ten and six. Appointments are made for after hours.

MORE GOOD NEWS

FACILITIES which have been devoted exclusively to the production of high-octane aviation gasoline for our armed forces will soon be available for the refining of civilian gasoline...The new CROWN and CROWN EXTRA gasolines will be far superior to any motor fuel we have ever been able to offer...You will have these products shortly, just as soon as they can be manufactured and transported by boat, rail, pipeline and truck to your Standard Oil dealer's pumps—a high reward for a little wait. Remember—CROWN and CROWN EXTRA gasolines.

ESTABLISHED 1875

BURLINGTON, KENTUCKY, THURSDAY, AUGUST 30, 1945

NUMBER 10

FILLING STATION ROBBED SATURDAY

BY ARMED BANDITS—LOOT CON-
SISTS OF \$100.00 IN CASH AND
WEIGHT WATCH MEN WERE
DRIVING STOLEN CAR.

Cabindale filling station and
grocery, located on U. S. 25, three
miles south of Florence on U. S. 25
was held up Saturday night by two
unidentified men, according to
Deputy Sheriff, R. I. Rouse.

The men stopped at the filling
station, ordered ten gallons of
gasoline. While J. W. Blair, owner
of the business was pumping the
gas, one of the men stepped from
the car and said, "give me your
money." The bandit took \$100.00 in
cash from Blair and \$50 and a
wrist watch from John Broughton,
a bystander.

The men, described as being be-
tween 25 and 30 years of age, escaped
over U. S. 25 in a 1941 Buick, re-
ported as stolen from Cincinnati
parking lot, earlier in the week.
Highway Patrolmen and Deputy
Irvin Rouse, chased the bandits
over U. S. 25, across to U. S. 42, but
were unable to overtake the men.
An unidentified woman sitting in
a car near the filling station wit-
nessed the holdup and obtained the
license number of the bandit car.
Upon investigation by Deputy R. I.
Rouse, it was found the car had
been stolen.

Florence Methodist Have Homecoming Day August 26th

The annual Homecoming of the
Florence Methodist Church was
marked with good attendance at
all three services Sunday, August
26. It opened with Church School
at 10:00 a. m. under the Superin-
tendent, Mr. Carroll Washburn.
Morning worship services followed
with sermon by the pastor, Rev. E.
K. Kidwell. Special musical num-
bers were rendered by Miss Beverly
Markesbery and Mr. C. Robert
Washburn, Jr.

The noon hour was enjoyed in
the basement where the basket
lunch was served.

The afternoon service opened at
2:15 p. m. Mr. C. Robert Wash-
burn, Jr., again gave a solo with
his accordion. An offering of \$507
was taken. The afternoon sermon
was taken. The afternoon sermon
was brought by Rev. G. B. Trayner,
pastor of Ludlow Methodist Church
and was much enjoyed by all.

Several visitors were present to
enjoy the day with the people of
the church.

HEBRON LUTHERAN CHURCH

J. Paul Rimmer, Pastor
Sunday School 10:00. Mr. Wood-
ford Crigler, Supt.
Worship Service 11:00. Sermon
subject, "Creating Returns."
Joint Council of the Hopeful-
Hebron Parish will meet Saturday
evening, September 1st at 8:00.
Meeting to be held at the Hebron
Church.

LOCAL AIRPORT WILL BENEFIT

BY BEING PLACED ON GREAT
LAKES-MIAMI ROUTE—WILL
AID IN DEVELOPMENT OF AVI-
ATION IN THIS AREA.

The Kenton County Airport, lo-
cated near Hebron will be greatly
benefitted by action of the Civil
Aeronautics Board in Washington,
which gave its approval last week
to placing the airport on the Great
Lakes-Miami route.

This will give this area a direct
air link with Miami, Fla., which is
the entry port for Latin-American
trade.
Operations for Delta and the
other two major airlines routed
through this area, will use the local
airport as soon as its administra-
tion building is constructed. Plans
for the new routes, which are like-
ly to mean 12 additional flights
daily, six north and six south for
Delta Airlines, to begin operation
before the first of next year and
possibly at the same time the air-
port is opened for commercial use.
P. G. Vondermauth, Covington,
general manager of Commonwealth
Air Transport, Inc., said "this will
mean much for the development of
the Greater Cincinnati Airport at
Erlanger and the development of
aviation in this area."

Sugar Stamp '38 Good Beginning September 1

Lexington, Ky.—Sugar Stamp '38
in War Ration Book Four will be
good for the purchase of five
pounds of sugar beginning Septem-
ber 1, 1945. Chester Sevier, Admin-
istrator of the Office of Price Ad-
ministration, announced.
The current sugar stamp, num-
ber 36, will not be good for consum-
er use after August 31, 1945. It
has been valid since May 1. The
new sugar stamp, number 38, will
be good for four months—Septem-
ber 1 through December 31, 1945.

Graduates From Engineering Course

Among those graduating recently
from an intensive course of Basic
Engineering training at Service
Schools here was Neville A. Hoff-
man, 29, husband of Mrs. Mable C.
Hoffman, 366 Dixie Highway, Flo-
rence, Ky.
His training has been designed
to fit him for a specialized Navy
job, as well as for skilled work in
industry when he returns to civil-
ian life.
Graduates from the ten courses
taught here at the Service Schools
are sent to sea, to shore stations,
or to advanced schools for further
training.

LOYD SOCIETY TO MEET

The Lloyd Society will celebrate
Old Schoolmate's Day, Saturday,
September 1 at the Town Hall in
Florence. All members urged to
be present.

Miss Mary Bess Cropper, who has
been spending the summer in Lex-
ington attending the University of
Kentucky, returned home last
week-end.

HOME OF PASTOR DESTROYED SAT.

DEFECTIVE WIRING OFFERED AS
POSSIBLE CAUSE OF BLAZE.
DAMAGE IS ESTIMATED AT
\$4000.00.

Fire gutted the home of Rev.
Herman Lemmons, of Walton, Sat-
urday night, causing damage esti-
mated at \$4000 by Fire Chief D. H.
Vest, of Walton. Cause of the fire
was undetermined, but defective
wiring was given as a possible cause
of the blaze.

The fire was discovered by Mr.
Lemmons and his wife, who were
on their way to Walton High School
where Mr. Lemmons was to assist at
a revival service. They looked back
as they were walking to the school
and saw flames shooting from the house.

The fire apparently had been
smoldering inside the walls before
the couple left the house.
The building with its contents
was described as a total loss. Noth-
ing was salvaged from the building
with the exception of several War
Bonds.

The Walton Volunteer Fire De-
partment was summoned, but the
blaze had gained such headway, it
was impossible to save the struc-
ture.

Visits Rest Center

With the XV Corps of the Third
Army—Private First Class Elzie K.
Louden, member of an engineer
unit which took part in the Allies'
victorious Western Front drive, was
a recent visitor at the XV Corps
Rest Center.

His wife, Mrs. Russecelle Louden,
resides at 812 Main Street, Covin-
gton, Kentucky.
The Rest Center, at Nancy,
France, is operated by Maj. Gen.
Walter M. Robertson's veteran XV
Corps which engaged in spectacular
military operations from Normandy
across France, Germany and into
Austria.

During their sojourn here, troops
are treated as guests and are given
unusual liberties which make their
carefree stay a holiday devoted to
comfort and pleasure. Among the
conveniences which are free for the
asking are movies, gymnasium,
swimming pool, library, barber shop
parlor, wrapping service, watch re-
pair, minor clothing alterations,
Red Cross Club, and tasty meals
prepared by French chefs and served
by pretty French waitresses.
There is no bugle call; anyone can
sleep as late or as often as he
wishes. Rules are extremely few
and a large community is nearby
where the men are able to enjoy
civilian activities amid surround-
ings of welcoming cordiality.

RETIRED FARMER SUCCUMBS SAT.

HEART ATTACK PROVES FATAL
TO THOS. A. HUEY, UNION—
WAS LIFELONG RESIDENT OF
BOONE COUNTY.

Thos. A. Huey, well known Union
farmer, passed away at his home
on Big Bone-Union Road, late Sat-
urday, after suffering a heart at-
tack. He was 65 years of age.
Mr. Huey was a lifelong resident
of Boone and had been an active
farmer until the last year, when he
retired, due to ill health.

Funeral services were conducted
from the Big Bone Baptist Church,
Wednesday afternoon at 2:00 p. m.,
with Rev. R. A. Johnson and Rev.
Sam Hogan, officiating. Burial
was in Big Bone Cemetery.

Mr. Huey is survived by his
widow, Mrs. Sallie Willis Huey; one
son, Tom Robert Huey; 1 brother,
Jas. A. Huey and two grandchild-
ren.

Chambers and Grubbs, Walton
funeral directors were in charge of
arrangements.

Florence Youth Is Payroll Clerk

With the 38th Division on Luzon
—Pfc. Lawrence L. Aylor, son of
Mrs. Gertrude Aylor, who resides
in Florence, Ky., handles \$110,000
a month in Soldiers Deposits at the
Finance Office of the 38th (Aven-
gers of Bataan) Division.

The Soldiers Deposit is the Army sav-
ings bank where the men receive
4 percent interest on their money.
In the Personal Transfer Transmis-
sion, the soldier's means of
sending money home by check,
about \$25,000 a month is sent to
the States by the Division troops.

Pfc. Aylor works on the 115 pay-
rolls that pass through the office
monthly, the troops being paid
no matter where they are.
The Philippine penny is quite large.
The combat soldier invariably re-
ceives 3 or 4 of them in his pay.
He has never found a use for
them. Prices on things he buys
are usually in round numbers, 1,
2 or 3 pesos. Pfc. Aylor reports
that the troops have finally found
a use for them. They use them
as poker chips.

Pfc. Aylor has been overseas 20
months, serving in the Hawaiian
Islands, New Guinea and Leyte
before arriving on Luzon. He is
entitled to wear the Asiatic Pacific
Ribbon with 3 stars, the Philippine
Ribbon with 1 star, and the Good
Conduct Medal.

Burlington Baptists Will Hold Picnic Mon

The Burlington Baptist Sunday
School will hold its annual picnic
at the fair grounds on Monday,
September 3rd, beginning at 11:00
a. m.

Each family is requested to bring
sandwiches, salad, sweetened tea,
forks, spoons and glasses.

Committees were announced at
the prayer service held Wednesday
night of this week.

All members and friends of the
Sunday School are cordially invited
to attend.

Mrs. Albert Sebree was ill over
the week-end.

4-H PROJECT CHAMPIONS

WILL BE SELECTED AT MEETING
TO BE HELD OCTOBER 20TH—
ELEVEN COUNTIES WILL COM-
PETE FOR HONORS.

Twelve Boone County 4-H pro-
ject champions will be selected to
compete in the District 4-H Chan-
pionship Achievement Day to be
held at Florence, Town Hall, Miss
Dorothy Threlkeld, clothing spec-
ialist from the University of Ken-
tucky discussed "The A B C's of a
Well Dressed Person" and gave
hints about the fall style trends
and what to look for in the tex-
tile situation. Miss Mary Hood
Gillaspie, Home Demonstration
Agent and Miss Priscilla Grady,
Assistant Home Demonstration
Agent, announced that the meet-
ing last week was the first of a
series of three clothing meetings
with Miss Threlkeld.

Leaders present were: Bullitts-
ville, Mrs. N. M. McKelven and Mrs.
Huey; Burlington, Mrs. H. E.
White and Mrs. R. E. Garrison;
Florence, Mrs. Virginia Goodridge
and Mrs. Frances Luchte; Hebron,
Mrs. Howard Acra and Mrs. Lor-
ena Clore; New Haven, Mrs. War-
ren Miller; Petersburg, Miss Gladys
Klopp and Mrs. Louis Hittfield;
Rabbit Hash, Mrs. Jack Purdy;

Walton, Mrs. Scott Chambers and
Mrs. Geraldine Harris.

Fish And Game Club Postpone Meeting

The meeting scheduled for Sep-
tember 6th by the Boone County
Fish & Game Protective Associa-
tion has been postponed, according
to R. I. Rouse, president. This
meeting was postponed due to the
fact that James Gilpin, who was
booked to show pictures and discuss
wildlife, was unable to be present
on this date.

Members of the organization plan
to hold the meeting at an early
date to be announced later,
which will be announced later,
when it will be possible for Mr. Gil-
pin to be present. These arrange-
ments were made in order that
wives of the club members could be
entertained on this date.

Watch this paper for further an-
nouncements concerning the Sep-
tember meeting for the ladies.

BALBO RYE SEED IS AVAILABLE

WALTON MAN REPORTS 300
BUSHELS OF EXCELLENT SEED
—FLORENCE MAN HAS 43 BUS.
FOR SALE.

Balbo rye seed from good stock
is available this year locally in lim-
ited quantities according to the
County Agent's office. Farmers
desiring to use Balbo rye this year
should contact local sources im-
mediately as seed of this new im-
proved rye is still scarce. Farmers
are cautioned that rye unlike wheat
cross pollinates easily. Much rye
is sold each year for Balbo that is
not true Balbo rye.

J. C. Benton of Walton reports he
has 300 bushels of excellent seed.
Cam Kennedy of Florence reports
43 bushels for sale while several
other growers have smaller
amounts.

Balbo rye is different from ordi-
nary rye in that it grows much faster
and makes excellent fall, winter
and early spring pasture if seeded
early. It also makes an excellent
green manure crop especially when
seeded with sweet clover. Farmers
can do no more profitable job
than to seed their tobacco land to
Balbo rye and grasses (where per-
manent or rotation pasture is de-
sired) as soon as the crop is harvest-
ed. Because of difficulty in early
harvesting of corn, many farmers
last year successfully seeded Balbo
rye in their standing corn.

A farmer can have no better
sign of being a master farmer than
seeding his land to small grain
within 48 hours after his cultivated
crop is harvested, according to the
County Agent's office.

CLOTHING LEADERS ATTEND MEETING

HELD AT FLORENCE TOWN HALL
WEDNESDAY, AUGUST 22—MISS
DOROTHY THRELKELD HEARD
BY WOMEN.

The Homemakers clothing lead-
ers from the Boone County Home-
makers Clubs attended a training
meeting Wednesday, August 22 at
Florence, Town Hall. Miss
Dorothy Threlkeld, clothing spec-
ialist from the University of Ken-
tucky discussed "The A B C's of a
Well Dressed Person" and gave
hints about the fall style trends
and what to look for in the tex-
tile situation. Miss Mary Hood
Gillaspie, Home Demonstration
Agent and Miss Priscilla Grady,
Assistant Home Demonstration
Agent, announced that the meet-
ing last week was the first of a
series of three clothing meetings
with Miss Threlkeld.

Leaders present were: Bullitts-
ville, Mrs. N. M. McKelven and Mrs.
Huey; Burlington, Mrs. H. E.
White and Mrs. R. E. Garrison;
Florence, Mrs. Virginia Goodridge
and Mrs. Frances Luchte; Hebron,
Mrs. Howard Acra and Mrs. Lor-
ena Clore; New Haven, Mrs. War-
ren Miller; Petersburg, Miss Gladys
Klopp and Mrs. Louis Hittfield;
Rabbit Hash, Mrs. Jack Purdy;
Taylorsport, Mrs. Earl Morehead;
Walton, Mrs. Scott Chambers and
Mrs. Geraldine Harris.

Mrs. Helen Snyder entertained at
the Music Box last Monday even-
ing in honor of Mrs. Kirtley Klopp,
who left Florence morning for Day-
entertainment, Iowa. The following
guests were present: Mrs. Wm. Carr,
of Cincinnati; Mrs. Byron Schilling,
of Erlanger; Mrs. Roy Nestor and
Mrs. E. W. Smith of Florence and
Mrs. Wm. Townsend of Palmouth.

MEMORIAL SERVICE HELD BY BAR ASS'N.

FOR JAMES C. ROGERS, WHO
PASSED AWAY SEVERAL
WEEKS AGO—RESOLUTIONS
ADOPTED.

On Wednesday, August 15, 1945
at 11:00 a. m. the Boone County
Bar was called to order by Hon.
John L. Vest, acting chairman, to
receive the report of the commit-
tee which had been appointed to
draft suitable Resolution on the
passing of Hon. James C. Rogers,
attorney at law.

The resolutions were read by
Hon. Walter D. Vest, a member of
the committee and were unani-
mously adopted by the members in
attendance, and immediately fol-
lowing the adoption of the resolu-
tions, appropriate remarks were
made by those present expressing
their personal grief at the passing
of good and honored member of
the profession, a statesman, coun-
selor and friend.

The Resolution presented and
adopted is as follows:
Resolution Mourning the Passing
of James C. Rogers

James C. Rogers, "Jim" as he was
affectionately known by his friends
and associates, passed away sud-
denly at his home in Park Hills,
Kentucky, on June 13, 1945.

Jim was born May 26, 1905 at Er-
langer, Kentucky, and was the only
son of O. M. and Katherine Rogers.
After graduating from Holmes
High School in Covington, Kentucky
Jim attended Vanderbilt University
for one year. He then entered the
University of Virginia and received
from that school the degree of
Bachelor of Laws on May 11, 1929.
He immediately joined with his
father in the practice of law, form-
ing the firm of Rogers and Rogers,
having been licensed to practice in
September, 1928 before receiving his
law degree.

During his practice he served as
United States Commissioner for
the Eastern District of Kentucky,
receiving his appointment from
Judge H. Church Ford. He resigned
that position to serve in the
Kentucky Senate from 1936 to 1940,
having been elected to that body
by the people of Kenton County.
He was Past President of the Ken-
ton County Bar Association and
was the youngest attorney ever to
hold that honor. During his 18
years at the bar he was an active
practitioner in all of the courts,
both State and Federal in Northern
Kentucky.

On May 1, 1939 Jim was married
to Dolores Scott of Kenton County.
To this union two children were
born, Virginia Ann, now four years
of age and Carol One, now two.
Besides his services as an at-
torney and legislator, Jim was Past
Exalted Ruler of the Covington
Lodge of Elks, a member of Good
Faith Lodge of Free and Accepted
Masons of Erlanger and a member
of the Erlanger Baptist Church.

In token of the high esteem in
which Jim was held by the mem-
bers of the Boone County Bar,

BE IT RESOLVED, that the Bo-
one County Bar joins with his
relatives and many friends in
mourning the sudden and untimely
passing of a wise counselor,
faithful public servant and grac-
ious friend.

BE IT FURTHER RESOLVED,
that this resolution be spread at
large on the Order Book of the
Boone Circuit Court and that copies
of this resolution be delivered by
the Clerk of this Court to his wife
and to his father and mother.

John L. Vest,
L. M. Ackman,
Chas. W. Riley,
Walter D. Vest,
Committee.

Marvin Moore Enjoying Week's Vacation Here

Marvin H. Moore, Hartford, Conn.,
is spending a week's vacation with
his parents, Mr. and Mrs. W. V.
Moore of near Burlington. Marvin
holds a position as Claim Repre-
sentative for the Aetna Insurance
Co., of Hartford, Conn., which po-
sition he has held for the past 3 1/2
years.

Mrs. Chas. Pepper gave a birth-
day dinner for her husband Charles
and son S. J. Joseph Manning Pe-
pper, who is home on leave from
the U. S. Navy. Those present were
Mr. and Mrs. Hogan, Ryle and
daughter Norma, of Petersburg; Mr.
and Mrs. Elmer Pitts and little
daughter Bonnie Sue, of Hebron;
Mr. and Mrs. Raymond Scroggin
and children Charles Ray and Carol
Ann of Burlington. After dinner
ice cream and cake were served and
pictures taken.

Homemakers Prepare For New Officers

The officers of the Boone County
Homemakers Clubs attended a
training meeting Thursday, August
23 at the Burlington Courthouse.
Mrs. Leo Flynn, president, at the
meeting and the county officers of
the Homemakers outlined their re-
spective duties to the newly elected
officers. Miss Lullie Logan, As-
sistant Supervisor of Home Demon-
stration Agents, University of Ken-
tucky, gave helpful suggestions
concerning the importance of good
leadership in Homemakers Clubs.
Arrangements for the meeting
were made by Miss Mary Hood Gil-
aspie, Home Demonstration Agent,
and twenty officers from the county
attended the meeting.

Passenger Car Tires Still Rationed

New passenger car tires will con-
tinue to be rationed largely on the
basis of occupational driving needs,
the Office of Price Administration
announced recently. A very lim-
ited number of tires will be available
for non-occupational driving under
the new eligibility rules.
Persons eligible for new tires will
continue to apply to their local War
Price and Rationing Boards for
purchase certificates.

Banks Closed Monday

Next Monday is Labor Day and a
legal holiday. Banks of the county
will be closed on that day.
The Recorder office will be open
throughout the day, and requests
persons desiring to place advertis-
ing or news items in this issue to
have their copy in this office early.

FIRE DEPARTMENT BUYS EQUIPMENT

PUMPER AND ALL EQUIPMENT
OF OGD BECOMES PROPERTY
OF BURLINGTON VOLUNTEER
FIRE DEPARTMENT.

The Burlington Volunteer Fire
Department announces the pur-
chase of the OGD equipment which
was released to the department sev-
eral months ago. This equipment
is now the property of the depart-
ment.

Purchase of this equipment in-
sures the Burlington firemen, ample
fire fighting apparatus to combat
fires of any size in this locality.

The OGD pump, is mounted on a
small Studebaker truck and is now
ready for service. This equipment
is used for pumping cisterns, ponds
and wells and is available to resi-
dents of this neighborhood. Pump-
ing charges may be obtained from
any member of the fire depart-
ment.

Funds obtained from this service
will be used to maintain and re-
place equipment, it was announced
by the directors. Anyone desiring
this service should contact any
member of the fire department.

With the purchase of the OGD
pump and equipment, Burlington
now boasts a first class fire fight-
ing outfit. The large pumper carries
633 gallons of water, and is ready
for use upon arrival at the fire,
while the small engine will be used
to locate cisterns, and pump to the
large apparatus. This combination
insures an efficient and effective
fire apparatus.

Coat And Flashlights Stolen From Rouse's Car

Thieves broke into the garage of
Mr. and Mrs. Robert Rouse, of Flo-
rence on Tuesday of last week, and
removed flashlights and a raincoat
belonging to Mr. Rouse. The rain-
coat was later found on U. S. 25,
by Highway Patrolman, and returned
to its owner.

Both cars belonging to the Rouses
were broken into by the culprits.
Officials believed the thieves were
searching for money.

CROPPER ELECTED ROADS CHAIRMAN

AT MEETING HELD WEDNESDAY
EVENING—REUBEN PROCTOR
OF FARM BUREAU, ADDRESSES
GROUP.

Judge C. L. Cropper was elected
chairman of the Boone County
committee for the Kentucky Good
Roads Federation in a meeting at
Burlington last Wednesday even-
ing. W. W. King of the County
Farm Bureau was elected vice pre-
sident of the committee and John
E. Crigger secretary.

The Federation is sponsoring an
amendment to the State Constitu-
tion which will be voted on in No-
vember. The amendment if passed,
will guarantee all gasoline and
automobile excise and license taxes
be used on roads and for no other
purpose.

Judge Cropper stated the pass-
age of the amendment should
strengthen support given rural
roads and should insure more effi-
cient Federal aid on the main
roads. He appointed H. E. White
as meetings chairman, A. E. Steph-
ens as publicity chairman, and D.
H. Norris as chairman of poll
workers on election day.

The amendment as expected to
be listed on the November ballot
will read, "Shall the Constitution
be amended to protect highway
funds from diversion." Yes, No.

St. Patrick Church Plans Homecoming Services Labor Day

St. Patrick's Church, Verona,
plan Homecoming services at the
Woodland Inn Grounds, 2 1/2 miles
south of Walton on Dixie Highway,
Monday, September 3rd.

The Verona parish is 82 years old,
and has held an annual homecom-
ing service for the past several
years. Father Jobst is pastor of
the charge.

A friend chicken dinner will be
served from 10:30 a. m. to 6:30 p.
m., it was announced. Various kinds
of entertainment will be enjoyed
throughout the day.

Teachers Workshop To Be Held Sept. 4, 5, 6, And 7 At Burlington

Mrs. Naomi Wilhoite, state elem-
entary supervisor and Miss Kath-
erine Evans from Eastern Teach-
ers College will be here to conduct
the work of this workshop. They
will be assisted by Supt. D. H.
Norris and Sibbla Reimer, elemen-
tary supervisor.

Teachers will work on such prob-
lems as school environment, teach-
ing of reading, daily program and
health and recreation.
This is the first workshop for
teachers held in northern Ken-
tucky and much interest is being
shown.

Mr. and Mrs. A. O. Rouse, of
Union, Mr. and Mrs. Lloyd Rouse
and family of Florence, Mr. and
Mrs. Lloyd Weaver and family,
of Bromley, spent Sunday with Mr.
and Mrs. R. I. Rouse.

SHEEPMEN WILL HEAR SPECIALIST

AT ANNUAL MEETING, SATUR-
DAY, SEPTEMBER 1ST—1946
SHEEP OUTLOOK WILL BE DIS-
CUSSED.

G. F. Summers, Marketing Spec-
ialist, will address Boone County
Sheep Protective Association mem-
bers at their annual meeting at
1:30 p. m., Burlington, on this Sat-
urday, September 1st, according to
L. H. Congleton, secretary of the
Association. Summers will discuss
progress of sheep protective associa-
tions in the state and the 1946
outlook for sheeps and lambs. All
sheepmen whether members of the
Association or not are invited to
attend.

The directors of the association
report one of the smallest numbers
of member losses from dogs since
the start of the association in
1938. Only fourteen of the one
hundred members the past year in-
curred losses totalling \$351.41. All
losses incurred by members will be
paid in full on next Saturday. A
reserve of approximately \$571.00
will be held over for the new year.
The association especially wishes
that all members be present for
the annual meeting.

REMEMBER WHEN

—women's hats were held in place by two or three hatpins? Long affairs they were, some with large fancy heads, jewel studded and ornately decorated with metal work. Putting on and taking off a hat was a real feminine art that required a mite of patience along with the skill of adjusting the pins. Remember?

JOSEPH'S PLACE IN GOD'S PLAN

LESSON TEXT—Genesis 39:20-23; 41:14-15, 26-34.
GOLDEN TEXT—Scent thou a man diligent in his business? he shall stand before kings.—Proverbs 22:28.

Does it pay to trust God? Does He know about the sorrows and the troubles of His people? Does He have anything to do with the affairs of the world? Men are asking such questions in our day, and we have the answer in God's dealings with men in the past.

The story of Joseph is fascinating from almost any angle, but it holds no more important truth than that the man who honors God in his life will be honored by God (1 Sam. 2:30), even in the hardest place, yes, and in the highest position in the world.

Joseph appears before us in our lesson as
I. A Prisoner Prospered by God. (39:20-23).

It is surprising how often one finds God's men in the Scriptures in prison. Their determination to live upright and honorable lives ran counter to the plans of the world that in the inevitable clash there came persecution.

The story of how Joseph became the object of his brother's jealousy and was sold as a slave into Egypt; how he prospered there only to be disgraced and imprisoned because of the lying accusation of an angry woman—all these are in the background of our lesson.

Now that he was in prison, presumably his influence was gone and his usefulness at an end. Not so, for God can be with a man in the prison as well as in the palace.

He soon became the head man of the jail. Imagine a prisoner taking over the keeper's work! Then, too, he there met the king's chief butler who, though forgetting for a time, did eventually say the word which brought Joseph back into power (see Gen. 40:1-23; 41:9-13).

The obvious lesson and blessed truth here is that when one of God's people finds himself in a difficult place, he can rest assured that God is there working out His own blessed purpose. Why not trust Him and look for His deliverance?

Joseph the God-prospered prisoner now becomes
II. A Premier Prepared by God. (41:14-15, 25).

The hour had come when a man was needed who had a word from God. In preparation for the awful years of famine the Lord wanted to use the land of Egypt as His great granary. He wanted thus to preserve the chosen nation of Israel, as well as to meet the needs of others.

The vision of the king, plain as it seemed when interpreted, was unintelligible without the key from God, and He had his man prepared. Joseph was ready to be called from prison to speak the right word at the right time.

How important it is that the Lord's messengers be prepared and ready to respond in the hour of His blessing and opportunity! Many eager Christians look forward to the months and years just ahead of us as the greatest opportunity the Church has had to spread the gospel.

Notice that Joseph gave God the glory (vv. 16-25). The one who really knows what is going on in the world is quick to recognize that only the wisdom and the grace of God are sufficient for man's need. Let the voice of boasting mankind be silenced and let the voice of God speak!

Joseph's prophetic word marked him as God's man to "carry out God's plan, so we see him now as
III. A Premier Promoted by God (41:41-43).

"I have set thee over all the land," said Pharaoh, and so he had, but in reality it was God who had planned the whole matter. He wanted Joseph there at this time, and there he was.

It may be well to stress the fact that God is interested in government and in the men who hold public office. In fact, the only true foundation for government is found in God. We are told to "be subject unto the higher powers. For there is no power but of God: the powers that be are ordained of God" (Rom. 13:1).

The Bible clearly teaches that every governmental agency and every public servant, from the policeman on the corner to the President in the White House, is permitted to exercise authority over his fellow-men only because God has ordained that there should be such government.

Clear it is that every right-thinking official of state and nation should be humble, teachable, discreet, and wise in the exercise of his power, and God-fearing in the discharge of his responsibility.

He who reads may apply the truth of God's Word to himself and find personal blessing. It is a rich and powerful and stimulating Word. Let us use it for God's glory!

ABSOLUTE AUCTION!

DAIRY HERD DISPERSAL

SATURDAY, SEPT. 1

1:00 P. M.

Located on Youell Road 2½ miles north of Hebron, Kentucky, ¼ mile from State Road 20 at the Jergens farm. Look for sign.

Mr. Norman Herbstreit, having decided to discontinue the dairy business, has authorized us to sell his entire herd of Holstein cattle at absolute auction, as follows:

This herd is comprised of 14 milch cows, mostly Holsteins, all giving a good flow of milk; 4 cows with calves by side. There are 3 two-year-old heifers due to freshen in November, and 5 yearling heifers; also 3 nice heifer calves and 1 Holstein male, eligible to register; 1 high grade Swiss heifer.

THIS IS ONE OF NORTHERN KENTUCKY'S FINE HERDS OF DAIRY CATTLE. MR. HERBSTREIT HAS RAISED ALL OF THE DAIRY COWS AND KNOWS THEIR BREEDING AND PRODUCTION RECORDS. THIS IS A HIGH GRADE HERD OF PROVEN MERIT AND BREEDING.

Their Jobs Will Be Waiting When They Get Back

NOW that the war has ended, we are looking forward eagerly to the time when we can welcome back our 144 employees in the armed forces.

They'll receive a double welcome from those of us here at home, and to see them personally and we'll welcome their energy and experience in handling the big job of building a better post-war electric service.

Deferred maintenance, new construction and plans for expanded customer service assure plenty of jobs for all of our returning veterans. They'll come back to jobs as good or better than those they left, and with all their rights and privileges as employees preserved.

The best is none too good for the men who fought our battles for us. And we intend to see to it that the former employees who rejoin our ranks are given full opportunity to make the best use of their talents and abilities in building a better future for themselves and helping us build a better electric service for you.

HOLDUP SUSPECT IS APPREHENDED

AT HAMILTON, OHIO—WAS IMPLICATED IN HOLDUP OF CABINDALE FILLING STATION, AUGUST 25TH.

Floyd Skaggs, 21, of Springfield, Ohio, was arrested by Hamilton, Ohio authorities, Friday, according to a report received by Irvin Rouse, Deputy Sheriff of Boone County.

Skaggs admitted participating in the holdup of Cabindale Filling Station and grocery on U. S. 25 near Florence, August 25th. He was said to have been the driver of the car. Skaggs is being held for Boone County officials.

The bandits made their escape from Highway Patrolmen and Irvin Rouse, Deputy Sheriff over U. S. 25 and 42 in a stolen car, which they had obtained from a parking lot in Cincinnati. They later abandoned the car and stole another, it was reported by Deputy Rouse.

Loot obtained from the holdup consisted of \$140.00 in cash and a wrist watch from a bystander at the filling station. An unidentified woman in a car parked near the filling station obtained the license number of the bandit car.

District Federation Of Homemakers Meet In Maysville

Th District Federation of Homemakers met last week at Maysville, Ky. Sixteen counties of the North Bluegrass District were represented at this meeting.

Mrs. Leo Flynn, District Chairman of the Speakers' Bureau group presided. Many helpful suggestions for carrying on the 1945-46 program were given by the state leaders of Extension for Homemakers.

Those representing Boone County at this meeting were: Mrs. Courtney Kelly, Mrs. John Martin, Mrs. Albert Pfalzgraf, Mrs. Vernon Pope, Mrs. Leo Flynn, Miss Mary Hood Gillespie, Home Demonstration Agent, and Miss' Priscilla Graddy, Assistant Home Demonstration Agent.

Enoch Israel Rouse

Enoch Israel Rouse, a retired Boone County farmer, died Friday at Christ Hospital, Cincinnati, after a long illness. He was 80 years old.

Mr. Rouse was a well known Hebron farmer and will be greatly missed in his community.

He is survived by his widow, Mrs. Nellie Harding House; a son, Luther H. Rouse, and a sister, Mrs. Ottilie Aylor, both of Hebron; two grandchildren and four great-grandchildren.

Funeral services were conducted from the Hebron Lutheran Church Monday afternoon at 2:30. Burial was in Hebron Cemetery.

The Catherman funeral home, Ludlow was in charge of funeral arrangements.

CROP INSURANCE FOR WINTER WHEAT

OBTAINABLE FOR FIRST TIME SINCE 1943—OFFERED BY FEDERAL CROP INSURANCE CORPORATION.

Farmers can get all-risk crop insurance on winter wheat this year for the first time since 1943. Every wheat farmer in Kentucky will have a chance at this non-profit insurance, offered by the Federal Crop Insurance Corporation. He can choose between two contracts—one, covering up to seventy-five percent of the average yield, the other, up to fifty percent. Both contracts are for a three-year period. The farmer can pay his premiums each year by cash or by premium notes. But application must be received from at least fifty farms in the county—or one-third of the farms, if that number is less—before crop insurance will be approved for the county.

If you'd like to find out more about the program, or if you'd like to file your application now it can be done at the County Triple-A office. Contracts are being written by some of the Triple-A committees, and by sales agents appointed by the county committee. But be sure to get your contract all signed, sealed, and delivered before the closing date in Kentucky September 29, or your own seeding time, whichever comes up first on the calendar.

Local Boy Aboard Ship Off Island Of Japan

Aboard The USS North Carolina off Japan (Delayed)—Private first class, Robert P. Guiley, 24, son of Mr. and Mrs. Harry R. Guiley, of Route 2, Burlington, Ky., is serving aboard this battleship which is part of the powerful Pacific Fleet engaged in occupying Japan.

Under the operational control of Admiral William F. Halsey, USN, Commander of the 3rd Fleet, the North Carolina, one of the "glamor" ships of the Fleet, assembled with 11 other battleships, 17 aircraft carriers, five escort carriers, 20 cruisers and more than 290 other U. S. ships to carry out the first stages of the occupation of the Japanese home islands.

Minstrel Show Attracts Large Crowd Tuesday

Minstrels of '45 presented at Burlington Tuesday night, August 28th was a huge success, with the high school auditorium filled to capacity.

The show was enjoyed by all. The show is ready to travel on to Hebron and Florence in a few weeks so everyone who missed the performance at Burlington are urged to attend the Hebron or Florence performance.

Don't forget, for good music, good jokes and a good show, "Minstrels of '45" will fill your entertainment requirements.

The band will play at the Aurora Fair, it was announced this week.

FARMERS URGED TO USE CAUTION

IN PLANNING THEIR POSTWAR OPERATION BY G. P. SUMMERS MARKETING SPECIALIST AT MEETING SATURDAY.

G. P. Summers, Marketing specialist, addressing Boone County Sheep Protective Association members in their annual meeting at Burlington last Saturday urged farmers to use caution in planning their postwar operations.

The outlook is for higher prices for those commodities the farmers have to buy and lower prices for commodities the farmers have to sell.

The demand for most farm products will continue good but the less favorable ratio between what the farmer buys to what he has to sell means that the farmer must exert greater caution and better business judgment than was necessary the past several months.

Summers stated the demand for pork, dairy cattle, sheep and grain crops are expected to remain good. Wool prospects for next year are lower and beef cattle numbers are unusually large. Several factors may yet affect this year's price of tobacco but the price outlook is good.

The association elected the following directors to serve for the 1945-46 year: Charles W. White, Charles Beall, H. E. White, L. H. Congleton, John T. Stevens, Walter Johnson, James Pennington, Russell Sparks and Joseph Huey. The directors met after the annual meeting and elected H. E. White, president; James Pennington Vice president; and L. H. Congleton, secretary.

The association reported the past year an even one hundred farmers owning 3,327 sheep participated in membership. Fourteen members suffered losses from dogs. The 1945-46 association year started September 1st and runs to next September 1st. All sheep owners are invited to accept membership in the association by contacting one of the officers or directors.

More than one-third of all sheep owners in the county have participated each year in the association activities since its start in 1938.

Clarence B. Taylor

Funeral services were held Friday at 2 p. m. at the Chambers and Grubbs funeral home, Walton, for Clarence B. Taylor, 66, owner of the Phoenix Hotel, Walton, who died Tuesday of last week at his home. Burial was in Highland Cemetery, Ft. Mitchell.

Mr. Taylor had been engaged in business in Walton for the past 20 years, and was owner of the Phoenix Hotel at the time of his death.

Mr. Taylor leaves two sons, John and William Taylor, both of Walton; a daughter, Mrs. Bascom Elmore, Walton, and a brother, Lawrence Taylor, former Mayor of Park Hills.

SCHOOL TO OPEN SEPTEMBER 10TH

FEW TEACHING POSTS REMAIN TO BE FILLED, ACCORDING TO COUNTY SUPERINTENDENT, D. H. NORRIS.

The schools of Boone County will open Monday, September 10. A few places remain to be filled, according to D. H. Norris, County Superintendent.

The following teachers have been assigned to the various schools: Burlington school, principal, Lawrence Rodamer, Marjorie Craig, Lyndell Merritt, Maud Kelly, Hannah Rodamer, Lillie Kelly, Lillian Whalin McCormac, Corinne Walton; Hebron, principal Chester Goodridge, Mary Eubank, Emily Furnish, Hazel Fowler, Anna Engle, Frances Dungan, Loretta Leach, Marie Asbury, Nina Lucy, Sadie Riemann, Gwen Taylor; New Haven, principal, Elmer Kidwell, Ruth Mason, Beulah Riggs, Mrs. J. C. Acres; Burlington colored school, Wallace Strader, Glenna Rose Sleet.

All schools will open at 9:00 a. m. central war time, Monday.

Increase Made In Class 2 Slaughter Percentages

A substantial increase in Class 2 slaughter percentages for cattle, calves and hogs for quota periods beginning August 26, 1945, was announced recently by the Office of Price Administration.

The slaughter percentage for cattle is increased from last month's 100 per cent to 125 per cent; the percentage for calves is increased from the former 75 per cent to 100 per cent; and for hogs, from the former 50 per cent to 65 per cent. The slaughter percentage for sheep and lambs remain unchanged at 110 per cent.

New Tobacco Varieties Produce Excellent Quality

Experiment Station No. 52 root rot resisting and Mosaic resistant white Burley tobacco grown for the second year on the farm of Leasing Huey of near Union has produced some excellent quality tobacco, according to the County Agent's office.

Huey has grown six acres of this variety and has already housed most of his crop of fine quality ripe leaf.

Number 52 is an early maturing high quality variety that is one of the most disease resistant varieties grown to date. Mr. Huey states he likes the variety enough that he is going to save a large quantity of seed this year.

John Kopp, William Burns, Lloyd Siskman, Andy Cook and L. W. Rogers of Petersburg and Bellevue farmers are growing a new No. 33A Fusarium wilt and root rot resistant variety that looks better than any wilt resistant varieties grown to date. Farmers, especially those in river bottom sections, where wilt is an important factor should check on this new variety.

Brother Of O. B. Thomas Killed By Lightning

Orville W. Thomas, 28, was killed by a flash of lightning while working in a tobacco barn on a farm near Georgetown, Saturday.

Thomas was on a rail at the top of a barn receiving tobacco hauled up by German prisoner laborers when the lightning struck through the roof during a heavy storm. He died en route to a hospital. Two of the prisoners were treated for burns but none was seriously injured.

Thomas is survived by his foster parents, Mr. and Mrs. Ethan O. Thomas, and a brother, Rev. O. B. Thomas, former pastor of the Burlington Methodist Church.

Rev. Thomas was notified of his brother's death Saturday. Services were held at 2 p. m. Monday.

Bronze Star Awarded Lt. Col. Robt. B. Hensley

Lt. Colonel Robert B. Hensley, son of Mr. and Mrs. Thomas Hensley has been awarded the Bronze Star for meritorious service in connection with military operations against an enemy of the United States as an executive officer.

The citation was given while he was still a Major, having been promoted to the rank of Lt. Colonel the early part of August. Lt. Col. Hensley is now stationed on Tinian and has served overseas for the past fifteen months. His wife and three children reside at their home in Lexington.

The citation follows: "Pursuant to authority contained in Army Regulation 600-45, dated 22 September 1943, as amended, and classified letter, Headquarters Twentieth Air Force, dated 16 December 1944, subject: 'Delegation of Administrative Responsibilities', the Bronze Star Medal is hereby awarded to Major Robert B. Hensley, 0908-733, Air Corps, Army of the United States, XX Bomber Command, for meritorious service in connection with military operations against an enemy of the United States as Executive Officer of the 3rd Bombardment Group from 20 July 1943 to 9 April 1945. By the efficient discharge of his important assignment Major Hensley contributed materially to the establishment of the Group in the theater of operations and to its successful operation against the enemy. The services of Major Hensley reflect great credit upon himself, the XX Bomber Command and the Army Air Forces."

McKain-Edwards

The wedding of Miss Ruth McKain, attractive daughter of Mr. and Mrs. Harry McKain, of Aurora, Ind., and Wilson J. Edwards, son of Mr. and Mrs. Claude Edwards, of Petersburg was solemnized Saturday evening, August 25 with Rev. Noble Lucas, officiating. The wedding was held at the home of Mr. and Mrs. Ralph Jones, sister of the groom.

As the Wedding March was played by Miss Patricia Helm, the bride came down the stairway on the arm of her father, who gave her in marriage.

The bride wore a lovely gown of white satin, carrying a bouquet of white roses. Miss Betty Heston, a friend of bride, was maid of honor. She wore a blue gown, carrying a bouquet of pink roses. The bride's two little nieces were the flower girls. Mr. Edwards had as his best man, Robert M. Hodges, of Petersburg.

Following the ceremony a reception was given, and later the young couple left on a brief honeymoon.

Sgt. Claude W. Edwards, a brother of the groom and Sgt. and Mrs. Alfred T. White, a sister of the groom, also the bride's brothers S. I. Jordan McKain and Lt. Edwin McKain were greatly missed at the ceremony.

The R. A. Gospel Team traveled through Owen and Gallatin County the past two Sundays. They have held services at three churches in each association. R. M. Andrews North Bend R. A. leader is in charge of the Gospel Team.

SPECIALIST VISITS DEMONSTRATIONS

IN COUNTY LAST WEEK—MARKED DIFFERENCES IN PROSPECTIVE YIELDS, REPORTED BY JONES.

S. C. Jones, soils field agent from the College, visited on last Friday corn fertilizer demonstrations on the farms of L. W. Guiley of Burlington and William Burns, of Petersburg. Plots of corn on these farms were treated with different applications of nitrogen fertilizer and potash. Weighed yields on each plot will be secured at harvesting time. Jones reported there were marked differences in prospective yields on the different plots.

Charles L. Hempfling of Taylorsport has one of the best estimated corn yields on a large acreage expected to be harvested this year. A 93-acre river bottom field is estimated by experienced farmers to have a prospective yield of from 100 to 120 bushels per acre. The field planted to U. S. 13 yellow and Ky. 203 white was fertilized in the row followed by broadcasting 200 pounds of Ammonium Nitrate per acre.

Bellevue Wins First Game Of Series

Bobby Rogers held the Petersburg nine to five hits and 3 runs as Bellevue copped the first game of a five-game series 9 to 3. Huey, Burns and Deck were all on the hill for the logs.

"Chick" Stephens collected three hits for the winners, while Evan Casey lined a homer in the third. Petersburg's hits were divided among five different players.

The second game of the series will be played at Petersburg, Saturday at 2:00 p. m.

Burlington Boy Aboard Carrier In Tokyo Bay

William W. Jarrell, aboard the aircraft carrier Cowpens, now in Tokyo Bay, is participating in the occupation of Japan. Marine flyers aboard the carrier Cowpens dropped in on the Yokosuka air station before the amphibious forces arrived.

"Bill" as he is known throughout the county entered the service 18 months ago. He received his basic training at Great Lakes, Ill., and was later sent to San Francisco, Calif., where he was assigned to the Cowpens.

Bill's task force participated in the attacks on the Philippines, and practically all pre-invasion raids on the various Pacific islands.

When home on furlough during the past spring Bill was entitled to wear seven battle stars, which means that his task force had participated in seven major sea engagements with the enemy.

Seaman J. C. Jarrell is a former employee of The Recorder office, and prior to entering the service was editor and part owner of The Walton Advertiser.

SERVICES AT BULLITTSVILLE

There will be preaching services at Bullittsville Christian Church on Sunday, September 9, at 11:00 a. m. immediately following the Sunday School hour.

Mr. and Mrs. George Porter and Mr. and Mrs. George Porter were dinner guests of Mr. and Mrs. Harry May one night last week.

Miss Mary Hood Gillespie, Home Demonstration Agent, announced that the Homemakers' meetings are open to all those interested in homemaking. New members are cordially invited to attend these meetings.

Craig Baldon

Craig Baldon, at the age of 61 died of a heart attack while at his work in Pearl Harbor on Friday, August 17th at 8 p. m., according to reports received here.

He is survived by his widow Mrs. Virginia Blythe Baldon; one daughter, Mrs. Harold Cross and three grandchildren of Colorado Springs.

Mrs. Baldon has been at Pearl Harbor with him, but will return soon to the home of her daughter at 215 E. Del Norte, in Colorado Springs. Mr. and Mrs. Baldon were both born and reared in Burlington.

Miss Sarah Bell Wood returned happily Wednesday from St. Elizabeth Hospital, where she underwent an appendectomy. Her many friends will be glad to learn she is convalescing nicely.

Mr. and Mrs. Grover Snyder, of North Madison, Ind., visited Mrs. Lella Kite several days last week.

WILBERT NEWHALL REPORTED INJURED

IN ACTION IN PACIFIC—WAS AWAITING REPLACEMENT OFFICER TO RELIEVE HIM FOR NEW ASSIGNMENT IN U. S.

Lt. (j. g.) Wilbert James Newhall, 21, son of Mr. and Mrs. Wilbert J. Newhall of Burlington R. 2, was injured in action in the Pacific, according to a report received by his parents, Thursday.

Lt. Newhall was awaiting a replacement officer to relieve him aboard his ship so that he could return to a new assignment in the United States. He was executive officer on the U. S. Advent. He had received orders to report back to United States for duty with the Naval Aviation Section.

He enlisted in the Naval Reserve Officers' Training Corps in September 1941, when a student at Duke University, he was commissioned upon graduation in February, 1943. He served in the Atlantic theater until July 1944, and then was sent to the Asiatic-Pacific theater.

He has been removed to Saipan, his father stated Friday.

Huey Purchases Pick-Up Baler

Joseph A. Huey, of Union purchased last Tuesday the sixth pick-up baler to be brought into the county. Mr. Huey plans to do some custom baling after completing the harvest of his own crop.

The pick-up baler is enabling many farmers to harvest their crops with more green color and greater feeding value. Improved quality on the 50,000 acres of hay grown annual in the county is considered a major agricultural improvement problem, according to the County Agent's office. This year the past year was valued at more than \$200,000. Failure to follow good hay making practices and ungood hay resulting in less favorable weather result in many crops being lowered 50 percent or more in value at harvesting time.

Melvin King Reports For Reassignment

Pfc. Melvin G. King, son of Mr. and Mrs. A. King of Burlington, R. 1, has reported to Basic Field, 1 Troop Carrier Command at base, Fort Wayne, Indiana, for reassignment and reassignment.

He went overseas in January 1944 and was stationed in England and France with the 79th 436 T. C. Gp. There his duty was that of a driver. He returned to the United States on July 16, 1945.

He has been awarded the Good Conduct, E. T. O. Ribbon, Unit Citation Badge, and seven battle stars.

Before entering the armed forces he was employed by Guiley & Pettit. He attended Burlington High School.

FARMERS URGED TO ORDER PHOSPHATE

WILL BE AVAILABLE AS GRANT OF AID MATERIAL—IS MOST NEEDED. PLANT FOOD, ACCORDING TO COUNTY AGENT.

The County AAA Committee reports more phosphate will be available as Grant of Aid material than expected. Two car loads of phosphate not already ordered by the county is expected to be delivered to the AAA in the near future.

Phosphate and limestone applications to Boone County soils are basic and fundamental to our soils and crops. Improved program, according to H. R. Forkner, County Agent. All local crops tests indicate it is one of the most needed plant foods. Farmers eligible for phosphate through the AAA program or who were limited in their orders last spring should contact the local AAA Office in reference to increased orders. Regardless of whether the AAA allowances are already earned in other practices, larger uses of phosphate will be profitable.

Phosphate does not leach out of the soil as does nitrogen and some of the other plant foods. Extra amounts of phosphate used remain in the soil until the growing season need it. This means the farmer may build up the reserve stock in his soil through the application of this commercial fertilizer.

PLANT CORN CROP

There is still time to plant corn, according to a statement from the Kentucky Agricultural Experiment Station.

"Early varieties of corn will usually mature in Kentucky when planted as late as July 10 to 15," crops men at the station said.

"U. S. 13 hybrid corn probably would be satisfactory. However, it would be safer to use some of the earlier hybrid varieties grown in more northern parts of the cornbelt."

"Some of the ordinary 90-day

varieties grown in the past under circumstances such as have existed in Kentucky this season also would be satisfactory.

"If land stays wet until too late to plant corn, soybeans for hay, millet and sudan grass would be about the only feed crops that could be grown."
